Secured Notes due 2031

On November 5, 2024, Life Time, Inc. (the “**Issuer**”), the indirect subsidiary of Life Time Group Holdings, Inc. (the “**Company**”), completed its previously announced private offering of \$500 million in aggregate principal amount of 6.000% Senior Secured Notes due 2031 (the “**Notes**”). The terms of the Notes are governed by an indenture dated as of November 5, 2024 (the “**Indenture**”), among the Issuer, the guarantors party thereto and Wilmington Savings Fund Society, FSB, as trustee and notes collateral agent.

The Notes mature on November 15, 2031 and bear interest at a rate of 6.000% per annum payable semi-annually in arrears on May 15 and November 15 of each year, commencing May 15, 2025. The Notes will be guaranteed on a senior secured basis by LTF Intermediate Holdings, Inc., the direct parent of the Issuer, and each of the Issuer’s existing and future wholly owned domestic restricted subsidiaries that guarantees its New Term Loan Facility (as defined below), subject to certain exceptions.

At any time prior to November 15, 2027, the Issuer may redeem some or all of the Notes at a redemption price equal to 100% of the principal amount of the Notes redeemed plus a “make-whole” premium plus accrued and unpaid interest, if any, to, but not including, the applicable redemption date, as described in the Indenture. At any time prior to November 15, 2027, the Issuer may redeem up to 10% of the original aggregate principal amount of the Notes during each calendar year at a redemption price equal to 103% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to, but not including, the redemption date; provided that in any given calendar year, any amount not utilized pursuant to this provision may be carried forward to subsequent calendar years. In addition, at any time and from time to time on or prior to November 15, 2027, the Issuer may choose to redeem up to 40.0% of the aggregate principal amount of the Notes outstanding with the proceeds of certain equity offerings at a redemption price equal to 106.000% of the principal amount plus accrued and unpaid interest, if any, to, but not including, the applicable redemption date, so long as the lesser of 50% of the aggregate amount of the Notes then outstanding and \$150 million remains outstanding immediately after such redemption. Beginning on November 15, 2027, the Issuer may redeem some or all of the Notes at any time, and from time to time, at the redemption prices set forth in the Indenture, plus accrued and unpaid interest, if any, to, but not including, the applicable redemption date.

The Indenture contains covenants that may limit the Issuer’s (and its restricted subsidiaries’) ability to, among other things: (i) incur or guarantee additional indebtedness; (ii) create liens; (iii) pay dividends or make other distributions to stockholders; (iv) purchase or redeem capital stock or subordinated indebtedness prior to its stated maturity; (v) make investments; (vi) sell assets or consolidate or merge with or into other companies; (vii) engage in transactions with affiliates; (viii) enter into agreements restricting its subsidiaries’ ability to pay dividends; (ix) designate subsidiaries as unrestricted subsidiaries; and (x) consolidate, merge or sell all or substantially all of the Issuer’s assets. Many of the covenants contained in the Indenture will not be applicable, and the subsidiary guarantees of the Notes will be released, during any period when the Notes have an investment grade rating.

The Notes and the related guarantees thereof were offered in a private offering exempt from the registration requirements of the Securities Act of 1933, as amended (the “**Securities Act**”), to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act, and to non-U.S. persons outside the United States pursuant to Regulation S under the Securities Act. The Notes and the related guarantees have not been registered under the Securities Act or any state securities laws and unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws.

The foregoing description of the Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the Indenture, a copy of which is attached as Exhibit 4.1 to this Current Report on Form 8-K (this “**Form 8-K**”) and incorporated into this Item 1.01 by reference.

Term Loan Facility

On November 5, 2024, the Issuer and certain of its other wholly-owned subsidiaries, each of which is a wholly owned subsidiary of the Company, entered into that certain Fourteenth Amendment to Credit Agreement (the “**Amendment**”), which amended its existing credit agreement (as amended and restated, the “**Amended Credit Agreement**”). The Amended Credit Agreement provides for, among other things, (i) a new term loan facility maturing in 2031 in an aggregate principal amount of \$1,000 million (the “**New Term Loan Facility**”) and (ii) amendments to certain other provisions of the Amended Credit Agreement. Borrowings under the New Term Loan Facility will bear interest at a rate per annum of equal to the Secured Overnight Financing Rate plus an applicable margin of 2.50% (subject to a certain ratings-based step-down).

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, a copy of which is attached as Exhibit 10.1 to this Form 8-K and incorporated into this Item 1.01 by reference.

“Acquired Indebtedness” means, with respect to any specified Person,

(1) Indebtedness of any other Person existing at the time such other Person is merged, consolidated or amalgamated with or into or became a Restricted Subsidiary of such specified Person, including Indebtedness incurred in connection with, or in contemplation of, such other Person merging, amalgamating or consolidating with or into, or becoming a Restricted Subsidiary of, such specified Person, and

(2) Indebtedness secured by a Lien encumbering any asset acquired by such specified Person.

“Additional Notes” means additional Notes (other than the Initial Notes) issued under this Indenture in accordance with Sections 2.02, 4.09 and 4.12 hereof, as part of the same series as the Notes issued on the Issue Date (the “Initial Notes”).

(1) increased (without duplication) by the following, in each case to the extent deducted (and not added back) in determining Consolidated Net Income for such period (other than clauses (h), (l) and (m)):

(a) Fixed Charges and, to the extent not reflected in such Fixed Charges, any losses on Hedging Obligations or other derivative instruments entered into for the purpose of hedging interest rate risk, net of interest income and gains on such Hedging Obligations or such derivative instruments, and bank and letter of credit fees and costs of surety bonds in connection with financing activities, together with items excluded from the definition of “Consolidated Interest Expense” pursuant to the definition thereof; *plus*

(b) provision for taxes based on income, profits, revenue or capital, including federal, foreign and state income, franchise, excise, value added and similar taxes, property taxes and similar taxes, and foreign withholding taxes paid or accrued during such period (including any future taxes or other levies that replace or are intended to be in lieu of taxes, and any penalties and interest related to taxes or arising from tax examinations), and any payments to a Parent Company in respect of such taxes permitted to be made under this Indenture; *plus*

(c) Consolidated Depreciation and Amortization Expense for such period; *plus*

(d) any other non-cash charges, including any write-offs or write-downs reducing Consolidated Net Income for such period (*provided*, if any such non-cash charges represent an accrual or reserve for potential cash items in any future period, (A) the Issuer may determine not to add back such non-cash charge in the current period and (B) to the extent the Issuer does decide to add back such non-cash charge, the cash payment in respect thereof in such future period shall be subtracted from Adjusted EBITDA to such extent, and excluding amortization of a prepaid cash item that was paid in a prior period); *plus*

(e) minority interest expense, the amount of any non-controlling interest consisting of income attributable to non-controlling interests of third parties in any non-wholly-owned Subsidiary deducted (and not added back) in such period to Consolidated Net Income, excluding cash distributions in respect thereof, and the amount of any reductions in arriving at Consolidated Net Income resulting from the application of Accounting Standards Codification Topic No. 810, *Consolidation*; *plus*

(f) (i) the amount of management, monitoring, consulting, transaction, advisory and other fees (including termination fees) and indemnities and expenses paid or accrued in such period to the extent permitted under Section 4.11 and (ii) the amount of payments made to option holders of such Person or any Parent Company in connection with, or as a result of, any distribution being made to shareholders of such Person or its Parent Companies, which payments are being

made to compensate such option holders as though they were shareholders at the time of, and entitled to share in, such distribution, in each case to the extent permitted under this Indenture; *plus*

(g) the amount of loss or discount on sale of receivables, Securitization Assets and related assets to any Securitization Subsidiary in connection with a Qualified Securitization Facility; *plus*

(i) any costs or expenses incurred pursuant to any management equity plan, stock option plan or any other management or employee benefit plan, agreement or any stock subscription or shareholder agreement, to the extent that such costs or expenses are funded with cash proceeds contributed to the capital of such Person or net cash proceeds of an issuance of Equity Interest of such Person (other than Disqualified Stock); *plus*

(k) any net loss from operations expected to be disposed of, abandoned or discontinued within twelve months after the end of such period; *plus*

(l) the amount of “run rate” net cost savings, synergies and operating expense reductions (other than any of the foregoing related to Specified Transactions) projected by the Issuer in good faith to result from actions taken, committed to be taken or that are expected in good faith to be taken no later than twenty four (24) months after the end of such period (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of the period for which Adjusted EBITDA is being determined and if such cost savings, operating expense reductions and synergies were realized during the entirety of such period), net of the amount of actual benefits realized during such period from such actions; *provided*, such cost savings, operating expense reductions and synergies are reasonably identifiable and factually supportable (it is understood and agreed that “run-rate” means the full recurring benefit for a period that is associated with any action taken,

committed to be taken or with respect to which substantial steps have been taken or are expected to be taken);*plus*

(2) decreased (without duplication) by the following, in each case to the extent included in determining Consolidated Net Income for such period:

(a) non-cash gains for such period (excluding any non-cash gain to the extent it represents the reversal of an accrual or reserve for a potential cash item that reduced Consolidated Net Income or Adjusted EBITDA in any prior period other than any such accrual or reserve that has been added back to Consolidated Net Income in calculating Adjusted EBITDA in accordance with this definition); and

(b) the amount of any non-controlling interest consisting of loss attributable to non-controlling interests of third parties in any non-Wholly-Owned Subsidiary added (and not deducted in such period from Consolidated Net Income).

“Affiliate” of any specified Person means any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such specified Person. outstanding series of First Lien Obligations under the Equal Priority Intercreditor Agreement, other than the Senior Credit Facilities, with respect to the Shared Collateral, and which prior to such date shall also be referred to as the “Major Non-Controlling Agent.”

“Applicable Premium” means, with respect to any Note on any Redemption Date, the greater of:

If since the beginning of such Test Period any Person that subsequently became a Restricted

Subsidiary or was merged, amalgamated or consolidated with or into the Issuer or any Restricted Subsidiary since the beginning of such Test Period will have made any Specified Transaction that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio will be calculated giving *pro forma* effect thereto for such Test Period as if such Specified Transaction had occurred at the beginning of the most recently ended Test Period.

For purposes of this definition, whenever *pro forma* effect is to be given to any Specified Transaction (including the Transactions and the Refinancing Transactions), the *pro forma* calculations will be made in good faith by a Financial Officer of the Issuer and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, synergies and operating expense reductions resulting from or related to any such Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than 24 months after the date of any such Specified Transaction (in each case as though such cost savings, operating expense reductions and synergies had been realized on the first day of the applicable period and as if such cost savings, operating expense reductions and synergies were realized for the entirety of such period). For the purposes of this Indenture, “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken, or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements), net of the amount of actual benefits realized during such period from such actions.

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness will be calculated as if the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation will be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, will be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate. For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating Run-Rate Adjusted EBITDA for the applicable Test Period.

The Issuer will give notice of any such election made in accordance with this definition to the Trustee and shall specify the date for when the Issuer’s election will take effect and such election will apply for all periods beginning on and after the date specified in such notice given to the Trustee, and in the event the Issuer makes an election pursuant to clause (i) of the second sentence of this definition, specifying which GAAP term(s) such election applies to. (a) With respect to any (w) Investment or acquisition, disposition, merger, amalgamation or similar transaction in each case, that has been definitively agreed to or publicly announced (including a Change of Control), (x) Asset Sale or similar transaction that has been

definitively agreed to or publicly announced, (y) repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock with respect to which a notice of repayment (or similar notice), which may be conditional, has been delivered and (z) Restricted Payment that has been declared (a transaction described in clauses (w) through (z), a "Limited Condition Transaction"), in each case for purposes of determining:

- (i) whether any Indebtedness (including Acquired Indebtedness), Disqualified Stock or Preferred Stock that is being incurred in connection with such Limited Condition Transaction is permitted to be incurred in compliance with Section 4.09;
- (ii) whether any Lien being incurred in connection with such Limited Condition Transaction or to secure any such Indebtedness is permitted to be incurred in accordance with Section 4.12 or the definition of "Permitted Liens";
- (iii) whether any other transaction undertaken or proposed to be undertaken in connection with such Limited Condition Transaction (including any Restricted Payment, Investment, Asset Sale or designation of an Unrestricted Subsidiary) complies with the covenants or agreements contained in this Indenture or the Notes;
- (iv) any calculation of the ratios, baskets or financial metrics, including the Fixed Charge Coverage Ratio, Total Net Leverage Ratio, First Lien Net Leverage Ratio, Net Income, Consolidated Net Income, Adjusted EBITDA and/or Run-Rate Adjusted EBITDA and any other terms used in such ratios, baskets or financial metrics and, whether a Default or Event of Default exists, has occurred, is continuing or would result in connection with the foregoing; and
- (v) whether any condition precedent to the Limited Condition Transaction and any incurrence of Indebtedness (including Acquired Indebtedness), Disqualified Stock, Preferred Stock or Liens or any other transaction undertaken or proposed to be undertaken in connection with such Limited Condition Transaction, in each case that is being incurred in connection with such Limited Condition Transaction is satisfied,

at the option of the Issuer, any of its Restricted Subsidiaries, any Parent Company of the Issuer or any successor entity of any of the foregoing or a third party (the "Testing Party"), using the date that the definitive agreement (or other relevant documentation) for such Limited Condition Transaction, announcement (public or otherwise) of, or the date of any notice, which may be conditional, of such Limited Condition Transaction or the date of declaration of a Restricted Payment (the "Transaction Agreement Date") may be used as the applicable date of determination, as the case may be, in each case with such *pro forma* adjustments as are appropriate and consistent with the *pro forma* adjustment provisions set forth in the definition of "Fixed Charge Coverage Ratio" or "Adjusted EBITDA". For the avoidance of doubt, if the Testing Party elects to use the Transaction Agreement Date as the applicable date of determination in accordance with the foregoing, (a) any fluctuation or change in the Fixed Charge Coverage Ratio, Total Net Leverage Ratio, First Lien Net Leverage Ratio, Net Income, Consolidated Net Income, Adjusted EBITDA, Run-Rate Adjusted EBITDA or other related terms in the calculation of ratios, baskets and financial metrics of the Issuer, the target business,

or assets to be acquired subsequent to the Transaction Agreement Date and prior to the consummation of such Limited Condition Transaction, will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Limited Condition Transaction is permitted to be incurred or in connection with compliance by the Issuer or any of the Restricted Subsidiaries with any other provision of this Indenture or the Notes or any other transaction undertaken in connection with such Limited Condition Transaction, (b) for purposes of determining compliance with any provision which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any Limited Condition Transaction, such condition shall be deemed satisfied so long as no Default or Event of Default, as applicable, exists on the Transaction Agreement Date, (c) if financial statements for one or more subsequent fiscal quarters shall have become available, the Testing Party may elect, in its sole discretion, to re-determine all such baskets, ratios and financial metrics on the basis of such financial statements, in which case such date of redetermination shall thereafter be deemed to be the applicable Transaction Agreement Date for purposes of such baskets, ratios and financial metrics, (d) if any ratios or financial metrics improve or baskets increase as a result of such fluctuations, such improved ratios, financial metrics or baskets may be utilized, (e) until such Limited Condition Transaction is consummated, such definitive agreements (or other relevant documentation) are terminated or conditions in any conditional notice can no longer be met or public announcements with respect thereto are withdrawn or there is a public announcement to the effect that the transaction contemplated by such definitive agreements will no longer be consummated or such transaction is otherwise abandoned (each as determined by the Testing Party), such Limited Condition Transaction and all transactions proposed to be undertaken in connection therewith (including the incurrence of Indebtedness and Liens) will be given *pro forma* effect when determining compliance of other transactions (including the incurrence of Indebtedness and Liens unrelated to such Limited Condition Transaction) that are consummated after the Transaction Agreement Date and on or prior to the consummation of such Limited Condition Transaction and any such transactions (including any incurrence of Indebtedness and the use of proceeds thereof and Liens) will be deemed to have occurred on the Transaction Agreement Date and be outstanding thereafter for purposes of calculating any baskets or ratios under this Indenture after the Transaction Agreement Date and before the date of consummation of such Limited Condition Transaction and (f) Consolidated Interest Expense and Fixed Charges for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate based on the indicative interest margin (without giving effect to any step-ups) contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Testing Party in good faith. In addition, compliance with any requirement relating to absence of Default or Event of Default may be determined as of the Transaction Agreement Date and not as of any later date as would otherwise be required hereunder, except as contemplated by clause (c) of the immediately preceding sentence.

(b) Notwithstanding anything to the contrary, in connection with a Testing Party's election to use a Transaction Agreement Date in connection with a Limited Condition Transaction, any reference to "date of incurrence," "time of incurrence," "date of determination" or other similar phrases with respect to the date or time an action is taken or when a calculation with respect to taking such action is made herein will mean the Transaction Agreement Date.

(c) In the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken on the same date that any other item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any other Lien is incurred or other transaction is undertaken, then the Fixed Charge Coverage Ratio, Total Net Leverage Ratio and First Lien Net Leverage Ratio will be calculated with respect to such incurrence, issuance or other transaction without regard to any other incurrence, issuance or transaction. Each item of Indebtedness, Disqualified Stock or Preferred Stock that is incurred or issued, each Lien incurred and each other transaction undertaken will be deemed to have been incurred, issued or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Total Net Leverage Ratio and First Lien Net Leverage Ratio. In the event Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on any ratio-based basket such action will be deemed incurred under the ratio-based portion of such basket and shall not utilize any dollar-based portion of such basket.

(d) Any action (including the incurrence or issuance of Indebtedness, Disqualified Stock or Preferred Stock, the incurrence of Lien incurred, the making of an Asset Sale, Restricted Payment or Investment and each other transaction undertaken) that is incurred, issued or taken pursuant to a basket based on Run-Rate Adjusted EBITDA will be deemed incurred under the basket based on Run-Rate Adjusted EBITDA and shall not utilize any dollar-based portion of such basket.

(e) To the extent the date of delivery of any document required to be delivered pursuant to any provision of this Indenture falls on a day that is not a Business Day, the applicable date of delivery shall be deemed to be the next succeeding Business Day.

(f) For purposes of determining the maturity date of any Indebtedness, customary bridge loans, extendable bridge loans or other interim debt subject to customary conditions that would be extended as, converted into or required to be exchanged for permanent refinancing either automatically or subject to customary conditions (including no payment or bankruptcy event of default) shall be deemed to have the maturity date as so extended, converted or exchanged.

(g) For purposes of covenant compliance, the amount of any Investment shall be the amount actually invested, without adjustment for subsequent increases or decreases in the value of such Investment but giving effect to any returns or distributions of capital or repayment of principal actually received in cash by such Person with respect thereto.

(h) Notwithstanding anything to the contrary herein, so long as an action was taken (or not taken) in reliance upon a basket, ratio or financial metric that was calculated or determined in good faith by a responsible financial or accounting officer of the Issuer or any Parent Company of the Issuer based upon financial information available to such officer at such time and such action (or inaction) was permitted under this Indenture at the time of such calculation or determination, any subsequent restatement, modification or adjustments made to

such financial information (including any restatement, modification or adjustment that would have caused such basket or ratio to be exceeded as a result of such action or inaction) shall not result in any Default or Event of Default.

Following (i) the termination of the applicable Restricted Period and (ii) the receipt by the Trustee of (A) a certification or other evidence in a form reasonably acceptable to the Issuer of non-United States beneficial ownership of 100% of the aggregate principal amount of each Regulation S Temporary Global Note (except to the extent of any beneficial owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who shall take delivery of a beneficial ownership interest in a 144A Global Note or an IAI Global Note bearing a Private Placement Legend, all as contemplated by Section 2.06(b) hereof) and (B) an Officer's Certificate from the Issuer, the

Trustee shall remove the Regulation S Temporary Global Note Legend from the Regulation S Temporary Global Note, following which temporary beneficial interests in the Regulation S Temporary Global Note shall automatically become beneficial interests in the Regulation S Permanent Global Note pursuant to the Applicable Procedures.

The aggregate principal amount of a Regulation S Temporary Global Note and a Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(d) Terms. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Issuer pursuant to an Asset Sale Offer as provided in Section 4.10 or a Change of Control Offer as provided in Section 4.14. The Notes shall not be redeemable, other than as provided in Article III hereof.

Additional Notes ranking pari passu with the Initial Notes may be created and issued from time to time by the Issuer without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise as the Initial Notes except that interest may accrue on the Additional Notes from their date of issuance (or such other date specified by the Issuer); *provided* that the Issuer's ability to issue Additional Notes shall be subject to the Issuer's compliance with Section 4.09 and Section 4.12 and that a separate CUSIP or ISIN will be issued for Additional Notes, unless the Initial Notes and Additional Notes are treated as fungible, for U.S. federal income tax purposes, with the Initial Notes or any other Additional Notes bearing the same CUSIP or ISIN. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

(e) Euroclear and Clearstream Applicable Procedures. The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Notes that are held by Participants through Euroclear or Clearstream and this Indenture shall not govern such transfers.

SECTION 2.02. Execution and Authentication. At least one Officer shall execute the Notes on behalf of the Issuer by manual, facsimile or electronic (in ".pdf" format) signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall nevertheless be valid.

A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto, by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

On the Issue Date, the Trustee shall, upon receipt of an Issuer's Order (an "Authentication Order"), authenticate and deliver the Initial Notes in the aggregate principal amount or amounts specified in such Authentication Order. In addition, at any time, from time to time, the Trustee shall, upon receipt of an Authentication Order, authenticate and deliver any Additional Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes issued or increased hereunder.

The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer.

SECTION 2.03. Registrar, Transfer Agent and Paying Agent. The Issuer shall maintain (i) an office or agency where Notes may be presented for registration ("Registrar") (ii) an office or agency where Notes may be presented for transfer or for exchange ("Transfer Agent") and (iii) an office or agency where Notes may be presented for payment ("Paying Agent"). The Registrar shall keep a register of the Notes ("Note Register") and of their transfer and exchange. The registered Holder will be treated as the owner of the Note for all purposes. Only registered Holders will have rights under this Indenture and the Notes. The Issuer may appoint one or more co-registrars, one or more co-transfer agents and one or more additional paying agents. The term "Registrar" includes any co-registrar, the term "Transfer Agent" includes any co-transfer agent and the term "Paying Agent" includes any additional paying agents. The Issuer may change any Paying Agent, Transfer Agent or Registrar without prior notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar, Transfer Agent or Paying Agent, the Trustee shall act as such. The Issuer or any of its Subsidiaries may act as Paying Agent, Transfer Agent or Registrar.

The Issuer initially appoints The Depository Trust Company ("DTC") to act as Depositary with respect to the Global Notes.

The Issuer initially appoints the Trustee to act as the Paying Agent, Transfer Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

If any Notes are listed on an exchange, for so long as the Notes are so listed and the rules of such exchange so require, the Issuer will satisfy any requirement of such exchange as to paying agents, registrars and transfer agents and will comply with any notice requirements

required under such exchange in connection with any change of any paying agent, registrar or transfer agent.

SECTION 2.04. Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee for its own benefit and for the benefit of the Holders. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee for its own benefit and for the benefit of the Holders. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or a Subsidiary or the Trustee) shall have no further liability for the money. If the Issuer or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

(h) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or cancelled in whole and not in part, each such Global Note shall be returned to or retained and cancelled by the Trustee in accordance with

Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(i) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer shall require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 2.10, 3.06, 3.09, 4.10, 4.14 and 9.05 hereof).

(iii) The Issuer shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of the Notes to be redeemed under Section 3.03 hereof and ending at the close of business on the day of such mailing, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part, (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date or (D) to register the transfer of or to exchange any Notes tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer, Alternate Offer or an Asset Sale Offer.

(iv) Neither the Registrar nor the Issuer shall be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(v) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer shall deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(vii) Upon surrender for registration of transfer of any Note at the office or agency of the Issuer designated pursuant to Section 4.02 hereof, the Issuer shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(viii) At the option of the Holder, subject to Section 2.06(a) hereof, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes to which the Holder making the exchange is entitled in accordance with the provisions of Section 2.02 hereof.

(ix) All certifications, certificates and Opinions of Counsel required to be submitted to the Issuer pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile or electronically (in “.pdf” format).

(x) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary Participants or beneficial owners of interests in any Global Notes) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(xi) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depositary.

SECTION 2.07. Replacement Notes. If either (x) any mutilated Note is surrendered to the Trustee, the Registrar or the Issuer or (y) if the Issuer and the Trustee receive evidence to their satisfaction of the ownership and destruction, loss or theft of any Note, then the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee shall charge the Holder for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

SECTION 2.08. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer or a Guarantor or an Affiliate of the Issuer or a Guarantor holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuer or a Guarantor or an Affiliate of the Issuer or a Guarantor) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09. Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or a Guarantor or by any Affiliate of the Issuer or a Guarantor, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to such pledged Notes and that the pledgee is not the Issuer or a Guarantor or any Affiliate of the Issuer or a Guarantor.

SECTION 2.10. Temporary Notes. Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the cancellation of all surrendered Notes shall be delivered to the Issuer at the Issuer's written request. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed any such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Issuer of any such special record date. At least 15 days before any such special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or cause to be mailed, first-class postage prepaid, or otherwise deliver in accordance with the Applicable Procedures, to each Holder, with a copy to the Trustee, a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP/ISIN Numbers. The Issuer in issuing the Notes may use CUSIP and ISIN numbers (in each case, if then generally in use) and, if so, the Trustee shall use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will as promptly as practicable notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

ARTICLE III

REDEMPTION

SECTION 3.01. Notices to Trustee. If the Issuer elects to redeem the Notes pursuant to Section 3.07 hereof, it shall furnish to the Trustee, at least two Business Days (unless the Trustee agrees to a shorter period) before notice of redemption is required to be delivered to Holders pursuant to Section 3.03 hereof, an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the date of redemption, which will be selected by the Issuer in its discretion, subject to any limitations set forth herein (the "Redemption Date"), (iii) the principal amount of the Notes to be redeemed and (iv) the redemption price.

SECTION 3.02. Selection of Notes to Be Redeemed. If less than all of the Notes are to be redeemed or repurchased at any time, the Trustee shall select the Notes to be redeemed (a) if the Notes are listed on an exchange, in compliance with the requirements of such exchange or (b) if the Notes are not listed on an exchange, on a *pro rata* basis to the extent practicable, or, if a *pro rata* basis is not practicable for any reason, by lot or by such other method as the Trustee deems fair and appropriate and otherwise in accordance with the Applicable Procedures. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 10 nor more than 90 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. No Notes of \$2,000 or less can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03. Notice of Redemption. Subject to Section 3.09 hereof, the Issuer shall deliver electronically, mail or cause to be mailed by first-class mail, postage prepaid notices of redemption at least 10 days but, except as set forth in Section 3.07(i), not more than 90 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be delivered or mailed more than 90 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XII hereof.

The notice shall identify the Notes to be redeemed and will state:

- (a) the Redemption Date;
- (b) the redemption price;

(c) if any Note is to be redeemed or purchased in part only, the portion of the principal amount of that Note that is to be redeemed and that, upon request, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed or purchased will be issued in the name of the Holder upon cancellation of the original Note; *provided* that new Notes will only be issued in denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;

(g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(h) the CUSIP and ISIN number, if any, printed on the Notes being redeemed and that no representation is made as to the correctness or accuracy of any such CUSIP and ISIN number that is listed in such notice or printed on the Notes; and

(i) if such redemption or purchase is subject to satisfaction of one or more conditions precedent, a description of such conditions and, if applicable, will state that, in the Issuer's discretion, the Redemption Date may be delayed until such time (including more than 90 days after the date the redemption notice was mailed or delivered, including by electronic transmission) as any or all such conditions are satisfied (or waived by the Issuer in its sole discretion), or such redemption or purchase may not occur and such notice may be rescinded or modified in the event that any or all such conditions are not satisfied (or waived by the Issuer in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied.

At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at its expense; *provided* that the Issuer shall have delivered to the Trustee, at least two Business Days before notice of redemption is required to be delivered, mailed or caused to be mailed to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

The Issuer may redeem Notes pursuant to one or more of the Sections of this Indenture, and a single redemption notice may be delivered with respect to redemptions made pursuant to different Sections. Any such notice may provide that redemptions made pursuant to different Sections will have different Redemption Dates.

The Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person. If any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of any such notice of redemption and the principal amount of any Notes outstanding following any partial redemption of such Notes. In no event will the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of Notes eligible hereunder to be redeemed. Notes will remain outstanding until redeemed, notwithstanding that they have been called for redemption or are subject to a notice of redemption.

SECTION 3.04. Effect of Notice of Redemption. Once notice of redemption is delivered in accordance with Section 3.03 hereof, subject to satisfaction of any conditions precedent relating thereto specified in the applicable notice of redemption, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price, except as set forth in Section 3.03(i). The notice, if delivered, mailed or caused to be mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the Redemption Date, interest shall cease to accrue on Notes or portions of Notes called for redemption.

SECTION 3.05. Deposit of Redemption Price.

(a) Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Issuer complies with the provisions of the preceding paragraph (a), on and after the Redemption Date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

SECTION 3.06. Notes Redeemed in Part. Upon surrender of a Definitive Note that is redeemed in part, upon request the Issuer shall issue and the Trustee shall authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed

portion of the Note surrendered representing the same indebtedness to the extent not redeemed; *provided*, that each new Note will be in a principal amount of \$2,000 and any integral multiple of \$1,000 in excess of \$2,000. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

SECTION 3.07. Optional Redemption.

(a) At any time prior to November 15, 2027, the Issuer may, at its option, on one or more occasions redeem all or a part of the Notes, upon notice as described under Section 3.03 hereof, at a redemption price (as calculated by the Issuer) equal to the sum of (i) 100.0% of the principal amount of the Notes redeemed, *plus* (ii) the Applicable Premium calculated as of the date the notice of redemption is given *plus* (iii) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(b) At any time prior to November 15, 2027, the Issuer may, at its option and on one or more occasions, redeem, upon notice as described under Section 3.03 hereof, up to 40.0% of the aggregate principal amount of Notes and Additional Notes issued under this Indenture at a redemption price (as calculated by the Issuer) equal to the sum of (i) 106.000% of the aggregate principal amount thereof, with an amount equal to or less than the cash proceeds less underwriting fees from one or more Equity Offerings to the extent such cash proceeds are received by or contributed to the Issuer, *plus* (ii) accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date; *provided*, (A) at least the lesser of (x) 50.0% of the aggregate principal amount of Notes (including any Additional Notes issued under this Indenture after the Issue Date) then outstanding and (y) \$150.0 million aggregate principal amount of the Notes (including any Additional Notes issued under the Indenture after the Issue Date) remains outstanding immediately after the occurrence of each such redemption (except to the extent otherwise repurchased or redeemed (or to be repurchased or redeemed) in accordance with the terms of this Indenture); (B) that for purposes of calculating the principal amount of the Notes able to be redeemed with such cash proceeds of such Equity Offering or Equity Offerings, such amount shall include the principal amount of the Notes to be redeemed plus the premium on such Notes to be redeemed; and (C) each such redemption occurs within 180 days of the date of closing of each such Equity Offering or contribution.

(c) At any time prior to November 15, 2027, the Issuer may redeem during each calendar year (commencing with the calendar year in which the Issue Date occurs) up to 10.0% of the original aggregate principal amount of the Notes and any Additional Notes, at its option, on one or more occasions, at a redemption price equal to 103.0% of the aggregate principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the Redemption Date; *provided* that in any given calendar year, any amount not utilized pursuant to this paragraph may

be carried forward to subsequent calendar years and may be used in such calendar year prior to utilizing the capacity in this paragraph for such calendar year.

(d) In connection with any tender offer, other offer to purchase or exchange offer for the Notes (including a Change of Control Offer, Alternate Offer or Asset Sale Offer), if Holders of not less than 90.0% of the aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in such offer and the Issuer, or any third party making such offer in lieu of the Issuer, purchases, or exchanges, as applicable, all of the Notes validly tendered and not withdrawn by such Holders, all of the Holders will be deemed to have consented to such tender offer, other offer to purchase or exchange offer and, accordingly, the Issuer or such third party will have the right upon notice, given not more than 90 days following such purchase or exchange date, to redeem or exchange, as applicable, all Notes that remain outstanding following such purchase or exchange, as applicable, (i) in the case of a tender offer or other offer to purchase, at a price equal to the price offered to each other Holder in such tender offer or other offer to purchase (which may be less than par and shall exclude any early tender premium and any accrued and unpaid interest paid to any Holder in such offer payment) or (ii) in the case of an exchange offer, for the same consideration provided in such exchange offer (which may be less than par and shall exclude any early exchange premium and any accrued and unpaid interest paid to any Holder in such exchange offer) in each case, *plus*, to the extent not included in the offer consideration, accrued and unpaid interest, if any, thereon, to, but excluding, the date of repurchase or exchange.

(e) Except pursuant to clause (a), (b), (c) or (d) of this Section 3.07, the Notes will not be redeemable at the Issuer's option prior to November 15, 2027.

(f) On and after November 15, 2027, the Issuer may, at its option redeem the Notes, in whole or in part, on one or more occasions, upon notice as described under Section 3.03 hereof, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on November 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2027	103.000%
2028	101.500%
2029 and thereafter	100.000%

(g) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

(h) In addition to any redemption pursuant to this Section 3.07, the Issuer or its Affiliates may at any time and from time to time acquire Notes by means other than a redemption or offer to purchase, whether by tender or exchange offer, in the open market, negotiated transactions or otherwise, and for the avoidance of doubt, such transactions shall not be deemed

to be a redemption or otherwise subject to the provisions of this Indenture governing redemptions of the Notes.

(i) Any notice of redemption made in connection with a related transaction or event (including an Equity Offering, contribution, Change of Control, Asset Sale or other transaction) may, at the Issuer's discretion, be given prior to the completion or the occurrence thereof, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, the completion or occurrence of the related transaction or event, as the case may be.

SECTION 3.08. Mandatory Redemption. The Issuer will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

SECTION 3.09. Offers to Repurchase by Application of Excess Proceeds.

(a) In the event that, pursuant to Section 4.10 hereof, the Issuer shall be required to commence an Asset Sale Offer, it shall follow the procedures specified below.

(b) The Asset Sale Offer shall remain open for a period of 10 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than five Business Days after the termination of the Offer Period (the "Purchase Date"), the Issuer shall apply all Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) (the "Offer Amount") to the purchase of Notes and, if required, other First Lien Obligations and Pari Passu Indebtedness (on a *pro rata* basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes, other First Lien Obligations and Pari Passu Indebtedness tendered in response to the Asset Sale Offer, in each case in accordance with Section 4.10 hereof. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, up to but excluding the Purchase Date, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(d) Upon the commencement of an Asset Sale Offer, the Issuer shall deliver electronically or send, by first-class mail, postage prepaid, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders and holders of such other First Lien Obligations and Pari Passu Indebtedness in accordance with Section 4.10 hereof. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

(i) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer shall remain open;

- (ii) the Offer Amount, the purchase price and the Purchase Date;
- (iii) that any Note not tendered or accepted for payment shall continue to accrue interest;
- (iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest on and after the Purchase Date;
- (v) that any Holder electing to have less than all of the aggregate principal amount of its Notes purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in an amount not less than \$2,000 and integral multiples of \$1,000 in excess thereof;
- (vi) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Note completed, or transfer such Note by book-entry transfer, to the Issuer, the Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least two Business Days before the Purchase Date;
- (vii) that Holders shall be entitled to withdraw their election if the Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile or electronic transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Note purchased;
- (viii) that, if the aggregate principal amount (or accreted value, as applicable) of Notes and/or the other First Lien Obligations or Pari Passu Indebtedness, as applicable, surrendered by the holders thereof exceeds the Offer Amount, the Trustee will select the Notes to be purchased in accordance with Section 3.02 and the Issuer (or the agents or trustees of such other First Lien Obligations or Pari Passu Indebtedness, as applicable) will select such other First Lien Obligations or Pari Passu Indebtedness, as applicable, to be purchased pursuant to the terms of such other First Lien Obligations or Pari Passu Indebtedness, as applicable; *provided*, as between the Notes, any other First Lien Obligations and any other Pari Passu Indebtedness, as applicable, such purchases will be made on a *pro rata* basis based on the accreted value or principal amount of the Notes, such other First Lien Obligations and such other Pari Passu Indebtedness, as applicable, tendered with adjustments as necessary so that no Notes, other First Lien Obligations or other Pari Passu Indebtedness, as applicable will be repurchased in part in an unauthorized denomination; and
- (ix) that Holders whose certificated Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer) representing the same indebtedness to the extent not repurchased.

(e) On or before the Purchase Date, the Issuer shall, to the extent lawful, (1) accept for payment, on a *pro rata* basis as described in clause (d)(viii) of this Section 3.09, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered and (2) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof so tendered.

(f) The Issuer, the Depositary or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes properly tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate and mail or deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered representing the same indebtedness to the extent not repurchased. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Asset Sale Offer on or as soon as practicable after the Purchase Date.

(g) Prior to 11:00 a.m. (New York City time) on the Purchase Date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the purchase price of and accrued and unpaid interest on all Notes to be purchased on that purchase date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the purchase price of, and accrued and unpaid interest on, all Notes to be redeemed.

Other than as specifically provided in this Section 3.09 or Section 4.10 hereof, any purchase pursuant to this Section 3.09 shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06 hereof, and references therein to "redeem," "redemption," "Redemption Date" and similar words shall be deemed to refer to "purchase," "repurchase," "Purchase Date" and similar words, as applicable.

ARTICLE IV

COVENANTS

SECTION 4.01. Payment of Notes. The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer or a Guarantor or an Affiliate of the Issuer or a Guarantor, holds as of 11:00 a.m. New York City time on the due date money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Issuer shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Laws) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; the Issuer shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Laws) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 4.02. Maintenance of Office or Agency. The Issuer shall maintain the offices or agencies (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or Transfer Agent) required under Section 2.03 hereof where Notes may be surrendered for registration of transfer or for exchange or presented for payment and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided* that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain such offices or agencies as required by Section 2.03 hereof for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

SECTION 4.03. Reports and Other Information.

(a) So long as any Notes are outstanding, the Issuer will furnish to the Holders:

(i) (A) all annual and quarterly financial statements of the Issuer substantially in the forms that would be required to be contained in a filing with the SEC on Forms 10-K and 10-Q (solely with respect to the first three fiscal quarters of each fiscal year), if the Issuer were required to file such forms on the Issue Date, and a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and (B) with respect to the annual financial statements only, a report on the annual financial statements by the Issuer’s independent registered public accounting firm; and

(ii) promptly from time to time after the occurrence of an event required to be therein reported, such other information containing substantially the same information that would be required to be contained in filings with the SEC on Form 8-K under Items: 1.03 (*Bankruptcy or Receivership*); 2.01 (*Completion of Acquisition or Disposition of Assets*); 2.03 (*Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant*); 4.02 (*Non-Reliance on Previously Issued*

Financial Statements or a Related Audit Report or Completed Interim Review); 5.01 (*Changes in Control of Registrant*); 5.02(a)(1) (*Resignation of Director due to Disagreement with Registrant*); 5.02(c)(1) (*Name and Position of Newly Appointed Officer and Date of Appointment*); and 5.03(b) (*Changes in Fiscal Year*), each as in effect on the Issue Date if the Issuer were required to file such reports;

provided, however,

(1) no such current report will be required to include as an exhibit or summary of terms of, any employment or compensatory arrangement agreement, plan or understanding between the Issuer (or any of its Subsidiaries or any Parent Company) and any director, manager or executive officer, of the Issuer (or any of its Subsidiaries or any Parent Company);

(2) in no event will such reports be required to comply with Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307, 308 and 308T of Regulation S-K;

(3) in no event will such reports be required to comply with Rule 3-10 of Regulation S-X promulgated by the SEC or contain separate financial statements for the Issuer, the Guarantors or other Subsidiaries the shares of which may be pledged to secure the Notes or any Guarantee that would be required under (A) Section 3-09 of Regulation S-X or (B) Section 3-16 of Regulation S-X, respectively, promulgated by the SEC;

(4) in no event will such reports be required to comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-GAAP financial measures contained therein;

(5) no such reports referenced under clause (ii) above will be required to be furnished if the Issuer determines in its good faith judgment that such event is not material to the Holders or the business, assets, operations or financial position of the Issuer and its Restricted Subsidiaries, taken as a whole;

(6) in no event will reports referenced in clause (i) or (ii) above be required to include as an exhibit copies of any agreements, financial statements or other items that would be required to be filed as exhibits to an annual report on Form 10-K, a quarterly report on Form 10-Q or a current report on Form 8-K;

(7) in no event will reports delivered prior to the completion of the first full fiscal year following the Issue Date be required to comply with Regulation S-X of the SEC or give *pro forma* effect to the Refinancing Transactions;

(8) trade secrets and other confidential information that is competitively sensitive in the good faith and reasonable determination of the Issuer may be excluded from any disclosures; and

(9) if at any time the Issuer or any Parent Company of the Issuer or a Qualified Reporting Subsidiary has made a good faith determination to file a registration statement with the SEC with respect to an Equity Offering of such entity's Equity Interests, the Issuer will still be required to provide reports pursuant to this Section 4.03 but the content of such reports will not be required to disclose any information that, in the good faith view of the Issuer or a Parent Company of the Issuer, would violate the securities laws or the SEC's "gun jumping" rules or otherwise have an adverse effect on such Equity Offering.

(b) All such annual reports will be furnished within 120 days after the end of the fiscal year to which they relate, and all such quarterly reports will be furnished within 60 days after the end of the fiscal quarter to which they relate. The financial statements required to be provided under this Section 4.03 may be prepared pursuant to GAAP as in effect from time to time.

(c) Notwithstanding anything herein to the contrary, the Issuer will not be deemed to have failed to comply with any of its obligations under this Section 4.03 for purposes of Section 6.01(c) hereof until 180 days after the date any report is due under this Section 4.03.

(d) The Issuer will make available such information and such reports to the Trustee under this Indenture, to any Holder and, upon request, to any beneficial owner of the Notes, in each case by posting such information on the website of the Issuer or any Parent Company, on Intralinks or any comparable password-protected online data system that will require a confidentiality acknowledgment, and will make such information readily available to any Holder, any bona fide prospective investor in the Notes (which prospective investors will be limited to "qualified institutional buyers" within the meaning of Rule 144A of the Securities Act that certify their status as such to the reasonable satisfaction of the Issuer), any bona fide securities analyst (to the extent providing analysis of investment in the Notes to investors and prospective investors therein) or any bona fide market maker in the Notes who agrees to treat such information as confidential or accesses such information on Intralinks or any comparable password-protected online data system that will require a confidentiality acknowledgment; *provided*, the Issuer will post such information thereon and make readily available any password or other login information to any such Holder, prospective investor, securities analyst or market maker; *provided*, further, however, the Issuer may deny access to any competitively-sensitive information otherwise to be provided pursuant to this paragraph to any such Holder, prospective investor, security analyst or market maker that is a competitor of the Issuer and its Subsidiaries, or an affiliate of such a competitor (other than any affiliate that is a bona fide bank debt fund, distressed asset fund, hedge fund, mutual fund, insurance company, financial institution or investment vehicle engaged in the business of investing in, acquiring or trading commercial loans, bonds and similar extensions of credit in the ordinary course (and not organized primarily for the purpose of making equity investments)) to the extent that the Issuer determines in good faith that the provision of such information to such Person would be competitively harmful to the Issuer and its Subsidiaries; and *provided, further*, that such Holders, prospective investors, security analysts or market makers will agree to (1) treat all such reports (and the information contained therein) and information as confidential, (2) not use such reports and the information

contained therein for any purpose other than their investment or potential investment in the Notes and (3) not publicly disclose or distribute to any competitor any such reports (and the information contained therein).

(e) The Issuer will be deemed to have furnished the reports in Sections 4.03(a)(i) and (ii) if the Issuer, any Qualified Reporting Subsidiary or any Parent Company has filed reports containing such information with the SEC.

(f) To the extent any information is not provided within the time periods specified in this Section 4.03 and such information is subsequently provided, the Issuer will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto will be deemed to have been cured.

(g) The Issuer shall use its commercially reasonable efforts, consistent with its judgment as to what is prudent at the time, to participate in quarterly conference calls (which may be a single conference call together with investors holding other securities or Indebtedness of the Issuer and/or its Restricted Subsidiaries and/or any Parent Company of the Issuer and may be held prior to such time that the annual or quarterly information and reports required by Section 4.03(a) are furnished to Holders) to discuss operating results and related matters. The Issuer shall issue a press release or post to the website of the Issuer or any Parent Company or on Intralinks or any comparable password protected online data system, which will provide the date and time of any such call and information on how to obtain access to the conference call or will direct Holders, prospective investors and securities analysts to contact the investor relations office of the Issuer to obtain access to the conference call.

(h) Notwithstanding the foregoing, the financial statements, information, auditors' reports and other documents and information required to be provided pursuant to Section 4.03(a) may be, rather those of the Issuer, those of (i) any predecessor or successor of the Issuer or any entity meeting the requirements of Section 4.03(h)(ii) or (iii), (ii) any Wholly-Owned Restricted Subsidiary of the Issuer that, together with its consolidated Subsidiaries, constitutes substantially all of the assets of the Issuer and its consolidated Subsidiaries ("Qualified Reporting Subsidiary") or (iii) any Parent Company of the Issuer; *provided* that, if the financial information required to be provided pursuant to clause (i) or (ii) of Section 4.03(a) relates to such Qualified Reporting Subsidiary of the Issuer or such Parent Company of the Issuer that has Independent Assets and Operations and there are material differences between the financial information of the Issuer and such Qualified Reporting Subsidiary of the Issuer or such Parent Company of the Issuer that has Independent Assets and Operations, such financial information will be accompanied by consolidating information, which may be posted to the website of the Issuer or any Parent Company or on Intralinks or any comparable password protected online data system or otherwise provided in accordance with Section 4.03(d), that explains in reasonable detail (in the good faith judgment of the Issuer) the material differences between the information relating to such Qualified Reporting Subsidiary or such Parent Company (as the case may be), on the one hand, and the information relating to the Issuer and its Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited or reviewed.

(i) It is understood that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been posted on the Issuer's website. The posting or delivery of any such information, documents and reports to the Trustee is for informational purposes only and the Trustee's receipt of such information, documents and reports shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of the covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate). The Trustee shall have no duty to review or analyze reports, information and documents delivered to it. Additionally, the Trustee shall not be obligated to monitor or confirm, on a continuing basis or otherwise, the Issuer's compliance with the covenants or with respect to any reports or other documents filed with any protected online data system, or participate on any conference calls.

SECTION 4.04. Compliance Certificate.

(a) The Issuer shall deliver to the Trustee, within 90 days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2021) ending after the Issue Date, a certificate from the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Issuer and its Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Issuer has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge the Issuer has kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture during such fiscal year and is not in Default in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action the Issuer is taking or proposes to take with respect thereto).

(b) When any Default has occurred and is continuing under this Indenture, or if the Trustee or the holder of any other evidence of Indebtedness of the Issuer or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Issuer shall promptly (which shall be no more than thirty (30) days after becoming aware of such Default, unless such Default has been cured, waived or is no longer continuing within such 30-day period) deliver to the Trustee by registered or certified mail or by electronic transmission an Officer's Certificate specifying such event and what action the Issuer proposes to take with respect thereto.

SECTION 4.05. Taxes. The Issuer shall pay or discharge, and shall cause each of its Restricted Subsidiaries to pay or discharge, prior to delinquency, all material taxes, lawful assessments, and governmental levies except such as are contested in good faith and by appropriate actions or where the failure to effect such payment or discharge is not adverse in any material respect to the Holders.

SECTION 4.06. Stay, Extension and Usury Laws. The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time

insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant (to the extent that they may lawfully do so) that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. Limitation on Restricted Payments.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(i) declare or pay any dividend or make any payment or distribution on account of the Issuer's or any Restricted Subsidiary's Equity Interests (in each case, solely in such Person's capacity as holder of such Equity Interests), including any dividend or distribution payable in connection with any merger, amalgamation or consolidation other than:

(A) dividends, payments or distributions payable solely in Equity Interests (other than Disqualified Stock) of the Issuer or a Parent Company or in options, warrants or other rights to purchase such Equity Interests; or

(B) dividends, payments or distributions by a Restricted Subsidiary so long as, in the case of any dividend, payment or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly-Owned Subsidiary, the Issuer or a Restricted Subsidiary receives at least its *pro rata* share of such dividend, payment or distribution in accordance with its Equity Interests in such class or series of securities or such other amount to which it is entitled pursuant to the terms of such Equity Interest;

(ii) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Issuer or any Parent Company, including in connection with any merger, amalgamation or consolidation, in each case held by Persons other than the Issuer or a Restricted Subsidiary;

(iii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case, prior to any scheduled repayment, sinking fund payment or final maturity, any Subordinated Indebtedness, other than:

(A) Indebtedness permitted under clauses (vii), (viii) and (ix) of Section 4.09(b); or

(B) the payment, redemption, repurchase, defeasance, acquisition or retirement for value of Subordinated Indebtedness purchased in anticipation of

satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement; or

(iv) make any Restricted Investment;

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as “Restricted Payments”), unless, at the time of and immediately after giving effect to such Restricted Payment:

(A) in the case of a Restricted Payment other than a Restricted Investment, no Event of Default will have occurred and be continuing or would occur as a consequence thereof and, in the case of a Restricted Investment utilizing clause (C)(7) below, no Event of Default described in Section 6.01(a), 6.01(b), 6.01(f) or 6.01(g) will have occurred and be continuing or would occur as a consequence thereof;

(B) [reserved]; and

(C) such Restricted Payment, together with the aggregate amount of all other Restricted Payments (including the fair market value of any non-cash amount) made by the Issuer and its Restricted Subsidiaries after June 10, 2015 (excluding Restricted Payments permitted by Section 4.07(b), other than Section 4.07(b)(i)), is less than the sum of (without duplication):

(1) 50.0% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period) beginning on June 10, 2015 to the end of the most recently ended Test Period preceding such Restricted Payment, or, in the case such Consolidated Net Income for such period is a deficit, *minus* 100.0% of such deficit (which amount in this clause (1) will be deemed to be not less than zero for such period); *plus*

(2) 100.0% of the aggregate net cash proceeds and the fair market value of marketable securities or other property received by the Issuer and its Restricted Subsidiaries since June 10, 2015 (other than net cash proceeds to the extent such net cash proceeds have been used to incur Indebtedness or issue Disqualified Stock or Preferred Stock pursuant to Section 4.09(b)(xii)(A) hereof) from the issue or sale of:

(I) (a) Equity Interests of the Issuer (other than any Permitted Warrant Transaction), including Treasury Capital Stock, but excluding cash proceeds and the fair market value of marketable securities or other property received from the sale of:

(II) Indebtedness of the Issuer or any Restricted Subsidiary, that has been converted into or exchanged for Equity Interests of the Issuer or any Parent Company;

(4) 100.0% of the aggregate amount received in cash and the fair market value of marketable securities or other property received by the Issuer or a Restricted Subsidiary by means of:

(b) Section 4.07(a) will not prohibit:

(i) the payment of any dividend or other distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or other distribution or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or other distribution or redemption payment would have complied with the provisions of this Indenture;

(xxxiii) all premiums (if any), interest (including post-petition interest), fees, expenses, charges and additional or contingent interest on obligations described in clauses (i) through (xxxii) of this Section 4.09(b).

(c) For purposes of determining compliance with this Section 4.09:

(i) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) at any time, whether at the time of incurrence or upon the application of all or a portion of the proceeds thereof or subsequently, meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (i) through (xxxiii) of Section 4.09(b) or is entitled to be incurred pursuant to Section 4.09(a), the Issuer, in its sole discretion, may divide and classify and may subsequently re-divide and reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock (or a portion thereof) in such of the above clauses or under Section 4.09(a) as determined by the Issuer at such time, including any division, classification, redivision and reclassification among any ratio-based baskets, dollar-based baskets and baskets based on Run-Rate Adjusted EBITDA; *provided*, all Indebtedness outstanding under the Credit Facilities on the Issue Date will, at all times, be treated as incurred on the Issue Date under Section 4.09(b)(i) and may not be reclassified;

(ii) the Issuer is entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in Section 4.09(a) and Section 4.09(b), subject to the proviso to Section 4.09(c)(i);

(iii) the principal amount of Indebtedness and the amount of Disqualified Stock or Preferred Stock outstanding under any clause of this Section 4.09 will be determined after giving effect to the application of proceeds of any such Indebtedness,

Disqualified Stock or Preferred Stock to refinance any such other Indebtedness, Disqualified Stock or Preferred Stock;

(iv) in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued pursuant to Section 4.09(b) on the same date that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued under Section 4.09(a), clause (2), (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b), then the Fixed Charge Coverage Ratio, or applicable leverage ratio, will be calculated with respect to such incurrence under Section 4.09(a), clause (2), (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b) without regard to any incurrence under Section 4.09(b) (other than with respect to any incurrence under clause (2), (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b)). Unless the Issuer elects otherwise, the incurrence of Indebtedness, Disqualified Stock or Preferred Stock will be deemed incurred or issued first under Section 4.09(a), clause (2), (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b) to the extent permitted, with the balance incurred under Section 4.09(b) (other than pursuant to clause (2), (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b)); and

(v) guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness that will not be included in the determination of such amount of Indebtedness; *provided* that the incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was incurred in compliance with this Section 4.09.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount, and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, will, in each case, not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock or Preferred Stock for purposes of this Section 4.09. Any Indebtedness incurred to refinance Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to Sections 4.09(b)(ii), (iii), (iv), (xii), (xiii), (xiv) and (xxiii) will be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest and dividends and premiums (and with respect to Indebtedness under Designated Revolving Commitments, including an amount equal to any unutilized Designated Revolving Commitments being refinanced to the extent permanently terminated at the time of incurrence of such Refinancing Indebtedness and reasonable tender premiums), defeasance costs and fees and expenses incurred in connection with such refinancing.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the U.S.

dollar-equivalent principal amount of Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; *provided* if such Indebtedness is incurred or Disqualified Stock or Preferred Stock is issued, to refinance other Indebtedness, Disqualified Stock or Preferred Stock, as applicable, denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (1) the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced *plus* (2) the aggregate amount of accrued but unpaid interest, fees, underwriting discounts, defeasance costs, premiums (including tender premiums) and other costs and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount of any Indebtedness incurred or Disqualified Stock or Preferred Stock issued to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness, Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Issuer dated such date prepared in accordance with GAAP.

The Issuer will not, and will not permit any Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is contractually subordinated or junior in right of payment to any Indebtedness of the Issuer or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Issuer or such Guarantor, as the case may be.

For purposes of this Indenture, (1) unsecured Indebtedness will not be deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured, (2) Indebtedness will not be deemed to be subordinated or junior to any other Indebtedness merely because it is issued or guaranteed by other obligors or (3) Secured Indebtedness will not be deemed to be subordinated or junior to any other Secured Indebtedness merely because it has a junior priority Lien with respect to the same collateral.

If any Indebtedness is refinanced in reliance on a basket measured by reference to a percentage of Run-Rate Adjusted EBITDA, and such refinancing would cause the percentage of Run-Rate Adjusted EBITDA to be exceeded if calculated based on the Run-Rate Adjusted EBITDA on the date of such refinancing, such percentage of Run-Rate Adjusted EBITDA will

not be deemed to be exceeded to the extent the principal amount of such obligations secured by such newly incurred Indebtedness does not exceed the sum of (i) the principal amount of such Indebtedness being refinanced, *plus* (ii) the related costs incurred or payable in connection with such refinancing

SECTION 4.10. Asset Sales.

(a) The Issuer will not, and will not permit any Restricted Subsidiary to, consummate an Asset Sale, unless:

(i) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, in connection with such Asset Sale) at least equal to the fair market value (measured at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, at least 75.0% of the consideration for such Asset Sale, together with all other Asset Sales since the Issue Date (on a cumulative basis), received by the Issuer or a Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided*, each of the following will be deemed to be cash or Cash Equivalents for purposes of this Section 4.10(a)(ii):

(A) any liabilities (as shown on the Issuer's or a Restricted Subsidiary's most recent balance sheet or in the footnotes thereto or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer's or a Restricted Subsidiary's consolidated balance sheet or in the footnotes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Issuer) of the Issuer or any Restricted Subsidiary, other than liabilities that are by their terms subordinated in right of payment to the Notes or any Guarantor's Guarantee of the Notes, that (i) are assumed by the transferee of any such assets (or a third party in connection with such transfer) or (ii) are otherwise cancelled or terminated in connection with the transaction with such transferee (other than intercompany debt owed to the Issuer or a Restricted Subsidiary);

(B) any securities, notes or other obligations or assets received by the Issuer or a Restricted Subsidiary from such transferee or in connection with such Asset Sale (including earnouts and similar obligations) that are converted by the Issuer or a Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of such Asset Sale;

(C) any Designated Non-cash Consideration received by the Issuer or a Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received

pursuant to this clause (C) that is at that time outstanding, not to exceed the greater of (x) \$120.0 million and (y) 30.0% of Run-Rate Adjusted EBITDA of the Issuer for the most recently ended Test Period on the date of the receipt of such Designated Non-cash Consideration (or, at the Issuer's option, at the time of contractually agreeing to such Asset Sale), with the fair market value of each item of Designated Non-cash Consideration being measured, at the Issuer's option, either at the time of contractually agreeing to such Asset Sale or at the time received and, in either case, without giving effect to subsequent changes in value;

(D) Indebtedness of any Restricted Subsidiary that ceases to be a Restricted Subsidiary as a result of such Asset Sale (other than intercompany debt owed to the Issuer or a Restricted Subsidiary), to the extent that the Issuer and each other Restricted Subsidiary are released from any guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Sale; and

(E) any Investment, Capital Stock, assets, property or capital or other expenditure of the kind referred to in Section 4.10(c)(ii).

(b) To the extent any Collateral is disposed of in a manner that is not prohibited by this Section 4.10 to any Person other than the Issuer or a Guarantor, such Collateral shall automatically be sold free and clear of the Liens created by this Indenture, the Notes, the Guarantees, the Notes Security Documents and the Intercreditor Agreements, and, if requested by the Notes Collateral Agent, upon the certification by the Issuer that such disposition is permitted by this Indenture, the Notes Collateral Agent shall be authorized to take any actions requested by the Issuer in order to effect or evidence the foregoing.

(c) Within 545 days after the receipt of any Net Proceeds of any Asset Sale (as may be extended pursuant to clause (ii) below, the "Asset Sale Proceeds Application Period"), the Issuer or a Restricted Subsidiary, at its option, may apply an amount up to the Net Proceeds from such Asset Sale (other than Excluded Proceeds):

(i) to repay:

(A) any First Lien Obligations (including the Notes) (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto), provided, in the case of this clause (A), (i) if an offer to purchase any Indebtedness of the Issuer or any Restricted Subsidiary is made, such amount will be deemed repaid to the extent of the amount of such offer, whether or not accepted by the holders of such Indebtedness, and no Net Proceeds in the amount of such offer will be deemed to exist following such offer, and (ii) if the holder of any Indebtedness of a Restricted Subsidiary of the Issuer declines the repayment of such Indebtedness owed to it from such Net Proceeds, such amount will be deemed repaid to the extent of the declined Net Proceeds;

(B) if the assets or property disposed of in the Asset Sale were not Collateral, Obligations in respect of a Restricted Subsidiary that is not a Guarantor, or make an offer to repay such Obligations, other than Indebtedness owed to the Issuer or a Restricted Subsidiary; or

(C) if the assets or property disposed of in the Asset Sale were not Collateral, Obligations in respect of the Notes or any other Indebtedness (other than Subordinated Indebtedness); *provided* that if the Issuer or any Restricted Subsidiary shall so reduce First Lien Obligations pursuant to clause (A) or other Indebtedness under this clause (C), the Issuer will reduce Obligations under the Notes on a *pro rata* basis by, at its option, (i) redeeming Notes as described under Section 3.07, (ii) purchasing Notes through open-market purchases at a price equal to (or higher than) 100.0% of the principal amount thereof (or 100.0% of the accreted value thereof, if less), or (iii) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes on a *pro rata* basis with such other Indebtedness for no less than 100.0% of the principal amount thereof (or 100.0% of the accreted value thereof, if less), *plus* the amount of accrued but unpaid interest, if any, on the principal amount of Notes to be repurchased to the date of repurchase;

provided, further, in the case of this clause (C), (i) if an offer to purchase any Indebtedness of the Issuer or any Restricted Subsidiary is made, such amount will be deemed repaid to the extent of the amount of such offer, whether or not accepted by the holders of such Indebtedness, and no Net Proceeds in the amount of such offer will be deemed to exist following such offer, and (ii) if the holder of any Indebtedness of a Restricted Subsidiary of the Issuer declines the repayment of such Indebtedness owed to it from such Net Proceeds, such amount will be deemed repaid to the extent of the declined Net Proceeds; or

(ii) to make (A) an Investment in any one or more businesses, (B) capital expenditures, (C) other expenditures made in connection with the construction or development of facilities operated or to be operated by the Issuer or a Restricted Subsidiary, (D) acquisitions of properties (including fee and leasehold interests) or (E) acquisitions of other assets, in the case of clauses (A), (D) and this clause (E), either (1) are or will be used or useful in a Similar Business or (2) that replace, in whole or in part, the properties or assets that are the subject of such Asset Sale; *provided*, in the case of this clause (ii), a binding commitment will be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer or a Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (or, if later, 545 days after the receipt of such Net Proceeds) (an “Acceptable Commitment”) and, in the event that any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or a Restricted Subsidiary enters into another Acceptable Commitment (a “Second Commitment”) within 180 days of such cancellation or termination (or, if later,

545 days after the receipt of such Net Proceeds); *provided, further*, that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds will constitute Excess Proceeds (as defined herein) (such 545-day period (as may be extended pursuant to this clause (ii) will constitute the “Proceeds Application Period”); or

(iii) any combination of the foregoing.

(d) Notwithstanding the foregoing, to the extent that any of or all the Net Proceeds of any Asset Sales by a Foreign Subsidiary is (x) prohibited or delayed by applicable local law from being repatriated to the United States or (y) restricted by the Organizational Documents from being repatriated to the United States, as determined by the Issuer in its sole discretion, the portion of such Net Proceeds so affected will not be required to be applied in compliance with this Section 4.10, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or applicable Organizational Documents will not permit repatriation to the United States (the Issuer hereby agreeing to use reasonable efforts to cause the applicable Foreign Subsidiary to take all actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if such repatriation of any of such affected Net Proceeds is permitted under the applicable local law, such repatriation will be promptly effected and such repatriated Net Proceeds will be applied in compliance with this Section 4.10; provided, however, to the extent that the Issuer has determined in good faith that the repatriation to the United States of any or all of the Net Proceeds would have material adverse tax consequences, such Net Proceeds so affected may be retained by the applicable Foreign Subsidiary and will not be required to be applied in compliance with this Section 4.10. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default. For the avoidance of doubt, nothing in this Indenture will be construed to require the Issuer or any Subsidiary to repatriate cash or to apply any Net Proceeds in the event that (x) such repatriation is not permitted under the applicable local law or Organizational Documents or there are material adverse tax consequences to repatriate such Net Proceeds, in each case, within the Proceeds Application Period or (y) the Proceeds Application Period has expired.

(e) The amount of Net Proceeds from Asset Sales, other than Excluded Proceeds, that are not invested or applied as provided and within the time period set forth in the second preceding paragraph (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes, as described in clause(c)(i)(C) above, will be deemed to have been so applied whether or not such offer is accepted) will be deemed to constitute “Excess Proceeds.” When the aggregate amount of Excess Proceeds exceeds the greater of (x) \$100.0 million and (y) 17.0% of Run-Rate Adjusted EBITDA of the Issuer for the most recently ended Test Period, from and after the Issue Date, the Issuer will make an offer to all Holders and, at the option of the Issuer, (i) to any holders of any other First Lien Obligations Indebtedness and (ii) in the case of proceeds from assets not constituting Collateral, to any holders of any Indebtedness that is pari passu with the Notes (“Pari Passu Indebtedness”) (such offer, an “Asset Sale Offer”), to purchase the maximum aggregate principal amount of the Notes and such other First Lien Obligations or

Pari Passu Indebtedness, as applicable, that are in an amount equal to at least \$2,000, or an integral multiple of \$1,000 in excess of \$2,000, that may be purchased out of the Excess Proceeds at an offer price, in the case of the Notes, in cash in an amount equal to 100.0% of the principal amount thereof (or accreted value thereof, if less), plus accrued and unpaid interest, if any (or, in respect of such other First Lien Obligations or Pari Passu Indebtedness, as applicable, such other price, if any, as may be provided for by the terms of such other First Lien Obligations or Pari Passu Indebtedness, as applicable), to, but excluding, the date fixed for the closing of such offer, in accordance with the procedures set forth in Section 3.09 and the agreement governing such other First Lien Obligations or Pari Passu Indebtedness, as applicable. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within thirty days after the date that Excess Proceeds exceed the greater of (x) \$100.0 million and (y) 17.0% of Run-Rate Adjusted EBITDA of the Issuer for the most recently ended Test Period by mailing or electronically delivering the notice required pursuant to Section 3.09, with a copy to the Trustee or otherwise in accordance with Applicable Procedures. The Issuer may satisfy the foregoing obligation with respect to any Net Proceeds from an Asset Sale by making an offer to purchase Notes with respect to all or part of the available Net Proceeds (the “Advance Portion”) prior to the expiration of the Asset Sale Proceeds Application Period with respect to all or a part of the available Net Proceeds in advance of being required to do so by this Indenture (the “Advance Offer”).

To the extent that the aggregate principal amount (or accreted value, as applicable) of Notes and such other First Lien Obligations or Pari Passu Indebtedness, as applicable, tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or in the case of an Advance Offer, the Advance Portion), the Issuer may use any remaining Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) in any manner not prohibited by this Indenture (any such remaining Excess Proceeds and Advance Portion amount together with the aggregate amount of Excluded Proceeds, “Declined Excess Proceeds”). The Issuer and its Restricted Subsidiaries may use any Excluded Proceeds in any manner not prohibited by this Indenture. Upon completion of any such Asset Sale Offer, for purposes of this provision the amount of Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) that resulted in the Asset Sale Offer will be reset to zero (regardless of whether there are any remaining Excess Proceeds (or Advance Portion) upon such completion). An Asset Sale Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, Notes and/or Guarantees, including any amendment, supplement or waiver to make an Asset Sale Offer (but the Asset Sale Offer may not condition tenders on the delivery of such consents).

(f) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility, including under the Senior Credit Facilities, or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(g) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset

Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(h) The Issuer's obligation to make an offer to repurchase the Notes pursuant to this Section 4.10 may be waived or modified with the written consent of the Holders of a majority in principal amount of the then outstanding Notes, including after the consummation of the Asset Sale.

SECTION 4.11. Transactions with Affiliates.

(a) The Issuer will not, and will not permit any Restricted Subsidiary to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate payments or consideration in excess of the greater of (x) \$40.0 million and (y) 7.0% of Run-Rate Adjusted EBITDA of the Issuer for the most recently ended Test Period, unless:

(i) such Affiliate Transaction is on terms, taken as a whole, that are not materially less favorable to the Issuer or the relevant Restricted Subsidiaries than those that would have been obtained at such time in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis, or if in the good faith judgment of the Board of Directors, no comparable transaction is available with which to compare such Affiliate Transaction, such Affiliate Transaction is otherwise fair to the Issuer or such Restricted Subsidiary from a financial point of view; and

(ii) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions requiring aggregate payments or consideration in excess of the greater of (x) \$100.0 million and (y) 17.0% of Run-Rate Adjusted EBITDA of the Issuer for the most recently ended Test Period, a resolution adopted by the majority of the Board of Directors approving such Affiliate Transaction and set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (i) of this Section 4.11(a).

(b) The foregoing Section 4.11(a) will not apply to the following:

(i) (A) transactions between or among the Issuer and one or more Restricted Subsidiaries or between or among Restricted Subsidiaries, or, in any case, any entity that becomes a Restricted Subsidiary as a result of such transaction, and (B) any merger, consolidation or amalgamation of the Issuer and any Parent Company; *provided*, such merger, consolidation or amalgamation of the Issuer is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) (A) Restricted Payments permitted by Section 4.07 hereof (including any transaction specifically excluded from the definition of the term “Restricted Payments,” including pursuant to the exceptions contained in the definition thereof and the parenthetical exclusions of such definition) and (B) Investments constituting “Permitted Investments” or any acquisition otherwise permitted by this Indenture;

(iii) (A) the payment of indemnification and similar amounts to, and reimbursement of expenses to, the Investors and their officers, directors, employees and affiliates, in each case, approved by, or pursuant to arrangements approved by, the Board of Directors, (B) payments, loans, advances or guarantees (or cancellation of loans, advances or guarantees) to future, present or former employees, officers, directors, managers, consultants or independent contractors or guarantees in respect thereof for bona fide business purposes or in the ordinary course of business or consistent with industry practice, (C) any subscription agreement or similar agreement pertaining to the repurchase of Equity Interests pursuant to put/call rights or similar rights with current, former or future officers, directors, employees, managers, consultants and independent contractors of the Issuer or any of its Subsidiaries or of any Parent Company and (D) any payment of compensation or other employee compensation, benefit plan or arrangement, any health, disability or similar insurance plan which covers current, former or future officers, directors, employees, managers, consultants and independent contractors of the Issuer or any of its Subsidiaries or any Parent Company;

(iv) the payment of fees and compensation paid to, and indemnities and reimbursements and employment and severance arrangements provided to, or on behalf of, or for the benefit of, present, future or former employees, directors, officers, members of management or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members or any permitted transferees thereof) of the Issuer, any Parent Company or any Restricted Subsidiary;

(v) transactions in which the Issuer or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms, when taken as a whole, are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis;

(vi) the existence of, or the performance by the Issuer, any Restricted Subsidiary of its obligations under the terms of, any agreement as in effect as of the Issue Date, or any amendment thereto or replacement thereof (so long as any such amendment or replacement is not materially disadvantageous in the good faith judgment of the Board of Directors to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date);

(vii) the existence of, or the performance by the Issuer or any Restricted Subsidiary of its obligations under the terms of, any equity holder agreement or the equivalent (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any amendment thereto and similar agreements or arrangements that it may enter into thereafter; *provided*, the existence of, or the performance by the Issuer or any Restricted Subsidiary of obligations under any future amendment to any such existing agreement or arrangement or under any similar agreement or arrangement entered into after the Issue Date will be permitted by this clause (vii) to the extent that the terms of any such amendment or new agreement or arrangement are not otherwise materially disadvantageous in the good faith judgment of the Board of Directors to the Holders when taken as a whole (as compared to the original agreement or arrangement in effect on the Issue Date);

(viii) the Transactions and the payment of all fees and expenses related to the Transactions, including Transaction Expenses;

(ix) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business or consistent with industry practice and otherwise in compliance with the terms of this Indenture that are fair to the Issuer and the Restricted Subsidiaries, in the reasonable determination of the Board of Directors or the senior management of the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(x) the issuance, sale or transfer of Equity Interests (other than Disqualified Stock) of the Issuer or any Parent Company to any Person and the granting and performing of customary rights (including registration rights) in connection therewith, and any contribution to the capital of the Issuer;

(xi) sales of accounts receivable, or participations therein, or Securitization Assets or related assets in connection with any Qualified Securitization Facility and any other transaction effected in connection with a Qualified Securitization Facility or a financing related thereto;

(xii) payments by the Issuer or any Restricted Subsidiary made for any financial advisory, consulting, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments are approved by, or made pursuant to arrangements approved by, a majority of the Board of Directors in good faith;

(xiii) payments with respect to Indebtedness, Disqualified Stock and other Equity Interests (and cancellation of any thereof) of the Issuer, any Parent Company and any Restricted Subsidiary and Preferred Stock (and cancellation of any thereof) of any Restricted Subsidiary to any future, current or former employee, director, officer, member of management or consultant (or their respective Controlled Investment Affiliates or

Immediate Family Members or permitted transferees) of the Issuer, any of its Subsidiaries or any Parent Company pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any equity subscription or equity holder agreement that are, in each case, approved by the Issuer in good faith; and any employment agreements, severance arrangements, stock option plans and other compensatory arrangements (and any successor plans thereto) and any supplemental executive retirement benefit plans or arrangements with any such employees, directors, officers, members of management or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members or any permitted transferees thereof) that are, in each case, approved by the Issuer in good faith;

(xiv) (A) investments by Affiliates in securities of the Issuer or any Restricted Subsidiary (and payment of reasonable out-of-pocket expenses incurred by such Affiliates in connection therewith) so long as the investment is being offered by the Issuer or such Restricted Subsidiary generally to other investors on the same or more favorable terms and (B) payments to Affiliates in respect of securities of the Issuer or any Restricted Subsidiary contemplated in the foregoing subclause (A) or that were acquired from Persons other than the Issuer and the Restricted Subsidiaries, in each case, in accordance with the terms of such securities;

(xv) payments to or from, and transactions with, any joint venture or Unrestricted Subsidiary in the ordinary course of business or consistent with past practice or consistent with industry practice or industry norms (including, any cash management activities related thereto);

(xvi) payments by the Issuer (and any Parent Company) and its Subsidiaries pursuant to tax sharing agreements among the Issuer (and any Parent Company) and its Subsidiaries; *provided*, in each case the amount of such payments in any taxable year does not exceed the amount that the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent of amount received from Unrestricted Subsidiaries) would be required to pay in respect of foreign, federal, state and local taxes for such taxable year were the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent described above) to pay such taxes separately from any such Parent Company;

(xvii) any lease entered into between the Issuer or any Restricted Subsidiary, as lessee, and any Affiliate of the Issuer, as lessor, and transactions pursuant to that lease which lease is approved by the Board of Directors or senior management of the Issuer in good faith;

(xviii) intellectual property licenses in the ordinary course of business or consistent with industry practice;

(xix) the payment of reasonable out-of-pocket costs and expenses relating to registration rights and indemnities provided to equity holders of the Issuer or any Parent Company pursuant to the equity holders agreement or the registration rights agreement entered into on or after the Issue Date;

(xx) transactions permitted by, and complying with, the provisions of Section 5.01 solely for the purpose of (A) reorganizing to facilitate any initial public offering of securities of the Issuer or any Parent Company, (B) forming a holding company or (C) reincorporating the Issuer in a new jurisdiction;

(xxi) transactions undertaken in good faith (as determined by the Board of Directors or certified by senior management of the Issuer in an Officer's Certificate) for the purposes of improving the consolidated tax efficiency of the Issuer and its Restricted Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture;

(xxii) (A) transactions with a Person that is an Affiliate of the Issuer (other than an Unrestricted Subsidiary) solely because the Issuer or any Restricted Subsidiary owns Equity Interests in such Person and (B) transactions with any Person that is an Affiliate solely because a director or officer of such Person is a director or officer of the Issuer, any Restricted Subsidiary or any Parent Company;

(xxiii) (A) pledges and other transfers of Equity Interests in Unrestricted Subsidiaries and (B) any transactions with an Affiliate in which the consideration paid consists solely of Equity Interests of the Issuer or a Parent Company;

(xxiv) the sale, issuance or transfer of Equity Interests (other than Disqualified Stock) of the Issuer;

(xxv) investments by any Investor or a Parent Company in securities of the Issuer or any Guarantor; and

(xxvi) payments on the Notes in accordance with this Indenture, payments on the Existing Notes in accordance with the Existing Notes Indentures and payments of Obligations under the Credit Facilities and payments in respect of Obligations under other Indebtedness of the Issuer and its Subsidiaries held by Affiliates; *provided* that such Obligations were acquired by an Affiliate of the Issuer in compliance with this Indenture.

SECTION 4.12. Liens.

(a) (i) Prior to a Covenant Suspension Event or following any Reversion Date and during any period when there is no election by the Issuer pursuant to Section 4.12(b), the Issuer will not, and will not permit any Subsidiary Guarantor to, directly or indirectly, create, incur or assume any Lien (except Permitted Liens) that secures Obligations under any Indebtedness or any related guarantee of Indebtedness, on any asset or property of the Issuer or any Subsidiary Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(A) in the case of Liens upon any property, assets or proceeds that are not at such time Collateral securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien that is senior in priority to such Liens on

such property, assets or proceeds such that the property, assets or proceeds subject to such Lien will constitute Collateral under this Indenture and the Notes Security Documents, subject, in each case, to Permitted Liens until such time as such Subordinated Indebtedness is no longer secured by such Liens; and

(B) in the case of Liens upon any property, assets or proceeds that are not at such time Collateral securing any First Lien Obligations, the Notes and related Guarantees are secured by a first-priority Lien on such property, assets or proceeds such that the property, assets or proceeds subject to such Lien will constitute Collateral under this Indenture and the Notes Security Documents, subject, in each case, to Permitted Liens until such time as such Obligations are no longer secured by such Liens (for the avoidance of doubt, to the extent that this Indenture permits Obligations to be secured by Liens on a first-lien priority basis, such Liens may be incurred on a junior basis);

(ii) except that the foregoing restrictions will not apply to or restrict (A) Liens securing obligations in respect of the Notes (other than Additional Notes) and the related Guarantees, (B) Liens securing obligations in respect of Indebtedness permitted to be incurred under any Credit Facility, including any letter of credit facility relating thereto, that was incurred on or prior to the Issue Date or permitted by the terms of this Indenture to be incurred pursuant to Section 4.09(b)(i), and (C) Liens on the Collateral securing obligations in respect of Indebtedness permitted to be incurred pursuant to Section 4.09; *provided*, at the time of incurrence after the Issue Date (or, in the case of Indebtedness under Designated Revolving Commitments, on the date such Designated Revolving Commitments are established after the Issue Date and after giving *pro forma* effect to the incurrence of the entire committed amount of Indebtedness thereunder, in which case such committed amount under such Designated Revolving Commitments may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with this subclause) and after giving *pro forma* effect thereto and the application of the net proceeds therefrom, (1) if such Indebtedness is secured on a pari passu basis with the Liens that secure the Notes (or, at the election of the Issuer, Indebtedness secured on a junior basis with the Liens that secure the Notes or unsecured), the Issuer's First Lien Net Leverage Ratio for the most recently ended Test Period on such date would not exceed 3.75:1.00 and (2) if such Indebtedness is secured on a junior basis to the Liens that secure the Notes (or, at the election of the Issuer, unsecured), the Issuer's Total Net Leverage Ratio for the most recently ended Test Period on such date would not exceed 4.50 to 1.00 (it being understood that solely for the purpose of calculating (x) the First Lien Net Leverage Ratio in connection with calculating the amount of Indebtedness to be incurred under clause(1), any outstanding Indebtedness Incurred under such clause (1) that is (I) secured on a junior basis to the Notes or (II) unsecured will nevertheless be deemed to be secured on a pari passu basis with the Notes or (y) the Total Net Leverage Ratio in connection with calculating clause (2), any outstanding Indebtedness Incurred under such clause (2) that is unsecured will nevertheless be deemed to be secured by a Lien).

(b) During a Covenant Suspension Event, the Issuer may elect by written notice to the Trustee to be subject to an alternative covenant with respect to the limitation on Liens in lieu of Section 4.12(a) pursuant to which the Issuer will not and will not permit any of its Principal Property Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien of any kind upon any (1) Restricted Property or (2) shares of Capital Stock or evidence of Indebtedness for borrowed money issued by any Principal Property Subsidiary, whether owned at the Issue Date or thereafter acquired, without making effective provision whereby the Notes and the Guarantees will be secured by such Lien equally and ratably with any and all other Indebtedness or obligations thereby secured, so long as such Indebtedness or obligations will be so secured; *provided, however*, that the foregoing shall not apply to any of the following:

(i) Liens existing on the Suspension Date;

(ii) Liens on property or Equity Interests or other assets of a Person at the time such Person becomes a Subsidiary; *provided*, such Liens are not created or incurred in connection with, or in contemplation of, such other Person becoming such a Subsidiary; *provided, further*, such Liens are limited to all or part of the same property or assets (plus improvements, accessions, proceeds or dividends or distributions in respect thereof and after-acquired property) that secured the obligations to which such Liens relate;

(iii) Liens in favor of the Issuer or any Guarantor;

(iv) Liens to secure any modification, refinancing, refunding, extension, renewal or replacement (or successive modification, refinancing, refunding, extensions, renewals or replacements) as a whole, or in part, of any of the foregoing; *provided*, (A) such new Lien will be limited to all or part of the same property (plus improvements, accessions, proceeds or dividends or distributions in respect thereof and after-acquired property) that secured the original Lien (plus improvements and accessions on such property) and proceeds and products thereof, and (B) the Indebtedness secured by such Lien at such time is not increased to any amount greater than the sum of (1) the outstanding principal amount or, if greater, committed amount of the Indebtedness at the time the original Lien became a Permitted Lien under this Indenture, *plus* (2) an amount necessary to pay any fees and expenses (including original issue discount, upfront fees, defeasance costs, underwriting discounts or similar fees) and premiums (including tender premiums and accrued and unpaid interest), related to such refinancing, refunding, extension, renewal or replacement;

SECTION 4.14. Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs after the Issue Date, unless the Issuer or another Person has previously or concurrently electronically delivered or mailed a redemption notice with respect to all the outstanding Notes as described under Section 3.07 or Article XII, the Issuer will make an offer to purchase all of the Notes pursuant to the offer described below (the “Change of Control Offer”) at a price in cash (the “Change of Control Payment”) equal to 101.0% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date prior to such repurchase.

Prior to or within 60 days following any Change of Control, the Issuer will send notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the Note Register or otherwise in accordance with the Applicable Procedures, with the following information:

- (i) a Change of Control Offer is being made pursuant to this Section 4.14 and all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;
- (ii) the purchase price and the purchase date, which will be no earlier than 10 days nor later than 90 days from the date such notice is mailed or otherwise delivered (the “Change of Control Payment Date”), subject to extension (in the case where such notice

is mailed or otherwise delivered prior to the occurrence of the Change of Control) in the event that the occurrence of the Change of Control is delayed;

(iii) any Note not properly tendered will remain outstanding and continue to accrue interest;

(vi) Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; *provided*, the Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration date of the Change of Control Offer, an electronic transmission or letter or other notice in accordance with the Applicable Procedures setting forth the name of the Holder, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(vii) Holders whose Notes are being purchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered, *provided*, the unpurchased portion of the Notes must be equal to at least \$2,000 or any integral multiple of \$1,000 in excess of \$2,000;

(viii) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control and describing each such condition and, if applicable, stating that, in the Issuer's discretion, the Change of Control Payment Date may be delayed until such time (including more than 90 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions are satisfied (or waived by the Issuer in its sole discretion), or such redemption or purchase may not occur and such notice may be rescinded or modified in the event that any or all such conditions are not satisfied (or waived by the Issuer in its sole discretion) by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person; and

(ix) the other instructions, as determined by the Issuer, consistent with this Section 4.14, that a Holder must follow in order to have its Notes repurchased.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes by the Issuer pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(b) On the Change of Control Payment Date, the Issuer will, to the extent permitted by law:

(i) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;

(c) The Issuer will not be required to make a Change of Control Offer following a Change of Control (i) if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, (ii) in connection with or in contemplation of any Change of Control, the Issuer (or any Affiliate of the Issuer) or a third party has made an offer to purchase, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer (an "Alternate Offer"), any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes properly tendered in accordance with the terms of the Alternate Offer or (iii) the Issuer or another Person has previously issued a notice of a full redemption pursuant to the provisions set forth under Section 3.07.

(d) A Change of Control Offer or Alternate Offer may be made in advance of a Change of Control and conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer or Alternate Offer.

(e) A Change of Control Offer or Alternate Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, Notes and/or Guarantees, including any amendment, supplement or waiver with respect to

making a Change of Control Offer or Alternate Offer (but the Change of Control Offer or Alternate Offer may not condition tenders on the delivery of such consents).

(f) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof, and references therein to “redeem,” “redemption,” “Redemption Date” and similar words shall be deemed to refer to “purchase,” “repurchase,” “Change of Control Payment Date” and similar words, as applicable.

(g) The Issuer’s obligation to make an offer to repurchase the Notes pursuant to this Section 4.14 may be waived or modified (at any time, including after a Change of Control or in connection with a Change of Control Offer or Alternate Offer) with the written consent of the Holders of a majority in principal amount of the Notes then outstanding.

SECTION 4.15. Limitation on Guarantees of Indebtedness by Restricted Subsidiaries. (a) The Issuer will not permit any of its Wholly-Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly-Owned Subsidiaries if such non-Wholly-Owned Subsidiary guarantees Indebtedness under a Credit Facility), other than a Guarantor or an Excluded Subsidiary, to guarantee the payment of any Indebtedness of the Issuer or any Guarantor under a Credit Facility incurred under Section 4.09(b)(i) or having an aggregate principal amount outstanding in excess of the greater of (x) \$50.0 million and (y) 8.5% of Run-Rate Adjusted EBITDA of the Issuer for the most recently ended Test Period unless:

(i) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor:

(A) if the Notes or such Guarantor’s Guarantee are subordinated in right of payment to such Indebtedness, the Guarantee under the supplemental indenture will be subordinated to such Restricted Subsidiary’s guarantee with respect to such Indebtedness substantially to the same extent as the Notes are subordinated to such Indebtedness; and

(B) if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor’s Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness will be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes; and

(ii) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other applicable rights against the Issuer or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee;

provided, this Section 4.15 will not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary. The Issuer may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor, in which case such Subsidiary will not be required to comply with clause (i) or (ii) of this Section 4.15(a) and such Guarantee may be released at any time in the Issuer's sole discretion.

(b) Each Person that becomes a Guarantor after the Issue Date shall, subject to the provisions of the Collateral and Guarantee Requirement and any applicable limitation in this Indenture and any Notes Security Document, also become a party to the applicable Notes Security Documents pursuant to the terms of this Indenture and, within the time periods set forth in this Indenture and the applicable Notes Security Documents; shall as promptly as practicable execute and deliver such security instruments, financing statements, mortgages, deeds of trust (in substantially the same form as those executed and delivered with respect to the Collateral on the Issue Date or on the date first delivered in the case of Collateral that this Indenture provides may be delivered after the Issue Date (to the extent, and substantially in the form, delivered on the Issue Date or the date first delivered, as applicable (but no greater scope)) as may be necessary to vest in the Notes Collateral Agent a perfected first-priority security interest (subject to Liens permitted by Section 4.12 and Permitted Liens) in properties and assets that constitute Collateral, as security for such Guarantor's Guarantee; and as may be necessary have such property or asset added to the Collateral as required under, and subject to the limitations set forth in, the Notes Security Documents and this Indenture, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such properties and assets to the same extent and with the same force and effect.

SECTION 4.16. Suspension of Covenants.

(a) During any period of time that (i) the Notes have an Investment Grade Rating (including in connection with a Change of Control) and (ii) no Default (other than any Default that would not constitute a Default following a Covenant Suspension Event (as defined below)) has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event" and the date thereof being referred to as the "Suspension Date") then, the Guarantees and the Collateral will be automatically and unconditionally released and discharged and the Issuer and the Restricted Subsidiaries will not be subject to Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, upon the making of the election in Section 4.12(b), 4.12(a) (in which case Section 4.12(b) will apply), Section 4.15, Section 5.01(a)(i)(D) and 5.01(d) hereof shall not be applicable to the Notes (collectively, the "Suspended Covenants").

(b) During a Suspension Period (as defined herein), the Issuer may not designate any of its Subsidiaries as Unrestricted Subsidiaries unless such designation would have complied with Section 4.07 as if such Section were in effect during such period.

(c) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) the Notes no longer have an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period of time between the Suspension Date and the Reversion Date is referred to in this Indenture as the “Suspension Period.” The Guarantees of the Guarantors will be suspended during the Suspension Period and the Collateral pledged by the Issuer and the Guarantors will be released. Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds will be reset to zero for purposes of Section 4.10.

(d) In the event of any such reinstatement, no action taken or omitted to be taken by the Issuer or any Restricted Subsidiary or events occurring prior to such reinstatement will give rise to a Default or Event of Default under this Indenture with respect to the Notes; *provided*,

(i) with respect to Restricted Payments made after the Reversion Date, the amount of Restricted Payments made will be calculated as though Section 4.07 had been in effect prior to, but not during, the Suspension Period;

(ii) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to Section 4.09(b)(iii);

(iii) any Affiliate Transaction entered into after the Reversion Date pursuant to an agreement entered into during any Suspension Period will be deemed to be permitted pursuant to Section 4.11(b)(vi);

(iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to take any action described in clauses (i) through (iii) of Section 4.08(a) that becomes effective during any Suspension Period will be deemed to be permitted pursuant to Section 4.08(b)(i); and

(v) no Subsidiary of the Issuer will be required to comply with Section 4.15 after the Reversion Date with respect to any guarantee entered into by such Subsidiary during any Suspension Period;

(vi) all Liens permitted to be created, incurred or assumed during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that they are classified as permitted under clause (7) of the definition of “Permitted Liens”; and

(vii) all Investments made during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that they are classified as Permitted Investments permitted under clause (5) of the definition of “Permitted Investments”.

(e) Notwithstanding that the Suspended Covenants may be reinstated after the Reversion Date (i) no Default, Event of Default or breach of any kind will be deemed to exist under this Indenture, the Notes, the Guarantees, the Notes Security Documents or the Intercreditor Agreements with respect to the Suspended Covenants, and none of the Issuer or any of its Restricted Subsidiaries will bear any liability for any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising during a Suspension Period, in each case, as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or, upon termination of the Suspension Period or after that time, based on any action taken or event that occurred during the Suspension Period) and (ii) following a Reversion Date, the Issuer and each Restricted Subsidiary will be permitted, without causing a Default or Event of Default, to honor, comply with or otherwise perform any contractual commitments or obligations arising during any Suspension Period (that were permitted to be entered into at such time) and to consummate any transactions contemplated thereby.

(f) During the Suspension Period, the Guarantees and the Collateral will be automatically and unconditionally released and discharged and the obligation to grant further Guarantees and pledge Collateral will be suspended. Upon the Reversion Date, the obligation to grant Guarantees pursuant to Section 4.15 will be reinstated (and the Reversion Date will be deemed to be the date on which any guaranteed Indebtedness was incurred for purposes of Section 4.15).

(g) The Trustee shall have no duty to (i) monitor the ratings of the Notes, (ii) determine whether a Covenant Suspension Event or Reversion Date has occurred or (iii) notify Holders of any of the foregoing.

(c) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 30.0% in principal amount of the then outstanding Notes to comply with any of its obligations, covenants or agreements (other than a

default referred to in clause (a) or (b) of this Section 6.01) contained in this Indenture or the Notes and other than as set forth under Section 4.03;

(d) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any Significant Subsidiary (or any group of Restricted Subsidiaries that taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary) or the payment of which is guaranteed by the Issuer or any Significant Subsidiary (or any group of Restricted Subsidiaries that taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary), other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(i) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(ii) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at its stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate in excess of the greater of (x) \$60.0 million or more and (y) 10.0% of Run-Rate Adjusted EBITDA of the Issuer for the most recently ended Test Period at any one time outstanding;

(e) failure by the Issuer or any Restricted Subsidiary that is a Significant Subsidiary (or any group of Restricted Subsidiaries that taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of the greater of (x) \$60.0 million and (y) 10.0% of Run-Rate Adjusted EBITDA of the Issuer for the most recently ended Test Period (in each case, net of amounts covered by insurance policies), which final judgments remain unpaid, undischarged, unwaived and unstayed for a period of more than 90 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(f) the Issuer or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary), pursuant to or within the meaning of any Debtor Relief Laws:

(i) commences proceedings to be adjudicated bankrupt or insolvent;

(ii) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Debtor Relief Laws;

(iii) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;

(iv) makes a general assignment for the benefit of its creditors; or

(v) generally is not paying its debts as they become due;

(g) a court of competent jurisdiction enters an order or decree under any Debtor Relief Laws that:

(i) is for relief against the Issuer or any of its Significant Subsidiaries (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary), in a proceeding in which the Issuer or any such Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary), is to be adjudicated bankrupt or insolvent;

(ii) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or any of its Significant Subsidiaries (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary), or for all or substantially all of the property of the Issuer or any of its Significant Subsidiaries (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary); or

(iii) orders the liquidation of the Issuer or any of its Significant Subsidiaries (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary); and the order or decree remains unstayed and in effect for 60 consecutive days;

(h) the Guarantee of any Significant Subsidiary (or any group of Restricted Subsidiaries that taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary) will for any reason cease to be in full force and effect except as contemplated by the terms of this Indenture or be declared null and void in a final non-appealable judgment of a court of competent jurisdiction or any Financial Officer of any Guarantor that is a Significant Subsidiary (or the responsible officers of any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary), as the case may be, denies in writing that it has any further liability under its

Guarantee or gives written notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture; or

(i) any Notes Security Document with respect to a material portion of the Collateral after delivery thereof for any reason (other than pursuant to the terms this Indenture or the Notes Security Document including as a result of a transaction not prohibited under this Indenture) ceases to create, a valid and perfected Lien with the priority required by the Notes Security Document (or other security purported to be created on the applicable Collateral) on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Permitted Liens and Liens permitted under Section 4.12, except to the extent that any such loss of perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Notes Collateral Agent to maintain possession of Collateral actually delivered to it and pledged under the Notes Security Documents or to file Uniform Commercial Code amendments relating to the Issuer's or a Guarantor's change of name or jurisdiction of formation (solely to the extent that the Issuer provides the Notes Collateral Agent written notice thereof in accordance with the Security Agreement, and the Notes Collateral Agent and the Issuer have agreed that the Notes Collateral Agent will be responsible for filing such amendments) and continuation statements or to take any other action primarily within its control with respect to the Collateral and except as to Collateral consisting of real property to the extent that such losses are covered by the proceeds from a lender's title insurance policy and such insurer has not denied coverage.

However, a Default under clause (c), (d) or (e) will not constitute an Event of Default under the Indenture until the Trustee or the Holders of at least 30.0% in principal amount of the outstanding Notes notify the Issuer in writing of the Default and, with respect to clause (c), the Issuer does not cure such Default within the time specified in such clause after receipt of such notice; provided that such notice of Default may not be given with respect to any action taken, and reported publicly or to Holders of the Notes, more than two years prior to such notice of Default.

SECTION 6.02. Acceleration. If any Event of Default (other than an Event of Default specified in clause (f) or (g) of Section 6.01 with respect to the Issuer) occurs and is continuing under this Indenture, the Trustee or the Holders of at least 30.0% in principal amount of the then total outstanding Notes by notice to the Issuer may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately.

Upon the effectiveness of such declaration, such principal of and premium, if any, and interest will be due and payable immediately. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in the Holders' interest. The Trustee will have no obligation to accelerate the Notes if in the best judgment of the Trustee acceleration is not in the best interests of the Holders of the Notes.

Any notice of Default, notice of acceleration or instruction to the Trustee to provide a notice of Default, notice of acceleration or take any other action (each of the foregoing, a “Noteholder Direction”) provided by any one or more Holders (other than any Holder that is a Regulated Bank) (each, a “Directing Holder”) must be accompanied by a signed Position Representation and Verification Form (in the form attached as Exhibit G) delivered to the Issuer and the Trustee (a “Position Representation and Verification Form”). The Position Representation and Verification Form will contain a representation that the applicable Directing Holder does not have (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that have represented to such Holder that they do not have) a Net Short Position and is not knowingly and intentionally acting in concert with any of its Affiliates for the express purpose of creating (and in fact creating) the same economic effect with respect to the Issuer or any Guarantor as having a Net Short Position at such time (a “Position Representation”), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of Default shall be deemed a continuing representation until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. The Position Representation and Verification Form will also contain a covenant by the applicable Directing Holder to provide the Issuer with such other information as the Issuer may reasonably request from time to time in order to verify the accuracy of such Noteholder’s Position Representation within five Business Days of request therefor (a “Verification Covenant”). In any case in which the Holder is DTC or its nominee, any Position Representation and Verification Form required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee and DTC shall be entitled to conclusively rely on such Position Representation and Verification Form in delivering its direction to the Trustee. In no event shall the Trustee have any liability or obligation to ascertain, monitor or inquire as to whether any Holder is Net Short and/or whether such Holder has delivered any related certifications under the Indenture or in connection with the Notes or if any such certifications comply with the Indenture, the Notes, or any other documents. It is understood and agreed that the Issuer and the Trustee shall be entitled to rely on each representation, deemed representation and certification made by, and covenant of, each beneficial owner provided for in this paragraph. Notwithstanding any other provision of the Indenture, the Notes or any other document, the provisions of this paragraph shall apply and survive with respect to each beneficial owner notwithstanding that any such Person may have ceased to be a beneficial owner, the Indenture may have been terminated or the Notes may have been redeemed in full.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuer determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officer’s Certificate stating that the Issuer has initiated litigation with a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuer provides to the Trustee an

Officer's Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Event of Default shall be deemed never to have occurred, any acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default.

For the avoidance of doubt, the Trustee shall be entitled to conclusively rely on any Noteholder Direction delivered to it in accordance with the Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, enforce compliance with any Verification Covenant, verify any statements in any Officer's Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments or otherwise. The Trustee shall have no liability to the Issuer, any Holder or any other Person in acting in good faith on a Noteholder Direction.

For the avoidance of doubt, the requirements of the three foregoing paragraphs shall only apply to Noteholder Directions and do not apply to any other directions given by Holders to the Trustee under this Indenture.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (f) or (g) of Section 6.01 hereof with respect to the Issuer, all outstanding Notes shall be due and payable immediately without further action or notice.

The Holders of a majority of the aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes rescind any acceleration with respect to the Notes and its consequences if such rescission would not conflict with any judgment of a court of competent jurisdiction and if all existing Events of Default (except non-payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder that has become due solely because of the acceleration) have been cured or waived.

In the event of any Event of Default specified in Section 6.01(d) hereof, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if:

- (1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged;
- (2) the requisite holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

- (3) the default that is the basis for such Event of Default has been cured, waived or is no longer continuing.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults. Subject to Section 6.02 hereof, Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences hereunder (except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder) (including in connection with an Asset Sale Offer or a Change of Control Offer). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority. Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or the Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or the Notes Collateral Agent. The Trustee or the Notes Collateral Agent, as the case may be, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee or the Notes Collateral Agent determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee or the Notes Collateral Agent in personal liability.

SECTION 6.06. Limitation on Suits. Subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes (subject to any applicable Intercreditor Agreement) unless:

- (a) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (b) Holders of at least 30.0% in principal amount of the total outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (c) Holders have offered the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expense;

(d) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(e) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a direction inconsistent with such written request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an Asset Sale Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.10. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to

the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12. Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes including the Guarantors), its creditors or its property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee on behalf of such Holder, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.13. Priorities. If the Trustee, the Notes Collateral Agent or any Agent collects any money or property pursuant to this Article VI (including with respect to the Collateral, subject to any applicable Intercreditor Agreement), it shall pay out the money or property in the following order:

(a) to the Trustee, the Notes Collateral Agent and such Agent, their agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or such Agent and the costs and expenses of collection;

(b) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and (iii) to the Issuer or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13.

SECTION 6.14. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

ARTICLE VII

TRUSTEE AND NOTES COLLATERAL AGENT

SECTION 7.01. Duties of Trustee and Notes Collateral Agent.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture on behalf of the Holders, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee and the Notes Collateral Agent shall be determined solely by the express provisions of this Indenture, the Notes Security Documents and the Intercreditor Agreements and the Trustee and the Notes Collateral Agent need perform only those duties that are specifically set forth in this Indenture, the Notes Security Documents and the Intercreditor Agreements and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee or the Notes Collateral Agent; and

(ii) in the absence of willful misconduct or bad faith on its part, the Trustee and the Notes Collateral Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee or the Notes Collateral Agent and conforming to the requirements of this Indenture, the Notes Security Documents and the Intercreditor Agreements, as applicable. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee or the Notes Collateral Agent, as applicable, the Trustee or the Notes Collateral Agent, as applicable, shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture, the Notes Security Documents and the Intercreditor Agreements, as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) Neither the Trustee nor the Notes Collateral Agent will be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph (c) does not limit the effect of paragraph (b) of this Section 7.01;

(ii) neither the Trustee nor the Notes Collateral Agent shall be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee or the Notes Collateral Agent, as the case may be, was negligent in ascertaining the pertinent facts; and

(iii) neither the Trustee nor the Notes Collateral Agent shall be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee and the Notes Collateral Agent is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture or to direct the Notes Collateral Agent to take action under the Notes Security Documents at the request or direction of any of the Holders unless the Holders have offered to the Trustee indemnity or security reasonably satisfactory to it against any loss, liability or expense that might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee.

(a) The Trustee and the Notes Collateral Agent may conclusively rely upon and shall be fully protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee and the Notes Collateral Agent need not investigate any fact or matter stated in the document, but the Trustee or the Notes Collateral Agent, as the case may be, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or the Notes Collateral Agent, as the case may be, shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee or the Notes Collateral Agent acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. Neither the Trustee nor the Notes Collateral Agent shall be liable for any action it takes or omits to take in good faith in

reliance on such Officer's Certificate or Opinion of Counsel. Each of the Trustee and the Notes Collateral Agent may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) Each of the Trustee and the Notes Collateral Agent may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) Neither the Trustee nor the Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer.

(f) None of the provisions of this Indenture, the Notes Security Documents or the Equal Priority Intercreditor Agreement shall require the Trustee or the Notes Collateral Agent to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee or the Notes Collateral Agent be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee or the Notes Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee and the Notes Collateral Agent, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee and the Notes Collateral Agent in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) [Reserved].

(k) Delivery of reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the

Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(l) The permissive rights of the Trustee to take certain actions under this Indenture shall not be construed as a duty unless so specified herein.

(m) The Trustee and the Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but each of the Trustee and the Notes Collateral Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or the Notes Collateral Agent, as the case may be, shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer, and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(n) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(o) The Trustee and the Notes Collateral Agent may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture and/or the Notes Security Documents.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any of its Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 hereof.

SECTION 7.04. Disclaimer. Neither the Trustee nor the Notes Collateral Agent (a) shall be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes or the Notes Security Documents, (b) shall be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, (c) shall be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and (d) shall be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall deliver to Holders a notice of the Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06. [Reserved].

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee and the Notes Collateral Agent from time to time such compensation for their acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee and the Notes Collateral Agent promptly upon request for all reasonable out-of-pocket disbursements, advances and expenses incurred or made by them in addition to the compensation for their services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's and the Notes Collateral Agent's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee and the Notes Collateral Agent for, and hold the Trustee and the Notes Collateral Agent harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses) incurred by them in connection with the acceptance or administration of this trust and the performance of their duties hereunder (including the reasonable costs and expenses of enforcing this Indenture against the Issuer or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuer or any Guarantor, or any other Person or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder) (but excluding taxes imposed on such persons in connection with compensation for such administration or performance). The Trustee or the Notes Collateral Agent, as the case may be, shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee or the Notes Collateral Agent to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee and the Notes Collateral Agent may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. The Issuer nor any Guarantor need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee or the Notes Collateral Agent through the Trustee's or the Notes Collateral Agent's own willful misconduct or negligence. Neither the Issuer nor any Guarantor need pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee and the Notes Collateral Agent shall have a Lien prior to the Notes on all money or property held or collected by the Trustee and the Notes Collateral Agent, except for money or property held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture, the Notes Security Documents and the Equal Priority Intercreditor Agreement.

When the Trustee and the Notes Collateral Agent incur expenses or render services after an Event of Default specified in Section 6.01(f) or (g) hereof occurs, the expenses and the

compensation for the services (including the reasonable fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Debtor Relief Laws.

SECTION 7.08. Replacement of Trustee or Notes Collateral Agent. A resignation or removal of the Trustee or the Notes Collateral Agent, as the case may be, and appointment of a successor Trustee or the Notes Collateral Agent, as the case may be, shall become effective only upon the successor Trustee's or the successor Notes Collateral Agent's acceptance of appointment as provided in this Section 7.08. The Trustee or the Notes Collateral Agent may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee or the Notes Collateral Agent by so notifying the Trustee or the Notes Collateral Agent, as the case may be, and the Issuer in writing not less than 30 days prior to the effective date of such removal. The Issuer may remove the Trustee or the Notes Collateral Agent if:

- (a) the Trustee or the Notes Collateral Agent, as the case may be, fails to comply with Section 7.10 hereof;
- (b) the Trustee or the Notes Collateral Agent, as the case may be, is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Debtor Relief Laws;
- (c) a custodian or public officer takes charge of the Trustee or the Notes Collateral Agent or its property; or
- (d) the Trustee or the Notes Collateral Agent becomes incapable of acting.

If the Trustee or the Notes Collateral Agent resigns or is removed or if a vacancy exists in the office of Trustee or the Notes Collateral Agent for any reason, the Issuer shall promptly appoint a successor Trustee or successor Notes Collateral Agent, as the case may be. Within one year after the successor Trustee or successor Notes Collateral Agent takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee or successor Notes Collateral Agent to replace the successor Trustee or Notes Collateral Agent appointed by the Issuer.

If a successor Trustee or successor Notes Collateral Agent does not take office within 60 days after the retiring Trustee or Notes Collateral Agent resigns or is removed, the retiring Trustee or Notes Collateral Agent, as applicable (at the Issuer's expense), the Issuer or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee or successor Notes Collateral Agent.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee or successor Notes Collateral Agent shall deliver a written acceptance of its appointment to the retiring Trustee or Notes Collateral Agent, as applicable, and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee or Notes Collateral Agent shall become effective, and the successor Trustee or Notes Collateral Agent, as applicable, shall have all the rights, powers and duties of the Trustee or the Notes Collateral Agent, as applicable, under this Indenture and the Notes Security Documents. The successor Trustee or successor Notes Collateral Agent shall mail a notice of its succession to Holders. The retiring Trustee or the retiring Notes Collateral Agent shall promptly transfer all property held by it as Trustee or Notes Collateral Agent, as the case may be, to its successor; *provided* all sums owing to the Trustee or the Notes Collateral Agent, as the case may be, hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee or the retiring Notes Collateral Agent, as applicable.

The resigning Trustee or the resigning Notes Collateral Agent, as applicable, shall have no responsibility or liability for any action or inaction of a successor Trustee or successor Notes Collateral Agent.

SECTION 7.09. Successor Trustee by Merger, etc. If the Trustee or the Notes Collateral Agent consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee or successor Notes Collateral Agent.

SECTION 7.10. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

ARTICLE VIII

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes and all obligations of the Guarantors with respect to the Guarantees upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees on the date the conditions set forth below are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors shall be deemed to have paid and

discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be “outstanding” only for the purposes of Section 8.05 hereof, to have cured all then existing Events of Default and to have satisfied all its other obligations under such Notes and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04 hereof;
- (b) the Issuer’s obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer’s obligations in connection therewith; and
- (d) this Section 8.02.

Subject to compliance with this Article VIII, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

SECTION 8.03. Covenant Defeasance. Upon the Issuer’s exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14 and 4.15 hereof and clauses (D) through (H) of Section 5.01(a)(i), Section 5.01(d), Section 5.01(e) and Article X hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (“Covenant Defeasance”), and the Notes will thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and the Guarantees, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document, and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and the Guarantees shall be unaffected thereby. In addition, upon the Issuer’s exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(c) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(d), 6.01(e), 6.01(f) (solely with respect to the Issuer’s Restricted Subsidiaries), 6.01(g) (solely with respect to the

Issuer's Restricted Subsidiaries), 6.01(h) and 6.01(i) hereof shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal or Covenant Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(a) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of an Independent Financial Advisor to pay the principal of, premium, if any, and interest due on the Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal, premium, if any, or interest on such Notes, and the Issuer must specify whether such Notes are being defeased to maturity or to a particular Redemption Date; *provided*, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited will be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit will be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit will be applied toward such redemption;

(b) in the case of Legal Defeasance, the Issuer will have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions

(i) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling or

(ii) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

(iii) in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer will have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens and the consummation of other transactions in connection therewith) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under the Senior Credit Facilities or any other material agreement, instrument or documents (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens and the consummation of other transactions in connection therewith);

(f) the Issuer will have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(g) the Issuer will have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Notwithstanding the foregoing, an Opinion of Counsel required by the immediately preceding paragraph with respect to Legal Defeasance need not be delivered if all of the Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable or (ii) will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer.

SECTION 8.05. Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions

Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section

8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to Issuer. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided* that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders.

(a) Notwithstanding Section 9.02 hereof, the Issuer, any Guarantor (with respect to a Guarantee or this Indenture to which it is a party) and the Trustee may amend or supplement this Indenture, any Guarantee, the Notes, the Notes Security Document or the Intercreditor Agreements (including in each case, if applicable, the form of agreements attached thereto as exhibits) without the consent of any Holder:

- (i) to cure any ambiguity, omission, mistake, defect or inconsistency;

- (ii) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (iii) to comply with Section 5.01 hereof;
- (iv) to provide the assumption of the Issuer's or any Guarantor's obligations to the Holders;
- (v) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect (as determined in good faith by the Issuer) the legal rights under this Indenture of any such Holder;
- (vi) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;
- (vii) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act, if applicable (it being agreed that this Indenture need not qualify under the Trust Indenture Act);
- (viii) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof;
- (ix) to add a Guarantor or co-obligor under this Indenture or to release a Guarantor in accordance with the terms of this Indenture;
- (x) to conform the text of this Indenture, Guarantees, the Notes, the Notes Security Documents and the Intercreditor Agreements to any provision of the "Description of Notes" section of the Offering Memorandum to the extent that such provision in such "Description of Notes" section was intended to be a verbatim recitation of a provision of this Indenture, Guarantee, the Notes, the Notes Security Documents and the Intercreditor Agreements as provided to the Trustee in an Officer's Certificate;
- (xi) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, to facilitate the issuance and administration of the Notes; provided, (A) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (B) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;
- (xii) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;
- (xiii) to make, complete or confirm any grant of Collateral permitted or required by this Indenture, any of the Notes Security Documents or the Intercreditor Agreements or any release of Collateral pursuant to the terms of this Indenture, any of the Notes Security Documents or the Intercreditor Agreements;

(xiv) to secure additional extensions of credit and add additional secured creditors holding other First Lien Obligations so long as such First Lien Obligations are not prohibited by the provisions of this Indenture or any other then-existing First Lien Debt Documents;

(xv) to add additional assets as Collateral; or

(xvi) to add provisions to this Indenture and a new form of Note to permit the issuance by the Issuer or a Subsidiary thereof of escrow notes under this Indenture, which may have different terms than other Notes issued under this Indenture so long as the proceeds of such notes remain in escrow (including, but not limited to, separate collateral, different or no guarantees and special mandatory redemption provisions).

(b) The Holders will be deemed to have consented for purposes of this Indenture, the Notes Security Documents and the Equal Priority Intercreditor Agreement (and, if applicable, a Junior Lien Intercreditor Agreement) to any of the following amendments and other modifications to this Indenture, the Notes Security Documents or the Equal Priority Intercreditor Agreement (or, if applicable, a Junior Lien Intercreditor Agreement) and the entry into a Junior Lien Intercreditor Agreement:

(i) to effect any amendment or supplement to the Equal Priority Intercreditor Agreement or any other Intercreditor Agreement that is for the purpose of adding the holders of First Lien Obligations or Indebtedness secured on a junior basis to the Notes or any other Indebtedness that is permitted under Section 4.09 and is Secured Indebtedness (or a representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the Equal Priority Intercreditor Agreement or any other applicable Intercreditor Agreement as, in the good faith determination of the Bank Collateral Agent, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Holders);

(ii) to enter into any Junior Lien Intercreditor Agreement or any Equal Priority Intercreditor Agreement or to any restatement or replacement thereof or to effect the Equal Priority Intercreditor Amendments or other Intercreditor Amendments; or

(iii) that is expressly contemplated by any Intercreditor Agreement or this Indenture.

(c) The Notes Collateral Agent is hereby authorized and directed to enter into the Equal Priority Intercreditor Agreement and any other Intercreditor Agreement to the extent contemplated by the terms of this Indenture without the consent of any Holder, and by accepting a Note, each Holder will be deemed to have acknowledged that such Intercreditor Agreement is binding upon them. By accepting a Note, each Holder will be deemed to have (a) agreed that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements, (b) authorized and instructed the Notes Collateral Agent to enter into the Equal

Priority Intercreditor Agreement and to subject the Liens on the Collateral to the provisions thereof and (c) without any further consent of such Holder, authorized and instructed the Notes Collateral Agent to execute and deliver on behalf of itself, the Trustee and the Holders the Equal Priority Intercreditor Agreement, any other intercreditor agreement or any amendment (or amendment and restatement) to the Notes Security Documents or an Intercreditor Agreement contemplated by this Indenture. In connection with any such amendment of the Equal Priority Intercreditor Agreement or any other Intercreditor Agreements, the Issuer shall provide an Officer's Certificate to the Notes Collateral Agent stating that such amendment complies with and/or is permitted by this Indenture, on which the Notes Collateral Agent shall be entitled to conclusively rely without any investigation. In addition, by accepting a Note, each Holder will be deemed to have authorized and directed the Notes Collateral Agent to enter into (i) any amendments to the Equal Priority Intercreditor Agreement and any other Intercreditor Agreements, and (ii) any other intercreditor arrangements, in the case of clauses (i), and (ii) to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required or permitted by the Indenture (the "Other Intercreditor Amendments").

(d) Upon the request of the Issuer accompanied by a resolution of the Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof (to the extent requested by the Trustee), the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall have the right, but not be obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, neither an Opinion of Counsel nor an Officer's Certificate shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, *provided* that the execution thereof shall be deemed a representation by such Guarantor(s) that all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied, *provided* that the execution thereof shall be deemed a representation by such Guarantor(s) that all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied and the supplemental indenture is enforceable in accordance with its terms subject to (i) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (ii) general principles of equity.

SECTION 9.02. With Consent of Holders.

(a) Except as provided below in this Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes, the Guarantees, the Notes Security Documents and the Intercreditor Agreements (including, in each case, if applicable, the form of agreements attached thereto as exhibits) with the consent of the Holders of at least a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for,

or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Guarantees or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or offer to purchase with respect to the Notes); *provided* that (x) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding hereunder, then only the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for Notes) shall be required and (y) if any such amendment or waiver by its terms will affect a series of Notes in a manner different and materially adverse relative to the manner such amendment or waiver affects other series of Notes, then the consent of the Holders of a majority in principal amount of the Notes of such adversely affected series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for Notes) shall be required. Section 2.08 hereof and Section 2.09 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

(b) Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and, except as set forth in Section 9.05, upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall deliver to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

(e) Without the consent of each affected Holder (including, for the avoidance of doubt, any Notes held by Affiliates), an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

- (i) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;

(ii) reduce the principal of or change the fixed final maturity of any such Note or reduce the premium payable upon the redemption of such Notes on any date (other than the provisions relating to Section 3.09, Section 4.10 and Section 4.14); *provided*, any amendment to the notice requirements may be made with the consent of the Holders of a majority in aggregate principal amount of then outstanding Notes;

(iii) reduce the rate of or change the time for payment of interest on any Note;

(iv) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of all affected Holders;

(v) make any Note payable in money other than that stated therein;

(vi) make any change in the provisions of this Indenture relating to waivers of past Defaults;

(vii) make any change in this Article IX that is materially adverse to the Holders;

(viii) impair the contractual right hereunder of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(ix) make any change to or modify the ranking of the Notes that would adversely affect the Holders; or

(x) except as expressly permitted by this Indenture, modify the Guarantees of any Significant Subsidiary, in any manner materially adverse to the Holders.

(f) Without the consent of the Holders of at least 66⅔% in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), no amendment, supplement or waiver may (i) have the effect of releasing all or substantially all of the Collateral from the Liens of the Notes Security Documents (except as permitted by the terms of this Indenture, the Equal Priority Intercreditor Agreement or the Notes Security Documents) or changing or altering the priority of the security interests of the Holders of the Notes in the Collateral under the Equal Priority Intercreditor Agreement or (ii) make any change in the Notes Security Documents, the Equal Priority Intercreditor Agreement or the provisions in this Indenture dealing with the application of proceeds of the Collateral that would materially and adversely affect the Holders of Notes; provided that (x) if any such amendment, supplement or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under this Indenture, then only the consent of the Holders of at least 66⅔% in aggregate principal amount of the Notes of such series then outstanding (including, without limitation, consents

obtained in connection with a purchase of, or tender offer or exchange offer for, such series of the Notes) shall be required.

SECTION 9.03. [Reserved].

SECTION 9.04. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

SECTION 9.05. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee and Notes Collateral Agent to Sign Amendments, etc. The Trustee, and as applicable, the Notes Collateral Agent, shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee, and as applicable, the Notes Collateral Agent. The Issuer may not sign an amendment, supplement or waiver until the board of directors of the Issuer approves it. Except as set forth below, in executing any amendment, supplement or waiver, the Trustee and the Notes Collateral Agent shall receive, and shall be fully protected in relying conclusively upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03 hereof).

Neither an Opinion of Counsel nor an Officer's Certificate will be required for the Trustee or the Notes Collateral Agent to execute any amendment, supplement or other document adding a new Guarantor, nor will an Officer's Certificate be required for the Trustee or the Notes Collateral Agent to execute a supplemental indenture. In addition, an Opinion of Counsel will not be required for the Trustee or the Notes Collateral Agent to (i) execute any amendment, supplement or other document releasing a Guarantor under this Indenture or adding Collateral or releasing Collateral under this Indenture, the Notes Security Documents or the Equal Priority Intercreditor Agreement or (ii) enter into any Intercreditor Agreement or amendment, supplement, joinder or acknowledgment thereto.

ARTICLE X

COLLATERAL

SECTION 10.01. The Notes Collateral Agent.

(a) By accepting a Note, each Holder will be deemed to have irrevocably appointed the Notes Collateral Agent to execute and deliver, and to act as its agent under, the Notes Security Documents, the Mortgage Collateral Agency Agreement and the Intercreditor Agreements and to have irrevocably authorized and directed the Notes Collateral Agent to (i) perform the duties and exercise the rights, powers and directions that are specifically given to it under the Notes Security Documents, the Mortgage Collateral Agency Agreement, the Intercreditor Agreements or other documents to which it is a party, together with any other incidental rights, powers and directions; and (ii) execute each document expressed to be executed by the Notes Collateral Agent on its behalf.

(b) Each of the Holders hereby exempts the Notes Collateral Agent from any restrictions on representing several persons and self-dealing under any applicable law to the extent legally possible for such Holder.

(c) The Notes Collateral Agent is authorized and empowered to appoint one or more subagents or co-collateral agents as it deems necessary or appropriate, including without limitation the Bank Collateral Agent (including any successor Bank Collateral Agent) and any Mortgage Collateral Agent.

(d) The Notes Collateral Agent shall have all the rights and protection provided in the Notes Security Documents as well as the rights and protections afforded to the Notes Collateral Agent in Sections 7.02 and 7.07 hereof; *provided, however*, that the Issuer shall not reimburse any expense or indemnify against any loss, liability or expense incurred by the Notes Collateral Agent through the Notes Collateral Agent's own willful misconduct or gross negligence, as determined by a final order of a court of competent jurisdiction.

(e) Neither the Trustee nor the Notes Collateral Agent shall be responsible for (i) the terms or adequacy of any Notes Security Document or any Intercreditor Agreement, (ii) perfecting, maintaining, monitoring, preserving or protecting the Liens granted under this Indenture, the Notes Security Documents or any agreement or instrument contemplated hereby or

thereby (except to the extent any possessory collateral is delivered to the Notes Collateral Agent for perfection purposes), (iii) the filing, re-filing, recording, re-recording or continuing of any document, financing statement, financing change statement, registration, mortgage, assignment, notice, instrument of further assurance or other instrument in any public office at any time or times or (iv) providing, maintaining, monitoring or preserving insurance on or the payment of taxes with respect to the Collateral. The actions described in items (i) through (iv) shall be the sole responsibility of the Issuer or Guarantor, as applicable.

(f) Subject to the Notes Security Documents and the Intercreditor Agreements, except as directed by the Trustee as required or permitted by this Indenture, the Holders acknowledge that the Notes Collateral Agent will not be obligated:

(i) to act upon directions purported to be delivered to it by any other Person;

(ii) to foreclose upon or otherwise enforce any Lien securing the Notes; or

(iii) to take any other action whatsoever with regard to any or all Liens securing the Notes, the Notes Security Documents or the Collateral.

(g) In acting as Notes Collateral Agent, co-collateral agent or sub-collateral agent, the Notes Collateral Agent, each co-collateral agent and each sub-collateral agent may rely upon and enforce each and all of the rights, powers, immunities, indemnities and benefits of the Trustee under Article VII hereof.

(h) Neither the Trustee nor the Notes Collateral Agent shall have any duty to file any financing statements, continuation statements or amendments thereto or any other agreement or instrument to record or perfect or maintain the perfection of the Notes Collateral Agent's security interest in the Collateral.

SECTION 10.02. Security Documents. To secure the full and punctual payment when due and the full and punctual performance of the Obligations of the parties hereto, the Issuer, the Guarantors and the Notes Collateral Agent shall, on the Issue Date, enter into certain Notes Security Documents to be executed on the Issue Date and may enter into additional Notes Security Documents and take or cause to be taken all such actions as may be required to create, perfect and maintain, as security for the Obligations of the Issuer and the Guarantors to the Notes Collateral Agent, the Trustee and the Holders under this Indenture, the Notes, the Guarantees and the Notes Security Documents, a valid and enforceable perfected first-priority Lien and security interest in all of the Collateral to the extent required by the Collateral and Guarantee Requirement in favor of the Notes Collateral Agent for its benefit and the benefit of the Trustee and the Holders, subject to the terms of the Notes Security Documents and this Indenture. Each Holder, by accepting a Note, consents and agrees to the terms of the Notes Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) as each may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements.

To the extent any Lien or security interest required pursuant to this Indenture and the Notes Security Documents is not perfected by the Issue Date, the Issuer and the applicable Guarantors shall use their commercially reasonable efforts to perform all acts and things that may be required, to have all such Liens and security interests in the Collateral duly created and enforceable and perfected, to the extent required by this Indenture and the Notes Security Documents, as promptly as practicable and in any event within 120 days following the Issue Date (or such later date as the Bank Collateral Agent may have agreed to under the Senior Credit Facilities), with respect to Collateral that does not constitute Material Real Property, and within the time period specified under Section 10.09 with respect to Material Real Property.

SECTION 10.03. The Intercreditor Agreement. On the Issue Date, the Issuer, the other grantors party thereto, the Notes Collateral Agent and the Bank Collateral Agent will enter into the Equal Priority Intercreditor Agreement with respect to the Collateral, which may be amended from time to time without the consent of the Holders to add other parties holding Additional First Lien Obligations or as otherwise provided herein.

SECTION 10.04. Maintenance of Collateral. The Issuer and the Guarantors shall maintain the Collateral in good, safe and insurable operating order, condition and repair (ordinary wear and tear excepted), other than as would not have a material adverse effect on the Issuer and the Guarantors, taken as a whole, and shall do all other acts as may be reasonably necessary or appropriate to maintain and preserve the Collateral, provided that the Issuer and the Guarantors may dispose of Collateral to the extent permitted by Section 4.10 and Section 5.01 hereof. The Issuer and the Guarantors shall pay all real estate and other taxes (except such as are being contested in good faith and by appropriate negotiations or proceedings), and maintain in full force and effect all material permits and insurance in amounts that insure against such losses and risks as are reasonable for the type and size of the business conducted by the Issuer and the Guarantors.

SECTION 10.05. Impairment of Collateral. Subject to the rights of the holders of any senior Liens and to Section 10.10, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to (a) take, or knowingly or negligently omit to take, any action which action or omission would or could reasonably be expected to have the results of materially impairing the security interests with respect to the Collateral for the benefit of the Trustee and the Holders, unless such action or failure to take action is otherwise permitted by the terms of this Indenture, the Intercreditor Agreement or the Notes Security Documents, or (b) grant any Person, or permit any Person to retain (other than the Applicable Collateral Agent (as defined in the Equal Priority Intercreditor Agreement)), any Liens on the Collateral, other than Permitted Liens. Each Issuer and each Guarantor will, at its sole cost and expense, execute and deliver all such agreements and instruments as necessary to more fully or accurately describe the assets and property intended to be Collateral or the obligations intended to be secured by the Notes Security Documents.

SECTION 10.06. After Acquired Collateral.

(a) From and after the Issue Date and subject to the terms of the Notes Security Documents and the Intercreditor Agreements, if the Issuer or any Guarantor acquires any property or rights which are of a type constituting Collateral under any Notes Security Document (excluding, for the avoidance of doubt, any Excluded Assets), it will execute and deliver such security instruments, financing statements and such certificates to the extent required by this Indenture or any Notes Security Documents (in each case, in accordance with the Intercreditor Agreements) to vest in the Notes Collateral Agent a perfected Lien on, and/or security interest (subject only to Permitted Liens) in, such after-acquired collateral to the extent required by the Collateral and Guarantee Requirement or Section 10.09 and to take such actions to add such after-acquired collateral to the Collateral, and thereupon all provisions of this Indenture and the Notes Security Documents relating to the Collateral shall be deemed to relate to such after-acquired collateral to the same extent and with the same force and effect. Notwithstanding the foregoing, an Opinion of Counsel will not be required in connection with the addition of new Guarantors or in connection with such Guarantors entering into the Notes Security Documents or to vest in the Notes Collateral Agent a perfected security interest in such after-acquired collateral.

(b) Upon the receipt by the Notes Collateral Agent of a written request of the Issuer signed by an Officer, the Notes Collateral Agent shall be authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Notes Security Document to be executed after the Issue Date. Such written request shall (i) instruct the Notes Collateral Agent to execute and enter into such Notes Security Document and the Notes Collateral Agent shall (without any obligation to review or negotiate the terms of such Notes Security Document) sign any such Notes Security Document and (ii) state that such Notes Security Documents is permitted under this Indenture.

(c) Any such execution of a Notes Security Document shall be at the direction and expense of the Issuer, upon delivery to the Notes Collateral Agent of an Officer's Certificate stating that all conditions precedent to the execution and delivery of the Notes Security Document have been satisfied.

(d) Notwithstanding the foregoing, in no event shall the Notes Collateral Agent be required to execute and enter into any such Notes Security Document if the Notes Collateral Agent determines in its reasonable discretion that such Notes Security Document is reasonably likely to adversely affect any of the Notes Collateral Agent's rights, benefits, immunities, privileges or indemnities hereunder, require the Notes Collateral Agent to expend or risk its own funds or cause the Notes Collateral Agent to incur any loss, liability or expense.

(e) The Trustee and the Notes Collateral Agent shall have no obligation to monitor the acquisition of additional property or rights that constitute Collateral or the perfection of any security interests therein.

(f) With respect to any obligation to provide collateral or take steps pursuant to Sections 10.02, 10.06 or 10.09, the Bank Administrative Agent may grant extensions of time under the Senior Credit Agreement. To the extent the Bank Administrative Agent grants such

extensions, such extension will be automatically granted under this Indenture. In the event of such an extension of time under the Senior Credit Agreement, the Company shall notify the Trustee thereof; *provided, however*, that failure to provide such notice shall not affect the effectiveness of the corresponding extension under this Indenture or constitute a Default under this Indenture.

SECTION 10.07. Further Assurances.

(a) Subject to the Intercreditor Agreements, the Issuer and the Guarantors shall promptly as may be required by applicable law (i) correct any material defect or error that may be discovered in the execution, acknowledgment, filing or recordation of any Notes Security Document or other document or instrument relating to any Collateral, and (ii) do, execute, acknowledge, deliver, record, re-record, file, re-file, register and re-register any and all such further acts, deeds, certificates, assurances and other instruments as may be necessary or as the Notes Collateral Agent may reasonably request from time to time in order to carry out more effectively the purposes of the Notes Security Documents and to satisfy the Collateral and Guarantee Requirement.

(b) The Issuer shall furnish to the Notes Collateral Agent, with respect to the Issuer or any Guarantor, prompt written notice (and in any event within sixty (60) days of such change or such longer period as may be agreed by the Bank Collateral Agent under the Senior Credit Facilities) of any change in such Person's (i) legal name or (ii) organizational legal entity designation or jurisdiction of incorporation or formation, in each case to the extent required by the Notes Security Documents. Promptly upon the occurrence of any of the foregoing, the Issuer and the Guarantors shall make all filings under the UCC (including continuation statements and amendments) and any other applicable laws that are required by this Indenture and/or the Notes Security Documents in order for the Collateral to be made subject to the Lien of the Notes Collateral Agent under this Indenture and/or the Notes Security Documents in the manner and to the extent required by this Indenture or any of the Notes Security Documents and shall take all necessary action so that such Lien is perfected with the same priority as immediately prior to such change to the extent required by this Indenture and/or the Notes Security Documents.

SECTION 10.08. Negative Pledge. The Issuer and each Guarantor shall not, and the Issuer shall not permit any of its Restricted Subsidiaries to, further pledge the Collateral as security or otherwise, subject to Permitted Liens; *provided, however*, that the Issuer, subject to compliance with Section 4.09 and Section 4.12, shall be permitted to issue an unlimited aggregate principal amount of Additional Notes, all of which may be secured by the Collateral.

SECTION 10.09. Real Estate Mortgages and Filings.

(a) Within (x) 180 days after the Issue Date with respect to Material Real Property owned by the Issuer and the Guarantors as of the Issue Date and (y) 275 days of the acquisition of any Material Real Property after the Issue Date or the date any Subsidiary becomes a Guarantor (with respect to Material Real Property owned by it) unless the Issuer provides notice within 90 days of the acquisition of such Material Real Property or the date such Subsidiary becomes a Guarantor (with respect to Material Real Property owned by it) to the Trustee of its

intention to consummate a Specified Sale-Leaseback Transaction with respect to such Material Real Property) (or, in either case of clause (x) or (y), such later date as the Bank Collateral Agent may have agreed to under the Senior Credit Facilities), such Issuer or such Guarantor shall deliver to the Notes Collateral Agent, as mortgagee or beneficiary, as applicable, for its benefit, the benefit of the Trustee and for the ratable benefit of the Holders (and, if a single mortgage securing all First Lien Obligations is delivered to a Mortgage Collateral Agent with respect to any Material Real Property, the other holders of the First Lien Obligations), a Mortgage with respect to such Material Real Property, together with:

(i) Evidence that counterparts of such Mortgage have been duly executed, acknowledged and delivered and are in form suitable for filing or recording in all filing or recording offices that are reasonably necessary in order to create, except to the extent otherwise provided hereunder, including subject to Liens permitted by Section 4.12 and Permitted Liens, a valid and subsisting perfected Lien on such Material Real Property in favor of the Notes Collateral Agent for its benefit, the benefit of the Trustee and for the ratable benefit of the Holders and that all filing and recording taxes and fees have been paid or otherwise provided for and subject to the Collateral and Guarantee Requirement;

(ii) A customary Opinion of Counsel for the applicable Guarantor in the state in which such Material Real Property is located, with respect to the enforceability and perfection of such Mortgage and any related fixture filings, the authorization, execution and delivery of such Mortgage and otherwise in form and substance consistent with the opinions delivered under the Senior Credit Facilities; and

(iii) To the extent required to be delivered under the Senior Credit Facilities, environmental assessment reports and reliance letters (if any) that have been prepared in connection with such acquisition of any Material Real Property.

(b) Notwithstanding anything to the foregoing, in the event that the Obligations under Senior Credit Facilities are satisfied and the mortgages, deeds of trust, deed to secure debt or other real property security document securing such Obligations under Senior Credit Facilities are released, such Issuer or such Guarantor shall, as soon as practicable thereafter using commercially reasonable efforts, (i) deliver or cause to be delivered fully paid American Land Title Association Lender's Extended Coverage title insurance policies or the equivalent or other form available in each applicable jurisdiction (the "Mortgage Policies") in form and substance and amount consistent with the title insurance policies issued under the Senior Credit Facilities, insuring the Mortgages to be valid subsisting Liens on the property described therein, subject only to Liens permitted by Section 4.12 and Permitted Liens or such other Liens accepted in connection with the Senior Credit Facilities that do not have an adverse impact on the use or value of the Mortgaged Properties, and providing for such other affirmative insurance (including endorsements for future advances under this Indenture and Notes Security Documents) and such coinsurance and direct access reinsurance as delivered under the Senior Credit Facilities and that are otherwise available in the applicable jurisdiction and (ii) deliver or cause to be delivered American Land Title/American Congress on Surveying and Mapping surveys for each Material Real Property or existing surveys together with no change affidavits, in each case in the form

consistent with the surveys delivered under the Senior Credit Facilities and otherwise sufficient for the title insurance company issuing a Mortgage Policy to remove the standard survey exception and issue standard survey related endorsements.

(c) Further, notwithstanding anything to the foregoing and upon the reasonable agreement of the Issuer and the Bank Collateral Agent, the Issuer or the applicable Guarantor may satisfy the Collateral and Guarantee Requirement with respect to the delivery of a Mortgage on any Material Real Property that is required to be or has been mortgaged under the Senior Credit Facilities by delivering a mortgage to a Mortgage Collateral Agent or amending an existing mortgage to be in favor of a Mortgage Collateral Agent and to secure the Obligations under this Indenture in addition to the Senior Credit Facilities Obligations (and any Additional First Lien Obligations, as applicable) and to otherwise be in form and substance reasonably satisfactory to the Bank Collateral Agent and the Notes Collateral Agent.

SECTION 10.10. Release of Liens on the Collateral.

(a) Liens on the Collateral securing the Notes will be automatically released under any one or more of the following circumstances (each a “Lien Release Event”):

- (i) In part, as to any property or assets constituting Collateral, to enable the Issuer or its Restricted Subsidiaries to consummate the disposition of such property or assets to the extent not prohibited under Section 4.10;
- (ii) in the case of a Guarantor that is released from its Guarantee with respect to the Notes in accordance with Section 11.06, the property and assets of such Guarantor shall be released;
- (iii) upon any such property or assets becoming Excluded Assets;
- (iv) as permitted by the Intercreditor Agreements; or
- (v) as permitted by Section 9.02(f).

(b) The security interests in all Collateral securing the Notes will be automatically released upon:

- (i) payment in full of the principal of, together with accrued and unpaid interest and premium, if any, on, the Notes and all other Obligations under this Indenture, the Guarantees and the Notes Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest and premium, if any, are paid (including pursuant to a redemption or repurchase of all Notes or a satisfaction and discharge of this Indenture in accordance with Article XII); or
- (ii) a Legal Defeasance or Covenant Defeasance under this Indenture in accordance with Sections 8.02 and 8.03.

(c) In connection with a release of Collateral, only an Officer's Certificate to the Notes Collateral Agent will be required and neither the Trustee nor the Notes Collateral Agent shall have any liability for releases given in reliance on such Officer's Certificate, which shall also certify that the release of Collateral is authorized or permitted under the Indenture and the Notes Security Documents. The Trustee and the Notes Collateral Agent will promptly take such action and, without recourse, representation or warranty, execute any such documents as may be reasonably requested by the Issuer in connection with a release of Guarantee or Collateral. Any notice provided to the Trustee or Notes Collateral Agent in connection with a Lien Release Event or a Guarantee Release Event shall be deemed an authenticated demand from a debtor duly delivered under Section 9-513(c) of the UCC, and the Issuer and the Guarantors shall have the rights provided by Section 9-509 of the UCC with respect to any such demand; *provided* that the applicable time period set forth in Section 9-513(c) of the UCC shall be deemed to be three Business Days.

(d) Upon the receipt of an Officer's Certificate from the Issuer, as described in Section 10.10(c), if applicable, and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Notes Collateral Agent and/or the Trustee shall, at the Issuer's expense, execute, deliver or acknowledge such instruments or releases reasonably requested in writing by the Issuer to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Notes Security Documents or the Equal Priority Intercreditor Agreement.

ARTICLE XI

GUARANTEES

SECTION 11.01. Guarantee. Subject to this Article XI, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on a secured basis, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuer hereunder or thereunder, that (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder, including for expenses, indemnification or otherwise, shall be promptly paid in full, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same promptly. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence

of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all of the Obligations of the Issuer hereunder and under the Notes).

Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by full payment of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 11.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, then any amount paid either to the Trustee or such Holder, then this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Until terminated in accordance with Section 11.06, each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any nonpaying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or

returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Guarantee issued by any Guarantor shall be a general secured senior obligation of such Guarantor and shall be *pari passu* in right of payment with all existing and future Senior Indebtedness of such Guarantor, if any.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without setoff, counter-claim, reduction or diminution of any kind or nature.

SECTION 11.02. Limitation on Guarantor Liability. Each Guarantor, and by its acceptance of the Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Debtor Relief Laws, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article XI, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

SECTION 11.03. Execution and Delivery. To evidence its Guarantee set forth in Section 11.01 hereof, each Guarantor hereby agrees that this Indenture (or, with regard to each Guarantor that becomes a party hereto after the date hereof, a supplemental indenture in the form of Exhibit D) shall be executed on behalf of such Guarantor by one of its authorized Officers.

Each Guarantor hereby agrees that its Guarantee set forth in Section 11.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee of such Guarantor shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15 hereof, the Issuer shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 hereof and this Article XI, to the extent applicable.

SECTION 11.04. Subrogation. Subject to the fifth paragraph of Section 11.01 and Section 11.02, each Guarantor shall be subrogated to all rights of Holders against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 11.01 hereof; *provided* that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

SECTION 11.05. Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 11.06. Release of Guarantees. (a) Each Guarantee by a Guarantor will provide by its terms that it shall be automatically and unconditionally released and discharged and shall thereupon terminate and be of no further force and effect, and no further action by such Guarantor, the Issuer or the Trustee is required for the release of such Guarantor's Guarantee, upon (each, a "Guarantee Release Event"):

(i) in the case of a Subsidiary Guarantor, any sale, exchange, issuance, disposition or transfer (by merger, amalgamation, consolidation or otherwise) of (A) the Capital Stock of such Guarantor, after which the applicable Guarantor is no longer a Restricted Subsidiary, or (B) all or substantially all of the assets of such Guarantor (including to the Issuer or another Guarantor), in each case if such sale, exchange, issuance, disposition or transfer is made in compliance with the applicable provisions of this Indenture;

(ii) in the case of a Subsidiary Guarantor, (A) the release or discharge of the guarantee by, or direct obligation of, such Guarantor of Indebtedness under the Senior Credit Facilities or (B) the release or discharge of such other guarantee that resulted in the creation of such Guarantee, except, in each case, a discharge or release by or as a result of payment under such guarantee or direct obligation (it being understood that, in each case, a release subject to a contingent reinstatement is still a release);

(iii) (A) the designation of any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture or (B) such Subsidiary Guarantor otherwise becoming an Excluded Subsidiary;

(iv) (A) the exercise by the Issuer of its Legal Defeasance option or Covenant Defeasance option in accordance with Article VIII hereof or (B) the discharge of the Issuer's obligations under this Indenture (including pursuant to a satisfaction and

discharge of this Indenture under Section 12.01 or through redemption or repurchase of all the Notes or otherwise) in accordance with the terms of this Indenture;

(v) (A) the merger, amalgamation, consolidation or winding up of any Guarantor with and into the Issuer or another Guarantor or a Restricted Subsidiary that becomes a Guarantor that is the surviving Person in such merger, amalgamation, consolidation or winding up, or upon the liquidation of a Guarantor following the transfer of all or substantially all of its assets, in each case in a transaction that complies with the applicable provisions hereof or (B) the dissolution or liquidation of any Guarantor permitted by the applicable provisions of this Indenture;

(vi) as described under Article IX; or

(vii) upon the occurrence of a Covenant Suspension Event.

(b) A Guarantee of a Subsidiary Guarantor also will be automatically released upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing the Senior Credit Facilities or other First Lien Obligations that resulted in the Subsidiary Guarantor's obligation to guarantee the Notes or other exercise of remedies in respect thereof in accordance with any Intercreditor Agreement.

(c) Notwithstanding any other provisions of this Section 11.06, any Guarantee by a Parent Company (other than Holdings) may be automatically and unconditionally released and discharged for any reason.

(d) The Issuer will have the right, upon delivery of an Officer's Certificate to the Trustee, to cause any Guarantor that has not guaranteed any Indebtedness under the Senior Credit Facilities and is not otherwise required by the applicable terms of this Indenture to provide a Guarantee, to be unconditionally released and discharged from all obligations under its Guarantee, and such Guarantee will thereupon automatically and unconditionally terminate and be discharged and of no further force or effect.

ARTICLE XII

SATISFACTION AND DISCHARGE

SECTION 12.01. Satisfaction and Discharge. This Indenture, the Notes Security Documents and the Intercreditor Agreements (with respect to the Notes) shall be discharged and shall cease to be of further effect as to all Notes, when either:

(a) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) (i) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of one or more notices of redemption or otherwise, will

become due and payable within one year or may be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; *provided*, (A) upon any redemption that requires the payment of the Applicable Premium, the amount deposited will be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption and (B) any Applicable Premium Deficit will be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit will be applied toward such redemption;

(ii) the Issuer has paid or caused to be paid all sums payable by it under this Indenture; and

(iii) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied. Such Opinion of Counsel may rely on such Officer's Certificate as to matters of fact, including clauses (b)(i), (ii) and (iii) above.

Notwithstanding the satisfaction and discharge of this Indenture, the Notes Security Documents and the Intercreditor Agreements, if money shall have been deposited with the Trustee pursuant to subclause (i) of clause (b) of this Section 12.01, the provisions of Section 12.02 and Section 8.06 hereof shall survive such satisfaction and discharge.

SECTION 12.02. Application of Trust Money. Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise

prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided* that if the Issuer has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. INTEREST. Life Time, Inc. (the “Issuer”), promises to pay interest on the principal amount of this Note at a rate per annum of 6.000% from November 5, 2024 until maturity. The Issuer will pay interest on this Note semi-annually in arrears on May 15 and November 15 of each year, beginning May 15, 2025 or, if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). The Issuer will make each interest payment to the Holder of record of this Note on the immediately preceding May 1 and November 1 (each, a “Record Date”). Interest on this Note will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that the first Interest Payment Date shall be May 15, 2025. The Issuer will pay interest (including post-petition interest in any proceeding under any Debtor Relief Laws) on overdue principal and premium, if any, from time to time on demand at the rate borne by this Note; it shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Laws) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate borne by this Note. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. METHOD OF PAYMENT. The Issuer will pay interest on this Note to the Person who is the registered Holder of this Note at the close of business on the Record Date (whether or not a Business Day) next preceding the Interest Payment Date, even if this Note is cancelled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. Payments of principal of, premium, if any, and interest on the Notes will be payable at the office or agency of the Issuer maintained pursuant to Section 4.02 of the Indenture or, at the option of the Issuer, may be made by check mailed to the Holders at their addresses set forth in the Note Register, *provided* that (a) all payments of principal, premium, if any, and interest on, Notes represented by Global Notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof and (b) all payments of principal, premium, if any, and interest with respect to certificated Notes will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. If a payment date (including a Redemption Date, Change of Control Payment Date or other purchase date or repurchase date) is on a Legal Holiday, payment will be made on the next succeeding day that is not a Legal Holiday and no interest shall accrue for the intervening period.

3. PAYING AGENT AND REGISTRAR. Initially, Wilmington Savings Fund Society, FSB, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without prior notice to any Holder. The Issuer or any of its domestic Subsidiaries may act in any such capacity.

4. INDENTURE. The Issuer issued the Notes under an Indenture, dated as of November 5, 2024 (the “Indenture”), among Life Time, Inc., the Guarantors party thereto from time to time, the Trustee and the Notes Collateral Agent. The Issuer shall be entitled to issue Additional Notes in accordance with Sections 2.01, 4.09 and 4.12 of the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

(a) At any time prior to November 15, 2027, the Issuer may, at its option, on one or more occasions redeem all or a part of the Notes, upon notice as described under Section 3.03 of the Indenture, at a redemption price (as calculated by the Issuer) equal to the sum of (i) 100.0% of the principal amount of the Notes redeemed, *plus* (ii) the Applicable Premium calculated as of the date the notice of redemption is given, *plus* (iii) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Any notice of redemption made in connection with a related transaction or event (including an Equity Offering, contribution, Change of Control, Asset Sale or other transaction) may, at the Issuer’s discretion, be given prior to the completion or the occurrence thereof, and any such redemption or notice may, at the Issuer’s discretion, be subject to one or more conditions precedent, including, but not limited to, the completion or occurrence of the related transaction or event, as the case may be.

(b) At any time prior to November 15, 2027, the Issuer may, at its option and on one or more occasions, redeem, upon notice as described under Section 3.03 of the Indenture, up to 40.0% of the aggregate principal amount of Notes and Additional Notes issued under the Indenture at a redemption price (as calculated by the Issuer) equal to the sum of (i) 106.000% of the aggregate principal amount thereof, with an amount equal to or less than the cash proceeds less underwriting fees from one or more Equity Offerings to the extent such cash proceeds are received by or contributed to the Issuer, *plus* (ii) accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date; *provided*, (a) at least the lesser of (x) 50.0% of the aggregate principal amount of Notes (including any Additional Notes issued under the Indenture after the Issue Date) then outstanding and (y) \$150.0 million aggregate principal amount of the Notes (including any Additional Notes issued under the Indenture after the Issue Date), remains outstanding immediately after the occurrence of each such redemption (except to the extent otherwise repurchased or redeemed (or to be repurchased or redeemed) in accordance with the terms of the Indenture); (b) that for purposes of calculating the principal amount of the Notes able to be redeemed with such cash proceeds of such Equity

Offering or Equity Offerings, such amount shall include the principal amount of the Notes to be redeemed plus the premium on such Notes to be redeemed; and (c) each such redemption occurs within 180 days of the date of closing of each such Equity Offering or contribution.

(c) In connection with any tender offer, other offer to purchase or exchange offer for the Notes (including a Change of Control Offer, Alternate Offer or Asset Sale Offer), if Holders of not less than 90.0% of the aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in such offer and the Issuer, or any third party making such offer in lieu of the Issuer, purchases or exchanges, as applicable, all of the Notes validly tendered and not withdrawn by such Holders, all of the Holders will be deemed to have consented to such tender offer, other offer to purchase or exchange offer and, accordingly, the Issuer or such third party will have the right upon notice, given not more than 90 days following such purchase or exchange date, to redeem or exchange, as applicable, all Notes that remain outstanding following such purchase or exchange, as applicable, (i) in the case of a tender offer or other offer to purchase, at a price equal to the price offered to each other Holder in such tender offer or other offer to purchase (which may be less than par and shall exclude any early tender premium and any accrued and unpaid interest paid to any Holder in such offer payment) or (ii) in the case of an exchange offer, for the same consideration provided in such exchange offer (which may be less than par and shall exclude any early exchange premium and any accrued and unpaid interest paid to any Holder in such exchange offer), in each case, *plus*, to the extent not included in the offer consideration, accrued and unpaid interest, if any, thereon, to, but excluding, the date of repurchase or exchange.

At any time prior to November 15, 2027, the Issuer may redeem during each calendar year (commencing with the calendar year in which the Issue Date occurs) up to 10.0% of the original aggregate principal amount of the Notes and any Additional Notes, at its option, on one or more occasions, at a redemption price equal to 103.0% of the aggregate principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the Redemption Date; *provided* that in any given calendar year, any amount not utilized pursuant to this paragraph may be carried forward to subsequent calendar years and may be used in such calendar year prior to utilizing the capacity in this paragraph for such calendar year.

(d) Except pursuant to clause (a), (b) or (c) of Section 3.07 of the Indenture, the Notes will not be redeemable at the Issuer's option prior to November 15, 2027.

(e) On and after November 15, 2027, the Issuer may, at its option, redeem the Notes, in whole or in part, on one or more occasions, upon notice as described under Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on November 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2027	103.000%
2028	101.500%
2029 and thereafter	100.000%

6. MANDATORY REDEMPTION; OFFERS TO PURCHASE AND OPEN MARKET PURCHASES. The Issuer will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Issuer may be required to offer to purchase Notes as described under Sections 4.10 and 4.14 of the Indenture.

7. NOTICE OF REDEMPTION. Subject to Section 3.03 of the Indenture, the Issuer shall deliver electronically, mail or cause to be mailed by first-class mail, postage prepaid notices of redemption at least 10 days but, except as set forth in Section 3.07(i) of the Indenture, not more than 90 days before the Redemption Date to each Holder to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be delivered or mailed more than 90 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XI of the Indenture.

8. OFFERS TO REPURCHASE. Upon the occurrence of a Change of Control, the Issuer shall make a Change of Control Offer in accordance with Section 4.14 of the Indenture. In connection with certain Asset Sales, the Issuer shall make an Asset Sale Offer as and when provided in accordance with Sections 3.09 and 4.10 of the Indenture.

9. SECURITY. The Notes shall be secured by first-priority Liens in the Collateral, subject to Permitted Liens, on the terms and conditions set forth in the Indenture and the Notes Security Documents. The Notes Collateral Agent holds a Lien in the Collateral for its benefit and for the benefit of the Trustee and the Holders, in each case pursuant to the Notes Security Documents. By their acceptance of the Notes, Holders will be deemed to have authorized and instructed the Notes Collateral Agent to enter into and to perform each of the Notes Security Documents, the Mortgage Collateral Agency Agreement and the Intercreditor Agreements.

10. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess of \$2,000. The transfer of Notes shall be registered and Notes may only be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not issue, exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not issue, exchange or register the transfer of any Notes during the period of 15 days before the mailing of

a notice of redemption of Notes to be redeemed or between a Record Date with respect to such Note and the next succeeding Interest Payment Date with respect to such Note.

11. PERSONS DEEMED OWNERS. The registered Holder shall be treated as its owner for all purposes. Only registered Holders shall have rights hereunder.

12. AMENDMENT, SUPPLEMENT AND WAIVER. The Indenture, the Guarantees or the Notes may be amended or supplemented as provided in the Indenture.

13. DEFAULTS AND REMEDIES. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 30.0% in principal amount of the then outstanding Notes by notice to the Issuer may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Issuer, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority of the aggregate principal amount of the Notes then outstanding by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or and its consequences under the Indenture except a continuing Default in payment of the principal of, premium, if any, or interest on, any of the Notes held by a nonconsenting Holder. The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer is required within thirty (30) Business Days after becoming aware of any Default, unless such Default has been cured, waived or is no longer continuing within such 30-day period, to deliver to the Trustee a statement specifying such Default and what action the Issuer proposes to take with respect thereto.

14. AUTHENTICATION. This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee.

15. GOVERNING LAW. THE INDENTURE, THIS NOTE AND ANY GUARANTEE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

16. CUSIP AND ISIN NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP and ISIN numbers to be printed on the Notes and the Trustee may use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuer will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to the Issuer at the following address:

SECTION 2. Conditions of Effectiveness of this Fourteenth Amendment. This Fourteenth Amendment shall become effective and each 2024 New Term Lender shall disburse the 2024 New Term Loans to be made by it pursuant to Section 1(a) on the date (the “**Fourteenth Amendment Effective Date**”) when the following conditions shall have been satisfied (or waived):

(a) the Administrative Agent (or its counsel) shall have received from the Borrower, Holdings, each Guarantor, the Administrative Agent and each 2024 New Term Lender, which collectively shall constitute the Required Lenders, counterparts of this Fourteenth Amendment signed on behalf of such parties (including by way of facsimile or other electronic transmission);

(b) substantially simultaneously with the making of the 2024 New Term Loans, the Borrower shall have paid, by wire transfer of immediately available funds (x) all reasonable and documented in reasonable detail costs, fees, out-of-pocket expenses (including the reasonable and documented in reasonable detail fees, disbursements and other charges of Davis Polk & Wardwell LLP in connection with this Fourteenth Amendment), and in the case of the costs and out-of-pocket expenses, to the extent invoiced at least one Business Day prior to the Fourteenth Amendment Effective Date and (y) compensation and other amounts then due and payable pursuant to that certain Fee Letter, dated as of October 21, 2024, by and among the Borrower and the joint lead arrangers party thereto;

correct in all material respects before and after the effectiveness of this Fourteenth Amendment and the making of the 2024 New Term Loans or the respective application of the proceeds thereof; *provided* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided, further*, that any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on and as of the Fourteenth Amendment Effective Date or such earlier date;

(d) the Administrative Agent shall have received a certificate executed by a Responsible Officer of the Borrower certifying compliance with the requirements of the preceding clause (c);

(e) the Administrative Agent shall have received no fewer than two Business Days prior to the Fourteenth Amendment Effective Date a Committed Loan Notice, duly executed by the Borrower, for the Borrowing of the 2024 New Term Loans pursuant to this Fourteenth Amendment;

(f) there shall have been delivered to the Administrative Agent (A) certificates of good standing from the secretary of state of the state of organization of each Loan Party (to the extent such concept exists in such jurisdiction), customary certificates of resolutions or other action, and incumbency certificates, (B) a certificate of a Responsible Officer of the Borrower (which may be contained in the same certificate as the certificate delivered pursuant to the preceding clause (d)), certifying that since the Amendment No. 13 Effective Date, except as attached to such certificate, there have been no changes to the Organizational Documents of the Loan Parties and/or attaching copies of any such Organizational Documents that have changed since the Amendment No. 13 Effective Date and (C) a solvency certificate from a Responsible Officer of the Borrower (after giving effect to the 2024 New Term Loans) substantially in the form attached to the Credit Agreement as Exhibit I;

(g) the Administrative Agent shall have received an opinion from (i) Latham & Watkins LLP, special New York counsel to the Loan Parties and (ii) Faegre Drinker Biddle & Reath LLP, special Minnesota counsel to the Loan Parties, in each case in form and substance reasonably satisfactory to the Administrative Agent and addressed to the Administrative Agent and the 2024 New Term Lenders;

(h) substantially concurrently with the making of 2024 New Term Loans by the 2024 New Term Lenders, the Borrower shall have issued senior secured notes yielding net proceeds in an amount at least sufficient, when combined with the net proceeds of the 2024 New Term Loans, to make the payments in the succeeding clause (i);

(i) The Borrower shall have made arrangements reasonably acceptable to the Administrative Agent to cause the Secured Notes and the 2021 Senior Notes to be satisfied and discharged in full; and

(j) the Administrative Agent shall have received a fully executed copy of the Amendment No. 14 Intercreditor Agreement.

SECTION 3. Representation and Warranties. To induce the Administrative Agent and the 2024 New Term Lenders to enter into this Fourteenth Amendment, each of the Borrower and Holdings represents and warrants to the Administrative Agent and the 2024 New Term Lenders on and as of the Fourteenth Amendment Effective Date:

(a) all of the representations and warranties of each Loan Party contained in the Credit Agreement and the other Loan Documents are true and correct in all material respects on and as of the Fourteenth Amendment Effective Date; *provided* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided* further that any representation and warranty that is qualified as to

“materiality,” “Material Adverse Effect” or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on and as of the Fourteenth Amendment Effective Date or such earlier date; and

(b) no Default or Event of Default exists as of the Fourteenth Amendment Effective Date, or would result from the making of the 2024 New Term Loans or the respective application of the proceeds therefrom.

SECTION 4. Reaffirmation of Guaranty. Each Guarantor reaffirms its guarantee of the Guaranteed Obligations (as defined in the Guaranty) under the terms and conditions of the Guaranty and agrees that such guarantee remains in full force and effect and is hereby ratified, reaffirmed and confirmed. Each Guarantor hereby confirms that it consents to the terms of this Fourteenth Amendment, including, without limitation, the making of the 2024 New Term Loans which constitute “Guaranteed Obligations” of such Guarantor under the Guaranty as amended by this Fourteenth Amendment. Each Guarantor hereby (i) confirms that each Loan Document to which it is a party or is otherwise bound will continue to guarantee, to the fullest extent possible in accordance with the Loan Documents, the payment and performance of the Guaranteed Obligations, including without limitation the payment and performance of all such applicable Guaranteed Obligations that are joint and several obligations of each Guarantor now or hereafter existing; (ii) acknowledges and agrees that its Guaranty and each of the Loan Documents to which it is a party or otherwise bound shall continue in full force and effect and that all of its obligations thereunder shall be valid and enforceable and shall not be impaired or limited by the execution or effectiveness of the Fourteenth Amendment; and (iii) acknowledges, agrees and warrants for the benefit of the Administrative Agent and each Secured Party that there are no rights of set-off or counterclaim, nor any defenses of any kind, whether legal, equitable or otherwise, that would enable such Guarantor to avoid or delay timely performance of its obligations under the Loan Documents (except to the extent such obligations constitute Excluded Swap Obligations (as defined in the Guaranty) with respect to such Guarantor).

SECTION 5. Reaffirmation of Security Agreement.

(a) Each Loan Party hereby acknowledges that it has reviewed and consents to the terms and conditions of this Fourteenth Amendment and the transactions contemplated hereby, including, without limitation, the making of the 2024 New Term Loans. In addition, each Loan Party reaffirms the security interests granted by such Loan Party under the terms and conditions of the Security Agreement to secure the Obligations and agrees that such security interests remain in full force and effect and are hereby ratified, reaffirmed and confirmed. Each Loan Party hereby confirms that the security interests granted by such Loan Party under the terms and conditions of the Security Agreement secure each of the 2024 New Term Loans as part of the Obligations. Each Loan Party hereby (i) confirms that each Loan Document to which it is a party or is otherwise bound and all Collateral (as defined in the Security Agreement) encumbered thereby will continue to guarantee or secure, as the case may be, to the fullest extent possible in accordance with the Loan Documents, the payment and performance of the Obligations, as the case may be, including, without limitation, the payment and performance of all such applicable Obligations that are joint and several obligations of each Loan Party now or hereafter existing, (ii) confirms its respective grant to the Collateral Agent for the benefit of the Secured Parties of the security interest in and continuing Lien on all of such Loan Party’s right, title and interest in, to and under all Collateral (as defined in the Security Agreement), whether now owned or existing or hereafter acquired or arising and wherever located, as collateral security for the prompt and complete payment and performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, of all applicable Obligations (including all such Obligations as amended, reaffirmed and/or

increased pursuant to this Fourteenth Amendment), subject to the terms contained in the applicable Loan Documents, and (iii) confirms its respective guarantees, pledges, grants of security interests and other obligations, as applicable, under and subject to the terms of each of the Loan Documents to which it is a party.

(b) Each Loan Party acknowledges and agrees that each of the Loan Documents to which it is a party or otherwise bound shall continue in full force and effect and that all of its obligations thereunder shall be valid and enforceable and shall not be impaired or limited by the execution or effectiveness of this Fourteenth Amendment.

SECTION 6. Reference to and Effect on the Credit Agreement and the Loan Documents.

(a) This Fourteenth Amendment shall constitute an Incremental Amendment and a Loan Document under the Credit Agreement.

(b) On and after the Fourteenth Amendment Effective Date, (i) each reference in the Credit Agreement to “this Agreement,” “hereunder,” “hereof” or words of like import referring to the Credit Agreement shall mean and be a reference to the Credit Agreement, as amended by this Fourteenth Amendment, (ii) each 2024 New Term Lender shall constitute a “Lender” under (and as defined in) the Credit Agreement after giving effect to this Fourteenth Amendment, (iii) the 2024 New Term Loans shall constitute “Closing Date Term Loans” under (and as defined in) the Credit Agreement after giving effect to this Fourteenth Amendment and (v) the Fourteenth Amendment Effective Date shall constitute the “Amendment No. 14 Effective Date” under (and as defined in) the Credit Agreement.

(c) The Credit Agreement and each of the other Loan Documents, as specifically amended by this Fourteenth Amendment, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. Without limiting the generality of the foregoing, the Collateral Documents and all of the Collateral described therein do and shall continue to secure the payment of all Obligations of the Loan Parties under the Loan Documents, in each case, as amended by this Fourteenth Amendment.

(d) The execution, delivery and effectiveness of this Fourteenth Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

(e) This Fourteenth Amendment may not be amended, modified or waived except pursuant to a writing signed by each of the parties hereto.

SECTION 7. Post-Closing Covenant. As promptly as practicable, and in any event no later than 120 days after the Fourteenth Amendment Effective Date or such later date as the Administrative Agent reasonably agrees to in writing, provide to the Collateral Agent the documents or evidence required as set forth in Schedule B with respect to each of the Mortgaged Properties listed in Schedule 1.01(2) to the Credit Agreement, except to the extent otherwise agreed by the Administrative Agent pursuant to its authority as set forth in the definition of the term “Collateral and Guarantee Requirement”.

SECTION 8. Governing Law. THIS FOURTEENTH AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 9. Counterparts. This Fourteenth Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Fourteenth Amendment by telecopy or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Fourteenth Amendment.

SECTION 10. Electronic Execution. The words “execution,” “signed,” “signature,” and words of like import in this Fourteenth Amendment or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(2) For purposes of calculating any financial ratio or test (or Total Assets), Specified Transactions (and, subject to clause (4) below, the incurrence or repayment of any Indebtedness in connection therewith) that have been made (a) during the applicable Test Period or (b) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Run-Rate Adjusted EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any Restricted Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.07 as if such Specified Transaction had occurred at the beginning of the most recently ended Test Period.

(3) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of "run-rate" cost savings, synergies and operating expense reductions resulting from or related to any such Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken

or are expected to be taken no later than twenty-four (24) months after the date of any such Specified Transaction (calculated on *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided* that (a) such amounts are (i) reasonably identifiable and factually supportable in the good faith judgment of the Borrower and (ii) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twenty-four (24) months after the date of such Specified Transaction and (b) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Run-Rate Adjusted EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period.

(4) In the event that (a) the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees), issues or repays (including by redemption, repurchase, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit unless such Indebtedness has been permanently repaid and not replaced), (b) the Borrower or any Restricted Subsidiary issues, repurchases or redeems Disqualified Stock, (c) any Restricted Subsidiary issues, repurchases or redeems Preferred Stock or (d) the Borrower or any Restricted Subsidiary establishes or eliminates any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Fixed Charge Coverage Ratio (or similar ratio), in which case such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case will be given effect, as if the same had occurred on the first day of the applicable Test Period) and, in the case of Indebtedness for all purposes as if such Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred thereunder on the date of such establishment; *provided, however*, that at the election of the Borrower, the *pro forma* calculation will not give effect to any Indebtedness incurred on such determination date pursuant to the provisions described in Section 7.02(b).

(5) If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Fixed Charge Coverage Ratio is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Restricted Subsidiary may designate.

(6) Notwithstanding anything to the contrary in this Section 1.07 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into, no *pro forma* effect shall be given to any discontinued operations (and the Run-Rate Adjusted EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(7) Any determination of Total Assets shall be made by reference to the last day of the Test Period most recently ended for which internal financial statements of the Borrower are available (as determined in good faith by the Borrower) on or prior to the relevant date of determination.

(8) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (a) calculating any applicable ratio, Consolidated Net Income or Run-Rate Adjusted EBITDA in connection with incurrence of Indebtedness, the creation of Liens, the making of any Asset Sale, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness, (b) determining compliance with any provision of this Agreement which requires that no Default or Event of Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (d) the satisfaction of all other conditions precedent to the incurrence with of Indebtedness, the creation of Liens, the making of any disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness, in each case in connection with a Limited Condition Acquisition, the date of determination of such ratio or other provisions, determination of whether any Default or Event of Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "**LCA Election**"), be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "**LCA Test Date**"). If on a *pro forma* basis after giving effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) such ratios and other provisions are calculated as if such Limited Condition Acquisition or other transactions had occurred at the beginning of the most recent Test Period ending prior to the LCA Test Date for which financial statements are available, the Borrower could have taken such action on the relevant LCA Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with, unless an Event of Default pursuant to Section 8.01(1), or, solely with respect to the Borrower, Section 8.01(6), shall be continuing on the date such Limited Condition Acquisition is consummated. For the avoidance of doubt, (i) if any of such ratios or other provisions are exceeded or breached as a result of fluctuations in such ratio (including due to fluctuations in Run-Rate Adjusted EBITDA or other components of such ratio) or other provisions at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (ii) such ratios and compliance with such conditions shall not be tested at the time of consummation of such Limited Condition Acquisition or related Specified Transactions, unless on such date an Event of Default pursuant to Section 8.01(1) or 8.01(6) shall be continuing. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or Basket availability with respect to any other Specified Transaction on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or Basket shall be calculated on a *pro forma basis* assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) had been consummated on the LCA Test Date; *provided* that for purposes of any such calculation of the Fixed Charge Coverage Ratio, Consolidated Interest Expense will be calculated using an assumed interest rate for the Indebtedness to be incurred in connection with such Limited Condition Acquisition based on the indicative interest margin contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Borrower in good faith. Notwithstanding anything in this Agreement or any Loan Document to the contrary, if the Borrower or its Restricted Subsidiaries (x) incurs Indebtedness, creates Liens, makes Asset Sales, makes Investments, makes Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with any Limited Condition Acquisition under a ratio-based Basket and (y) incurs Indebtedness, creates Liens, makes Asset Sales, Investments or Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with such Limited Condition Acquisition under a non-ratio-based Basket (which shall occur within five Business Days of the events in clause (x) above), then the applicable ratio will be calculated with respect to any such

action under the applicable ratio-based Basket without regard to any such action under such non-ratio-based Basket made in connection with such Limited Condition Acquisition.

SECTION 1.08 Available Amount Transaction. If more than one action occurs on any given date the permissibility of the taking of which is determined hereunder by reference to the amount specified in Section 7.05(a) immediately prior to the taking of such action, the permissibility of the taking of each such action shall be determined independently and in no event may any two or more such actions be treated as occurring simultaneously, i.e., each transaction must be permitted under Section 7.05(a) as so calculated.

SECTION 1.09 Guaranties of Hedging Obligations. Notwithstanding anything else to the contrary in any Loan Document, no non-Qualified ECP Guarantor shall be required to guarantee or provide security for Excluded Swap Obligations, and any reference in any Loan Document with respect to such non-Qualified ECP Guarantor guaranteeing or providing security for the Obligations shall be deemed to be all Obligations other than the Excluded Swap Obligations.

SECTION 1.10 Currency Generally.

(1) The Administrative Agent shall determine the Dollar Amount of each Revolving Loan denominated in an Alternative Currency and L/C Obligation in respect of Letters of Credit denominated in an Alternative Currency (a) as of the first day of each Interest Period applicable thereto and (b) as of the end of each fiscal quarter of the Borrower, and shall promptly notify the Borrower and the Lenders of each Dollar Amount so determined by it. Each such determination shall be based on the Exchange Rate (i) on the date of the related Request for Credit Extension for purposes of the initial such determination for any Revolving Loan or Letter of Credit and (ii) on the fourth Business Day prior to the date as of which such Dollar Amount is to be determined, for purposes of any subsequent determination.

(2) If after giving effect to any such determination of a Dollar Amount, the Total Revolving Outstandings exceed the aggregate amount of Revolving Commitments then in effect by 5.0% or more, the Borrower shall, within five Business Days of receipt of notice thereof from the Administrative Agent setting forth such calculation in reasonable detail, prepay the applicable outstanding Dollar Amount of the Revolving Loans denominated in Alternative Currencies or take other action as the Administrative Agent, in its discretion, may direct (including Cash Collateralization of the applicable L/C Obligations in amounts from time to time equal to such excess) to the extent necessary to eliminate any such excess.

(3) The Borrower shall determine in good faith the Dollar Amount of any utilization or other measurement denominated in a currency other than Dollars for purposes of compliance with any Basket. For purposes of determining compliance with any Basket under Article VII or VIII with respect to any amount expressed in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Basket utilization occurs or other Basket measurement is made (so long as such Basket utilization or other measurement, at the time incurred, made or acquired, was permitted hereunder). Except with respect to any ratio calculated under any Basket, any subsequent change in rates of currency exchange with respect to any prior utilization or other measurement of a Basket previously made in reliance on such Basket (as the same may have been reallocated in accordance with this Agreement) shall be disregarded for purposes of determining any unutilized portion under such Basket.

(4) For purposes of determining the First Lien Net Leverage Ratio and the Total Net Leverage Ratio, the amount of Indebtedness and cash and Cash Equivalents shall reflect the currency translation effects, determined in accordance with GAAP, of Hedging Obligations permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

SECTION 1.11 Letters of Credit. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of the stated amount of such Letter of Credit in effect at such time after giving effect to any automatic reductions to such stated amount pursuant to the terms of the applicable Letter of Credit after the occurrence of any applicable condition (including the expiration of any applicable period);

provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any Issuing Bank Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the amount of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

SECTION 1.12 Division of Limited Liability Company. Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company shall constitute a separate Person hereunder (and each division of any limited liability company that is a subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

SECTION 1.13 Rates. The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Term SOFR or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of Base Rate, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain Base Rate, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

ARTICLE II

The Commitments and Borrowings

SECTION 2.01 The Loans.

(1) Term Borrowings. Subject to (a) the terms and conditions set forth in Section 4.01 hereof, each Term Lender severally agrees to make to the Borrower on the Closing Date one or more Closing Date Term Loans denominated in Dollars in an aggregate principal amount equal to such Term Lender's Closing Date Term Commitment on the Closing Date, (b) the terms and conditions set forth in Amendment No. 8, each Term Lender severally agrees to make to the Borrower on the Amendment No. 8 Effective Date one or more 2021 Refinancing Term Loans denominated in Dollars in an aggregate principal amount equal to such Term Lender's 2021 Refinancing Term Loan Commitment on the Amendment No. 8 Effective Date ~~and~~, (c) the terms and conditions set forth in Amendment No. 11, each Term Lender severally agrees to make to the Borrower on the Amendment No. 11 Effective Date one or more New 2023 Refinancing Term Loans denominated in Dollars in an aggregate principal amount equal to such Term Lender's New 2023 Refinancing Term Loan Commitment on the Amendment No. 11 Effective Date, and (d) the terms and conditions set forth in Amendment No. 14, each Term Lender severally

agrees to make to the Borrower on the Amendment No. 14 Effective Date one or more 2024 New Term Loans denominated in Dollars in an aggregate principal amount equal to such Term Lender's 2024 New Term Loan Commitment on the Amendment No. 14 Effective Date. Amounts borrowed under this Section 2.01(1) and repaid or prepaid may not be reborrowed. The Closing Date Term Loans may be Base Rate Loans or SOFR Loans, as further provided herein.

(2) Revolving Borrowings. Subject to the terms and conditions set forth herein, each Revolving Lender severally agrees to make loans denominated in Dollars or one or more Alternative Currencies pursuant to Section 2.02 from its applicable Lending Office (each such loan, a “**Revolving Loan**”) to the Borrower from time to time, on any Business Day during the period, with respect to each Class of the Revolving Facility, from in the case of the 2024 Initial Revolving Facility, the Amendment No. 13 Effective Date, and in each case, until the Maturity Date with respect to such Class of the Revolving Facility, in an aggregate principal Dollar Amount not to exceed at any time outstanding the amount of such Lender's Revolving Commitment under the applicable Class of the Revolving Facility; *provided* that after giving effect to any Revolving Borrowing, (a) the Total 2024 Initial Revolving Outstandings shall not exceed the aggregate 2024 Initial Revolving Commitments (b) the aggregate principal Dollar Amount of Total Revolving Outstandings denominated in Canadian Dollars will not exceed \$35.0 million and (c) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all L/C Obligations, *plus*, in the case of each Lender other than the Swing Line Lender, such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all Swing Line Loans, shall not exceed such Lender's Revolving Commitment. Within the limits of each Lender's Revolving Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(2), prepay under Section 2.05 and reborrow under this Section 2.01(2). Revolving Loans may be Base Rate Loans, SOFR Loans or CORRA Loans, as further provided herein. For the avoidance of doubt, the parties hereto agree that each Revolving Borrowing (including Revolving Borrowings pursuant to Section 2.04(3)) shall be made on a ratable basis among all Classes of Revolving Commitments then in effect.

SECTION 2.02 Borrowings, Conversions and Continuations of Loans.

(1) Each Term Borrowing, each Revolving Borrowing, each conversion of Term Loans or Revolving Loans from one Type to the other, and each continuation of SOFR Loans and CORRA Loans shall be made upon the Borrower's irrevocable notice, on behalf of the Borrower, to the Administrative Agent (*provided* that the notice in respect of the initial Credit Extension, or in connection with any Permitted Acquisition or other transaction permitted under this Agreement, may be conditioned on the closing of the Merger or such Permitted Acquisition or other transaction, as applicable), which may be given by telephone. Each such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time, (a) three (3) Business Days prior to the requested date of any Borrowing or continuation of SOFR Loans or CORRA Loans or any conversion of Base Rate Loans to SOFR Loans and (b) on the requested date of any Borrowing of Base Rate Loans; *provided* that the notice referred to in subclause (a) above may be delivered on or prior to the Closing Date in the case of the Closing Date Term Loans. Each telephonic notice by the Borrower pursuant to this Section 2.02(1) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Sections 2.14, 2.15 and 2.16, each Borrowing of, conversion to or continuation of SOFR Loans or CORRA Loans shall be in a principal Dollar Amount of \$5.0 million or a whole multiple Dollar Amount of \$1.0 million in excess thereof (*provided* that any continuation of SOFR Loans or CORRA Loans funded in an Available Currency other than Dollars may be for the entire Dollar Amount of such SOFR Loans or CORRA Loans then outstanding in such Available Currency). Except as provided in Sections 2.03(3), 2.14, 2.15 and 2.16, each Borrowing of or conversion to Base Rate Loans shall be in a principal Dollar Amount of \$1.0 million or a whole multiple Dollar Amount of \$500,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify

(i) whether the Borrower is requesting a Term Borrowing, a Revolving Borrowing, a conversion of Term Loans or Revolving Loans from one Type to the other or a continuation of SOFR Loans or CORRA Loans,

- (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day),
- (iii) the principal amount of Loans to be borrowed, converted or continued,
- (iv) in the case of Revolving Loans, the currency in which the Revolving Loans to be borrowed are to be denominated,
- (v) the Class and Type of Loans to be borrowed or to which existing Term Loans or Revolving Loans are to be converted,
- (vi) if applicable, the duration of the Interest Period with respect thereto and
- (vii) wire instructions of the account(s) to which funds are to be disbursed.

If the Borrower fails to specify a Type of Loan to be made in a Committed Loan Notice, then the applicable Loans shall be made as SOFR Loans with an Interest Period of one (1) month. If the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as the same Type of Loan, which if a SOFR Loan or CORRA Loan, shall have a one-month Interest Period. Any such automatic continuation of SOFR Loans or CORRA Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable SOFR Loans or CORRA Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of SOFR Loans or CORRA Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month. If no currency is specified in a Committed Loan Notice for Revolving Borrowings, the requested Borrowing shall be in Dollars.

(2) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic continuation of SOFR Loans or CORRA Loans or continuation of Loans described in Section 2.02(1). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than, in the case of Borrowing on the Closing Date, 10:00 a.m., New York time, and otherwise 2:00 p.m., New York time, on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.01 for the Borrowing on the Closing Date, the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (a) crediting the account(s) of the applicable Borrower on the books of the Administrative Agent with the amount of such funds or (b) wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent; *provided* that if on the date the Committed Loan Notice with respect to a Borrowing under a Revolving Facility is given by the Borrower (other than with respect to the Closing Date Revolving Borrowing), there are L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowing and second, to the Borrower as provided above.

(3) Except as otherwise provided herein, a SOFR Loan or a CORRA Loan may be continued or converted only on the last day of an Interest Period for such SOFR Loan or CORRA Loan, unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent at the direction of the Required Revolving Lenders or the Required Facility Lenders (as applicable) under the applicable Facility may require by notice to the Borrower that no Loans under such Facility may be converted to or continued as SOFR Rate Loans or CORRA Loans.

(4) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for SOFR Loans and CORRA Loans upon determination of such interest rate. The determination of the Term SOFR and Term CORRA by the Administrative Agent shall be conclusive in the absence

of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(5) After giving effect to all Term Borrowings, all Revolving Borrowings, all conversions of Term Loans or Revolving Loans from one Type to the other, and all continuations of Term Loans or Revolving Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Loans pursuant to an Incremental Amendment, a Refinancing Amendment, an Extension Amendment or an amendment in respect of Replacement Loans, the number of Interest Periods otherwise permitted by this Section 2.02(5) shall increase by three (3) Interest Periods for each applicable Class so established.

(6) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(7) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing, or, in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (2) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate *plus* any administrative, processing or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(7) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.03 Letters of Credit

(1) The Letter of Credit Commitments

(a) Subject to the terms and conditions set forth herein, (i) each Issuing Bank agrees, in reliance upon the agreements of the other Revolving Lenders set forth in this Section 2.03, (A) from time to time on any Business Day during the period from the Closing Date until the L/C Expiration Date, to issue Letters of Credit at sight denominated in Dollars or another Available Currency for the account of the Borrower or a Restricted Subsidiary (*provided* that any such Letter of Credit may be for the benefit of Holdings or any Subsidiary of the Borrower) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(2), and (B) to honor drawings under the Letters of Credit and (ii) the Revolving Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; *provided* that no Issuing Bank shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of such L/C Credit Extension, (x) the Revolving Exposure of any Revolving Lender would

exceed such Lender's Revolving Commitment or (y) the Outstanding Amount of the L/C Obligations would exceed the L/C Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. In accordance with Section 2.03(8), all Existing Letters of Credit shall be deemed to have been issued pursuant to this Section 2.03(1) (except that the provisions of 2.03(7) shall not apply to such deemed issuance on the Closing Date).

(b) An Issuing Bank shall be under no obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Law applicable to such Issuing Bank or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or direct that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such Issuing Bank is not otherwise compensated hereunder);

(ii) subject to Section 2.03(2)(c), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless (A) each Appropriate Lender has approved of such expiration date or (B) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank;

(iii) the expiry date of such requested Letter of Credit would occur after the L/C Expiration Date, unless (A) each Appropriate Lender has approved of such expiration date or (B) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank;

(iv) the issuance of such Letter of Credit would violate any policies of such Issuing Bank applicable to letters of credit generally; or

(v) any Revolving Lender is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or potential Fronting Exposure (after giving effect to Section 2.17(1)(d)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(c) An Issuing Bank shall be under no obligation to amend any Letter of Credit if (i) such Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(2) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit

(a) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an Issuing Bank (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such

L/C Application must be received by the relevant Issuing Bank and the Administrative Agent not later than 12:00 p.m., New York time, at least two (2) Business Days prior to the proposed issuance date or date of amendment, as the case may be, or, in each case, such later date and time as the relevant Issuing Bank may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

- (i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day);
- (ii) the amount thereof;
- (iii) the expiry date thereof;
- (iv) the name and address of the beneficiary thereof;
- (v) the documents to be presented by such beneficiary in case of any drawing thereunder;
- (vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder;
- (vii) the Available Currency in which the requested Letter of Credit to be issued will be denominated; and
- (viii) such other matters as the relevant Issuing Bank may reasonably request.

In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

- (A) the Letter of Credit to be amended;
- (B) the proposed date of amendment thereof (which shall be a Business Day);
- (C) the nature of the proposed amendment; and
- (D) such other matters as the relevant Issuing Bank may reasonably request.

(b) Promptly after receipt of any L/C Application, the relevant Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such L/C Application from the Borrower and, if not, such Issuing Bank will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant Issuing Bank of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or, if applicable, any Restricted Subsidiary of the Borrower) or enter into the applicable amendment, as the case may be. Subject to Section 2.03(16), immediately upon the issuance of each Letter of Credit, each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant Issuing Bank a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share or other applicable share provided for under this Agreement times the amount of such Letter of Credit. For the avoidance of doubt, each risk participation in a Letter of Credit shall be made on a ratable basis among all Classes of Revolving Commitments then in effect. In furtherance of the foregoing, on the Amendment No. 6 Effective Date (after giving effect to Amendment No. 6) the risk participations in the Letters of Credit

outstanding on such date shall be reallocated amongst the Revolving Lenders such that, after giving effect to such reallocation, each Revolving Lender shall hold risk participations in each such Letter of Credit equal to such Revolving Lender's Pro Rata Share of the Revolving Facility (after giving effect to Amendment No. 6). Upon a Maturity Date under any Class of the Revolving Facility (other than the tranche with the latest Maturity Date of all Revolving Facilities then in effect), provided that no Default or Event of Default shall have occurred and be continuing, the aggregate amount of participations in Letters of Credit held by Revolving Lenders in respect of the Class of Revolving Commitments terminating on such Maturity Date shall be reallocated to the Revolving Lenders holding Revolving Commitments of each other Class of Revolving Commitments then in effect, such that, upon such reallocation, the participation of each remaining Revolving Lender in outstanding Letters of Credit shall be in proportion to its respective Pro Rata Share; *provided* that in no event shall such reallocation result in the aggregate Outstanding Amount of the Revolving Loans of any Lender, *plus* such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations, *plus* such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans exceeding such Lender's Revolving Commitment. If, on the Maturity Date with respect to any Class of the Revolving Facility, the reallocation described above cannot, or can only partially, be effected with respect to any outstanding Letter of Credit as a result of the limitations set forth herein, the Borrower shall, in accordance with Section 2.03(7), Cash Collateralize the portion of any such Letter of Credit that cannot be so reallocated.

(c) If the Borrower so requests in any applicable L/C Application, the relevant Issuing Bank shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); *provided* that any such Auto-Extension Letter of Credit must permit the relevant Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Non-Extension Notice Date**") in each such twelve-month period to be agreed upon by the relevant Issuing Bank and the Borrower at the time such Letter of Credit is issued. Unless otherwise agreed in such Letter of Credit, the Borrower shall not be required to make a specific request to the relevant Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the applicable L/C Expiration Date, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank; *provided* that the relevant Issuing Bank shall not permit any such extension if (i) the relevant Issuing Bank has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(1)(b) or otherwise) or (ii) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date from the Administrative Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 will not be satisfied on the applicable date of the Credit Extension.

(d) Promptly after issuance of any Letter of Credit or any amendment to a Letter of Credit, the relevant Issuing Bank will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(3) Drawings and Reimbursements; Funding of Participations

(a) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant Issuing Bank shall promptly notify the Borrower and the Administrative Agent thereof (including the date on which such payment is to be made). Upon the same day of any payment by an Issuing Bank under a Letter of Credit with notice to the Borrower (each such date, an "**Honor Date**"), the Borrower shall reimburse, or cause to be reimbursed, such Issuing Bank through the Administrative Agent in an amount equal to the Dollar Amount of such drawing; *provided* that if such reimbursement is not made on the date of drawing, the Borrower shall pay interest to the relevant Issuing Bank on such amount at the rate applicable to Base Rate Loans (without duplication of interest

payable on L/C Borrowings). The relevant Issuing Bank shall notify the Borrower of the Dollar Amount of the drawing promptly following the determination or revaluation thereof. If the Borrower fails to so reimburse, or cause to be reimbursed, such Issuing Bank by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the Dollar Amount of the unreimbursed drawing (the “**Unreimbursed Amount**”) and the amount of such Appropriate Lender’s Pro Rata Share or other applicable share provided for under this Agreement thereof. In such event, in the case of an Unreimbursed Amount under a Letter of Credit, the Borrower shall be deemed to have requested a Revolving Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the requirements for the amount of the unutilized portion of the Revolving Commitments under the applicable Revolving Facility of the Appropriate Lenders and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an Issuing Bank or the Administrative Agent pursuant to this Section 2.03(3)(a) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice. For the avoidance of doubt, the parties hereto agree that each L/C Borrowing shall be made on a ratable basis among all Classes of Revolving Commitments then in effect.

(b) Each Appropriate Lender (including any Lender acting as an Issuing Bank) shall upon any notice pursuant to Section 2.03(3)(a) make funds available to the Administrative Agent for the account of the relevant Issuing Bank in Dollars at the Administrative Agent’s Office for payments in an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(3)(c), each Appropriate Lender that so makes funds available shall be deemed to have made a Revolving Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant Issuing Bank.

(c) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant Issuing Bank an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate then applicable to the 2024 Initial Revolving Loans. In such event, each Appropriate Lender’s payment to the Administrative Agent for the account of the relevant Issuing Bank pursuant to Section 2.03(3)(b) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(d) Until each Appropriate Lender funds its Revolving Loan or L/C Advance pursuant to this Section 2.03(3) to reimburse the relevant Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender’s Pro Rata Share or other applicable share provided for under this Agreement of such amount shall be solely for the account of the relevant Issuing Bank.

(e) Each Revolving Lender’s obligation to make Revolving Loans or L/C Advances to reimburse an Issuing Bank for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(3), shall be absolute and unconditional and shall not be affected by any circumstance, including

- (i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant Issuing Bank, the Borrower or any other Person for any reason whatsoever;
- (ii) the occurrence or continuance of a Default; or

- (iii) any other occurrence, event or condition, whether or not similar to any of the foregoing;

provided that each Revolving Lender's obligation to make Revolving Loans pursuant to this Section 2.03(3) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant Issuing Bank for the amount of any payment made by such Issuing Bank under any Letter of Credit, together with interest as provided herein.

(f) If any Revolving Lender fails to make available to the Administrative Agent for the account of the relevant Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(3) by the time specified in Section 2.03(3)(b), such Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the relevant Issuing Bank submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(3)(d) shall be conclusive absent manifest error.

(4) Repayment of Participations.

(a) If, at any time after an Issuing Bank has made a payment under any Letter of Credit and has received from any Revolving Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(3), the Administrative Agent receives for the account of such Issuing Bank any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the Dollar Amount received by the Administrative Agent.

(b) If any payment received by the Administrative Agent for the account of an Issuing Bank pursuant to Section 2.03(3)(a) or Section 2.03(3)(b) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such Issuing Bank its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The Obligations of the Revolving Lenders under this Section 2.03(4)(b) shall survive the payment in full of the Obligations and the termination of this Agreement.

(5) Obligations Absolute. The obligation of the Borrower to reimburse the relevant Issuing Bank for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(a) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(b) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant Issuing Bank or

any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(c) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(d) any payment by the relevant Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(e) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guaranty, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit; or

(f) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by acts or omissions by such Issuing Bank constituting gross negligence, bad faith or willful misconduct on the part of such Issuing Bank as determined in a final and non-appealable judgment by a court of competent jurisdiction.

(6) Role of Issuing Banks. The Issuing Bank shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate or facsimile message, order or other document or telephone message signed, sent or made by any Person that the Issuing Bank reasonably believed to be genuine and correct and to have been signed, sent or made by the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Issuing Bank (which may include, at the Issuing Bank's option, counsel of the Administrative Agent or the Borrower). Each Lender and the Borrower agrees that, in paying any drawing under a Letter of Credit, the relevant Issuing Bank shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Issuing Banks, any Related Person of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank shall be liable to any Lender for

(a) any action taken or omitted in connection herewith at the request or with the approval of the Lenders, the Required Revolving Lenders or the Required Lenders, as applicable;

(b) any action taken or omitted in the absence of gross negligence, bad faith or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or

(c) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or L/C Application.

Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit *provided* that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, any Related Persons of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank, shall be liable or responsible for any of the matters described in clauses (a) through (f) of Section 2.03(5); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an Issuing Bank, and such Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by the Borrower which the Borrower proves were caused by such Issuing Bank's willful misconduct, bad faith or gross negligence or such Issuing Bank's willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no Issuing Bank shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

Each Lender shall, ratably in accordance with its Pro Rata Share, indemnify each Issuing Bank, its Related Persons and their respective directors, officers, agents and employees (to the extent not reimbursed by the Borrower) against any cost, expense (including reasonable counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from such indemnitees' willful misconduct, bad faith or gross negligence or such Issuing Bank's willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction) that such indemnitees may suffer or incur in connection with this Section 2.03 or any action taken or omitted to be taken by such indemnitees hereunder.

(7) Cash Collateral. Subject to Section 2.17(1)(d), if,

(a) as of any L/C Expiration Date, any applicable Letter of Credit issued for the account of the Borrower or any Restricted Subsidiary may for any reason remain outstanding and partially or wholly undrawn,

(b) any Event of Default occurs and is continuing and the Administrative Agent upon the direction of the Required Revolving Lenders, as applicable, may require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02 or

(c) an Event of Default set forth under Section 8.01(6) occurs and is continuing,

the Borrower will Cash Collateralize, or cause to be Cash Collateralized, the then Outstanding Amount of all relevant L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the applicable L/C Expiration Date, as the case may be), and shall do so not later than 2:00 p.m. on (i) in the case of the immediately preceding clauses (a) or (b), (x) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 p.m. or (y) if clause (x) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (ii) in the case of the immediately preceding clause (c), the Business Day on which an Event of Default set forth under Section 8.01(6) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent or the applicable Issuing Bank, the Borrower will Cash Collateralize all Fronting Exposure (after giving effect to Section 2.17(1)(d) and any Cash Collateral provided by the Defaulting Lender). The Borrower hereby grants to the Administrative Agent, for the benefit of the Issuing Banks and the Revolving Lenders of the applicable Facility, a security interest in all such Cash Collateral. Cash Collateral shall be maintained in blocked accounts at the

Administrative Agent and may be invested in readily available Cash Equivalents selected by the Administrative Agent in its sole discretion. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Loan Parties or the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all relevant L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay, or cause to be paid, to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (A) such aggregate Outstanding Amount over (B) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant Issuing Bank. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such relevant L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall promptly be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(7) is cured or otherwise waived, then so long as no other Event of Default has occurred and is continuing, the amount of any Cash Collateral pledged to Cash Collateralize such Letter of Credit shall promptly be refunded to the Borrower. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Loan Parties or the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(8) Existing Letters of Credit. Subject to the terms and conditions hereof, (a) Letters of Credit may be issued on the Closing Date to backstop or replace letters of credit outstanding on the Closing Date or (b) all letters of credit issued for the account of the Borrower or any Restricted Subsidiary and outstanding on the Closing Date and issued by an entity that is an Issuing Bank under this Agreement, which, by its execution of this Agreement, has agreed to act as an Issuing Bank hereunder and is listed on Schedule 2.03(8) (each, an “**Existing Letter of Credit**”) shall automatically be continued hereunder on the Closing Date by such Issuing Bank, and as of the Closing Date the Revolving Lenders shall acquire a participation therein as if such Existing Letter of Credit were issued hereunder, and each such Existing Letter of Credit shall be deemed a Letter of Credit for all purposes of this Agreement as of the Closing Date without any further action by the Borrower.

(9) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent, for the account of each Revolving Lender for the applicable Revolving Facility in accordance with its Pro Rata Share or other applicable share provided for under this Agreement, a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate set forth in the “Term SOFR, Term CORRA and Letter of Credit Fees” column of the chart in the definition of “Applicable Rate” with respect to such Class of the Revolving Facility times the daily maximum Dollar Amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount decreases or increases periodically pursuant to the terms of such Letter of Credit); *provided, however*, that any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the applicable Issuing Bank pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.17(1)(d), with the balance of such fee, if any, payable to the applicable Issuing Bank for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears. Such Letter of Credit fees shall be due and payable in Dollars on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, with respect to each Revolving Lender, on the L/C Expiration Date with respect to the Class of Revolving Commitments of such Revolving Lender and thereafter on demand. If there is any change in the Applicable Rate set forth in the “Term SOFR, Term CORRA and Letter of Credit Fees” column with respect to a Class of the Revolving Facility of the chart in the definition of “Applicable Rate” during any calendar quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate with respect to such Class of the Revolving Facility separately for each period during such calendar quarter that such Applicable Rate was in effect.

(10) Fronting Fee and Documentary and Processing Charges Payable to Issuing Banks. The Borrower shall pay directly to each Issuing Bank for its own account a fronting fee with respect to each Letter of Credit issued by such Issuing Bank equal to 0.25% per annum (or such other lower amount as may be mutually agreed by the Borrower and the applicable Issuing Bank) of the maximum Dollar Amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases or decreases periodically pursuant to the terms of such Letter of Credit) or such lesser fee as may be agreed with such Issuing Bank. Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable in Dollars on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. In addition, the Borrower shall pay, or cause to be paid, directly to each Issuing Bank for its own account with respect to each Letter of Credit issued for the account of the Borrower or any Restricted Subsidiary the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Issuing Bank relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(11) Conflict with L/C Application. Notwithstanding anything else to the contrary in this Agreement or any L/C Application, in the event of any conflict between the terms hereof and the terms of any L/C Application, the terms hereof shall control.

(12) Addition of an Issuing Bank. There may be one or more Issuing Banks under this Agreement from time to time. After the Closing Date, a Revolving Lender reasonably acceptable to the Borrower and the Administrative Agent may become an additional Issuing Bank hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Lender. The Administrative Agent shall notify the Revolving Lenders of any such additional Issuing Bank.

(13) Provisions Related to Extended Revolving Commitments. (14) Letter of Credit Reports. For so long as any Letter of Credit issued by an Issuing Bank is outstanding, such Issuing Bank shall deliver to the Administrative Agent on the last Business Day of each calendar month, and on each date that an L/C Credit Extension occurs with respect to any such Letter of Credit, a report in the form of Exhibit R, appropriately completed with the information for every outstanding Letter of Credit issued by such Issuing Bank.

(15) Letters of Credit Issued for Holdings and Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, Holdings or a Restricted Subsidiary of the Borrower, the Borrower shall be obligated to reimburse, or cause to be reimbursed, the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges

that the issuance of Letters of Credit for the account of Holdings or such Restricted Subsidiaries inures to the benefit of the Borrower, and that the Borrower's businesses derives substantial benefits from the businesses of Holdings and such Restricted Subsidiaries.

SECTION 2.04 Swing Line Loans.

(1) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender may, in its sole discretion and in its individual capacity, make revolving credit loans in Dollars to the Borrower (each such loan, a "**Swing Line Loan**"), from time to time on any Business Day during the period beginning on the Business Day after the Closing Date and until the Maturity Date of the Revolving Facility in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of Revolving Loans and L/C Obligations of the Swing Line Lender, may exceed the amount of such Swing Line Lender's Revolving Commitment; *provided that*, after giving effect to any Swing Line Loan, the Revolving Exposure shall not exceed the aggregate Revolving Commitment. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan will be obtained or maintained as a Base Rate Loan (bearing interest at the Base Rate *plus* the Applicable Rate for Base Rate Loans under the 2024 Initial Revolving Facility) unless Swing Line Lender agrees to a lower interest rate; *provided that* (a) Swing Line Lender may not agree to a different rate if an Event of Default has occurred and is continuing and (b) upon the occurrence and during the continuance of an Event of Default under Section 8.01(1), the Swing Line Loans will, at the option of Swing Line Lender, bear interest on past due amounts at a rate per annum equal to the Default Rate to the fullest extent permitted by applicable Laws. For the avoidance of doubt, each risk participation in a Swing Line Loan shall be made on a ratable basis among all Classes of Revolving Commitments then in effect.

(2) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender, which may be given in writing or by telephone. Each such notice must be received by the Swing Line Lender not later than 2:00 p.m., New York time, on the requested Borrowing date and shall specify (a) the amount to be borrowed, which shall be a minimum of \$100,000 and (b) the requested Borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower, together with substantially simultaneous notice (by telephone or in writing) to the Administrative Agent. If the Swing Line Lender agrees to provide such requested Swing Line Borrowing, unless it has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Lender) or it determines that (i) after giving effect to any Swing Line Loan, the Revolving Exposure will exceed the aggregate Revolving Commitment or (ii) one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m., New York time, on the Borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower.

(3) Repayment or Refinancing of Swing Line Loans.

(a) The Borrower has the right to prepay all or a portion of any Swing Line Loan at any time without premium or penalty. The Swing Line Lender at any time in its sole and absolute discretion may request, by written notice to the Borrower, the Administrative Agent and the Revolving Lenders, on behalf of the Borrower (which hereby irrevocably authorizes such Swing Line Lender to so request on its behalf), that each Revolving Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount of Swing Line Loans of the Borrower then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but not in excess of the unutilized portion of the aggregate Revolving Commitments and subject to the conditions set forth in Section 4.02; *provided that*, in the following circumstances, any such request shall also be deemed to have been given one Business Day prior to each of (i) the Maturity Date of the Revolving Facility, (ii) the occurrence of an Event of Default with respect to the

Borrower under Section 8.01(6) or (iii) the acceleration of the Obligations or other exercise of remedies under Section 8.02 (each such borrowing made on account of any such deemed request under this Section 2.04(3)(a), a “**Mandatory Swing Line Borrowing**”). The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Lender shall make an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent’s Office not later than 1:00 p.m. New York time on the date specified in such Committed Loan Notice, whereupon, subject to Section 2.04(3)(b), each Revolving Lender that so makes funds available shall be deemed to have made a Revolving Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(b) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Borrowing in accordance with Section 2.04(3)(a) (including as a result of a proceeding under any Debtor Relief Law), the request for Base Rate Loans submitted by the relevant Swing Line Lender as set forth herein shall be deemed to be a request by such Swing Line Lender that each of the Revolving Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Lender’s payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(a)(1) shall be deemed payment in respect of such participation; *provided*, that (i) all interest payable on the Swing Line Loans is for the account of Swing Line Lender until the date as of which the respective participation is purchased and (ii) at the time any purchase of participations pursuant to this sentence is actually made, the purchasing Revolving Lender shall pay Swing Line Lender interest on the principal amount of such participation purchased for each day from and including the day upon which the Mandatory Swing Line Borrowing purchase occurs under this Agreement to but excluding the date of payment for such participation, at the rate equal to the Federal Funds Rate.

(c) If any Revolving Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by the Lender pursuant to the foregoing provisions of this Section 2.04(3) by the time specified in Section 2.04(3)(a), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. If such Revolving Lender pays such amount, the amount so paid shall constitute such Lender’s Revolving Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (c) shall be conclusive absent manifest error.

(d) Each Revolving Lender’s obligation to make Revolving Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(3) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default, or (iii) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Lender’s obligation to make Revolving Loans pursuant to this Section 2.04(3) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(4) Repayment of Participations.

(a) At any time after any Revolving Lender has purchased and funded a risk participation in a Swing Line Loan, if the relevant Swing Line Lender receives any payment on account of such Swing Line Loan, such Swing Line Lender will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender’s risk participation was funded) in the same funds as those received by such Swing Line Lender.

(b) If any payment received by the relevant Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by such Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Lender shall pay to such Swing Line Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of a Swing Line Lender. The obligations of the Revolving Lenders under this clause (d)(ii) shall survive the payment in full of the Obligations and the termination of this Agreement.

(5) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share or other applicable share provided for under this Agreement of any Swing Line Loan, interest in respect of such Pro Rata Share or other applicable share provided for under this Agreement shall be solely for the account of the Swing Line Lender.

(6) Payments Directly to Swing Line Lender. Subject to Section 2.04(3)(a), the Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

(7) Provisions Related to Extended Revolving Commitments. If the Maturity Date shall have occurred in respect of any Class of Revolving Commitments (the "Expiring Credit Commitment") at a time when another Class or Classes of Revolving Commitments is or are in effect with a later Maturity Date (each a "Non-Expiring Credit Commitment" and collectively, the "Non-Expiring Credit Commitments"), then with respect to each outstanding Swing Line Loan, if consented to by the Swing Line Lender, on the earliest occurring Maturity Date such Swing Line Loan shall be deemed reallocated to the Class or Classes of the Non-Expiring Credit Commitments on a pro rata basis; *provided* that (a) to the extent that the amount of such reallocation would cause the aggregate credit exposure to exceed the aggregate amount of such Non-Expiring Credit Commitments, immediately prior to such reallocation (after giving effect to any repayments of Revolving Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(13)) the amount of Swing Line Loans to be reallocated equal to such excess shall be repaid and (b) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the Borrower shall still be obligated to pay Swing Line Loans allocated to the Revolving Lenders holding the Expiring Credit Commitments at the Maturity Date of the Expiring Credit Commitment or if the Loans have been accelerated prior to the Maturity Date of the Expiring Credit Commitment.

(8) Addition of a Swing Line Lender. A Revolving Lender reasonably acceptable to the Borrower and the Administrative Agent may become an additional Swing Line Lender hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Lender (which agreement shall include the Swing Line Sublimit for such additional Swing Line Lender). The Administrative Agent shall notify the Revolving Lenders of any such additional Swing Line Lender.

SECTION 2.05 Prepayments.

(1) Optional.

(a) The Borrower may, upon notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Class or Classes of Term Loans and any Class or Classes of Revolving Loans in whole or in part without premium (except as set forth in Section 2.18) or penalty; *provided* that

(i) such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time, (A) three (3) Business Days prior to any date of prepayment of SOFR Loans and CORRA Loans and (B) on the date of prepayment of Base Rate Loans;

(ii) any partial prepayment of SOFR Loans and CORRA Loans shall be in a principal amount of \$2.0 million or a whole multiple of \$500,000 in excess thereof or, if less, the entire principal amount thereof then outstanding;

(iii) any prepayment of Base Rate Loans shall be in a principal amount of \$1.0 million or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and

(iv) any prepayment of Revolving Loans under the Revolving Facility shall be allocated to prepay the Revolving Loans outstanding under each Class of the Revolving Facility in effect on the date of such prepayment on a ratable basis.

Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid (and, for the avoidance of doubt, may indicate the prepayments by more than one Borrower on such date in such amounts so specified, which, individually, may be below any minimum or multiple, but which, in the aggregate amount on any given date, shall satisfy such minimum and multiple requirements). The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a SOFR Loan or CORRA Loans shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(1), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(b) [Reserved].

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(1)(a) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(d) Each prepayment in respect of any Term Loans pursuant to this Section 2.05(1) may be applied to any Class of Term Loans as directed by the Borrower. Voluntary prepayments of any Class of Term Loans permitted hereunder shall be applied in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity, including any remaining scheduled installments of principal). For the avoidance of doubt, the Borrower may (i) prepay Term Loans of any Term Loan Class pursuant to this Section 2.05 without any requirement to prepay Extended Term Loans that were converted or exchanged from such Term Loan Class and (ii) prepay Extended Term Loans pursuant to this Section 2.05 without any requirement to prepay any Term Loans that were converted or exchanged for such Extended Term Loans. In the event that the Borrower does not specify the order in which to apply prepayments to reduce scheduled installments of principal or as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the scheduled installments of principal in direct order of maturity on a *pro rata* basis among Term Loan Classes.

(e) Notwithstanding anything in any Loan Document to the contrary, so long as (x) no Event of Default has occurred and is continuing and (y) no proceeds of Revolving Loans are used for this purpose, any Borrower Party may (i) purchase outstanding Term Loans on a non-pro rata basis through open market purchases or (ii) prepay the outstanding Term Loans (which Term Loans shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such purchase or

prepayment), which in the case of clause (ii) only shall be prepaid without premium or penalty on the following basis:

(A) Any Borrower Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Term Loan Prepayment**”), in each case made in accordance with this Section 2.05(1)(e) and without premium or penalty.

(B) (1) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with five (5) Business Days’ notice (or such shorter period as agreed by the Auction Agent) in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the applicable Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Term Loans to be prepaid (it being understood that different Specified Discounts or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$1.0 million in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Specified Discount Prepayment Response Date**”).

(2) Each Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the Classes of such Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the relevant Borrower Party will make a prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and Classes of Term Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided* that if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration

(the “**Specified Discount Proration**”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the applicable Borrower Party and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days’ notice (or such shorter period as agreed by the Auction Agent) in the form of a Discount Range Prepayment Notice; *provided that* (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the “**Discount Range Prepayment Amount**”), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the “**Discount Range**”) of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by such Borrower Party (it being understood that different Discount Ranges or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Discount Range Prepayment Response Date**”). Each Term Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender’s Term Loans (the “**Submitted Amount**”) such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Borrower Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount

to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a “**Participating Lender**”).

(3) If there is at least one Participating Lender, the relevant Borrower Party will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the Classes specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days’ notice in the form of a Solicited Discounted Prepayment Notice (or such later notice specified therein); *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the “**Solicited Discounted Prepayment Amount**”) and the Class or Classes of Term Loans the applicable Borrower Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of

the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Term Lenders (the “**Solicited Discounted Prepayment Response Date**”). Each Term Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the “**Offered Discount**”) at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the “**Offered Amount**”) such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Borrower Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Borrower Party shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the applicable Borrower Party (the “**Acceptable Discount**”), if any. If the applicable Borrower Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Borrower Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “**Acceptance Date**”), the applicable Borrower Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the applicable Borrower Party by the Acceptance Date, such Borrower Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with the consent of such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Borrower Party at the Acceptable Discount in accordance with this Section 2.05(1)(e)(D). If the applicable Borrower Party elects to accept any Acceptable Discount, then such Borrower Party agrees to accept all Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The applicable Borrower Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of

the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Borrower Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may require, as a condition to the applicable Discounted Term Loan Prepayment, the payment of customary fees and expenses from a Borrower Party to such Auction Agent for its own account in connection therewith.

(F) If any Term Loan is prepaid in accordance with subsections (B) through (D) above, a Borrower Party shall prepay such Term Loans on the Discounted Prepayment Effective Date. The relevant Borrower Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent’s Office in immediately available funds not later than 12:00 p.m., New York time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the relevant Class(es) and Lenders as specified by the applicable Borrower Party in the applicable offer. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(1)(e) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective applicable share as calculated by the Auction Agent in accordance with this Section 2.05(1)(e). The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(1)(e), the relevant Borrower Party shall make a representation to the assigning or assignee Term Lenders, as applicable, that it does not possess material non-public information with respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders generally (other than Term Lenders that have elected not to receive such information) or shall make a statement that such representation cannot be made.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(1)(e), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Borrower Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(1)(e), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon

Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next succeeding Business Day.

(I) Each of the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(1)(e) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(1)(e) as well as activities of the Auction Agent.

(J) Each Borrower Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Borrower Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(1)(e) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(C) to the extent the holders of Other Applicable Indebtedness decline to have such Indebtedness repurchased or prepaid with such portion of such Specified Sale-Leaseback Net Proceeds, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; *provided further* that no prepayment shall be required pursuant to this Section 2.05(2)(c)(i) with respect to such portion of such Specified Sale-Leaseback Net Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest (or its having entered into a binding commitment to reinvest) in accordance with Section 2.05(2)(c)(ii).

(ii) With respect to any Specified Sale-Leaseback Net Proceeds realized or received with respect to any Specified Operating Facility Sale-Leaseback Transaction, the Borrower or any Restricted Subsidiary, at its option, may reinvest all or any portion of such Specified Sale-Leaseback Net Proceeds in assets useful for their business within (x) eighteen (18) months following receipt of such Specified Sale-Leaseback Net Proceeds or (y) if the Borrower or any Restricted Subsidiary enters into a legally binding commitment to reinvest such Net Proceeds within eighteen (18) months following receipt thereof, within the later of (A) eighteen (18) months following receipt thereof and (B) one hundred eighty (180) days of the date of such legally binding commitment; *provided* that if any Specified Sale-Leaseback Net Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (g) and (h) of this Section 2.05(2), an amount equal to any such Specified Sale-Leaseback Net Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Specified Sale-Leaseback Net Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.05.

(iii) If the Borrower or any Restricted Subsidiary enters into a Specified Other Sale-Leaseback Transaction, which results in the receipt by the Borrower or such Restricted Subsidiary of Specified Sale-Leaseback Net Proceeds and the Borrower elects to make a Restricted Payment under Section 7.05(b)(24) the Borrower shall prepay (or cause to be prepaid) substantially concurrently with the making of such Restricted Payment an aggregate principal amount of Loans equal to 60% of such Specified Sale-Leaseback Net Proceeds.

(d) If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness (A) not expressly permitted to be incurred or issued pursuant to Section 7.02 or (B) that constitutes Credit

(e) Except as otherwise set forth in any Refinancing Amendment, Extension Amendment or Incremental Amendment,

(i) each prepayment of Term Loans required by Sections 2.05(2)(a) through (d) shall be applied to each Class of Term Loans then outstanding on a *pro rata* basis or a less than *pro rata* basis (but not greater than *pro rata* basis) with any other Term Loans (in each case, other than pursuant to a refinancing or with respect to greater than *pro rata* payments to an earlier maturing tranche);

(ii) with respect to each Class of Loans (other than Revolving Loans), each prepayment pursuant to clauses (a) through (d) of Section 2.05(2) shall be applied to remaining scheduled installments of principal thereof following the date of prepayment as directed by the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity); and

(iii) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment;

provided that with respect to the allocation of such prepayments under this clause (e) between a Class of existing Loans and a Class of Extended Loans, the Borrower may allocate such prepayments as the Borrower may specify, subject to the limitation that the Borrower may not allocate to such Extended Loans any such mandatory prepayment (other than in the case of a refinancing of Extended Loans) unless such prepayment under this clause (e) is accompanied by at least a *pro rata* prepayment, based upon the applicable remaining scheduled installments of principal due in respect thereof, of the Term Loans of the same Class, if any, from which such Extended Loans were converted or exchanged (or such Term Loans of the existing Loan Class have otherwise been repaid in full).

(f)

(i) Subject to Section 1.10(2), if for any reason (x) the aggregate Outstanding Amount of Revolving Loans, Swing Line Loans and L/C Obligations at any time exceeds the aggregate Revolving Commitments then in effect, the Borrower shall promptly prepay Revolving Loans and Swing Line Loans or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; *provided* that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(2)(f) unless after the prepayment in full of the Revolving Loans and Swing Line Loans (as applicable) such aggregate Outstanding Amount of L/C Obligations exceeds the aggregate Revolving Commitments then in effect and (y) the aggregate Outstanding Amount of 2024 Initial Revolving Loans at any time exceeds the aggregate 2024 Initial Revolving Commitments then in effect, the Borrower shall promptly prepay 2024 Initial Revolving Loans in an aggregate amount equal to such excess.

(ii) [Reserved].

(g) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (a) through (c) of this Section 2.05(2) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment or other applicable share provided for under this Agreement. Each Term Lender may reject all or a portion of its Pro Rata Share, or other applicable share provided for under this Agreement, of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of

Term Loans required to be made pursuant to clauses (a) and (b) of this Section 2.05(2) by providing written notice (each, a **Rejection Notice**) to the Administrative Agent and the Borrower no later than 5:00 p.m., New York time, two (2) Business Days after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining shall be retained by the Borrower (or the applicable Restricted Subsidiary) and may be applied by the Borrower or such Restricted Subsidiary in any manner not prohibited by this Agreement.

(h) Notwithstanding any other provisions of this Section 2.05(2), (A) to the extent that any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(2)(b) (a **"Foreign Asset Sale"**), the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a **"Foreign Casualty Event"**), the Specified Sale-Leaseback Net Proceeds of any Specified Sale Leaseback Transaction by a Foreign Subsidiary (a **"Foreign Sale-Leaseback"**) or all or a portion of Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow is permitted under the applicable local law such repatriation will be promptly effected and an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(2) to the extent otherwise provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any or all of the Net Proceeds of any Foreign Asset Sale or Foreign Casualty Event, the Specified Sale-Leaseback Net Proceeds of any Foreign Sale-Leaseback or Excess Cash Flow would have an adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow, the Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

(i) Interest, Funding Losses, etc. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a SOFR Loan or CORRA Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such SOFR Loan or CORRA Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of SOFR Loans or CORRA Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such SOFR Loan or CORRA Loan prior to the last day of the Interest Period therefor, the Borrower may, in its discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the

outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement

SECTION 2.06 Termination or Reduction of Commitments.

(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided that*

(a) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction,

(b) any such partial reduction shall be in an aggregate amount of \$5.0 million or any whole multiple of \$1.0 million in excess thereof or, if less, the entire amount thereof,

(c) the Borrower shall not terminate or reduce the 2024 Initial Revolving Facility if, after giving effect thereto and to any concurrent prepayments hereunder, the Total 2024 Initial Revolving Outstandings would exceed the 2024 Initial Revolving Facility; and

(d) if, after giving effect to any reduction of the Commitments, the L/C Sublimit or Swing Line Sublimit exceeds the amount of the Revolving Facility, such sublimit shall be automatically reduced by the amount of such excess.

Except as provided above, the amount of any such Revolving Commitment reduction shall not be applied to the L/C Sublimit or Swing Line Sublimit unless otherwise specified by the Borrower. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of any Commitments if such termination would have resulted from a refinancing of all of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(2) Mandatory. Each of (i) the Closing Date Term Commitment of each Term Lender on the Closing Date, (ii) the 2021 Refinancing Term Loan Commitment of each 2021 Refinancing Term Lender on the Amendment No. 8 Effective Date ~~and~~, (iii) the New 2023 Refinancing Term Loan Commitment of each New 2023 Refinancing Term Lender on the Amendment No. 11 Effective Date and (iv) the 2024 New Term Loan Commitment of each 2024 New Term Lender on the Amendment No. 14 Effective Date, shall be automatically and permanently reduced to \$0 upon the making of such Lender's Closing Date Term Loans, 2021 Refinancing Term Loans ~~or~~, New 2023 Refinancing Term Loans or 2024 New Term Loans, respectively, to the Borrower pursuant to Section 2.01(1). The Revolving Commitment of each Revolving Lender shall automatically and permanently terminate on the Maturity Date for the applicable Class of the Revolving Facility.

(3) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the L/C Sublimit, Swing Line Sublimit or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). Any commitment fees accrued until the effective date of any termination of the Revolving Commitments shall be paid on the effective date of such termination.

SECTION 2.07 Repayment of Loans.

(1) Term Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders as follows:

(a) on the last Business Day of each March, June, September and December (commencing with the first full fiscal quarter ending after the Amendment No. 14 Effective Date), an aggregate principal amount equal to ~~\$2,125,000~~ 0.25% of the aggregate principal amount of the New 2024 Term Loans outstanding on the Amendment No. 14 Effective Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05; ~~including such prepayments made prior to the Amendment No. 11 Effective Date~~); and

(b) on the Maturity Date for the Term Loans, the aggregate principal amount of all Term Loans outstanding on such date. In connection with any Incremental Term Loans that constitute part of the same Class as the 2021 Refinancing Term Loans, the Borrower and the Administrative Agent shall be permitted to adjust the rate of prepayment in respect of such Class such that the Term Lenders holding 2021 Refinancing Term Loans comprising part of such Class continue to receive a payment that is not less than the same dollar amount that such Term Lenders would have received absent the incurrence of such Incremental Term Loans. In connection with any Incremental Term Loans that constitute part of the same Class as the New 2023 Refinancing Term Loans, the Borrower and the Administrative Agent shall be permitted to adjust the rate of prepayment in respect of such Class such that the Term Lenders holding New 2023 Refinancing Term Loans comprising part of such Class continue to receive a payment that is not less than the same dollar amount that such Term Lenders would have received absent the incurrence of such Incremental Term Loans. In connection with any Incremental Term Loans that constitute part of the same Class as the 2024 New Term Loans, the Borrower and the Administrative Agent shall be permitted to adjust the rate of prepayment in respect of such Class such that the Term Lenders holding 2024 New Term Loans comprising part of such Class continue to receive a payment that is not less than the same dollar amount that such Term Lenders would have received absent the incurrence of such Incremental Term Loans.

(2) Revolving Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the applicable Class of the Revolving Facility the aggregate principal amount of all Revolving Loans under such Class of the Revolving Facility outstanding on such date.

(3) Swing Line Loans. The Borrower shall repay the aggregate principal amount of each Swing Line Loan on the earlier to occur of (a) the date selected by Swing Line Lender and (b) the Maturity Date for the applicable Revolving Facility.

SECTION 2.08 Interest.

(1) Subject to the provisions of Section 2.08(2), (a) each SOFR Loan and CORRA Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to Adjusted Term SOFR or Adjusted Term CORRA for such Interest Period, respectively, *plus* the Applicable Rate, (b) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate, *plus* the Applicable Rate and (c) each Swing Line Loan shall bear interest as provided in Section 2.04(1).

(2) During the continuance of a Default under Section 8.01(1), the Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

SECTION 2.09 Fees.

(1) Commitment Fee. The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender under each Class of the Revolving Facility in accordance with its Pro Rata Share or other applicable share provided for under this Agreement, a commitment fee equal to the applicable Commitment Fee Rate with respect to such Class of the Revolving Facility times the actual daily amount by which the aggregate Revolving Commitment for the applicable Class of the Revolving Facility exceeds the sum of (a) the Outstanding Amount of Revolving Loans (for the avoidance of doubt, excluding any Swing Line Loans) for such Class of the Revolving Facility and (b) the Outstanding Amount of L/C Obligations for such Revolving Facility; *provided* that any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender under such Class of the Revolving Facility during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and *provided further* that no commitment fee shall accrue on any of the Commitments under any Class of the Revolving Facility of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee on each Class of the Revolving Facility shall accrue at all times from the Closing Date until the Maturity Date for the applicable Class of the Revolving Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each of March, June, September and December, commencing with the last Business Day of September, 2015, and on the Maturity Date for such Class of the Revolving Facility. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Commitment Fee Rate during any quarter, the actual daily amount shall be computed and multiplied by the Commitment Fee Rate separately for each period during such quarter that such Commitment Fee Rate was in effect.

(2) Other Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.11 Evidence of Indebtedness.

(1) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) In addition to the accounts and records referred to in Section 2.11(1), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(1) and (2), and by each Lender in its account or accounts pursuant to Sections 2.11(1) and (2), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

SECTION 2.12 Payments Generally.

(1) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, shall be deemed to have been made on the next succeeding Business Day (but the Administrative Agent may extend such deadline for purposes of computing interest and fees (but not beyond the end of such day) in its sole discretion whether or not such payments are in process).

(2) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date, or in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender or an Issuing Bank hereunder or, in the case of the Lenders, for the account of any Issuing Bank, Swing Line Lender or the Borrower hereunder), that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(a) if the Borrower failed to make such payment, each Lender or Issuing Bank shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender or Issuing Bank in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the

Borrower to the date such amount is recovered by the Administrative Agent (the “**Compensation Period**”) at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender’s Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Section 4.02 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or fund any participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender’s Pro Rata Share or other applicable share provided for under this Agreement of the sum of (i) the Outstanding Amount of all Loans outstanding at such time and (ii) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

SECTION 2.13 Sharing of Payments. Other than as expressly provided elsewhere herein (including with respect to any discounted prepayment of Term Loans pursuant to Section 2.05(2)(e) or 2.05(2)(g)), if any Lender of any Class shall obtain payment in respect of any principal of or interest on account of the Loans of such Class made by it or the participations in L/C Obligations and Swing Line Loans held by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact, and (2) purchase from the other Lenders such participations in the Loans of such Class made by them or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans of such Class or such participations, as the case may be, pro rata with each of them; *provided*

that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (a) the amount of such paying Lender's required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 2.14 Incremental Facilities.

(1) **Incremental Loan Request.** The Borrower may at any time and from time to time, on one or more occasions, after the Closing Date, by notice to the Administrative Agent (a) increase the aggregate principal amount of any outstanding Class of Term Loans (a "**Term Loan Increase**") or add one or more additional Classes of term loans under the Loan Documents (each an "**Incremental Term Facility**" and the term loans made thereunder, the "**Incremental Term Loans**") or (b) increase the aggregate principal amount of the Revolving Commitments (a "**Revolving Commitment Increase**") or establish one or more new revolving credit commitments (each an "**Incremental Revolving Facility**" and the revolving loans and other extensions of credit made thereunder, the "**Incremental Revolving Loans**") (each such increase to any existing Class of Loans or creation of a new Class of Loans pursuant to the preceding clauses (a) and (b), an "**Incremental Facility**" and the loans or other extensions of credit made thereunder, the "**Incremental Loans**").

(2) **Ranking.** Incremental Facilities will (a) rank *pari passu* in right of payment with the Closing Date Term Loans and the Closing Date Revolving Facility (subject to Section 8.03) and (b) will either be secured by Liens that rank on a *pari passu* or junior basis with or to the Liens securing the Obligations or be unsecured; *provided* that any Liens that rank on a junior basis to the Liens securing the Obligations will be subject to a Junior Lien Intercreditor Agreement.

(3) **Size.** The aggregate principal amount of Incremental Facilities on any date Indebtedness thereunder is first incurred, together with the aggregate principal amount of Permitted Incremental Equivalent Debt incurred at or prior to such time, will not exceed an amount equal to the Permitted Incremental Amount. Calculation of the Ratio Amount, if used, shall be evidenced by a certificate from a Responsible Officer of the Borrower demonstrating such calculation in reasonable detail. Unless the Borrower elects otherwise, each Incremental Facility shall be deemed incurred first under the Ratio Amount to the extent permitted, with the balance incurred under the Fixed Incremental Amount. Each Incremental Facility will be in an integral multiple Dollar Amount of \$1.0 million and in an aggregate principal Dollar Amount that is not less than \$10.0 million (or such lesser minimum amount approved by the Administrative Agent in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the limit set forth above.

(4) Incremental Lenders. Incremental Facilities may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to make all or any portion of any Incremental Loan, nor will the Borrower have any obligation to approach any existing Lender(s) to provide any Incremental Loan) or by any Additional Lender on terms permitted by this Section 2.14; *provided* that the Administrative Agent, the Swing Line Lender and each Issuing Bank shall have consented (in each case, such consent not to be unreasonably withheld, conditioned or delayed) to any such Person's providing Incremental Revolving Facilities if such consent would be required under Section 10.07(b)(iii) for an assignment of such Loans or Revolving Commitments, as applicable, to such Person. While existing Lenders may (but are not obligated, unless invited and so elect, to) participate in any syndication of an Incremental Facility and may (but are not obligated, unless invited and so elect, to) become lenders with respect thereto, the existing Lenders will not have any right to participate in any syndication, and will not have any right of first refusal or other right to provide all or any portion, of any Incremental Facility or Incremental Loan except to the extent the Borrower and the arrangers thereof, if any, in their discretion, choose to invite or include any such existing Lender (which may or may not apply to all existing Lenders and may or may not be pro rata among existing Lenders). Final allocations in respect of Incremental Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.14. For the avoidance of doubt, no Affiliated Lender may provide any Incremental Revolving Loans, and any Affiliated Lender that provides any Incremental Term Loans shall be subject to the limitations on Affiliated Lenders set forth in Section 10.07(h) (including the Affiliated Lender Cap).

(5) Incremental Facility Amendments; Use of Proceeds. Each Incremental Facility will become effective pursuant to an amendment (each, an "**Incremental Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Person providing such Incremental Facility and the Administrative Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14. An Incremental Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Incremental Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Incremental Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the existing Term Loan Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental Facility and the Incremental Term Loans evidenced thereby. The Borrower may use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(6) Conditions. The availability of Incremental Facilities under this Agreement will be subject solely to the following conditions (subject to Section 1.07(8)):

(a) no Event of Default shall exist after giving effect to such Incremental Facilities; *provided* that the condition set forth in this clause (a) may be waived (or not required) (other than with respect to Events of Default under Section 8.01(1) or, with respect to the Borrower only, Section 8.01 (6)) by the Persons providing such Incremental Facilities if the proceeds of the initial Borrowings under such Incremental Facilities will be used to finance, in whole or in part, an Investment or other acquisition or investment permitted hereunder; and

(b) the representations and warranties in the Loan Documents will be true and correct in all material respects (except for representations and warranties that are already qualified by materiality, which representations and warranties will be true and correct in all respects) immediately prior to, and immediately after giving effect to, the incurrence of such Incremental Facilities and the initial Borrowings thereunder; *provided* that, if the proceeds of the initial Borrowings under such Incremental

Facilities will be used to finance, in whole or in part, an Investment or other acquisition or investment permitted hereunder, the condition set forth in this clause (b) may be waived (or not required) by the Persons providing more than 50% of such Incremental Facilities (other than with respect to (i) the Specified Representations (conformed as reasonably necessary for such Investment, acquisition or investment) and (ii) the Specified Acquisition Agreement Representations as applied to the target of such Investment, acquisition or investment (conformed as reasonably necessary for such Investment, acquisition or investment) and only to the extent that the failure of such Specified Acquisition Agreement Representations would result in a failure of a condition precedent to the obligation of the Borrower or any Restricted Subsidiary to consummate such Investment, acquisition or investment).

(7) Terms. Each Incremental Amendment will set forth the amount and terms of the relevant Incremental Facility. The terms of each Incremental Facility will be as agreed between the Borrower and the Persons providing such Incremental Loans; *provided that*:

(a) the final maturity date of such Incremental Term Loans will be no earlier than the Latest Maturity Date of the Closing Date Term Loans; *provided that* this clause (a) shall not apply to the incurrence of any such Indebtedness pursuant to the Inside Maturity Exception;

(b) the Weighted Average Life to Maturity of such Incremental Term Loans will be no shorter than the longest remaining Weighted Average Life to Maturity of the Closing Date Term Loans; *provided that* this clause (b) shall not apply to the incurrence of any such Indebtedness pursuant to the Inside Maturity Exception;

(c) such Incremental Term Loans may participate on *apro rata* basis or a less than *pro rata* basis (but not greater than *apro rata* basis) in any mandatory repayments or prepayments of the Term Loans (in each case, other than pursuant to a refinancing or with respect to greater than *pro rata* payments to an earlier maturing tranche) and may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata basis* in any voluntary prepayments of the Term Loans; *provided that* this clause (c) shall not apply to the incurrence of any such Indebtedness pursuant to the Inside Maturity Exception; and

(d) except as otherwise set forth herein, all other terms of any (i) Term Loan Increase or a Revolving Commitment Increase will be on terms and pursuant to documentation applicable to the Class of Term Loans or Revolving Commitments, as applicable, being increased by such Term Loan Increase or Revolving Commitment Increase, as applicable, and (ii) Incremental Facility shall be on terms and pursuant to documentation to be determined by the Borrower and the providers of such Incremental Facility, *provided that*, in each case, the operational and agency provisions contained in such documentation shall be reasonably satisfactory to the Administrative Agent

(8) Pricing. The interest rate, fees, and original issue discount for any Incremental Facilities will be as determined by the Borrower and the Persons providing such Incremental Facilities; *provided that*, prior to the one year anniversary of the Amendment No. 14 Effective Date, if and as long as any 2024 New ~~2023 Refinancing~~ Term Loans remain outstanding, in the event that the All-In Yield applicable to any Incremental Term Loans (other than an Excluded Incremental Facility) exceeds the All-In Yield of any 2024 New ~~2023 Refinancing~~ Term Loans by more than 50 basis points, then the interest rate margins for such 2024 New ~~2023 Refinancing~~ Term Loans shall be increased to the extent necessary so that the All-In Yield of such 2024 New ~~2023 Refinancing~~ Term Loans is equal to the All-In Yield of such Incremental Term Loans *minus* 50 basis points; *provided further that* any increase in All-In Yield of the 2024 New ~~2023 Refinancing~~ Term Loans due to the increase in a Term SOFR or Base Rate floor on any Incremental Term Loan shall be effected solely through an increase in any Term SOFR or Base Rate floor applicable to such New ~~2023 Refinancing~~ Term Loans.

(9) Reallocation of Revolving Exposure. Upon each Revolving Commitment Increase pursuant to this Section 2.14,

(a) each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each lender providing a portion of such increase (each an “**Incremental Revolving Lender**”), and each such Incremental Revolving Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender’s participations hereunder in outstanding Letters of Credit and Swing Line Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit and Swing Line Loans held by each Revolving Lender will equal the percentage of the aggregate Revolving Commitments of all Lenders represented by such Revolving Lender’s Revolving Commitments; and

(b) if, on the date of such increase, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Incremental Revolving Facility be prepaid from the proceeds of Incremental Revolving Loans made hereunder (reflecting such increase in Revolving Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Revolving Lender in accordance with Section 3.05.

(10) The Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

SECTION 2.15 Refinancing Amendments.

(1) Refinancing Loans. At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans or Revolving Loans then outstanding under this Agreement, in the form of Refinancing Loans or Refinancing Commitments in each case pursuant to a Refinancing Amendment.

(2) Refinancing Amendments. The effectiveness of any Refinancing Amendment will be subject only to the satisfaction on the date thereof of such conditions precedent as may be requested by the providers of the applicable Refinancing Loans. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Refinancing Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15 and to reflect the existence and terms of the Refinancing Loans incurred pursuant thereto (including any amendments necessary to treat the Term Loans or Revolving Loans subject thereto as Refinancing Term Loans or Refinancing Revolving Loans, respectively). A Refinancing Amendment may (a) extend or add “call protection” to any existing Class of Term Loans, including amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Refinancing Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Refinancing Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the applicable existing Term Loan Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Refinancing Loans.

(3) Required Consents. Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent, the Borrower and the Persons providing the applicable Refinancing Loans, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15. This Section 2.15 supersedes any provision in this Agreement to the contrary (including Section 10.01).

(4) Providers of Refinancing Loans. Refinancing Loans may be provided by any existing Lender (it being understood that no exiting Lender shall have an obligation to make all or any portion of any Refinancing Loan) or by any Additional Lender on terms permitted by this Section 2.15; *provided* that the Administrative Agent, the Swing Line Lender and each Issuing Bank shall have consented (in each case, such consent not to be unreasonably withheld, conditioned or delayed) to any such Person's providing Refinancing Loans or Refinancing Commitments if such consent would be required under Section 10.07(b)(iii) for an assignment of Loans or Commitments to such Person. For the avoidance of doubt, any Affiliated Lender that provides any Refinancing Term Loans will be subject to the limitations on Affiliated Lenders set forth in Section 10.07(h) (including the Affiliated Lender Cap).

SECTION 2.16 Extensions of Loans.

(1) Extension Offers(a) . Pursuant to one or more offers (each, an "**Extension Offer**") made from time to time by the Borrower to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans or Commitments pursuant to the terms set forth in an Extension Offer (each, an "**Extension**," and each group of Loans or Commitments so extended, as well as any Loans of the same Class not so extended, each being a "**tranche**" for purposes of this Section 2.16). Each Extension Offer will specify the minimum amount of Loans or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of \$1.0 million and an aggregate principal amount that is not less than \$10.0 million, or if less, (a) the aggregate principal amount of such Loans outstanding or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans or Commitments offered to be extended pursuant to such Extension Offer, then the Loans or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any "most favored nation" pricing provisions. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans or Commitments of any or all applicable tranches be tendered.

(2) Extension Amendments(b) . The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (each, an "**Extension Amendment**") as may be necessary or appropriate in order to effect the provisions of this Section 2.16, establish new tranches in respect of Extended Loans and Extended Commitments and such amendments as permitted by clause (5) below as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such Extended Loans and Extended Commitments. An Extension Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Extension Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Extended Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the existing Term Loan Lenders (as determined in good faith by the Borrower). This Section 2.16 supersedes any provision(s) in Section 2.13 or 10.01 to the contrary. Except as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an Extension Amendment. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(3) Terms of Extension Offers and Extension Amendments. The terms of any Extended Loans and Extended Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided* that:

- (a) the final maturity date of such Extended Loans and Extended Commitments will be no earlier than the Latest Maturity Date applicable to the Loans or Commitments subject to such Extension Offer;
- (b) the Weighted Average Life to Maturity of any Extended Loans that are Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;
- (c) any Extended Loans that are Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments of the Term Loans (in each case, other than pursuant to a refinancing or with respect to greater than pro rata payments to an earlier maturing tranche) and may participate on a pro rata basis, less than pro rata basis or greater than pro rata basis in any voluntary prepayments of the Term Loans;
- (d) such Extended Loans and Extended Commitments are not secured by any assets or property that does not constitute Collateral; and
- (e) such Extended Loans and Extended Commitments are not guaranteed by any Subsidiary of the Borrower other than a Subsidiary Loan Party.

Any Extended Loans will constitute a separate tranche of Term Loans or Revolving Loans from the Term Loans or Revolving Loans held by Lenders that did not accept the applicable Extension Offer.

(4) Extension of Revolving Commitments. In the case of any Extension of Revolving Commitments or Revolving Loans, the following shall apply:

- (a) all borrowings and all prepayments of Revolving Loans shall continue to be made on a ratable basis among all Revolving Lenders, based on the relative amounts of their Revolving Commitments, until the repayment of the Revolving Loans attributable to the non-extended Revolving Commitments on the relevant Maturity Date;
- (b) the allocation of the participation exposure with respect to any then-existing or subsequently issued Letter of Credit as between the Revolving Commitments of such new tranche and the remaining Revolving Commitments shall be made on a ratable basis in accordance with the relative amounts thereof until the Maturity Date relating to such non-extended Revolving Commitments has occurred;
- (c) [reserved];
- (d) the Maturity Date with respect to the Revolving Commitments may not be extended without the prior written consent of the Swing Line Lender and the Issuing Banks; and
- (e) at no time shall there be more than five (5) different tranches of Revolving Commitments (or greater than five (5) tranches to the extent agreed by the Administrative Agent).

If the aggregate Outstanding Amount of Revolving Loans, Swing Line Loans and L/C Obligations exceeds the Revolving Commitment as a result of the occurrence of the Maturity Date with respect to any tranche of Revolving Commitments while an extended tranche of Revolving Commitments remains outstanding, the Borrower shall make such payments as are necessary in order to eliminate such excess on such Maturity Date.

(5) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or condition), the Borrower and the applicable Extending Lender. The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any

Extended Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

SECTION 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove of any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the relevant Swing Line Lender or Issuing Banks hereunder; third, if so determined by the Administrative Agent or requested by the relevant Swing Line Lender or Issuing Banks, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit; fourth, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders, the relevant Swing Line Lender or Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the relevant Swing Line Lender or Issuing Banks against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided that* if (i) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(1)(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(c) Certain Fees. That Defaulting Lender (i) shall not be entitled to receive any commitment fee pursuant to Section 2.09(1) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (ii) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(9)

(d) Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of

each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Section 2.03, the “Pro Rata Share” of each Non-Defaulting Lender’s Revolving Loans and L/C Obligations shall be computed without giving effect to the Commitment of that Defaulting Lender; *provided* that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default has occurred and is continuing; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans shall not exceed the positive difference, if any, of (1) the Commitment of that Non-Defaulting Lender *minus* (2) the aggregate Outstanding Amount of the Revolving Loans of that Non-Defaulting Lender. If the reallocation described above in this clause (d) cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under any law, (x) first, prepay Swing Line Loans in an amount equal to the Swing Line Lender’s Fronting Exposure and (y) second, Cash Collateralize the applicable Issuing Banks’ Fronting Exposure in accordance with the procedures set forth in Section 2.03(7).

(2) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swing Line Lender and the relevant Issuing Banks agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Loans of the applicable Facility and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share of the applicable Facility (without giving effect to Section 2.17(1)(d)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further* that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender’s having been a Defaulting Lender. So long as any Lender is a Defaulting Lender, (i) the Swing Line Lender shall not be required to fund any Swing Line Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swing Line Loan and (ii) no Issuing Bank shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

SECTION 2.18 Loan Repricing Protection. In the event that on or prior to the six-month anniversary of the Amendment No. ~~44~~14 Effective Date, the Borrower (a) makes any prepayment of Closing Date Term Loans in connection with any Repricing Transaction or (b) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable Lender, (i) in the case of clause (a), a prepayment premium of 1.00% of the aggregate principal amount of the Closing Date Term Loans being prepaid and (ii) in the case of clause (b), a payment equal to 1.00% of the aggregate principal amount of the applicable Closing Date Term Loans outstanding immediately prior to such amendment that is subject to such Repricing Transaction.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

SECTION 3.01 Taxes.

(1) Except as required by applicable Law, any and all payments by any Loan Party to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction for any Taxes.

(2) If any Loan Party or any other applicable withholding agent is required by applicable Law to make any deduction or withholding on account of any Taxes from any sum paid or payable by any Loan Party to any Lender or Agent under any of the Loan Documents:

(a) the applicable Loan Party shall notify the Administrative Agent of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it;

(b) the applicable Loan Party or other applicable withholding agent shall be entitled to make such deduction or withholding and shall pay any amounts deducted or withheld to the relevant Governmental Authority any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

(c) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), the Lender or the Agent (as applicable) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

(d) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (b) above to pay, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. The Administrative Agent and each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under any Loan Document. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its inability to do so.

Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H (any such certificate, a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, Form W-8BEN or W-8BEN-E, as applicable, United States Tax Compliance Certificate, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (*provided* that if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such beneficial owner), or

(v) two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, the term “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this clause (c), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth below) shall not be required if in the Lender’s reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(4) In addition to the payments by a Loan Party required by Section 3.01(2), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or Agent (each a “**Tax Indemnitee**”), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnitee on or attributable to any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnitee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability

prepared in good faith and delivered by the Tax Indemnitor or by the Administrative Agent on its own behalf or on behalf of another Tax Indemnitor, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnitor, in its sole discretion (exercised in good faith), determines that it has received a refund of any Non-Excluded Taxes or Other Taxes in respect of which it has received additional payments under this Section 3.01, then such Tax Indemnitor shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnitor (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Loan Party, upon the request of the Tax Indemnitor, agrees to repay the amount paid over by the Tax Indemnitor (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnitor to the extent the Tax Indemnitor is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (6), in no event will the Tax Indemnitor be required to pay any amount to a Loan Party pursuant to this paragraph (6) the payment of which would place the Tax Indemnitor in a less favorable net after-Tax position than the Tax Indemnitor would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnitor to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

SECTION 3.02 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to Term SOFR or Term CORRA, or to determine or charge interest rates based upon Term SOFR or Term CORRA, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue SOFR Loans or CORRA Loans or to convert Base Rate Loans to SOFR Loans shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Adjusted Term SOFR component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be reasonably determined by the Administrative Agent without reference to the Adjusted Term SOFR component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (a) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of SOFR Loans or CORRA Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, (i) with respect to Loans denominated in Dollars, convert all SOFR Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Term SOFR component of the Base Rate) or (ii) with respect to Loans denominated in an Alternative Currency, the interest rate with respect to such Loans shall be determined by an alternative rate determined by the Administrative Agent in consultation with the Borrower, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such SOFR Loans or CORRA Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such SOFR Loans or CORRA Loans and (b) if such notice asserts the illegality of such Lender determining or charging interest rates based upon Adjusted Term SOFR component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Adjusted Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Term SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 3.03 Effect of Benchmark Transition Event(8) .

(1) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any Loan Document, upon the occurrence of a Benchmark Transition Event, the Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Borrower may revoke any request for a borrowing of, conversion to or continuation of Loans to be made, converted or continued that would bear interest by reference to such Benchmark until the Borrower's receipt of notice from the Administrative Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans. During the period referenced in the foregoing sentence, the component of Base Rate based upon the Benchmark will not be used in any determination of Base Rate.

(2) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(3) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement and (iii) the effectiveness of any Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (4) below. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.03, including any determination with respect to a tenor, rate or adjustment or of the occurrence or nonoccurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.03.

(4) Tenor. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR and Term CORRA) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy.

(1) Increased Costs Generally. If any Change in Law shall:

- (a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;
- (b) subject any Lender to any tax of any kind whatsoever with respect to this Agreement or any SOFR Loan or CORRA Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes covered by Section 3.01 and any Excluded Taxes); or
- (c) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or SOFR Loans or CORRA Loans made by such Lender that is not otherwise accounted for in the definition of “Adjusted Term SOFR”, “Adjusted Term CORRA” or this clause (c);

and the result of any of the foregoing shall be to increase the cost to such Lender of making, maintaining, continuing or converting to any Loan the interest on which is determined by reference to Term SOFR or Term CORRA (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(1) so long as it is such Lender’s general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender’s holding company, if any, regarding capital requirements or liquidity requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender’s holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender’s general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

SECTION 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

- (1) any continuation, conversion, payment or prepayment of any SOFR Loan or CORRA Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(2) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any SOFR Loan or CORRA Loan on the date or in the amount notified by the Borrower; or

(3) any assignment of a SOFR Loan or CORRA Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such SOFR Loan or CORRA Loan or from fees payable to terminate the deposits from which such funds were obtained.

Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 with respect to the Term SOFR floor.

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (b) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue SOFR Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into SOFR Loans until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(3) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(3) Conversion of SOFR Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's SOFR Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when SOFR Rate Loans made by other Lenders, as applicable, are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding SOFR Loans to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding SOFR Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

(4) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04 or ceases to make SOFR Loans or CORRA Loans as a result of any

condition described in Section 3.02 or Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (3) any Lender is a Non-Consenting Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent:

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05 and, in the case of a Repricing Transaction, any “prepayment premium” pursuant to Section 2.18 that would otherwise be owed in connection therewith) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender’s Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) such assignment does not conflict with applicable Laws;

(vii) any Lender that acts as an Issuing Bank may not be replaced hereunder at any time when it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such Issuing Bank or the depositing of Cash Collateral into a Cash Collateral Account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such outstanding Letter of Credit; and

(viii) the Lender that acts as Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.11, or

(b) terminate the Commitment of such Lender or Issuing Bank, as the case may be, and (A) in the case of a Lender (other than an Issuing Bank), repay all Obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date (including in the case of a Repricing Transaction, any “prepayment premium” pursuant to Section 2.18 that would otherwise be owed in connection therewith) and (B) in the case of an Issuing Bank, repay all Obligations of the Borrower owing to such Issuing Bank relating to the Loans and participations held by such Issuing Bank as of such termination date and Cash Collateralize, cancel or backstop, or provide for the deemed reissuance under another facility, on terms satisfactory to such Issuing Bank any Letters of Credit issued by it; *provided* that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable consent, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (3) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders, Required Revolving Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “**Non-Consenting Lender.**”

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 3.08 Inability to Determine Rates. If the Required Lenders reasonably determine that for any reason in connection with any request for a SOFR Loan or CORRA Loan or a conversion to or continuation thereof, provided that no Benchmark Transition Event shall have occurred at such time, that:

- (1) Dollar deposits are not being offered to banks in the applicable interbank market for the applicable amount and Interest Period of such SOFR Loan,
- (2) adequate and reasonable means do not exist for determining Term SOFR or Term CORRA for any requested Interest Period with respect to a proposed SOFR Loan or in connection with an existing or proposed Base Rate Loan, or
- (3) Term SOFR or Term CORRA for any requested Interest Period with respect to a proposed SOFR Loan or CORRA Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan,

the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (i) the obligation of the Lenders to make or maintain SOFR Loans or CORRA Loans, as the case may be, shall be suspended, and (ii) in the event of a determination described in the preceding sentence with respect to the Adjusted Term SOFR component of the Base Rate, the utilization of the Adjusted Term SOFR Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of SOFR Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein (or, in the case of a pending request with respect to a Loan denominated in an Alternative Currency, the Borrower and the Lenders may establish a mutually acceptable alternative rate)

SECTION 3.09 Survival. All of the Borrower’s obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent.

ARTICLE IV

Conditions Precedent to Credit Extensions

SECTION 4.01 Conditions to Credit Extensions on Closing Date The obligation of each Lender to make a Credit Extension hereunder on the Closing Date is subject to satisfaction (or waiver) of the following conditions precedent, except as otherwise agreed between the Borrower and the Administrative Agent:

(1) The Administrative Agent's receipt of the following, each of which shall be originals, facsimiles or copies in .pdf format (followed promptly by originals) unless otherwise specified, each properly executed by a Responsible Officer of the signing Loan Party:

(ii) evidence that all UCC-1 financing statements in the jurisdiction of organization of each Loan Party that the Administrative Agent and the Collateral Agent may deem reasonably necessary to satisfy the Collateral and Guarantee Requirement shall have been provided for, and arrangements for the filing thereof in a manner reasonably satisfactory to the Administrative Agent shall have been made;

(d) certificates of good standing from the secretary of state of the state of organization of each Loan Party (to the extent such concept exists in such jurisdiction), customary certificates of resolutions or other action, incumbency certificates or other certificates of Responsible Officers of each Loan Party evidencing the identity, authority and capacity of each Responsible Officer thereof authorized to act as a Responsible Officer in connection with this Agreement and the other Loan Documents to which such Loan Party is a party or is to be a party on the Closing Date;

(e) a customary legal opinion from (i) Latham & Watkins LLP, special counsel to the Loan Parties, and (ii) Faegre Baker Daniels LLP, special Minnesota counsel to the Loan Parties;

(f) a solvency certificate from a Financial Officer of the Initial Borrower (after giving effect to the Transactions) substantially in the form attached hereto as Exhibit I; and

(g) copies of a recent Lien search in each jurisdiction reasonably requested by the Administrative Agent with respect to the Loan Parties to the extent requested by the Administrative Agent no less than thirty (30) days prior to the Closing Date;

provided, however, that each of the requirements set forth in clause (1)(c) above, including the delivery of any document(s) or instrument(s) necessary to satisfy the Collateral and Guarantee Requirement (except for the execution and delivery of the Security Agreement and to the extent that a Lien on Collateral may be perfected by (x) the filing of a financing statement under the UCC or (y) the delivery of the stock certificate of the Initial Borrower) will not constitute conditions precedent to the Borrowing on the Closing Date after the Initial Borrower's use of commercially reasonable efforts to provide such items on or prior to the Closing Date if the Initial Borrower agrees to deliver, or cause to be delivered, such documents and instruments, or take or cause to be taken such other actions

as may be required to perfect such security interests within ninety (90) days after the Closing Date (subject to extensions approved by the Administrative Agent in its reasonable discretion) or, in the case of stock certificates of Life Time and its Subsidiaries constituting Pledged Collateral, no later than 5:00 p.m., New York time, on the Closing Date;

provided further that with respect to the requirements set forth in clauses (1)(b), (1)(c) or (1)(d) above, each Loan Document (or certificate or other document) required to be executed and delivered on the Closing Date by any Loan Party other than Holdings or Initial Borrower will not constitute conditions precedent to the initial of any Facility on the Closing Date; *provided* that each of Life Time and its Restricted Subsidiaries that are Loan Parties will execute and deliver any such document(s) substantially concurrently with the consummation of the Merger, but no later than 5:00 p.m. Minneapolis, Minnesota time on the Closing Date, and (ii) subject to the first proviso of this section 4.01(1), certificated securities issued by Life Time or its subsidiaries constituting Collateral and required to be delivered to the Administrative Agent under this Agreement, will be delivered promptly after consummation of the Merger, but in no event later than 5:00 p.m., New York City time, on the Closing Date.

(2) The Arrangers shall have received the Quarterly Financial Statements; *provided*, that the Arrangers hereby acknowledge that they have received the Quarterly Financial Statements for the fiscal quarter ended March 31, 2015 and that such Quarterly Financial Statements satisfy the condition in this clause (2).

(3) The Administrative Agent shall have received at least three (3) Business Days prior to the Closing Date all documentation and other information in respect of Holdings and the Borrower required under applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act, that has been requested in writing by it at least ten (10) Business Days prior to the Closing Date.

(4) The Arrangers shall have received a certification by a Responsible Officer of the Initial Borrower that the following conditions have been satisfied:

(a) The Specified Representations and the Specified Acquisition Agreement Representations shall be true and correct in all material respects on and as of the Closing Date; *provided* that to the extent such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided further* that the condition precedent in this clause (4)(a) with respect to Specified Acquisition Agreement Representations shall fail to be satisfied only to the extent a breach of such Specified Acquisition Agreement Representations results in a failure of a condition precedent to the obligation of Holdings or the Initial Borrower to consummate the Merger pursuant to the terms of the Transaction Agreement or provides Holdings or the Initial Borrower with the right to, pursuant to the Transaction Agreement, terminate its obligations under the Transaction Agreement or decline to consummate the Merger as a result of the breach of such Specified Acquisition Agreement Representations.

(b) Prior to or substantially concurrently with the initial Borrowing on the Closing Date, (i) the Equity Contribution (subject to any reduction pursuant to the second proviso of this Section 4.01(4)(b)) shall have been consummated; and (ii) the Merger shall have been consummated in accordance with the terms of the Transaction Agreement (which, since March 15, 2015 has not been amended or waived in any respect in a manner that is materially adverse to the Lenders on the Closing Date, in their capacities as such, without the consent of the Arrangers (such consent not to be unreasonably withheld, delayed or conditioned));

provided that each of the following will be deemed to be materially adverse to such Lenders:

- (i) any change to the definition of “Company Material Adverse Effect” contained in the Transaction Agreement,

(ii) any waiver of the condition precedent set forth in Section 7.03(a)(iii) of the Transaction Agreement (regarding the absence of any “Company Material Adverse Effect” (as defined in the Transaction Agreement)) and

(iii) any amendment to or waiver of the condition set forth in the proviso in Section 1.02 of the Transaction Agreement (requiring the completion of the Marketing Period prior to the Closing (each as defined in the Transaction Agreement), including any amendment to or waiver of any component definition thereof) of the Transaction Agreement;

provided further that any reduction in the amount of consideration required to consummate the Merger shall be deemed not to be materially adverse to such Lenders and so long as any reduction will be allocated (A) first, to a reduction in the Equity Contribution until the Equity Contribution equals the Minimum Equity Contribution (as defined in the Commitment Letter) and (B) thereafter (1) 70% to a reduction in the Closing Date Term Loans and Senior Notes (on a *pro rata* basis) and (2) 30% to the Equity Contribution.

(c) Except as disclosed in the Disclosure Schedules (as defined in the Transaction Agreement) (it being understood that each section of the Disclosure Schedules shall be deemed to incorporate by reference all information disclosed in any other section of the Disclosure Schedules to the extent its relevance is reasonably apparent on its face) dated as of March 15, 2015, (i) since January 1, 2015 through the date of the Transaction Agreement, no Company Material Adverse Effect (as defined in the Transaction Agreement as of March 15, 2015) shall have occurred and (ii) during the period from March 15, 2015 to the Closing Date, there has not occurred any fact, circumstance, effect, change, event or development that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect, in the case of each of clauses (i) and (ii) that would result in the failure of a condition precedent to the obligation of Holdings or the Initial Borrower to consummate the Merger under the Transaction Agreement.

(5) All fees and expenses required to be paid hereunder and invoiced at least two (2) Business Days before the Closing Date shall have been paid in full.

(6) Prior to or substantially concurrently with the initial Borrowing on the Closing Date, the Closing Date Refinancing shall have been consummated.

Without limiting the generality of the provisions of the last paragraph of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

SECTION 4.02 Conditions to Credit Extensions after Closing Date

Except as set forth in Section 2.14(6) with respect to Incremental Loans, Section 2.15(2) with respect to Refinancing Loans and 2.16(2) with respect to Extended Loans, and subject to Section 1.07(8), the obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of SOFR Loans or CORRA Loans) after the Closing Date, is subject to the following conditions precedent:

(1) The representations and warranties of the Borrower contained in Article V or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Extension; *provided* that to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided further* that, any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates.

(2) No Default shall exist, or would result from such proposed Credit Extension or from the application of the proceeds therefrom.

(3) The Administrative Agent, the relevant Issuing Bank or the Swing Line Lender (as applicable) shall have received a Request for Credit Extension in accordance with the requirements hereof.

(4) Each Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of SOFR Loans or CORRA Loans) submitted by the Borrower after the Closing Date shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(1) and 4.02(2) have been satisfied on and as of the date of the applicable Credit Extension.

In addition, solely to the extent the Borrower has delivered to the Administrative Agent a notice of intent to cure pursuant to Section 8.04, no request for Borrowing shall be honored after delivery of such notice until the applicable Cure Amount specified in such notice is actually received by the Borrower. For the avoidance of doubt, the preceding sentence shall have no effect on the continuation or conversion of any Loans outstanding.

ARTICLE V

Representations and Warranties

The Borrower represents and warrants to the Administrative Agent and the Lenders, after giving effect to the Merger, at the time of each Credit Extension (solely to the extent required to be true and correct for such Credit Extension pursuant to Article IV or Section 2.14, as applicable):

(5) has all requisite governmental licenses, authorizations, consents and approvals to operate its business as currently conducted;

(b) result in any breach or contravention of, or the creation of any Lien upon any of the property or assets of such Person or any of the Restricted Subsidiaries (other than as permitted by Section 7.01) under (i) any Contractual Obligation to which such Loan Party is a party or affecting such Loan Party or the properties of such Loan party or any of its Subsidiaries or (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Loan Party or its property is subject; or

(c) violate any applicable Law;

except with respect to any breach, contravention or violation (but not creation of Liens) referred to in the preceding clauses (b) and (c), to the extent that such breach, contravention or violation would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 5.03 Governmental Authorization No material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority is necessary or required in connection with the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document, except for:

(3) those approvals, consents, exemptions, authorizations or other actions, notices or filings, the failure of which to obtain or make would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

The expansion of Liens by virtue of accretion or amortization of original issue discount, the payment of dividends in the form of Indebtedness, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of this Section 7.01.

represented by such guarantee or letter of credit, as the case may be, was incurred in compliance with this Section 7.02.

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, in each case, will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 7.02. Any Indebtedness incurred to refinance Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to clauses (2), (3), (4), (12), (13), (14) and (23) of Section 7.02(b) will be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest and dividends and premiums (and with respect to Indebtedness under Designated Revolving Commitments, including an amount equal to any unutilized Designated Revolving Commitments being refinanced to the extent permanently terminated at the time of incurrence of such Refinancing Indebtedness and reasonable tender premiums), defeasance costs and fees and expenses incurred in connection with such refinancing.

For purposes of determining compliance with any Dollar denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the Dollar equivalent principal amount of Indebtedness or Disqualified Stock or Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness, Disqualified Stock or Preferred Stock is issued to Refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable Dollar denominated (or Equivalent Percentage, if greater) restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock (as applicable) being refinanced *plus* (ii) the aggregate amount of accrued but unpaid interest, fees, underwriting discounts, defeasance costs, premiums (including tender premiums) and other costs and expenses (including OID, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount of any Indebtedness, Disqualified Stock or Preferred Stock incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

For purposes of determining compliance with this Section 7.02, if any Indebtedness is refinanced in reliance on a Basket measured by reference to a percentage of Run-Rate Adjusted EBITDA, and such refinancing would cause the percentage of Run-Rate Adjusted EBITDA to be exceeded if calculated based on the Run-Rate Adjusted EBITDA on the date of such refinancing, such percentage of Run-Rate Adjusted EBITDA will not be deemed to be exceeded to the extent the principal amount of such obligations secured by such newly incurred Indebtedness does not exceed the sum of (i) the principal amount of such Indebtedness being refinanced, *plus* (ii) the related costs incurred or payable in connection with such refinancing.

(t) any encumbrance or restriction with respect to a Restricted Subsidiary that was previously an Unrestricted Subsidiary which encumbrance or restriction exists pursuant to or by reason of an agreement that such Subsidiary is a party to or entered into before the date on which such Subsidiary became a Restricted Subsidiary; *provided* that such agreement was not entered into in anticipation of an Unrestricted Subsidiary becoming a Restricted Subsidiary and any such encumbrance or restriction does not extend to any assets or property of the Borrower or any other Restricted Subsidiary other than the assets and property of such Restricted Subsidiary;

(u) any encumbrances or restrictions of the type referred to in clauses (1), (2) or (3) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (a) through (t) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Borrower, no more restrictive in any material respect with respect to such encumbrance and other restrictions, taken as a whole, than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing;

(v) existing under, by reason of or with respect to Refinancing Indebtedness; *provided* that the encumbrances and restrictions contained in the agreements governing that Refinancing Indebtedness are, in the good faith judgment of the Borrower, not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced; and

(w) applicable law or any applicable rule, regulation or order in any jurisdiction where Indebtedness, Disqualified Stock or Preferred Stock of Foreign Subsidiaries permitted to be incurred pursuant to Section 7.02 is incurred.

SECTION 7.09 Accounting Changes. The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, make any change in fiscal year; *provided, however*, that the Borrower may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the

Administrative Agent, in which case, the Borrower and the Administrative Agent will, and are hereby authorized by the Lenders to, make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

SECTION 7.10 Modification of Terms of Subordinated Indebtedness. The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, amend, modify or change in any manner materially adverse to the interests of the Lenders, as determined in good faith by the Borrower, any term or condition of any Subordinated Indebtedness having an aggregate outstanding principal amount greater than the Threshold Amount (other than as a result of any Refinancing Indebtedness in respect thereof) without the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed); *provided, however*, that no amendment, modification or change of any term or condition of any Subordinated Indebtedness permitted by any subordination provisions set forth in the applicable Subordinated Indebtedness or any other stand-alone subordination agreement in respect thereof and, in each case connected to the Administrative Agent shall be deemed to be materially adverse to the interests of the Lenders.

ARTICLE VIII

Events of Default and Remedies

SECTION 8.01 Events of Default. Each of the events referred to in clauses (1) through (11) of this Section 8.01 shall constitute an “**Event of Default**”:

- (1) Non-Payment. The Borrower fails to pay (a) when and as required to be paid herein, any amount of principal of any Loan or (b) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or
- (2) Specific Covenants. The Borrower, any other Loan Party or, in the case of Section 7.11, Holdings, fails to perform or observe any term, covenant or agreement contained in any of Section 6.03(1) or 6.05(1) (solely with respect to the Borrower, other than in a transaction permitted under Section 7.03 or 7.04) or Article VII (other than clauses (i) and (ii) of the last sentence of Section 7.12(1)(b)); *provided* that the Borrower’s failure to comply with any financial covenant set forth in Section 7.12(1) (a “**Financial Covenant Event of Default**”) shall not constitute an Event of Default with respect to any Term Loans or Term Commitments unless and until the date on which the Revolving Lenders have actually terminated the Revolving Commitments and declared all Obligations with respect to the Revolving Facility to be immediately due and payable pursuant to Section 8.02 (and such declaration has not been rescinded as of the applicable date) (a “**Financial Covenant Cross Default**”); *provided further* that any Financial Covenant Event of Default is subject to cure pursuant to Section 8.04; or
- (3) Other Defaults. Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Section 8.01(1) or (2) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after receipt by the Borrower of written notice thereof from the Administrative Agent; or
- (4) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by the Borrower or any Subsidiary Guarantor herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be untrue in any material respect when made or deemed made; or
- (5) Cross-Default. Any Loan Party or any Material Subsidiary (a) fails to make any payment beyond the applicable grace period, if any, whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise, in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate outstanding principal amount (individually or in the aggregate with all other Indebtedness as to which such a failure shall exist) of not less than the Threshold Amount, or (b) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs (other than, with respect to Indebtedness consisting of Hedging Obligations, termination events or equivalent events pursuant to the terms of such Hedging Obligations and not as a result of any default thereunder by the Borrower, or any Subsidiary Guarantor or any Material Subsidiary), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; *provided* that (A) such failure is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02 and (B) this clause (5)(b) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; or

(6) Insolvency Proceedings, etc. Holdings, the Borrower, any Loan Party or any Restricted Subsidiary that is a Significant Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(7) Judgments. There is entered against any Loan Party or any Material Subsidiary a final judgment and order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage thereof) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(8) ERISA. (a) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan, (ii) the Borrower or any Subsidiary Guarantor or any of their respective ERISA Affiliates fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, or (b) with respect to a Foreign Plan a termination, withdrawal or noncompliance with applicable Law or plan terms, except, with respect to each of the foregoing clauses of this Section 8.01(8), as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect; or

(9) Invalidity of Loan Documents. Any material provision of the Loan Documents, taken as a whole, at any time after its execution and delivery and for any reason, other than (a) as expressly permitted by a Loan Document (including as a result of a transaction permitted under Section 7.03 or 7.04), (b) as a result of acts or omissions by an Agent or any Lender or (c) due to the satisfaction in full of the Termination Conditions, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or any Loan Party denies in writing that it has any or further liability or obligation under the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or purports in writing to revoke or rescind the Loan Documents, taken as a whole, prior to the satisfaction of the Termination Conditions;

(10) Collateral Documents. Any Collateral Document with respect to a material portion of the Collateral after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) ceases to create, a valid and perfected Lien with the priority required by the Collateral Document (or other security purported to be created on the applicable Collateral) on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, except to the extent that any such loss of perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of Collateral actually delivered to it and pledged under the Collateral Documents or to file Uniform Commercial Code amendments relating to a Loan Party's change of name or jurisdiction of formation (solely to the extent that the Borrower provides the Collateral Agent written notice thereof in accordance with the Security Agreement, and the Collateral Agent and the Borrower have agreed that the Collateral Agent will be responsible for filing such amendments) and continuation statements or to take any other action primarily within its control with respect to the Collateral and except as to Collateral consisting

of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage; or

- (11) Change of Control. There occurs any Change of Control.

SECTION 8.02 Remedies upon Event of Default Except as provided in clause (a) below, if any Event of Default occurs and is continuing, the Administrative Agent may with the consent of the Required Lenders and shall, at the request of the Required Lenders, take any or all of the following actions:

- (1) declare the Commitments of each Lender and any obligation of the Issuing Banks to make L/C Credit Extensions and the Swing Line Lender to make Swing Line Loans to be terminated, whereupon such Commitments and obligation will be terminated;
- (2) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under any Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;
- (3) require that the Borrower Cash Collateralize the then outstanding Letters of Credit (in an amount equal to the then Outstanding Amount thereof); and
- (4) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under Title 11 of the United States Code entitled "Bankruptcy," as now or hereafter in effect, or any successor thereto (the "**Bankruptcy Code**"), the Commitments of each Lender and any obligation of the Issuing Banks to issue Letters of Credit and any obligation of the Swing Line Lender to make Swing Line Loans, will automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid will automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the Letters of Credit as aforesaid will automatically become effective, in each case without further act of the Administrative Agent or any Lender;

provided further that:

(a) (i) if a Financial Covenant Event of Default occurs and is continuing, the Required Revolving Lenders may either (x) terminate the Revolving Commitments or (y) take the actions specified in this Section 8.02 in respect of the Revolving Commitments, the Revolving Loans, the Swing Line Loans and Letters of Credit and (ii) the Required Lenders may take any of the actions specified in this Section 8.02 in respect of a Financial Covenant Event of Default that has occurred and is continuing upon the occurrence of a Financial Covenant Cross Default;

(b) notwithstanding anything to the contrary, if the only Event of Default then having occurred and continuing is the Financial Covenant Event of Default, then the Administrative Agent may not take any of the actions set forth in this Section 8.02 (i) unless the Required Revolving Lenders have taken action under the preceding clause (a)(i) or (ii) during the period commencing on the date that the Administrative Agent receives a Notice of Intent to Cure and ending on the Cure Expiration Date with respect thereto in accordance with and to the extent permitted by Section 8.04 and

(c) notwithstanding anything to the contrary herein, any notice of Default, Event of Default or acceleration provided to the Borrower by the Administrative Agent on behalf of, or at the request or direction of, one or more Lenders must be accompanied by a written Net Short Representation from each such Lender delivered to the Borrower (with a copy to the Administrative Agent); *provided* that (A) in the absence of any such written Net

Short Representation, each such Lender shall be deemed to have represented and warranted to the Borrower and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Borrower and the Administrative Agent shall be entitled to rely conclusively on each such representation and deemed representation) and (B) no Net Short Representation shall be required to be delivered during the pendency of a Default or Event of Default caused by a bankruptcy or similar insolvency proceeding.

SECTION 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the first proviso to Section 8.02), subject to any Intercreditor Agreement then in effect, any amounts received on account of the Obligations will be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings (including to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit), the Obligations under Secured Hedge Agreements and Cash Management Obligations, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(3), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above will be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount will be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, will be paid to the Borrower.

SECTION 8.04 Right to Cure.

(1) Notwithstanding anything to the contrary contained in Section 8.01 or Section 8.02, but subject to Sections 8.04(2) and (3), for the purpose of determining whether an Event of Default under the Financial Covenant has occurred, the Borrower may on one or more occasions designate any portion of the Net Proceeds from any Permitted Equity Issuance or of any contribution to the common capital of the Borrower (or from any other contribution to capital or sale or issuance of any other Equity Interests on terms reasonably satisfactory to the Administrative Agent) (the “**Cure Amount**”) as an increase to Run-Rate Adjusted EBITDA for the applicable fiscal quarter; *provided that*

(a) such amounts to be designated are actually received by the Borrower (i) on or after the last Business Day of the applicable fiscal quarter and (ii) on or prior to the tenth (10th) Business Day after the date on which financial statements are required to be delivered with respect to such applicable fiscal quarter (the **Cure Expiration Date**),

(b) such amounts to be designated do not exceed the maximum aggregate amount necessary to cure any Event of Default under the Financial Covenant as of such date and

(c) the Borrower will have provided notice to the Administrative Agent on the date such amounts are designated as a "Cure Amount" (it being understood that to the extent such notice is provided in advance of delivery of a Compliance Certificate for the applicable period, the amount of such Net Proceeds that is designated as the Cure Amount may be lower than specified in such notice to the extent that the amount necessary to cure any Event of Default under the Financial Covenant is less than the full amount of such originally designated amount).

The Cure Amount used to calculate Run-Rate Adjusted EBITDA for one fiscal quarter will be used and included when calculating Run-Rate Adjusted EBITDA for each Test Period that includes such fiscal quarter. The parties hereby acknowledge that this Section 8.04(1) may not be relied on for purposes of calculating any financial ratios other than as applicable to the Financial Covenant (and may not be included for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article VII) and may not result in any adjustment to any amounts (including the amount of Indebtedness) or increase in cash with respect to the fiscal quarter with respect to which such Cure Amount was made other than the amount of the Run-Rate Adjusted EBITDA referred to in the immediately preceding sentence, except to the extent such proceeds are actually applied to prepay Indebtedness under the Facilities. Notwithstanding anything to the contrary contained in Section 8.01 and Section 8.02, (A) upon designation of the Cure Amount by the Borrower, the Financial Covenant will be deemed satisfied and complied with as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply with the Financial Covenant and any Event of Default under the Financial Covenant (and any other Default as a result thereof) will be deemed not to have occurred for purposes of the Loan Documents, and (B) neither the Administrative Agent nor any Lender may exercise any rights or remedies under Section 8.02 (or under any other Loan Document) on the basis of any actual or purported Event of Default under the Financial Covenant (and any other Default as a result thereof) until and unless the Cure Expiration Date has occurred without the Cure Amount having been designated.

(2) In each period of four consecutive fiscal quarters, there shall be no more than two (2) fiscal quarters in which the cure right set forth in Section 8.04(1) is exercised.

(3) There can be no more than five (5) fiscal quarters in which the cure rights set forth in Section 8.04(1) are exercised during the term of the Facilities.

ARTICLE IX

Administrative Agent and Other Agents

SECTION 9.01 Appointment and Authorization of the Administrative Agent.

(1) Each Lender and Issuing Bank hereby irrevocably appoints Deutsche Bank AG New York Branch, to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09, 9.10, 9.11, 9.12 and 9.16) are solely for the benefit of the Administrative Agent, the Lenders and each Issuing Bank and the Borrower shall not have rights as a third-party beneficiary of any such provision.

(2) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a Lender and a potential Hedge Bank or Cash Management Bank) and the Issuing Banks hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender and Issuing Bank for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 9.03 Exculpatory Provisions. The Administrative Agent, Collateral Agent and the Arrangers shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent) and an Arranger:

(1) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent or Arranger is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent or Arranger is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent or Arranger to liability or that is contrary to any Loan Document or applicable law; and

(3) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent, Arranger or any of their Affiliates in any capacity.

Neither the Administrative Agent nor any of its Related Persons shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender, or an Issuing Bank.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each Arranger is named as such for recognition purposes only, and in its capacity as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Loan Documents or the transactions contemplated hereby and thereby; it being understood and agreed that each Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Administrative Agent as, and to the extent, provided for under Section 10.05. Without limitation of the foregoing, each Arranger shall not, solely by reason of this Agreement or any other Loan Documents, have any fiduciary relationship in respect of any Lender or any other Person.

SECTION 9.04 Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings, the Borrower and the Restricted Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and the Restricted Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Loan Document or the financial condition of the Holdings, the Borrower or any of the Restricted Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or the existence or possible existence of any Default or Event of Default.

SECTION 9.05 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in

connection with this Agreement or any other Loan Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders.

SECTION 9.06 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent. In determining compliance with any condition hereunder to the making of a Loan or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or issuances of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 9.07 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Administrative Agent (in its capacity as Administrative Agent) or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in proportion to their respective "percentage" as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; *provided* that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or any other Agent-Related Person's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect

thereto, *provided further* that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

SECTION 9.09 The Administrative Agent in Its Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a “Lender” and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term “Lender,” “Required Lenders” or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 9.10 Holders. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

SECTION 9.11 Resignation by the Administrative Agent. The Administrative Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 Business Days prior written notice to the Lenders and the Borrower. If the Administrative Agent is in material breach of its obligations hereunder as Administrative Agent, then the Administrative Agent may be removed as the Administrative Agent at the reasonable request of the Required Lenders. If the Administrative Agent is a Defaulting Lender, the Borrower may remove the Defaulting Lender from such role upon fifteen days prior written notice to the Lenders. Such resignation or removal shall take effect upon the appointment of a successor Administrative Agent as provided below.

Upon any such notice of resignation by, or notice of removal of, the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (*provided* that the Borrower’s approval shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing).

If a successor Administrative Agent shall not have been so appointed within such 30 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, *provided* that the Borrower’s consent shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

If no successor Administrative Agent has been appointed pursuant to the foregoing by the 35th Business Day after the date such notice of resignation was given by the Administrative Agent or such notice of removal was given by the Required Lenders or the Borrower, as applicable, the Administrative Agent’s resignation

shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above. The retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Banks under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender or Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.11.

Upon the acceptance of a successor's appointment as Administrative Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.11).

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

Upon a resignation of the Administrative Agent pursuant to this Section 9.11, the Administrative Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

SECTION 9.12 Collateral Matters. Each Lender (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Collateral Agent to take the actions to be taken by them as set forth in Section 7.04 and 10.24.

Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in this Section 9.12, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such

Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.12.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 10.24 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

SECTION 9.13 [Reserved].

SECTION 9.14 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, any Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, any Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, any Issuing Bank and the Administrative Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and relevant Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

SECTION 9.15 Appointment of Supplemental Administrative Agents.

(1) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any

other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a “**Supplemental Administrative Agent**” and collectively as “**Supplemental Administrative Agents**”).

(2) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent or such Supplemental Administrative Agent, as the context may require.

(3) Should any instrument in writing from any Loan Party be reasonably required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments reasonably acceptable to it promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

SECTION 9.16 Intercreditor Agreements. The Administrative Agent and Collateral Agent are hereby authorized to enter into the Amendment No. 8 [Intercreditor Agreement, the Amendment No. 14](#) Intercreditor Agreement and any other Intercreditor Agreement to the extent contemplated by the terms hereof, and the parties hereto acknowledge that such Intercreditor Agreement is binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements, (b) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Intercreditor Agreements and to subject the Liens on the Collateral securing the Obligations to the provisions thereof and (c) without any further consent of the Lenders, hereby authorizes and instructs the Administrative Agent and the Collateral Agent to negotiate, execute and deliver on behalf of the Secured Parties the Amendment No. 8 Intercreditor Agreement, [the Amendment No. 14 Intercreditor Agreement](#), any other intercreditor agreement or any amendment (or amendment and restatement) to the Collateral Documents or an Intercreditor Agreement contemplated hereunder. In addition, each Lender hereby authorizes the Administrative Agent and the Collateral Agent to enter into (i) any amendments to the Amendment No. 8 Intercreditor Agreement, [the Amendment No. 14 Intercreditor Agreement](#), any other Intercreditor Agreements, and (ii) any other intercreditor arrangements, in the case of clauses (i), and (ii) to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required or permitted by this Agreement. Each Lender acknowledges and agrees that any of the Administrative Agent and Collateral Agent (or one or more of their respective Affiliates) may (but are not obligated to) act as the “Debt Representative” or like term for the holders of Credit Agreement Refinancing Indebtedness under the security agreements with respect thereto or any Intercreditor Agreement then in effect. Each Lender waives any conflict of interest, now contemplated or arising hereafter, in connection therewith and agrees not to assert against any Agent or any of its affiliates any claims, causes of action, damages or liabilities of whatever kind or nature relating thereto.

SECTION 9.17 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the

provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

SECTION 9.18 Withholding Tax. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within ten 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.18. The agreements in this Section 9.18 shall survive the resignation or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE X

Miscellaneous

SECTION 10.01 Amendments, etc.

(1) Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in clauses (g), (h) or (i) below (in the cause of clause (i), to the extent permitted by Section 2.14), which shall only require the consent of the Required Facility Lenders under the applicable Facility or Facilities) (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and the Administrative Agent hereby agrees to acknowledge any such waiver, consent or amendment that otherwise satisfies the requirements of this Section 10.01 as promptly as possible, however, to the extent the final form of such waiver, consent or amendment has been delivered to the Administrative Agent at least one Business Day prior to the proposed effectiveness of the consents by the Lenders party thereto, the Administrative Agent shall acknowledge such waiver, consent or amendment (i) immediately, in the case of any amendment which does not require the consent of any existing Lender under this Agreement or (ii) otherwise, within two hours of the time copies of the Required Lender consents or other applicable Lender consents required by this Section 10.01 have been provided to the Administrative Agent; and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or 4.02 or the waiver

of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 (other than pursuant to Section 2.08(2)) or any payment of fees or premiums hereunder or under any Loan Document with respect to payments to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of principal, interest, fees or premiums: (i) the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans, (ii) the agreement, consent or waiver by the Required Revolving Lenders of interest or unused commitment fees as set forth in clause (b) of the Applicable Rate definition and (iii) any change to the definition of "First Lien Net Leverage Ratio," "Total Net Leverage Ratio," "Fixed Charge Coverage Ratio" or, in each case, in the component definitions thereof;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (III) of the proviso immediately succeeding clause (i) of this Section 10.01(1)) any fees or other amounts payable hereunder or under any other Loan Document to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a reduction in any rate of interest: (i) any change to the definition of "First Lien Net Leverage Ratio," "Total Net Leverage Ratio," "Fixed Charge Coverage Ratio," or, in each case, in the component definitions thereof and (ii) the agreement, consent or waiver by the Required Revolving Lenders of interest or unused commitment fees as set forth in clause (b) of the Applicable Rate definition; *provided* that only the consent of (A) the Required Lenders shall be necessary to amend the definition of "Default Rate," (B) the Required Lenders or, with respect to any Default Rate payable pursuant to clause (b) of the Applicable Rate definition, the Required Revolving Lenders with respect to the Revolving Facility will be necessary to waive any obligation of the Borrower to pay interest at the Default Rate and (C) the Swing Line Lender with respect to the Swing Line Facility shall be necessary to waive any obligation to pay interest at the Default Rate;

(d) except as contemplated by clause (C) in the second proviso immediately succeeding clause (i) of this Section 10.01(1), change any provision of this Section 10.01 or the definition of "Required Lenders" or "Required Facility Lenders," "Pro Rata Share", the last sentence of Section 2.01(2), the last four sentences of Section 2.03(2)(b), the last sentence of Section 2.03(3)(a), the last sentence of Section 2.04(1) or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender directly and adversely affected thereby or change the definition of "Required Revolving Lenders" without the consent of each Revolving Lender;

(e) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

(g) amend, waive or otherwise modify any term or provision (including the waiver of any conditions set forth in Section 4.02 as to any Credit Extension under one or more Revolving Facilities) which directly affects Lenders under one or more Revolving Facilities and does not directly affect Lenders under any other Facilities, in each case, without the written consent of the Required Revolving Lenders under such applicable Revolving Facility or Facilities with respect to Revolving Commitments (and in the case of multiple Facilities which are affected, such Required Revolving Lenders shall consent together as one Facility); *provided, however*, that the waivers described in this clause (g) shall not require the consent of any Lenders other than the Required Revolving Lenders under the applicable Revolving Facility or Facilities (it being understood that any amendment to the conditions of effectiveness of Incremental Commitments set forth in Section 2.14 shall be subject to clause (i) below);

(h) (i) amend, waive or otherwise modify Section 7.12 or any definition related thereto (solely in respect of the use of such defined terms in Section 7.12) or (ii) waive any Default or Event of Default resulting from a failure to perform or observe Section 7.12, in each case, without the written consent of the Required Revolving Lenders under the applicable Revolving Facility or Facilities with respect to Revolving Commitments (such Required Revolving Lenders shall consent together as one Facility); *provided, however*, that the amendments, waivers and other modifications described in this clause (h) shall not require the consent of any Lenders other than the Required Revolving Lenders under the applicable Revolving Facility or Facilities;

(i) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding under Section 2.14 with respect to Incremental Term Loans and Incremental Revolving Commitments and the rate of interest applicable thereto) which directly affects Lenders of one or more Incremental Term Loans or Incremental Revolving Commitments and does not directly affect Lenders under any other Facility, in each case, without the written consent of the Required Facility Lenders under such applicable Incremental Term Loans or Incremental Revolving Commitments (and in the case of multiple Facilities which are affected, such Required Facility Lenders shall consent together as one Facility); *provided, however*, that, to the extent permitted under Section 2.14, the waivers described in this clause (i) shall only require the consent of the Required Facility Lenders under such applicable Incremental Term Loans or Incremental Revolving Commitments;

(j) prior to an Event of Default under Section 8.01(6), amend or modify any term or provision of any Loan Document to permit the issuance or incurrence of any Indebtedness for borrowed money (including any exchange of existing Indebtedness that results in another class of Indebtedness for borrowed money, but excluding any Capitalized Lease or purchase money Indebtedness) with respect to which (x) if such Indebtedness is secured by all or substantially all of the Collateral, the Liens on the Collateral securing the Obligations of any Class would be contractually subordinated or (y) all or substantially all of Obligations of any Class would be contractually subordinated in right of payment (any such other Indebtedness to which such Liens securing any of the Obligations or such Obligations, as applicable, are subordinated, “**Senior Indebtedness**”), in each case, without the written consent of each Lender of such Class directly and adversely affected thereby, unless each adversely affected Lender has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the amount of Obligations that are adversely affected thereby held by each Lender) of the Senior Indebtedness on the same terms (other than bona fide backstop, arrangement or similar fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, “**Ancillary Fees**”) as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness pursuant to a written offer made to each such adversely affected Lender describing the material terms (other than Ancillary Fees) of the arrangements pursuant to which the Senior Indebtedness is to be provided, which offer shall remain open to each adversely affected Lender for a period of not less than five (5) Business Days (or such lesser time as reasonably agreed by the applicable Lender with respect to itself);

provided that:

(I) no amendment, waiver or consent shall, unless in writing and signed by each Issuing Bank in addition to the Lenders required above, affect the rights or duties of such Issuing Bank under this Agreement or any Issuing Bank Document relating to any Letter of Credit issued or to be issued by it; *provided, however*, that this Agreement may be amended to adjust the mechanics related to the issuance of Letters of Credit, including mechanical changes relating to the existence of multiple Issuing Banks, with only the written consent of the Administrative Agent, the applicable Issuing Bank and the Borrower so long as the obligations of the Revolving Lenders, if any, who have not executed such amendment, and if applicable the other Issuing Banks, if any, who have not executed such amendment, are not adversely affected thereby;

(II) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; *provided, however*, that this Agreement may be amended to adjust the borrowing mechanics related to Swing Line

Loans with only the written consent of the Administrative Agent, the Swing Line Lender and the Borrower so long as the obligations of the Revolving Lenders, if any, who have not executed such amendment, are not adversely affected thereby;

(III) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document;

(IV) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

(V) the consent of the Required Revolving Lenders or Required Facility Lenders, as applicable, shall be required with respect to any amendment that by its terms adversely affects the rights of Lenders under any Facility in respect of payments hereunder in a manner different than such amendment affects other Facilities; and

(VI) the consent of the Required Revolving Lenders (but without the consent of other Lenders, including the Required Lenders or Required Facility Lenders) shall be required to amend, waive or otherwise modify any provision of clause (b) of the definition of "Applicable Rate" that provides for an agreement, consent or waiver by the Required Revolving Lenders;

provided further that notwithstanding the foregoing:

(A) no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders, the Required Lenders, the Required Facility Lenders, the Required Revolving Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that the Revolving Commitment of any Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders);

(B) no Lender consent is required to effect any amendment or supplement to the Amendment No. 8 [Intercreditor Agreement, the Amendment No. 14 Intercreditor Agreement](#) or any other Intercreditor Agreement (i) that is for the purpose of adding the holders of Permitted Incremental Equivalent Debt, Credit Agreement Refinancing Indebtedness, Pari Passu Lien Debt, Junior Lien Debt or any other Permitted Indebtedness that is Secured Indebtedness (or a Debt Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the Amendment No. 8 Intercreditor Agreement, [the Amendment No. 14 Intercreditor Agreement](#) or any other applicable Intercreditor Agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Intercreditor Agreement; *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable;

(C) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, the Revolving Loans, the Swing Line Loans and L/C Obligations and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders;

(D) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.01 if such Class of Lenders were the only Class of Lenders hereunder at the time;

(E) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency (including amendments, supplements or waivers to any of the Collateral Documents, guarantees, intercreditor agreements or related documents executed by any Loan Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Collateral Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Loan Documents) so long as, in each case, the Lenders shall have received at least five (5) Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; *provided* that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Loans, any borrowing of Refinancing Loans, any Extension or any borrowing of Replacement Loans and otherwise to effect the provisions of Section 2.14, 2.15 or 2.16 or the immediately succeeding paragraph of this Section 10.01, respectively;

(F) the Borrower and the Administrative Agent may, without the input or consent of the other Lenders, (i) effect changes to any Mortgage as may be necessary or appropriate in the opinion of the Collateral Agent and (ii) effect changes to this Agreement that are necessary and appropriate to effect the offering process set forth in Section 2.05(1)(e).

(2) In addition, notwithstanding anything to the contrary in this Section 10.01, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Term Loans of any Class ("**Replaced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided* that

(a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Replaced Loans, *plus* accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees and expenses incurred in connection with such refinancing of Replaced Loans with such Replacement Loans,

(b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such Replaced Loans (or similar interest rate spread applicable to such Replaced Loans) immediately prior to such refinancing,

(c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Loans at the time of such refinancing and

(d) all other terms (other than with respect to pricing, premiums and optional prepayment or redemption terms) applicable to such Replacement Loans shall be substantially identical to, or no less favorable taken as a whole (in each case as determined by the Borrower in its reasonable judgment) to the Lenders providing such Replacement Loans than, those applicable to such Replaced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing (*provided* that Officer's Certificate delivered to the Administrative Agent at least five (5) Business Days prior to the incurrence of such Replacement Loans, together with a reasonably detailed description of the material terms and conditions of such Replacement Loans or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this clause (d) shall be conclusive evidence that such terms and conditions satisfy such requirement unless the

Administrative Agent notifies the Borrower within such five (5)-Business Day period that it disagrees with such determination (including a description of the basis upon which it disagrees));

provided further that each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

(3) In addition, notwithstanding anything to the contrary in this Section 10.01,

(a) unless and until a Financial Covenant Cross Default has occurred and remains continuing, only the consent of the Required Revolving Lenders shall be necessary to, and upon the occurrence of a Financial Covenant Cross Default, the consent of the Required Lenders shall be necessary to (a) waive or consent to any Financial Covenant Event of Default or amend or modify the terms of, or waive or consent to any Default or Event of Default with respect to, Section 7.12 (including the related definitions as used in such Section, but not as used in other Sections of this Agreement) and no such amendment, modification, waiver or consent shall be permitted (i) without the consent of the Required Revolving Lenders (unless and until a Financial Covenant Cross Default has occurred) and (ii) without the consent of the Required Lenders (upon the occurrence and during the continuance of a Financial Covenant Cross Default) or (b) amend this sentence. Notwithstanding the foregoing, only the consent of the Required Revolving Lenders shall be necessary to (1) amend or modify the terms and provisions of Section 7.12 (in each case, whether or not a Financial Covenant Cross Default has occurred) or (2) amend this sentence,

(b) the Guaranty, the Collateral Documents and related documents executed by Holdings, the Borrower or any Restricted Subsidiaries in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause the Guaranty, Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents (including by adding additional parties as contemplated herein or therein) and

(c) if the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

SECTION 10.02 Notices and Other Communications; Facsimile Copies.

Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next succeeding Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (2) below shall be effective as provided in such subsection (2).

(2) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(3) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next succeeding Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(4) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the "**Agent Parties**") have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(5) Change of Address. Each Loan Party and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance

procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(6) Reliance by the Administrative Agent. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; *provided, however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Issuing Bank or Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

SECTION 10.04 Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent and the Arrangers (promptly following a written demand therefor, together with backup documentation supporting such reimbursement request) incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Davis Polk & Wardwell LLP and, if necessary, a single local counsel in each relevant material jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Administrative Agent, each Issuing Bank, the Swing Line Lender and the other Lenders, taken as a whole, promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents

(including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

SECTION 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each Issuing Bank, the Swing Line Lender, each other Lender, the Arrangers and their respective Related Persons (collectively, the “**Indemnitees**”) from and against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities) to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) any (i) actual or threatened claim, litigation, investigation, proceeding or Environmental Liabilities relating to the Transactions or (ii) to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents, the Loans or the use, or proposed use of the proceeds therefrom, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of the Borrower or any of their Affiliates (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not

apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrower, Holdings, the Investors or any of their Affiliates under this Section 10.05 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

SECTION 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

SECTION 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and registered assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.03, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Eligible Assignee and (A) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, in accordance with the provisions of Section 10.07(h), (B) in the case of any Eligible Assignee that is Holdings, the Borrower or any Subsidiary thereof, in accordance with the provisions of Section 10.07(l), or (C) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is a Debt Fund Affiliate, in accordance with the provisions of Section 10.07(k), (ii) by way of participation in accordance with the provisions of Section 10.07(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) **Assignments by Lenders.** Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations and Swing Line Loans) at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) **Minimum Amounts.**

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the

assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1.0 million, in the case of Term Loans, and not less than \$2.5 million, in the case of Revolving Loans and Revolving Commitments, unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.07(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date or (2) in respect of an assignment of all or a portion of the Term Loans only, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower shall be deemed to have consented to any assignment of all or a portion of the Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice of a failure to respond to such request for assignment; *provided further* that no consent of the Borrower shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(h), (k) or (l);

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender; *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or a portion of the Loans pursuant to Section 10.07(g), (h), (k) or (l), or (ii) from an Agent to its Affiliate;

(C) the consent of each Issuing Bank (such consent not to be unreasonably withheld or delayed) shall be required at the time of such assignment; *provided* that no consent of the Issuing Banks shall be required for any assignment not related to Revolving Commitments or Revolving Exposure or any assignment to an Agent or an Affiliate of an Agent; and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required; *provided* that no consent of a Swing Line Lender shall be required for any assignment not related to Revolving Commitments or Revolving Exposure or any assignment to an Agent or an Affiliate of an Agent.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent). Other than in the case of

assignments pursuant to Section 10.07(l), the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignments to Certain Persons No such assignment shall be made (A) to Holdings, the Borrower or any of its Subsidiaries except as permitted under Section 2.05(1)(e), (B) subject to Sections 10.07(h), (k) and (l) below, to any Affiliate of the Borrower, (C) to a natural person or (D) to any Disqualified Institution.

This Section 10.07(b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07 (and, in the case of an Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, to the requirements of clause (h) of this Section 10.07), from and after the effective date specified in each Assignment and Assumption, other than in connection with an assignment pursuant to Section 10.07(l), (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

The Lenders, the Administrative Agent and each Loan Party shall be entitled to rely conclusively on any Net Short Representation made (or deemed made) to it in any agreement or instrument documenting or otherwise evidencing such assignment and shall have no duty to inquire as to or investigate the accuracy of any Net Short Representation therein or provided in connection with such assignment.

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it, each notice of cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to

each Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(3) and Section 2.11 shall be construed so that all Loans are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Term Loans or Incremental Term Loans held by Affiliated Lenders.

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower, the Administrative Agent, any Swing Line Lender or Issuing Bank, sell participations to any Person (other than a natural person, the Borrower or any Affiliate or Subsidiary of the Borrower or a Disqualified Institution) (each, a “**Participant**”) in all or a portion of such Lender’s rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans (including such Lender’s participations in L/C Obligations or Swing Line Loans) owing to it); *provided* that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clauses (d), (g), (h) and (i) thereof) that directly affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable as though it were a Lender)), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under this Agreement (the “**Participant Register**”). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; *provided* that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or other obligations under any Loan Document) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. The Lenders, the Administrative Agent and each Loan Party shall be entitled to rely conclusively on any Net Short Representation made (or deemed made) to it in any agreement or instrument documenting or otherwise evidencing such Participation and shall have no duty to inquire as to or investigate the

accuracy of any Net Short Representation therein or provided in connection with the participation by any such Participant.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an “**SPC**”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Loans and Commitments under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(ii) each Affiliated Lender that purchases any Loans or Commitments pursuant to clause (x) above will either (A) represent and warrant to the selling Lender (other than any other Affiliated Lender) that it either as of the date of any such purchase or sale, it does not possess any information that is not Public-Side Information that has not been disclosed to the Lenders generally (other than any Lender(s) that have elected not to receive such information) or (B) make a statement that such representation cannot be made;

(iii) Affiliated Lenders (other than, for the avoidance of doubt, any Debt Fund Affiliate(s)) will not be permitted to own or hold any Revolving Facility;

(iv) the aggregate principal amount of Term Loans of any Class under this Agreement held by Affiliated Lenders at the time of any such purchase or assignment shall not exceed 25% of the aggregate principal amount of Term Loans of such Class outstanding at such time under this Agreement (such percentage, the “**Affiliated Lender Cap**”); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Term Loans of any Class held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*; and

(v) the assigning Lender and the Affiliated Lender purchasing such Lender’s Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit D-2 hereto (an “**Affiliated Lender Assignment and Assumption**”).

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this subsection (h) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Term Loans or any portion thereof, *plus* all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Term Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

Each Affiliated Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. The Administrative Agent may conclusively rely upon any notice delivered pursuant to the immediately preceding sentence or pursuant to clause (v) of this subsection (h) and shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(i) Notwithstanding anything in Section 10.01 or the definition of “Required Lenders,” or “Required Facility Lenders” to the contrary, for purposes of determining whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and:

(i) all Term Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have taken any actions; and

(ii) all Term Loans held by Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether all Lenders have taken any action unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, and each Affiliated Lender Assignment and Assumption shall provide a confirmation that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in any manner in the Administrative Agent’s sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent directs; *provided* that such

Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(k) Although any Debt Fund Affiliate(s) shall be Eligible Assignees and shall not be subject to the provisions of Section 10.07(h), (i) or (j), any Lender may, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, a Debt Fund Affiliate only through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) (for the avoidance of doubt, without requiring any representation as to the possession of material non-public information by such Affiliate) or (y) open market purchase on a non-pro rata basis. Notwithstanding anything in Section 10.01 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans, Revolving Commitments and Revolving Loans held by Debt Fund Affiliates, in the aggregate, may not account for more than 49.9% of the Term Loans, Revolving Commitments and Revolving Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.01.

(l) Any Lender may, so long as no Default or Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings, the Borrower or any Subsidiary of the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchases on a non-pro rata basis; *provided that*:

(i) (x) if the assignee is Holdings or a Subsidiary of the Borrower, upon such assignment, transfer or contribution, the applicable assignee shall automatically be deemed to have contributed or transferred the principal amount of such Term Loans, *plus* all accrued and unpaid interest thereon, to the Borrower; or (y) if the assignee the Borrower (including through contribution or transfers set forth in clause (x)), (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register;

(ii) each Person that purchases any Term Loans pursuant to clause (x) of the first paragraph of this subsection (l) shall represent and warrant to the selling Term Lender (other than any Affiliated Lender) that it does not possess material non-public information with respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders or shall make a statement that such representation cannot be made; and

(iii) purchases of Term Loans pursuant to this subsection (l) may not be funded with the proceeds of Revolving Loans.

(m) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to

the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

SECTION 10.08 Resignation of Issuing Bank and Swing Line Lender Notwithstanding anything to the contrary contained herein, any Issuing Bank or Swing Line Lender may, upon thirty (30) Business Days' notice to the Borrower and the Lenders, resign as an Issuing Bank or Swing Line Lender, respectively. In the event of any such resignation of an Issuing Bank or Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor Issuing Bank or Swing Line Lender hereunder; *provided* that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant Issuing Bank or Swing Line Lender, as the case may be. If an Issuing Bank resigns as an Issuing Bank, it shall retain all the rights and obligations of an Issuing Bank hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(3)). If the Swing Line Lender resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it outstanding as of the effective date of such resignation, including the right to require the Lenders to make Revolving Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(3).

SECTION 10.09 Confidentiality Each of the Agents, the Arrangers, the Lenders and each Issuing Bank agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, legal counsel, independent auditors, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person's compliance with this Section 10.09; *provided, however*, that such Agent, Arranger, Lender or Issuing Bank, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided, however*, that each Agent, each Arranger, each Lender and each Issuing Bank agrees to seek confidential treatment with respect to any such disclosure, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a governmental authority; *provided* that such Agent, such Arranger, such Lender or such Issuing Bank, as applicable, agrees (x) that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of a regulation examination) unless such notification is prohibited by law, rule or regulation and (y) to seek confidential treatment with respect to any such disclosure, (d) to any other party hereto, (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.09, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) invited to be an Additional Lender or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; *provided* that such disclosure shall be made subject to the acknowledgment and acceptance by such prospective Lender, Participant or Eligible Assignee that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower, the Agents and the Arrangers, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents and the Arrangers or market standards for dissemination of such type of information which shall in any event require "click through" or other affirmative action on the part of the recipient to access such confidential information, (f) for purposes of establishing a "due diligence" defense, (g) with the consent of the Borrower, (h) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided hereunder or (ii) the CUSIP Service Bureau or any similar agency

in connection with the application, issuance, publishing and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities provided hereunder or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality provision in favor of any Loan Party, (y) becomes available to any Agent, any Arranger, any Lender, any Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender, such Issuing Bank or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate of the Borrower or (z) is independently developed by the Agents, the Lenders, the Issuing Banks, the Arrangers or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09. In addition, the Agents, the Lenders and the Issuing Banks may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents, the Lenders and the Issuing Banks in connection with the administration of this Agreement, the other Loan Documents, and the Commitments.

For purposes of this Section 10.09, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary or Affiliate thereof after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent, each Arranger, each Lender and each Issuing Bank acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including United States Federal and state securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents, the Arrangers, the Lenders and any Issuing Bank under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

Nothing in this Agreement is intended or shall be deemed to prohibit or restrict the Borrower, any other Loan Party or their respective representatives in any way from initiating communications directly with, reporting to, providing information to, causing information to be provided to, filing a charge or complaint with, cooperating with, responding to any inquiry from, or providing testimony to the Securities and Exchange Commission, Commodity Futures Trading Commission, FINRA, or any other self-regulatory organization, or any other federal or state regulatory authority, or governmental agency or entity, regarding any possible securities violation or other violation of law.

SECTION 10.10 Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or any other Loan Document; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance

with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each Issuing Bank under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 10.12 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 10.13 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 10.14 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

SECTION 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions.

The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

The provision of this Section 10.19 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

SECTION 10.20 Use of Name, Logo, etc. Each Loan Party consents to the publication in the ordinary course by Administrative Agent or the Arrangers of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or trademark. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Arrangers.

SECTION 10.21 USA PATRIOT Act. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act and Beneficial Ownership Regulation.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agents and the Arrangers, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent, Arranger and Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arrangers nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents, the Arrangers nor any Lender has any obligation to disclose any of such interests to the

Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 10.24 Release of Collateral and Guarantee Obligations; Subordination of Liens

(a)

(i) The Lenders, and the Issuing Banks hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released in full, as set forth in clause (c) below;

(ii) upon the sale or other transfer of such Collateral (including as part of or in connection with any other sale or other transfer permitted hereunder) to any Person other than another Loan Party, to the extent such sale, transfer or other disposition is made in compliance with or is not prohibited by the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry) (any such event, a “**Lien Release Event**”);

(iii) to the extent such Collateral is comprised of property leased to a Loan Party by a Person that is not a Loan Party, upon termination or expiration of such lease;

(iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 10.01);

(v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guaranty (in accordance with clause (b) below);

(vi) as required by the Collateral Agent to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Collateral Documents; and

(vii) to the extent such Collateral otherwise becomes Excluded Assets.

No Lien Release Event shall in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. Following a Lien Release Event, upon the Request of the Borrower, the Collateral Agent shall (A) release or (if requested by the Borrower) subordinate any Lien granted to or held by any Secured Party under any Loan Document on any released (or subordinated) asset included in the Collateral, it being agreed that any such subordination shall (if requested by a Loan Party) include customary debt subordination provisions and shall otherwise be on such customary terms as may be proposed by the holder (or proposed holder) of the Lien on such asset or such other terms as may be acceptable to the Collateral Agent (it being agreed the terms of the Junior Lien Intercreditor Agreement are acceptable) or such other terms as may be required by the senior creditor party to any applicable subordination agreement and/or (B) execute and deliver a customary “no interest” letter or similar letter with respect to any released (or subordinated) asset and/or any Excluded Asset.

(b) Additionally, the Lenders and the Issuing Banks hereby irrevocably agree that the Guarantors shall be released from the Guaranties upon consummation of any transaction permitted hereunder (any

such event, a “**Guaranty Release Event**”) resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary, or otherwise becoming an Excluded Subsidiary (other than solely as a result of such Subsidiary ceasing to be a wholly owned Subsidiary unless the transaction giving rise thereto is entered into with a Person that is not an Affiliate of the Borrower for a bona fide business purpose other than qualifying as a Guaranty Release Event). The Lenders and the Issuing Banks hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender or Issuing Bank. Each of the Administrative Agent and the Collateral Agent, as applicable, agrees that it will promptly take such action and execute any such documents as may be reasonably requested by the Borrower (such actions and such execution, the “**Release Actions**”), at the Borrower’s reasonable cost and expense, in connection with a Lien Release Event or Guaranty Release Event and that such actions are not discretionary. Without limitation, the Release Actions may include, as applicable, (a) executing (if required) and delivering to the Loan Parties (or any designee of the Loan Parties) any such lien releases, mortgage releases or assignments of mortgages, discharges of security interests, pledges and guarantees and other similar discharge or release documents, as are reasonably requested by a Loan Party in connection with the release or assignment, as of record, of the Liens (and all notices of security interests and Liens previously filed) that are the subject of a Lien Release Event or the release of any applicable Guarantee in connection with a Guaranty Release Event and (b) delivering to the Loan Parties (or any designee of the Loan Parties) all instruments evidencing pledged debt and all equity certificates and any other collateral previously delivered in physical form by the Loan Parties to a Secured Party. Without limitation of any other provision set forth in the Loan Documents, each Secured Party agrees that any notice provided to the Collateral Agent in connection with a Lien Release Event or a Guaranty Release Event shall be deemed an authenticated demand from a debtor duly delivered under Section 9-513(c) of the UCC and that the Loan Parties shall have the rights provided by Section 9-509 of the UCC with respect to any such demand; provided that the applicable time period set forth in Section 9-513(c) shall be deemed to be three Business Days. Any representation, warranty or covenant contained in any Loan Document relating to any such released Collateral or Guarantor shall no longer be deemed to be repeated.

(c) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements, (iii) any contingent obligations not then due and (iv) the Outstanding Amount of L/C Obligations related to any Letter of Credit that has been Cash Collateralized, backstopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank) have been paid in full and all Commitments have terminated, upon request of the Borrower, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements, (iii) any contingent obligations not then due and (iv) any Outstanding Amount of L/C Obligations related to any Letter of Credit that has been Cash Collateralized, backstopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(d) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Liens permitted by the Loan Documents, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any Lien permitted under Section 7.01 to be senior to the Liens in favor of the Collateral Agent.

(e) Notwithstanding the foregoing or anything in the Loan Documents to the contrary, at the direction of the Required Lenders, the Administrative Agent may, in exercising remedies, take any and all necessary and appropriate action to effectuate a credit bid of all Loans (or any lesser amount thereof) for the Borrower's assets in a bankruptcy, foreclosure or other similar proceeding, forbear from exercising remedies upon an Event of Default, or in a bankruptcy proceeding, enter into a settlement agreement on behalf of all Lenders.

SECTION 10.25 Assumption and Acknowledgment. Effective immediately after the consummation of the Merger, the execution and delivery by Life Time of a counterpart hereto and the funding of the Closing Date Loans hereunder, and without affecting any of the obligations of Holdings as a Guarantor under any Loan Document, Life Time hereby assumes all of Initial Borrower's rights, title, interests, duties, liabilities and obligations (including the Obligations) under the Loan Documents as the "Borrower" hereunder (collectively, the "**Assumption**"), including, any claims, liabilities, or obligations arising from Initial Borrower's failure to perform any of its covenants, agreements, commitments or obligations under the Loan Documents to be performed prior to the date of the Assumption. Holdings hereby acknowledges the Assumption by Life Time and its effectiveness immediately after the consummation of the Merger, the execution and delivery by Life Time of a counterpart hereto and the funding of the Closing Date Loans hereunder. Without limiting the generality of the foregoing, upon its execution and delivery of a counterpart hereto, Life Time hereby expressly agrees to observe and perform and be bound by all of the terms, covenants, representations, warranties, and agreements contained herein which are binding upon, and to be observed or performed by, the Borrower. Each Agent and each Lender hereby consents to the Assumption.

SECTION 10.26 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

SECTION 10.27 Acknowledgment Regarding Any Supported QFCs

- (a) To the extent that the Loan Documents provide support, through a guarantee or otherwise (including the Guaranty), for any Hedge Agreement or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States).
- (b) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC

and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 10.29 Disqualified Institutions and Net Short Lenders

(a) Replacement of Disqualified Institution and Net Short Lenders

(i) To the extent that any assignment or participation is made or purported to be made to a Disqualified Institution or Net Short Lender (notwithstanding the other restrictions in this Agreement with respect to Disqualified Institutions and Net Short Lenders), or if any Lender or Participant becomes a Disqualified Institution or Net Short Lender, in each case, without limiting any other provision of the Loan Documents,

(B) upon the request of the Borrower, such Disqualified Institution or Net Short Lender shall be required immediately (and in any event within five Business Days) to assign all or any portion of the Loans and Commitments then owned by such Disqualified Institution or Net Short Lender (or held as a participation) to another Lender (other than a Defaulting Lender or another Disqualified Institution or Net Short Lender), Eligible Assignee or the Borrower, and

(iii) The Borrower shall be entitled to seek specific performance in any applicable court of law or equity to enforce this Section 10.29. In addition, in connection with any such assignment, (A) if such Disqualified Institution or Net Short Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Assumption and/or any other documentation necessary or appropriate (in the good faith determination of the Administrative Agent or the Borrower, which determination shall be conclusive) to reflect such replacement by the later of (1) the date on which the replacement Lender executes and delivers such Assignment and Assumption and/or such other documentation and (2) the date as of which such Disqualified Institution or Net Short Lender shall be paid by the assignee Lender (or, at its option, the Borrower) the amount required pursuant to this section, then such Disqualified Institution or Net Short Lender shall be deemed to have executed and delivered such Assignment and Assumption and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption and/or such other documentation on behalf of such Disqualified Institution or Net Short Lender, and the Administrative Agent shall record such assignment in the Register, (B) each Lender (whether or not then a party hereto) agrees to disclose to the Borrower the amount that the applicable Disqualified Institution or Net Short Lender paid to acquire Commitments and/or Loans from such Lender and (C) each Lender that is a Disqualified Institution or Net Short Lender agrees to disclose to the Borrower the amount it paid to acquire the Commitments and/or Loans held by it.

(b) Amendments, Consents and Waivers under the Loan Documents. No Disqualified Institution and no Net Short Lender shall have the right to approve or disapprove any amendment, waiver or consent pursuant to Section 10.01 or under any Loan Document. In connection with any determination as to whether the requisite Lenders (including whether the Required Lenders or Required Facility Lenders) have provided any amendment, waiver or consent pursuant to Section 10.01 or under any other Loan Document:

(i) Disqualified Institutions and Net Short Lenders shall not be considered, and

(ii) Disqualified Institutions and Net Short Lenders shall be deemed to have consented to any such amendment, waiver or consent with respect to its interest as a Lender in the same proportion as the allocation of voting, and

(iii) any amendment, waiver or consent which by its terms requires the consent of all Lenders, the Required Lenders, the Required Facility Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Disqualified Institutions or Net Short Lenders with respect to such matter by Lenders who are not Disqualified Institutions or Net Short Lenders, as applicable; and

provided that (A) the Commitment of any Disqualified Institution or Net Short Lender may not be increased or extended without the consent of such Disqualified Institution or Net Short Lender and (B) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Disqualified Institution more adversely than other affected Lenders shall require the consent of such Disqualified Institution.

Each Lender that is not a Regulated Bank that delivers a written consent to any amendment, waiver or consent pursuant to Section 10.01 or under any other Loan Document shall concurrently deliver (or in the absence of any written Net Short Representation will be deemed to have delivered, concurrently with providing such consent) to the Borrower (with a copy to the Administrative Agent) a Net Short Representation.

(c) Limitation on Rights and Privileges of Disqualified Institutions and Net Short Lenders Except as otherwise provided in Section 10.29(b)(ii), no Disqualified Institution or Net Short Lender shall have the right to, and each such Person covenants and agrees not to, instruct the Administrative Agent, Collateral Agent or any other Person in respect of the exercise of remedies with respect to the Loans or other Obligations. Further, no Disqualified Institution or Net Short Lender that purports to be a Lender or Participant (notwithstanding any provisions of this Agreement that may have prohibited such Disqualified Institution or Net Short Lender from becoming a Lender or Participant) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting (other than to the extent provided in Section 10.29(b)), and shall be deemed for all purposes to be, at most, a Defaulting Lender until such time as such Disqualified Institution no longer owns any Loans or Commitments.

(d) Survival. The provisions of this Section 10.29 shall apply and survive with respect to each Lender and Participant notwithstanding that any such Person may have ceased to be a Lender or Participant hereunder or this Agreement may have been terminated.

(e) Administrative Agent.

(i) Reliance. The Administrative Agent shall be entitled to rely conclusively on any Net Short Representation delivered, provided or made (or deemed delivered, provided or made) to it in accordance with this Agreement, shall have no duty to inquire as to or investigate the accuracy of any Net Short Representation, verify any statements in any officer's certificate delivered to it, or otherwise make any calculations, investigations or determinations with respect to any Derivative Instruments or Net Short Positions or any Person.

(ii) Disqualified Institution Lists. The Administrative Agent shall have no responsibility or liability for monitoring or enforcing the list of Disqualified Institutions or for any assignment or participation to a Disqualified Institution.

(iii) Liability Limitations. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions or Net Short Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (A) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or participant is a Disqualified

Institution or Net Short Lender, (B) have any liability with respect to or arising out of any assignment or participation of commitments or loans, or disclosure of confidential information (including Information), to any Disqualified Institution or Net Short Lender or (C) have any liability to or arising out of the voting in any amendment or waiver to any Loan Document by any Net Short Lender.

(f) Insolvency Proceedings. Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Disqualified Institution hereby agrees that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is a Disqualified Institution, such Disqualified Institution irrevocably agrees (i) not to vote in any such proceeding, (ii) if such Disqualified Institution does vote in such proceeding notwithstanding the restriction in the foregoing clause (i), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such bankruptcy plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and (iii) not to contest any request by any party for a determination by a court of competent jurisdiction effectuating the foregoing clause (ii). Each Disqualified Institution hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Disqualified Institution’s attorney-in-fact, with full authority in the place and stead of such Disqualified Institution and in the name of such Disqualified Institution, from time to time in the Administrative Agent’s discretion to take any action and execute any instrument that the Administrative Agent may deem reasonably necessary or appropriate to carry out the provisions of this Section, including to ensure that any vote of such Disqualified Institution on any proceeding is withdrawn or otherwise not counted. The Lenders and each Disqualified Institution agree and acknowledge that the provisions set forth in this clause (f) constitute a “subordination agreement” as such term is contemplated by, and utilized in, Section 510(a) of the United States Bankruptcy Code and, as such, would be enforceable for all purposes in any case where Holdings, the Borrower or any Restricted Subsidiary has filed for protection under any law relating to bankruptcy, insolvency or reorganization or relief of debtors applicable to Holdings, the Borrower or such Restricted Subsidiary, as applicable.
