Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(g) Without limiting the generality of the foregoing, a Holder, including DTC, that is a Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and any Person, that is a Holder of a Global Note, including DTC, may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

(h) The Issuer may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by DTC entitled under the procedures of such Depositary to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders. If such a record date is fixed, the Holders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be valid or effective if made, given or taken more than 90 days after such record date.

SECTION 1.06. Limited Condition Transactions; Measuring Compliance.

(a) With respect to any (w) Investment or acquisition, merger, amalgamation or similar transaction in each case, that has been definitively agreed to or publicly announced (including a Change of Control), (x) Asset Sale or similar transaction that has been definitively agreed to or publicly announced, (y) repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock with respect to which a notice of repayment (or similar notice), which may be conditional, has been delivered and (z) Restricted Payment that has been declared (a transaction described in clauses (w) through (z), a "Limited Condition Transaction"), in each case for purposes of determining:

(i) whether any Indebtedness (including Acquired Indebtedness), Disqualified Stock or Preferred Stock that is being incurred in connection with such Limited Condition Transaction is permitted to be incurred in compliance with Section 4.09;

(ii) whether any Lien being incurred in connection with such Limited Condition Transaction or to secure any such Indebtedness is permitted to be incurred in accordance with Section 4.12 or the definition of "Permitted Liens";

(iii) whether any other transaction undertaken or proposed to be undertaken in connection with such Limited Condition Transaction (including any Restricted Payment, Investment, Asset Sale or designation of an Unrestricted Subsidiary) complies with the covenants or agreements contained in this Indenture or the Notes;

(iv) any calculation of the ratios, baskets or financial metrics, including the Fixed Charge Coverage Ratio, Total Net Leverage Ratio, Senior Secured Net Leverage Ratio, Net Income, Consolidated Net Income, Adjusted EBITDA and/or Run-Rate Adjusted EBITDA and any other terms used in such ratios, baskets or financial metrics and, whether a Default or Event of Default exists, has occurred, is continuing or would result in connection with the foregoing; and

(v) whether any condition precedent to the Limited Condition Transaction and any incurrence of Indebtedness (including Acquired Indebtedness), Disqualified Stock, Preferred Stock or Liens or any other transaction undertaken or proposed to be undertaken in connection with such Limited Condition Transaction, in each case that is being incurred in connection with such Limited Condition Transaction is satisfied,

at the option of the Issuer, any of its Restricted Subsidiaries, any Parent Company of the Issuer or any successor entity of any of the foregoing or a third party (the "Testing Party"), using the date that the definitive agreement (or other relevant documentation) for such Limited Condition Transaction, announcement (public or otherwise) of, or the date of any notice, which may be conditional, of such Limited Condition Transaction or the date of declaration of a Restricted Payment (the "Transaction Agreement Date") may be used as the applicable date of determination, as the case may be, in each case with such *pro forma* adjustments as are appropriate and consistent with the *pro forma* adjustment provisions set forth in the definition of "Fixed Charge Coverage Ratio" or "Adjusted EBITDA". For the avoidance of doubt, if the Testing Party elects to use the Transaction Agreement Date as the applicable date of determination in accordance with the foregoing, (a) any fluctuation or change in the Fixed Charge Coverage Ratio, Total Net Leverage Ratio, Senior Secured Net Leverage Ratio, Net Income, Consolidated Net Income, Adjusted EBITDA, Run-Rate Adjusted EBITDA or other related terms in the calculation of ratios, baskets and financial metrics of the Issuer, the target business, or assets to be acquired subsequent to the Transaction Agreement Date and prior to the consummation of such Limited Condition Transaction, will not be taken into account for

purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Limited Condition Transaction is permitted to be incurred or in connection with compliance by the Issuer or any of the Restricted Subsidiaries with any other provision of this Indenture or the Notes or any other transaction undertaken in connection with such Limited Condition Transaction, (b) for purposes of determining compliance with any provision which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any Limited Condition Transaction, such condition shall be deemed satisfied so long as no Default or Event of Default, as applicable, exists on the Transaction Agreement Date, (c) if financial statements for one or more subsequent fiscal quarters shall have become available, the Testing Party may elect, in its sole discretion, to re-determine all such baskets, ratios and financial metrics on the basis of such financial statements, in which case such date of redetermination shall thereafter be deemed to be the applicable Transaction Agreement Date for purposes of such baskets, ratios and financial metrics, (d) if any ratios or financial metrics improve or baskets increase as a result of such fluctuations, such improved ratios, financial metrics or baskets may be utilized, (e) until such Limited Condition Transaction is consummated, such definitive agreements (or other relevant documentation) are terminated or conditions in any conditional notice can no longer be met or public announcements with respect thereto are withdrawn or there is a public announcement to the effect that the transaction contemplated by such definitive agreements will no longer be consummated or such transaction is otherwise abandoned (each as determined by the Testing Party), such Limited Condition Transaction and all transactions proposed to be undertaken in connection therewith (including the incurrence of Indebtedness and Liens) will be given *pro forma* effect when determining compliance of other transactions (including the incurrence of Indebtedness and Liens unrelated to such Limited Condition Transaction) that are consummated after the Transaction Agreement Date and on or prior to the consummation of such Limited Condition Transaction and any such transactions (including any incurrence of Indebtedness and the use of proceeds thereof and Liens) will be deemed to have occurred on the Transaction Agreement Date and be outstanding thereafter for purposes of calculating any baskets or ratios under this Indenture after the Transaction Agreement Date and before the date of consummation of such Limited Condition Transaction and (f) Consolidated Interest Expense and Fixed Charges for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate based on the indicative interest margin (without giving effect to any step-ups) contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Testing Party in good faith. In addition, compliance with any requirement relating to absence of Default or Event of Default may be determined as of the Transaction Agreement Date and not as of any later date as would otherwise be required hereunder, except as contemplated by clause (c) of the immediately preceding sentence.

(b) Notwithstanding anything to the contrary, in connection with a Testing Party's election to use a Transaction Agreement Date in connection with a Limited Condition Transaction, any reference to "date of incurrence, "time of incurrence," "date of determination" or other similar phrases with respect to the date or time an action is taken or when a calculation with respect to taking such action is made herein will mean the Transaction Agreement Date.

(c) In the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken on the same date that any other item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any other Lien is incurred or other transaction is undertaken, then the Fixed Charge Coverage Ratio, Total Net Leverage Ratio and Senior Secured Net Leverage Ratio will be calculated with respect to such incurrence, issuance or other transaction without regard to any other incurrence, issuance or transaction. Each item of Indebtedness, Disqualified Stock or Preferred Stock that is incurred or issued, each Lien incurred and each other transaction undertaken will be deemed to have been incurred, issued or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Total Net Leverage Ratio and Senior Secured Net Leverage Ratio. In the event Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on any ratio-based basket such action will be deemed incurred under the ratio-based portion of such basket and shall not utilize any dollar-based portion of such basket.

(d) Any action (including the incurrence or issuance of Indebtedness, Disqualified Stock or Preferred Stock, the incurrence of Lien incurred, the making of an Asset Sale, Restricted Payment or Investment and each other transaction undertaken) that is incurred, issued or taken pursuant to a basket based on Run-Rate Adjusted EBITDA will be deemed incurred under the basket based onRun-Rate Adjusted EBITDA and shall not utilize any dollar-based portion of such basket.

(e) To the extent the date of delivery of any document required to be delivered pursuant to any provision of this Indenture falls on a day that is not a Business Day, the applicable date of delivery shall be deemed to be the next succeeding Business Day.

(f) For purposes of determining the maturity date of any Indebtedness, customary bridge loans, extendable bridge loans or other interim debt subject to customary conditions that would be extended as, converted into or required to be exchanged for permanent refinancing either automatically or subject to customary conditions (including no payment or bankruptcy event of default) shall be deemed to have the maturity date as so extended, converted or exchanged.

(g) For purposes of covenant compliance, the amount of any Investment shall be the amount actually invested, without adjustment for subsequent increases or decreases in the value of such Investment but giving effect to any returns or distributions of capital or repayment of principal actually received in cash by such Person with respect thereto.

(h) Notwithstanding anything to the contrary herein, so long as an action was taken (or not taken) in reliance upon a basket, ratio or financial metric that was calculated or determined in good faith by a responsible financial or accounting officer of the Issuer or any Parent Company of the Issuer based upon financial information available to such officer at such time and such action (or inaction) was permitted under this Indenture at the time of such calculation or determination, any subsequent restatement, modification or adjustments made to such financial information (including any restatement, modification or adjustment that would have caused such basket or ratio to be exceeded as a result of such action or inaction) shall not result in any Default or Event of Default.

The Bank Administrative Agent may grant extensions of time under the Senior Credit Agreement. To the extent the Bank Administrative Agent grants such extensions, such extension will be automatically granted under this Indenture.

ARTICLE II

THE NOTES

SECTION 2.01. Form and Dating; Terms.

(a) General. The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A attached hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rules or usage. Each Note shall be dated the date of its authentication. The Notes shall be issued initially in minimum denominations of $2,000 and any integral multiple of $1,000 in excess of $2,000.

(b) Global Notes. Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified in the "Schedule of Exchanges of Interests in the Global Note" attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) Temporary Global Notes. Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Regulation S Temporary Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian and registered in the name of the Depositary or the nominee of the Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided.

Following (i) the termination of the applicable Restricted Period and (ii) the receipt by the Trustee of (A) a certification or other evidence in a form reasonably acceptable to the Issuer of non-United States beneficial ownership of 100% of the aggregate principal amount of each Regulation S Temporary Global Note (except to the extent of any beneficial owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who shall take delivery of a beneficial ownership interest in a 144A Global Note or an IAI Global Note bearing a Private Placement Legend, all as contemplated by Section 2.06(b) hereof) and (B) an Officer's Certificate from the Issuer, the Trustee shall remove the Regulation S Temporary Global Note Legend from the Regulation S Temporary Global Note, following which temporary beneficial interests in the Regulation S Temporary Global Note shall automatically become beneficial interests in the Regulation S Permanent Global Note pursuant to the Applicable Procedures.

The aggregate principal amount of a Regulation S Temporary Global Note and a Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(d) Terms. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Issuer pursuant to an Asset Sale Offer as provided in Section 4.10 or a Change of Control Offer as provided in Section 4.14. The Notes shall not be redeemable, other than as provided in Article III hereof.

Additional Notes ranking pari passu with the Initial Notes may be created and issued from time to time by the Issuer without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise as the Initial Notes except that interest may accrue on the Additional Notes from their date of issuance (or such other date specified by the Issuer); *provided* that the Issuer's ability to issue Additional Notes shall be subject to the Issuer's compliance with Section 4.09 and that a separate CUSIP or ISIN will be issued for Additional Notes, unless the Initial Notes and Additional Notes are treated as fungible, for U.S. federal income tax purposes, with the Initial Notes or any other Additional Notes bearing the same CUSIP or ISIN. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

(e) Euroclear and Clearstream Applicable Procedures. The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Notes that are held by Participants through Euroclear or Clearstream and this Indenture shall not govern such transfers.

SECTION 2.02. Execution and Authentication. At least one Officer shall execute the Notes on behalf of the Issuer by manual, facsimile or electronic (in ".pdf" format) signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall nevertheless be valid.

A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto, by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

On the Issue Date, the Trustee shall, upon receipt of an Issuer's Order (an "Authentication Order"), authenticate and deliver the Initial Notes in the aggregate principal amount or amounts specified in such Authentication Order. In addition, at any time, from time to time, the Trustee shall, upon receipt of an Authentication Order, authenticate and deliver any Additional Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes issued or increased hereunder.

The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer.

SECTION 2.03. Registrar, Transfer Agent and Paying Agent. The Issuer shall maintain (i) an office or agency where Notes may be presented for registration ("Registrar") (ii) an office or agency where Notes may be presented for transfer or for exchange ("Transfer Agent") and (iii) an office or agency where Notes may be presented for payment ("Paying Agent"). The Registrar shall keep a register of the Notes ("Note Register") and of their transfer and exchange. The registered Holder will be treated as the owner of the Note for all purposes. Only registered Holders will have rights under this Indenture and the Notes. The Issuer may appoint one or more co-registrars, one or more co-transfer agents and one or more additional paying agents. The term "Registrar" includes any co-registrar, the term "Transfer Agent" includes any co-transfer agent and the term "Paying Agent" includes any additional paying agents. The Issuer may change any Paying Agent, Transfer Agent or Registrar without prior notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar, Transfer Agent or Paying Agent, the Trustee shall act as such. The Issuer or any of its Subsidiaries may act as Paying Agent, Transfer Agent or Registrar.

The Issuer initially appoints The Depository Trust Company ("DTC") to act as Depositary with respect to the Global Notes.

The Issuer initially appoints the Trustee to act as the Paying Agent, Transfer Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

If any Notes are listed on an exchange, for so long as the Notes are so listed and the rules of such exchange so require, the Issuer will satisfy any requirement of such exchange as to paying agents, registrars and transfer agents and will comply with any notice requirements required under such exchange in connection with any change of any paying agent, registrar or transfer agent.

SECTION 2.04. Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee for its own benefit and for the benefit of the Holders. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee for its own benefit and for the benefit of the Holders. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or a Subsidiary or the Trustee) shall have no further liability for the money. If the Issuer or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

SECTION 2.06. Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. Except as otherwise set forth in this Section 2.06, a Global Note may be transferred, in whole and not in part, only to another nominee of the Depositary or to a successor thereto or a nominee of such successor thereto. A beneficial interest in a Global Note may not be exchanged for a Definitive Note of the same series unless (i) the Depositary (x) notifies the Issuer that it is unwilling or unable to continue as Depositary for such Global Note or (y) has ceased to be a clearing agency registered under the Exchange Act, and, in either case, a successor Depositary is not appointed by the Issuer within 90 days, (ii) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of Definitive Notes and any Participant requests a Definitive Note in accordance with the Applicable Procedures (although Regulation S Temporary Global Notes at the Issuer's election pursuant to this clause may not be exchanged for Definitive Notes other than pursuant to Rule 903(b)(3)(ii)(B) of Regulation S) or (iii) upon the request of a Holder if there shall have occurred and be continuing an Event of Default with respect to the Notes. Upon the occurrence of any of the events in clauses (i), (ii) or (iii) above, Definitive Notes delivered in exchange for any Global Note of the same series or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depositary (in accordance with its customary procedures). Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note of the same series or any portion thereof, pursuant to this Section 2.06 or Sections 2.07 or 2.10 hereof, shall be authenticated and delivered

in the form of, and shall be, a Global Note, except for Definitive Notes issued subsequent to any of the events in (i), (ii) or (iii) above and pursuant to Section 2.06(c) hereof. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a); *provided, however*, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c) or (f) hereof.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided* that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person other than pursuant to Rule 144A or another available exemption from the registration requirements of the Securities Act. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) hereof, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note of the same series in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above; *provided* that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Temporary Global Note prior to (x) the expiration of the Restricted Period therefor and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B). Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(h) hereof.

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(ii) hereof and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; or

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(ii) hereof and:

(2) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note of the same series, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (5) thereof;

and, in each such case set forth in this subparagraph (D), if the Registrar or the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (D) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (D) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests for Definitive Notes

(i) Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon the occurrence of any of the events in clauses (i), (ii) and (iii) of Section 2.06(a) hereof and receipt by the Registrar of the following documentation:

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(h) hereof, and the Issuer shall execute and the Trustee shall authenticate and mail to the Person designated in the instructions a Definitive Note in the applicable principal amount. The Trustee shall mail such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c)(i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(ii) Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes. Notwithstanding Sections 2.06(c)(i)(A) and (C) hereof, a beneficial interest in the Regulation S Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) of the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(iii) Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes. A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only upon the occurrence of any of the events in clause (i) of Section 2.06(a) hereof and if:

(D) the Registrar receives the following:

(1) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder substantially in the form of Exhibit C hereto, including the certifications in item (1) (b) thereof; or

(2) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder substantially in the form of Exhibit B hereto, including the certifications in item (5) thereof;

The Issuer and the Trustee shall charge the Holder for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

SECTION 2.08. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer or a Guarantor or an Affiliate of the Issuer or a Guarantor holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuer or a Guarantor or an Affiliate of the Issuer or a Guarantor) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09. Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or a Guarantor or by any Affiliate of the Issuer or a Guarantor, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to such pledged Notes and that the pledgee is not the Issuer or a Guarantor or any Affiliate of the Issuer or a Guarantor.

SECTION 2.10. Temporary Notes. Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the cancellation of all surrendered Notes shall be delivered to the Issuer at the Issuer's written request. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make

arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed any such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Issuer of any such special record date. At least 15 days before any such special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or cause to be mailed, first-class postage prepaid, or otherwise deliver in accordance with the Applicable Procedures, to each Holder, with a copy to the Trustee, a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP/ISIN Numbers. The Issuer in issuing the Notes may use CUSIP and ISIN numbers (in each case, if then generally in use) and, if so, the Trustee shall use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will as promptly as practicable notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

(g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(h) the CUSIP and ISIN number, if any, printed on the Notes being redeemed and that no representation is made as to the correctness or accuracy of any such CUSIP and ISIN number that is listed in such notice or printed on the Notes; and

(i) if such redemption or purchase is subject to satisfaction of one or more conditions precedent, a description of such conditions and, if applicable, will state that, in the Issuer's discretion, the Redemption Date may be delayed until such time (including more than 90 days after the date the redemption notice was mailed or delivered, including by electronic transmission) as any or all such conditions are satisfied (or waived by the Issuer in its sole discretion), or such redemption or purchase may not occur and such notice may be rescinded or modified in the event that any or all such conditions are not satisfied (or waived by the Issuer in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied.

At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at its expense*provided* that the Issuer shall have delivered to the Trustee, at least two Business Days before notice of redemption is required to be delivered, mailed or caused to be mailed to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

The Issuer may redeem Notes pursuant to one or more of the Sections of this Indenture, and a single redemption notice may be delivered with respect to redemptions made pursuant to different Sections. Any such notice may provide that redemptions made pursuant to different Sections will have different Redemption Dates.

The Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person. If any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of any such notice of redemption and the principal amount of any Notes outstanding following any partial redemption of such Notes. In no event will the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of Notes eligible hereunder to be redeemed. Notes will remain outstanding until redeemed, notwithstanding that they have been called for redemption or are subject to a notice of redemption.

SECTION 3.04. Effect of Notice of Redemption. Once notice of redemption is delivered in accordance withSection 3.03 hereof, subject to satisfaction of any conditions precedent relating thereto specified in the applicable notice of redemption, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price, except as set forth in Section 3.03(i). The notice, if delivered, mailed or caused to be mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the Redemption Date, interest shall cease to accrue on Notes or portions of Notes called for redemption.

SECTION 3.05. Deposit of Redemption Price.

(a) Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Issuer complies with the provisions of the preceding paragraph (a), on and after the Redemption Date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

SECTION 3.06. Notes Redeemed in Part. Upon surrender of a Definitive Note that is redeemed in part, upon request the Issuer shall issue and the Trustee shall authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed portion of the Note surrendered representing the same indebtedness to the extent not redeemed; *provided*, that each new Note will be in a principal amount of $2,000 and any integral multiple of $1,000 in excess of $2,000. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

SECTION 3.07. Optional Redemption.

(a) At any time prior to February 1, 2023, the Issuer may, at its option, on one or more occasions redeem all or a part of the Notes, upon notice as described under Section 3.03 hereof, at a redemption price (as calculated by the Issuer) equal to the sum of (i) 100.0% of the principal amount of the Notes redeemed, *plus* (ii) the Applicable Premium calculated as of the date the notice of redemption is given *plus* (iii) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(b) At any time prior to February 1, 2023, the Issuer may, at its option and on one or more occasions, redeem, upon notice as described under Section 3.03 hereof, up to 40.0% of the aggregate principal amount of Notes and Additional Notes issued under this Indenture at a redemption price (as calculated by the Issuer) equal to the sum of (i) 108.000% of the aggregate principal amount thereof, with an amount equal to or less than the cash proceeds less underwriting fees from one or more Equity Offerings to the extent such cash proceeds are received by or contributed to the Issuer, *plus* (ii) accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date; *provided*, (A) at least

50.0% of the aggregate principal amount of Notes originally issued under this Indenture on the Issue Date (and excluding any Additional Notes issued under this Indenture after the Issue Date) remains outstanding immediately after the occurrence of each such redemption (except to the extent otherwise repurchased or redeemed (or to be repurchased or redeemed) in accordance with the terms of this Indenture); (B) that for purposes of calculating the principal amount of the Notes able to be redeemed with such cash proceeds of such Equity Offering or Equity Offerings, such amount shall include the principal amount of the Notes to be redeemed plus the premium on such Notes to be redeemed; and (C) each such redemption occurs within 180 days of the date of closing of each such Equity Offering or contribution.

(c) In connection with any tender offer or other offer to purchase the Notes (including a Change of Control Offer, Alternate Offer or Asset Sale Offer), if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in such offer and the Issuer, or any third party making such offer in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, all of the Holders will be deemed to have consented to such tender offer or other offer to purchase and, accordingly, the Issuer or such third party will have the right upon notice, given not more than 90 days following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such tender offer or other offer to purchase (which may be less than par and shall exclude any early tender premium and any accrued and unpaid interest paid to any Holder in such offer payment), *plus*, to the extent not included in the offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Redemption Date.

(d) Except pursuant to clause (a), (b) or (c) of this Section 3.07, the Notes will not be redeemable at the Issuer's option prior to February 1, 2023.

(e) On and after February 1, 2023, the Issuer may, at its option redeem the Notes, in whole or in part, on one or more occasions, upon notice as described under Section 3.03 hereof, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on February 1 of each of the years indicated below:

Year	Percentage
2023	104.000%
2024	102.000%
2025 and thereafter	100.000%

(f) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

(g) In addition to any redemption pursuant to this Section 3.07, the Issuer or its Affiliates may at any time and from time to time acquire Notes by means other than a redemption or offer to purchase, whether by tender offer, in the open market, negotiated transaction or otherwise.

(h) Any notice of redemption made in connection with a related transaction or event (including an Equity Offering, contribution, Change of Control, Asset Sale or other transaction) may, at the Issuer's discretion, be given prior to the completion or the occurrence thereof, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, the completion or occurrence of the related transaction or event, as the case may be.

SECTION 3.08. Mandatory Redemption. The Issuer will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

SECTION 3.09. Offers to Repurchase by Application of Excess Proceeds.

(a) In the event that, pursuant to Section 4.10 hereof, the Issuer shall be required to commence an Asset Sale Offer, it shall follow the procedures specified below.

(b) The Asset Sale Offer shall remain open for a period of 10 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than five Business Days after the termination of the Offer Period (the "Purchase Date"), the Issuer shall apply all Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) (the "Offer Amount") to the purchase of Notes and, if required, Pari Passu Indebtedness (on a *pro rata* basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness tendered in response to the Asset Sale Offer, in each case in accordance with Section 4.10 hereof. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, up to but excluding the Purchase Date, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(d) Upon the commencement of an Asset Sale Offer, the Issuer shall deliver electronically or send, by first-class mail, postage prepaid, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders and holders of such Pari Passu Indebtedness in accordance with Section 4.10 hereof. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

(i) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest on and after the Purchase Date;

(v) that any Holder electing to have less than all of the aggregate principal amount of its Notes purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in an amount not less than $2,000 and integral multiples of $1,000 in excess thereof;

(vi) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Note completed, or transfer such Note by book-entry transfer, to the Issuer, the Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least two Business Days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Note purchased;

(viii) that, if the aggregate principal amount (or accreted value, as applicable) of Notes and/or Pari Passu Indebtedness surrendered by the holders thereof exceeds the Offer Amount, the Trustee will select the Notes to be purchased in accordance with Section 3.02 and the Issuer (or the agents or trustees of such Pari Passu Indebtedness) will select such Pari Passu Indebtedness to be purchased pursuant to the terms of such Pari Passu Indebtedness; *provided*, as between the Notes and any Pari Passu Indebtedness, such purchases will be made on a*pro rata* basis based on the accreted value or principal amount of the Notes and such Pari Passu Indebtedness tendered with adjustments as necessary so that no Notes or Pari Passu Indebtedness will be repurchased in part in an unauthorized denomination; and

(ix) that Holders whose certificated Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer) representing the same indebtedness to the extent not repurchased.

(e) On or before the Purchase Date, the Issuer shall, to the extent lawful, (1) accept for payment, on a*pro rata* basis as described in clause (d)(viii) of this Section 3.09, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered and (2) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof so tendered.

(f) The Issuer, the Depositary or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes properly tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate and mail or deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered representing the same indebtedness to the extent not repurchased. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Asset Sale Offer on or as soon as practicable after the Purchase Date.

(g) Prior to 11:00 a.m. (New York City time) on the Purchase Date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the purchase price of and accrued and unpaid interest on all Notes to be purchased on that purchase date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the purchase price of, and accrued and unpaid interest on, all Notes to be redeemed.

Other than as specifically provided in this Section 3.09 or Section 4.10 hereof, any purchase pursuant to this Section 3.09 shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06 hereof, and references therein to "redeem," "redemption," "Redemption Date" and similar words shall be deemed to refer to "purchase," "repurchase," "Purchase Date" and similar words, as applicable.

ARTICLE IV

COVENANTS

SECTION 4.01. Payment of Notes. The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer or a Guarantor or an Affiliate of the Issuer or a Guarantor, holds as of 11:00 a.m. New York City time on the due date money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Issuer shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Laws) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; the Issuer shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Laws) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 4.02. Maintenance of Office or Agency. The Issuer shall maintain the offices or agencies (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or Transfer Agent) required under Section 2.03 hereof where Notes may be surrendered for registration of transfer or for exchange or presented for payment and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided* that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain such offices or agencies as required by Section 2.03 hereof for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

SECTION 4.03. Reports and Other Information.

(a) So long as any Notes are outstanding, the Issuer will furnish to the Holders:

(i) (A) all annual and quarterly financial statements of the Issuer substantially in the forms that would be required to be contained in a filing with the SEC on Forms 10-K and 10-Q (solely with respect to the first three fiscal quarters of each fiscal year), if the Issuer were required to file such forms on the Issue Date, and a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and (B) with respect to the annual financial statements only, a report on the annual financial statements by the Issuer's independent registered public accounting firm; and

(ii) promptly from time to time after the occurrence of an event required to be therein reported, such other information containing substantially the same information that would be required to be contained in filings with the SEC on Form 8-K under Items: 1.03 (*Bankruptcy or Receivership*); 2.01 (*Completion of Acquisition or Disposition of Assets*); 2.03 (*Creation of a Direct Financial Obligation or an Obligation under anOff-Balance Sheet Arrangement of a Registrant*); 4.02 (*Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review*); 5.01 (*Changes in Control of Registrant*); 5.02(a)(1) (*Resignation of Director due to Disagreement with Registrant*); 5.02(c)(1) (*Name and Position of Newly Appointed Officer and Date of Appointment*); and 5.03(b) (*Changes in Fiscal Year*), each as in effect on the Issue Date if the Issuer were required to file such reports;

provided, *however*,

(1) no such current report will be required to include as an exhibit or summary of terms of, any employment or compensatory arrangement agreement, plan or understanding between the Issuer (or any of its Subsidiaries or any Parent Company) and any director, manager or executive officer, of the Issuer (or any of its Subsidiaries or any Parent Company);

(2) in no event will such reports be required to comply with Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307, 308 and 308T of Regulation S-K;

(3) in no event will such reports be required to comply with Rule 3-10 of Regulation S-X promulgated by the SEC or contain separate financial statements for the Issuer, the Guarantors or other Subsidiaries the shares of which may be pledged to secure the Notes or any Guarantee that would be required under (A) Section 3-09 of Regulation S-X or (B) Section 3-16 of Regulation S-X, respectively, promulgated by the SEC;

(4) in no event will such reports be required to comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-GAAP financial measures contained therein;

(5) no such reports referenced under clause (ii) above will be required to be furnished if the Issuer determines in its good faith judgment that such event is not material to the Holders or the business, assets, operations or financial position of the Issuer and its Restricted Subsidiaries, taken as a whole;

(6) in no event will reports referenced in clause (i) or (ii) above be required to include as an exhibit copies of any agreements, financial statements or other items that would be required to be filed as exhibits to an annual report on Form 10-K, a quarterly report on Form 10-Q or a current report on Form 8-K;

(7) in no event will reports delivered prior to the completion of the first full fiscal year following the Issue Date be required to comply with Regulation S-X of the SEC, give *pro forma* effect to the Transactions or the Refinancing Transactions;

(8) trade secrets and other confidential information that is competitively sensitive in the good faith and reasonable determination of the Issuer may be excluded from any disclosures; and

(9) if at any time the Issuer or any Parent Company of the Issuer or a Qualified Reporting Subsidiary has made a good faith determination to file a registration statement with the SEC with respect to an Equity Offering of such entity's Equity Interests, the Issuer will still be required to provide reports pursuant to this Section 4.03 but the content of such reports will not be required to disclose any information that, in the good faith view of the Issuer or a Parent Company of the Issuer, would violate the securities laws or the SEC's "gun jumping" rules or otherwise have an adverse effect on such Equity Offering.

(b) All such annual reports will be furnished within 120 days after the end of the fiscal year to which they relate, and all such quarterly reports will be furnished within 60 days after the end of the fiscal quarter to which they relate. The financial statements required to be provided under this Section 4.03 may be prepared pursuant to GAAP as in effect from time to time.

(c) Notwithstanding anything herein to the contrary, the Issuer will not be deemed to have failed to comply with any of its obligations under this Section 4.03 for purposes of Section 6.01(c) hereof until 180 days after the date any report is due under this Section 4.03.

(d) The Issuer will make available such information and such reports to the Trustee under this Indenture, to any Holder and, upon request, to any beneficial owner of the Notes, in each case by posting such information on the website of the Issuer or any Parent Company, on Intralinks or any comparable password-protected online data system that will require a confidentiality acknowledgment, and will make such information readily available to any Holder, any bona fide prospective investor in the Notes (which prospective investors will be limited to "qualified institutional buyers" within the meaning of Rule 144A of the Securities Act that certify their status as such to the reasonable satisfaction of the Issuer), any bona fide securities analyst (to the extent providing analysis of investment in the Notes to investors and prospective investors therein) or any bona fide market maker in the Notes who agrees to treat such information as confidential or accesses such information on Intralinks or any comparable password-protected online data system that will require a confidentiality acknowledgment; *provided*, the Issuer will post such information thereon and make readily available any password or other login information to any such Holder, prospective investor, securities analyst or market maker; provided, further, however, the Issuer may deny access to any competitively-sensitive information otherwise to be provided pursuant to this paragraph to any such Holder, prospective investor, security analyst or market maker that is a competitor of the Issuer and its Subsidiaries, or an affiliate of such a competitor (other than any affiliate that is a bona fide bank debt fund, distressed asset fund, hedge fund, mutual fund, insurance company, financial institution or investment vehicle engaged in the business of investing in, acquiring or trading commercial loans, bonds and similar extensions of credit in the ordinary course (and not organized primarily for the purpose of making equity investments)) to the extent that the Issuer determines in good faith that the provision of such information to such Person would be competitively harmful to the Issuer and its Subsidiaries; and *provided*, *further*, that such Holders, prospective investors, security analysts or market makers will agree to (1) treat all such reports (and the information contained therein) and information as confidential, (2) not use such reports and the information contained therein for any purpose other than their investment or potential investment in the Notes and (3) not publicly disclose or distribute to any competitor any such reports (and the information contained therein).

(e) The Issuer will be deemed to have furnished the reports in Sections 4.03.a)i) and (ii) if the Issuer, any Qualified Reporting Subsidiary or any Parent Company has filed reports containing such information with the SEC.

(f) To the extent any information is not provided within the time periods specified in this Section 4.03 and such information is subsequently provided, the Issuer will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto will be deemed to have been cured.

(g) The Issuer shall use its commercially reasonable efforts, consistent with its judgment as to what is prudent at the time, to participate in quarterly conference calls (which may be a single conference call together with investors holding other securities or Indebtedness of the Issuer and/or its Restricted Subsidiaries and/or any Parent Company of the Issuer and may be held prior to such time that the annual or quarterly information and reports required by Section 4.03(a) are furnished to Holders) to discuss operating results and related matters. The Issuer shall issue a press release or post to the website of the Issuer or any Parent Company or on Intralinks or any comparable password protected online data system, which will provide the date and time of any such call and information on how to obtain access to the conference call or will direct Holders, prospective investors and securities analysts to contact the investor relations office of the Issuer to obtain access to the conference call.

(h) Notwithstanding the foregoing, the financial statements, information, auditors' reports and other documents and information required to be provided pursuant to Section 4.03(a) may be, rather those of the Issuer, those of (i) any predecessor or successor of the Issuer or any entity meeting the requirements of Section 4.03(h)(ii) or (iii), (ii) any Wholly-Owned Restricted Subsidiary of the Issuer that, together with its consolidated Subsidiaries, constitutes substantially all of the assets of the Issuer and its consolidated Subsidiaries ("Qualified Reporting Subsidiary") or (iii) any Parent Company of the Issuer; *provided* that, if the financial information required to be provided pursuant to clause (i) or (ii) of Section 4.03(a) relates to such Qualified Reporting Subsidiary of the Issuer or such Parent Company of the Issuer that has Independent Assets and Operations and there are material differences between the financial information of the Issuer and such Qualified Reporting Subsidiary of the Issuer or such Parent Company of the Issuer that has Independent Assets and Operations, such financial information will be accompanied by consolidating information, which may be posted to the website of the Issuer or any Parent Company or on Intralinks or any comparable password protected online data system or otherwise provided in accordance with Section 4.03(d), that explains in reasonable detail (in the good faith judgment of the Issuer) the material differences between the information relating to such Qualified Reporting Subsidiary or such Parent Company (as the case may be), on the one hand, and the information relating to the Issuer and its Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited or reviewed.

(i) It is understood that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been posted on the Issuer's website. The posting or delivery of any such information, documents and reports to the Trustee is for informational purposes only and the Trustee's receipt of such information, documents and reports shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of the covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate). The Trustee shall have no duty to review or analyze reports, information and documents delivered to it. Additionally, the Trustee shall not be obligated to monitor or confirm, on a continuing basis or otherwise, the Issuer's compliance with the covenants or with respect to any reports or other documents filed with any protected online data system, or participate on any conference calls.

SECTION 4.04. Compliance Certificate.

(a) The Issuer shall deliver to the Trustee, within 90 days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2021) ending after the Issue Date, a certificate from the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Issuer and its Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Issuer has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge the Issuer has kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture during such fiscal year and is not in Default in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action the Issuer is taking or proposes to take with respect thereto).

(b) When any Default has occurred and is continuing under this Indenture, or if the Trustee or the holder of any other evidence of Indebtedness of the Issuer or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Issuer shall promptly (which shall be no more than thirty (30) days after becoming aware of such Default, unless such Default has been cured, waived or is no longer continuing within such 30-day period) deliver to the Trustee by registered or certified mail or by facsimile transmission an Officer's Certificate specifying such event and what action the Issuer proposes to take with respect thereto.

SECTION 4.05. Taxes. The Issuer shall pay or discharge, and shall cause each of its Restricted Subsidiaries to pay or discharge, prior to delinquency, all material taxes, lawful assessments, and governmental levies except such as are contested in good faith and by appropriate actions or where the failure to effect such payment or discharge is not adverse in any material respect to the Holders.

SECTION 4.06. Stay, Extension and Usury Laws. The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant (to the extent that they may lawfully do so) that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. Limitation on Restricted Payments.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(i) declare or pay any dividend or make any payment or distribution on account of the Issuer's or any Restricted Subsidiary's Equity Interests (in each case, solely in such Person's capacity as holder of such Equity Interests), including any dividend or distribution payable in connection with any merger, amalgamation or consolidation other than:

(i) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) at any time, whether at the time of incurrence or upon the application of all or a portion of the proceeds thereof or subsequently, meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (i) through (xxxiii) of Section 4.09(b) or is entitled to be incurred pursuant to Section 4.09(a), the Issuer, in its sole discretion, may divide and classify and may subsequently re-divide and reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock (or a portion thereof) in such of the above clauses or under Section 4.09(a) as determined by the Issuer at such time, including any division, classification, redivision and reclassification among any ratio-based baskets, dollar-based baskets and baskets based on Run-Rate Adjusted EBITDA; *provided*, all Indebtedness outstanding under the Credit Facilities on the Issue Date will, at all times, be treated as incurred on the Issue Date under Section 4.09(b)(i)(A) and may not be reclassified;

(ii) the Issuer is entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in Section 4.09(a) and Section 4.09(b), subject to the proviso to Section 4.09(c)(i);

(iii) the principal amount of Indebtedness and the amount of Disqualified Stock or Preferred Stock outstanding under any clause of this Section 4.09 will be determined after giving effect to the application of proceeds of any such Indebtedness, Disqualified Stock or Preferred Stock to refinance any such other Indebtedness, Disqualified Stock or Preferred Stock;

(iv) in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued pursuant to Section 4.09(b) on the same date that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued under Section 4.09(a), clause (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b), then the Fixed Charge Coverage Ratio, or applicable leverage ratio, will be calculated with respect to such incurrence under Section 4.09(a), clause (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b) without regard to any incurrence under Section 4.09(b) (other than with respect to any incurrence under clause (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b)). Unless the Issuer elects otherwise, the incurrence of Indebtedness, Disqualified Stock or Preferred Stock will be deemed incurred or issued first under Section 4.09(a), clause (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b) to the extent permitted, with the balance incurred under Section 4.09(b) (other than pursuant to clause (3) or (4) of the Permitted Incremental Amount under clause (i)(B) or clause (xxxi) of Section 4.09(b)); and

(v) guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness that will not be included in the determination of such amount of Indebtedness; *provided* that the incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was incurred in compliance with this Section 4.09.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount, and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, will, in each case, not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock or Preferred Stock for purposes of this Section 4.09. Any Indebtedness incurred to refinance Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to Sections 4.09(b)(ii), (iii), (iv), (xii), (xiii), (xiv) and (xxiii) will be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest and dividends and premiums (and with respect to Indebtedness under Designated Revolving Commitments, including an amount equal to any unutilized Designated Revolving Commitments being refinanced to the extent permanently terminated at the time of incurrence of such Refinancing Indebtedness and reasonable tender premiums), defeasance costs and fees and expenses incurred in connection with such refinancing.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the U.S. dollar-equivalent principal amount of Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; *provided* if such Indebtedness is incurred or Disqualified Stock or Preferred Stock is issued, to refinance other Indebtedness, Disqualified Stock or Preferred Stock, as applicable, denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (1) the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced *plus* (2) the aggregate amount of accrued but unpaid interest, fees, underwriting discounts, defeasance costs, premiums (including tender premiums) and other costs and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount of any Indebtedness incurred or Disqualified Stock or Preferred Stock issued to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness, Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Issuer dated such date prepared in accordance with GAAP.

The Issuer will not, and will not permit any Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is contractually subordinated or junior in right of payment to any Indebtedness of the Issuer or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Issuer or such Guarantor, as the case may be.

For purposes of this Indenture, (1) unsecured Indebtedness will not be deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured, (2) Indebtedness will not be deemed to be subordinated or junior to any other Indebtedness merely because it is issued or guaranteed by other obligors or (3) Secured Indebtedness will not be deemed to be subordinated or junior to any other Secured Indebtedness merely because it has a junior priority Lien with respect to the same collateral.

If any Indebtedness is refinanced in reliance on a basket measured by reference to a percentage ofRun-Rate Adjusted EBITDA, and such refinancing would cause the percentage of Run-Rate Adjusted EBITDA to be exceeded if calculated based on the Run-Rate Adjusted EBITDA on the date of such refinancing, such percentage of Run-Rate Adjusted EBITDA will not be deemed to be exceeded to the extent the principal amount of such obligations secured by such newly incurred Indebtedness does not exceed the sum of (i) the principal amount of such Indebtedness being refinanced, *plus* (ii) the related costs incurred or payable in connection with such refinancing

SECTION 4.10. Asset Sales.

(a) The Issuer will not, and will not permit any Restricted Subsidiary to, consummate an Asset Sale, unless:

(i) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, in connection with such Asset Sale) at least equal to the fair market value (measured at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, at least 75.0% of the consideration for such Asset Sale, together with all other Asset Sales since the Issue Date (on a cumulative basis), received by the Issuer or a Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided*, each of the following will be deemed to be cash or Cash Equivalents for purposes of this Section 4.10(a)(ii):

(A) any liabilities (as shown on the Issuer's or a Restricted Subsidiary's most recent balance sheet or in the footnotes thereto or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer's or a Restricted Subsidiary's consolidated balance sheet or in the footnotes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Issuer) of the Issuer or any Restricted Subsidiary, other than liabilities that are by their terms subordinated in right of payment to the Notes or any Guarantor's Guarantee of the Notes, that (i) are assumed by the transferee of any such assets (or a third party in connection with such transfer) or (ii) are otherwise cancelled or terminated in connection with the transaction with such transferee (other than intercompany debt owed to the Issuer or a Restricted Subsidiary);

(B) any securities, notes or other obligations or assets received by the Issuer or a Restricted Subsidiary from such transferee or in connection with such Asset Sale (including earnouts and similar obligations) that are converted by the Issuer or a Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of such Asset Sale;

(C) any Designated Non-cash Consideration received by the Issuer or a Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (C) that is at that time outstanding, not to exceed the greater of (x) $120.0 million and (y) 30% of Run-Rate Adjusted EBITDA of the Issuer for the most recently ended Test Period on the date of the receipt of such Designated Non-cash Consideration (or, at the Issuer's option, at the time of contractually agreeing to such Asset Sale), with the fair market value of each item of Designated Non-cash Consideration being measured, at the Issuer's option, either at the time of contractually agreeing to such Asset Sale or at the time received and, in either case, without giving effect to subsequent changes in value;

(D) Indebtedness of any Restricted Subsidiary that ceases to be a Restricted Subsidiary as a result of such Asset Sale (other than intercompany debt owed to the Issuer or a Restricted Subsidiary), to the extent that the Issuer and each other Restricted Subsidiary are released from any guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Sale; and

(E) any Investment, Capital Stock, assets, property or capital or other expenditure of the kind referred to in Section 4.10(c)(ii).

(b) [Reserved].

(c) Within 545 days after the receipt of any Net Proceeds of any Asset Sale (as may be extended pursuant to clause (ii) below, the "Asset Sale Proceeds Application Period"), the Issuer or a Restricted Subsidiary, at its option, may apply an amount up to the Net Proceeds from such Asset Sale (other than Excluded Proceeds):

(i) to repay:

(A) Obligations in respect of a Credit Facility (including the Senior Credit Facilities) incurred under Section 4.09(b)(i) and, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto, *provided*, in the case of this clause (A), if the holder of any Indebtedness of the Issuer or a Restricted Subsidiary declines the repayment of such Indebtedness owed to it from such Net Proceeds, such amount will be deemed repaid to the extent of the declined Net Proceeds;

(B) Obligations in respect of Secured Indebtedness of the Issuer or a Restricted Subsidiary, other than Indebtedness owed to the Issuer or a Restricted Subsidiary, and in the case of revolving obligations, to correspondingly reduce commitments with respect thereto, *provided*, in the case of this clause (A), (i) if an offer to purchase any Indebtedness of the Issuer or any Restricted Subsidiary is made, such amount will be deemed repaid to the extent of the amount of such offer, whether or not accepted by the holders of such Indebtedness, and no Net Proceeds in the amount of such offer will be deemed to exist following such offer, and (ii) if the holder of any Indebtedness of the Issuer or a Restricted Subsidiary declines the repayment of such Indebtedness owed to it from such Net Proceeds, such amount will be deemed repaid to the extent of the declined Net Proceeds;

(C) Obligations in respect of the Notes or any other Indebtedness (other than Subordinated Indebtedness) of the Issuer or any Restricted Subsidiary; *provided*, if the Issuer or any Restricted Subsidiary will so repay any such Indebtedness (which for the avoidance of doubt does not include Indebtedness repaid or to be repaid under clauses (A), (B) or (D) of this Section 4.10(c)(i)) other than the Notes, the Issuer will reduce Obligations under the Notes on a *pro rata* basis by, at its option, (i) redeeming Notes as described under Section 3.07, (ii) purchasing Notes through open-market purchases at a price equal to (or higher than) 100% of the principal amount thereof (or 100% of the accreted value thereof, if less), or (iii) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes on a *pro rata* basis with such other Indebtedness for no less than 100% of the principal amount thereof (or 100% of the accreted value thereof, if less), *plus* the amount of accrued but unpaid interest, if any, on the principal amount of Notes to be repurchased to the date of repurchase; or

(D) Obligations in respect of Indebtedness of a Restricted Subsidiary that is not a Guarantor, or make an offer to repay such Obligations, other than Indebtedness owed to the Issuer or a Restricted Subsidiary;

provided, further, in the case of clause (C) above, (i) if an offer to purchase any Indebtedness of the Issuer or any Restricted Subsidiary is made, such amount will be deemed repaid to the extent of the amount of such offer, whether or not accepted by the holders of such Indebtedness, and no Net Proceeds in the amount of such offer will be deemed to exist following such offer, and (ii) if the holder of any Indebtedness of a Restricted Subsidiary or the Issuer declines the repayment of such Indebtedness owed to it from such Net Proceeds, such amount will be deemed repaid to the extent of the declined Net Proceeds; or

(ii) to make (A) an Investment in any one or more businesses, (B) capital expenditures, (C) other expenditures made in connection with the construction or development of facilities operated or to be operated by the Issuer or a Restricted Subsidiary, (D) acquisitions of properties (including fee and leasehold interests) or (E) acquisitions of other assets, in the case of clauses (A), (D) and this clause (E), either (1) are or will be used or useful in a Similar Business or (2) that replace, in whole or in part, the properties or assets that are the subject of such Asset Sale; *provided*, in the case of this clause (ii), a binding commitment will be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer or a Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (or, if later, 545 days after the receipt of such Net Proceeds) (an "Acceptable Commitment") and, in the event that any Acceptable Commitment is later cancelled or

terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or a Restricted Subsidiary enters into another Acceptable Commitment (a "Second Commitment") within 180 days of such cancellation or termination (or, if later, 545 days after the receipt of such Net Proceeds); *provided, further*, that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds will constitute Excess Proceeds (as defined herein) (such 545-day period (as may be extended pursuant to this clause (ii) will constitute the "Proceeds Application Period"); or

(iii) any combination of the foregoing.

(d) Notwithstanding the foregoing, to the extent that any of or all the Net Proceeds of any Asset Sales by a Foreign Subsidiary is (x) prohibited or delayed by applicable local law from being repatriated to the United States or (y) restricted by the Organizational Documents from being repatriated to the United States, as determined by the Issuer in its sole discretion, the portion of such Net Proceeds so affected will not be required to be applied in compliance with this Section 4.10, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or applicable Organizational Documents will not permit repatriation to the United States (the Issuer hereby agreeing to use reasonable efforts to cause the applicable Foreign Subsidiary to take all actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if such repatriation of any of such affected Net Proceeds is permitted under the applicable local law, such repatriation will be promptly effected and such repatriated Net Proceeds will be applied in compliance with this Section 4.10; provided, however, to the extent that the Issuer has determined in good faith that the repatriation to the United States of any or all of the Net Proceeds would have material adverse tax consequences, such Net Proceeds so affected may be retained by the applicable Foreign Subsidiary and will not be required to be applied in compliance with this Section 4.10. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default. For the avoidance of doubt, nothing in this Indenture will be construed to require the Issuer or any Subsidiary to repatriate cash or to apply any Net Proceeds in the event that (x) such repatriation is not permitted under the applicable local law or Organizational Documents or there are material adverse tax consequences to repatriate such Net Proceeds, in each case, within the Proceeds Application Period or (y) the Proceeds Application Period has expired.

(e) The amount of Net Proceeds from Asset Sales, other than Excluded Proceeds, that are not invested or applied as provided and within the time period set forth in the second preceding paragraph (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes, as described in clause(c)(i)(C) above, will be deemed to have been so applied whether or not such offer is accepted) will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds $100.0 million from and after the Issue Date, the Issuer will make an offer to all Holders and, at the option of the Issuer to any holders of any Indebtedness that is pari passu with the Notes ("Pari Passu Indebtedness" and such offer, an "Asset Sale Offer"), to purchase the maximum aggregate principal amount of the Notes and such Pari Passu Indebtedness that is in an amount equal to at least $2,000, or an integral multiple of

$1,000 in excess of $2,000, that may be purchased out of the Excess Proceeds at an offer price, in the case of the Notes, in cash in an amount equal to 100.0% of the principal amount thereof (or accreted value thereof, if less), *plus* accrued and unpaid interest, if any (or, in respect of such Pari Passu Indebtedness such other price, if any, as may be provided for by the terms of such Pari Passu Indebtedness), to, but excluding, the date fixed for the closing of such offer, in accordance with the procedures set forth in Section 3.09 and the agreement governing such Pari Passu Indebtedness. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within thirty days after the date that Excess Proceeds exceed $100.0 million by mailing or electronically delivering the notice required pursuant to Section 3.09, with a copy to the Trustee or otherwise in accordance with Applicable Procedures. The Issuer may satisfy the foregoing obligation with respect to any Net Proceeds from an Asset Sale by making an offer to purchase Notes with respect to all or part of the available Net Proceeds (the "Advance Portion") prior to the expiration of the Asset Sale Proceeds Application Period with respect to all or a part of the available Net Proceeds in advance of being required to do so by this Indenture (the "Advance Offer").

To the extent that the aggregate principal amount (or accreted value, as applicable) of Notes or Pari Passu Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or in the case of an Advance Offer, the Advance Portion), the Issuer may use any remaining Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) in any manner not prohibited by this Indenture (any such remaining Excess Proceeds and Advance Portion amount together with the aggregate amount of Excluded Proceeds, "Declined Excess Proceeds"). The Issuer and its Restricted Subsidiaries may use any Excluded Proceeds in any manner not prohibited by this Indenture. Upon completion of any such Asset Sale Offer, for purposes of this provision the amount of Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) that resulted in the Asset Sale Offer will be reset to zero (regardless of whether there are any remaining Excess Proceeds (or Advance Portion) upon such completion). An Asset Sale Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, Notes and/or Guarantees, including any amendment, supplement or waiver to make an Asset Sale Offer (but the Asset Sale Offer may not condition tenders on the delivery of such consents).

(f) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility, including under the Senior Credit Facilities, or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(g) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(h) The Issuer's obligation to make an offer to repurchase the Notes pursuant to this Section 4.10 may be waived or modified with the written consent of the Holders of a majority in principal amount of the then outstanding Notes, including after the consummation of the Asset Sale.

SECTION 4.11. Transactions with Affiliates.

(a) The Issuer will not, and will not permit any Restricted Subsidiary to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate payments or consideration in excess of $40.0 million, unless:

(i) such Affiliate Transaction is on terms, taken as a whole, that are not materially less favorable to the Issuer or the relevant Restricted Subsidiaries than those that would have been obtained at such time in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis, or if in the good faith judgment of the Board of Directors, no comparable transaction is available with which to compare such Affiliate Transaction, such Affiliate Transaction is otherwise fair to the Issuer or such Restricted Subsidiary from a financial point of view; and

(ii) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions requiring aggregate payments or consideration in excess of $100.0 million, a resolution adopted by the majority of the Board of Directors approving such Affiliate Transaction and set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (i) of this Section 4.11(a).

(b) The foregoing Section 4.11(a) will not apply to the following:

(i) (A) transactions between or among the Issuer and one or more Restricted Subsidiaries or between or among Restricted Subsidiaries, or, in any case, any entity that becomes a Restricted Subsidiary as a result of such transaction, and (B) any merger, consolidation or amalgamation of the Issuer and any Parent Company; *provided*, such merger, consolidation or amalgamation of the Issuer is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) (A) Restricted Payments permitted by Section 4.07 hereof (including any transaction specifically excluded from the definition of the term "Restricted Payments," including pursuant to the exceptions contained in the definition thereof and the parenthetical exclusions of such definition) and (B) Investments constituting "Permitted Investments" or any acquisition otherwise permitted by this Indenture;

(iii) (A) the payment of management, consulting, monitoring, transaction, advisory and other fees, indemnities and expenses pursuant to the Management Services Agreement (including any unpaid management, consulting, monitoring, transaction, advisory and other fees, indemnities and expenses accrued in any prior year) and any

termination fees pursuant to the Management Services Agreement, or any amendment thereto or replacement thereof so long as any such amendment or replacement is not materially disadvantageous in the good faith judgment of the Board of Directors to the Holders when taken as a whole, as compared to the Management Services Agreement as in effect on the Issue Date or as described in the Offering Memorandum, (B) the payment of indemnification and similar amounts to, and reimbursement of expenses to, the Investors and their officers, directors, employees and affiliates, in each case, approved by, or pursuant to arrangements approved by, the Board of Directors, (C) payments, loans, advances or guarantees (or cancellation of loans, advances or guarantees) to future, present or former employees, officers, directors, managers, consultants or independent contractors or guarantees in respect thereof for bona fide business purposes or in the ordinary course of business or consistent with industry practice, (D) any subscription agreement or similar agreement pertaining to the repurchase of Equity Interests pursuant to put/call rights or similar rights with current, former or future officers, directors, employees, managers, consultants and independent contractors of the Issuer or any of its Subsidiaries or of any Parent Company and (E) any payment of compensation or other employee compensation, benefit plan or arrangement, any health, disability or similar insurance plan which covers current, former or future officers, directors, employees, managers, consultants and independent contractors of the Issuer or any of its Subsidiaries or any Parent Company;

(iv) the payment of fees and compensation paid to, and indemnities and reimbursements and employment and severance arrangements provided to, or on behalf of, or for the benefit of, present, future or former employees, directors, officers, members of management or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members or any permitted transferees thereof) of the Issuer, any Parent Company or any Restricted Subsidiary;

(v) transactions in which the Issuer or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms, when taken as a whole, are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis;

(vi) the existence of, or the performance by the Issuer, any Restricted Subsidiary of its obligations under the terms of, any agreement as in effect as of the Issue Date, or any amendment thereto or replacement thereof (so long as any such amendment or replacement is not materially disadvantageous in the good faith judgment of the Board of Directors to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date);

(vii) the existence of, or the performance by the Issuer or any Restricted Subsidiary of its obligations under the terms of, any equity holder agreement or the equivalent (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any amendment thereto and similar agreements or arrangements that it may enter into thereafter; *provided*, the existence of, or the performance by the Issuer or any Restricted Subsidiary of obligations under any future amendment to any such existing agreement or arrangement or under any similar agreement or arrangement entered into after the Issue Date will be permitted by this clause (vii) to the extent that the terms of any such amendment or new agreement or arrangement are not otherwise materially disadvantageous in the good faith judgment of the Board of Directors to the Holders when taken as a whole (as compared to the original agreement or arrangement in effect on the Issue Date);

(viii) the Transactions and the payment of all fees and expenses related to the Transactions, including Transaction Expenses;

(ix) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business or consistent with industry practice and otherwise in compliance with the terms of this Indenture that are fair to the Issuer and the Restricted Subsidiaries, in the reasonable determination of the Board of Directors or the senior management of the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(x) the issuance, sale or transfer of Equity Interests (other than Disqualified Stock) of the Issuer or any Parent Company to any Person and the granting and performing of customary rights (including registration rights) in connection therewith, and any contribution to the capital of the Issuer;

(xi) sales of accounts receivable, or participations therein, or Securitization Assets or related assets in connection with any Qualified Securitization Facility and any other transaction effected in connection with a Qualified Securitization Facility or a financing related thereto;

(xii) payments by the Issuer or any Restricted Subsidiary made for any financial advisory, consulting, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments are approved by, or made pursuant to arrangements approved by, a majority of the Board of Directors in good faith;

(xiii) payments with respect to Indebtedness, Disqualified Stock and other Equity Interests (and cancellation of any thereof) of the Issuer, any Parent Company and any Restricted Subsidiary and Preferred Stock (and cancellation of any thereof) of any Restricted Subsidiary to any future, current or former employee, director, officer, member of management or consultant (or their respective Controlled Investment Affiliates or Immediate Family Members or permitted transferees) of the Issuer, any of its Subsidiaries or any Parent Company pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any equity subscription or equity holder agreement that are, in each case, approved by the

Issuer in good faith; and any employment agreements, severance arrangements, stock option plans and other compensatory arrangements (and any successor plans thereto) and any supplemental executive retirement benefit plans or arrangements with any such employees, directors, officers, members of management or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members or any permitted transferees thereof) that are, in each case, approved by the Issuer in good faith;

(xiv) (A) investments by Affiliates in securities of the Issuer or any Restricted Subsidiary (and payment of reasonableout-of-pocket expenses incurred by such Affiliates in connection therewith) so long as the investment is being offered by the Issuer or such Restricted Subsidiary generally to other investors on the same or more favorable terms and (B) payments to Affiliates in respect of securities of the Issuer or any Restricted Subsidiary contemplated in the foregoing subclause (A) or that were acquired from Persons other than the Issuer and the Restricted Subsidiaries, in each case, in accordance with the terms of such securities;

(xv) payments to or from, and transactions with, any joint venture or Unrestricted Subsidiary in the ordinary course of business or consistent with past practice or consistent with industry practice or industry norms (including, any cash management activities related thereto);

(xvi) payments by the Issuer (and any Parent Company) and its Subsidiaries pursuant to tax sharing agreements among the Issuer (and any Parent Company) and its Subsidiaries; *provided*, in each case the amount of such payments in any taxable year does not exceed the amount that the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent of amount received from Unrestricted Subsidiaries) would be required to pay in respect of foreign, federal, state and local taxes for such taxable year were the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent described above) to pay such taxes separately from any such Parent Company;

(xvii) any lease entered into between the Issuer or any Restricted Subsidiary, as lessee, and any Affiliate of the Issuer, as lessor, and transactions pursuant to that lease which lease is approved by the Board of Directors or senior management of the Issuer in good faith;

(xviii) intellectual property licenses in the ordinary course of business or consistent with industry practice;

(xix) the payment of reasonable out-of-pocket costs and expenses relating to registration rights and indemnities provided to equity holders of the Issuer or any Parent Company pursuant to the equity holders agreement or the registration rights agreement entered into on or after the Issue Date;

(xx) transactions permitted by, and complying with, the provisions of Section 5.01 solely for the purpose of (A) reorganizing to facilitate any initial public offering of securities of the Issuer or any Parent Company, (B) forming a holding company or (C) reincorporating the Issuer in a new jurisdiction;

(xxi) transactions undertaken in good faith (as determined by the Board of Directors or certified by senior management of the Issuer in an Officer's Certificate) for the purposes of improving the consolidated tax efficiency of the Issuer and its Restricted Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture;

(xxii) (A) transactions with a Person that is an Affiliate of the Issuer (other than an Unrestricted Subsidiary) solely because the Issuer or any Restricted Subsidiary owns Equity Interests in such Person and (B) transactions with any Person that is an Affiliate solely because a director or officer of such Person is a director or officer of the Issuer, any Restricted Subsidiary or any Parent Company;

(xxiii) (A) pledges and other transfers of Equity Interests in Unrestricted Subsidiaries and (B) any transactions with an Affiliate in which the consideration paid consists solely of Equity Interests of the Issuer or a Parent Company;

(xxiv) the sale, issuance or transfer of Equity Interests (other than Disqualified Stock) of the Issuer;

(xxv) investments by any Investor or a Parent Company in securities of the Issuer or any Guarantor; and

(xxvi) payments on the Notes in accordance with this Indenture, payments on the Existing Secured Notes in accordance with the Existing Secured Notes Indenture and payments of Obligations under the Credit Facilities and payments in respect of Obligations under other Indebtedness of the Issuer and its Subsidiaries held by Affiliates; *provided* that such Obligations were acquired by an Affiliate of the Issuer in compliance with this Indenture.

SECTION 4.12. Liens.

(a) (i) Prior to a Covenant Suspension Event or following any Reversion Date and during any period when there is no election by the Issuer pursuant to Section 4.12(b), the Issuer will not, and will not permit any Subsidiary Guarantor to, directly or indirectly, create, incur or assume any Lien (except Permitted Liens) that secures Obligations under any Indebtedness or any related guarantee of Indebtedness, on any asset or property of the Issuer or any Subsidiary Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(A) in the case of Liens securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens until such time as such Subordinated Indebtedness is no longer secured by such Liens; and

(B) in all other cases, the Notes or the Guarantees are equally and ratably secured until such time as such Obligations are no longer secured by such Liens;

(ii) except that the foregoing restrictions will not apply to or restrict (A) Liens securing obligations in respect of the Notes and the related Guarantees, (B) Liens securing obligations in respect of Indebtedness permitted to be incurred under any Credit Facility, including any letter of credit facility relating thereto, that was incurred prior to the Issue Date or permitted by the terms of this Indenture to be incurred pursuant to Section 4.09(b)(i)(A), and (C) Liens securing obligations in respect of Indebtedness permitted to be incurred pursuant to Section 4.09; *provided*, at the time of incurrence after the Issue Date (or, in the case of Indebtedness under Designated Revolving Commitments, on the date such Designated Revolving Commitments are established after the Issue Date and after giving *pro forma* effect to the incurrence of the entire committed amount of Indebtedness thereunder, in which case such committed amount under such Designated Revolving Commitments may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with this subclause) and after giving *pro forma* effect thereto and the application of the net proceeds therefrom, the Issuer's Senior Secured Net Leverage Ratio for the most recently ended Test Period on such date would not exceed 4.00:1.00 (it being understood that solely for the purpose of calculating the Senior Secured Net Leverage Ratio in connection with calculating the amount of Indebtedness to be incurred under this clause (C), any outstanding Indebtedness Incurred that is unsecured will nevertheless be deemed to be secured by a Lien).

(b) During a Covenant Suspension Event, the Issuer may elect by written notice to the Trustee to be subject to an alternative covenant with respect to the limitation on Liens in lieu of Section 4.12(a)(i) pursuant to which the Issuer will not and will not permit any of its Principal Property Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien of any kind upon any (1) Restricted Property or (2) shares of Capital Stock or evidence of Indebtedness for borrowed money issued by any Principal Property Subsidiary, whether owned at the Issue Date or thereafter acquired, without making effective provision whereby the Notes and the Guarantees will be secured by such Lien equally and ratably with any and all other Indebtedness or obligations thereby secured, so long as such Indebtedness or obligations will be so secured; *provided*, *however*, that the foregoing shall not apply to any of the following:

(i) Liens existing on the Suspension Date;

(ii) Liens on property or Equity Interests or other assets of a Person at the time such Person becomes a Subsidiary; *provided*, such Liens are not created or incurred in connection with, or in contemplation of, such other Person becoming such a Subsidiary; *provided*, *further*, such Liens are limited to all or part of the same property or assets (plus improvements, accessions, proceeds or dividends or distributions in respect thereof and after-acquired property) that secured the obligations to which such Liens relate;

(iii) Liens in favor of the Issuer or any Guarantor;

(iv) Liens to secure any modification, refinancing, refunding, extension, renewal or replacement (or successive modification, refinancing, refunding, extensions, renewals or replacements) as a whole, or in part, of any of the foregoing; *provided*, (A)

such new Lien will be limited to all or part of the same property (plus improvements, accessions, proceeds or dividends or distributions in respect thereof and after-acquired property) that secured the original Lien (plus improvements and accessions on such property) and proceeds and products thereof, and (B) the Indebtedness secured by such Lien at such time is not increased to any amount greater than the sum of (1) the outstanding principal amount or, if greater, committed amount of the Indebtedness at the time the original Lien became a Permitted Lien under this Indenture, *plus* (2) an amount necessary to pay any fees and expenses (including original issue discount, upfront fees, defeasance costs, underwriting discounts or similar fees) and premiums (including tender premiums and accrued and unpaid interest), related to such refinancing, refunding, extension, renewal or replacement;

(v) Liens imposed by law, such as landlords', carriers', warehousemen's, materialmen's, repairmen's, construction and mechanics' Liens and other similar Liens and (A) for sums not yet overdue for a period of more than 60 days or, if more than 60 days overdue, are unfiled and no other action has been taken to enforce such Liens or (B) being contested in good faith by appropriate actions or other Liens arising out of or securing judgments or awards against such Person with respect to which such Person will then be proceeding with an appeal or other proceedings for review if such Liens are adequately bonded or adequate reserves with respect thereto are maintained on the books of such Person in accordance with GAAP;

(vi) Liens for taxes, assessments or other governmental charges not yet overdue for a period of more than 30 days or not yet payable or not subject to penalties for nonpayment or which are being contested in good faith by appropriate actions if adequate reserves with respect thereto are maintained on the books of such Person in accordance with GAAP;

(vii) Liens, pledges or deposits by such Person (A) made in connection with workmen's compensation laws, unemployment insurance, health, disability or employee benefits, other social security laws or similar legislation or regulations, (B) insurance-related obligations (including, but not limited to, in respect of deductibles, self-insured retention amounts and premiums and adjustments thereto) securing reimbursement or indemnification obligations of (including obligations in respect of letters of credit, bank guarantees or similar instruments for the benefit of) insurance carriers providing property, casualty or liability insurance, or otherwise supporting the payment of items set forth in the foregoing clause (A), or (C) bids, tenders, contracts, statutory obligations, surety, indemnity, warranty, release, appeal or similar bonds, or with regard to other regulatory requirements, completion guarantees, stay, customs and appeal bonds, performance bonds, bankers' acceptance facilities, and other obligations of like nature (including those to secure health, safety and environmental obligations) (other than for the payment of Indebtedness) or leases to which such Person is a party, or deposits to secure public or statutory obligations of such Person or deposits of cash or U.S. government bonds to secure surety or appeal bonds to which such Person is a party, or deposits as security for the payment of rent, contested taxes or import duties and obligations in respect of letters of credit, bank guarantees or similar instruments that have been posted to support the same, in each case incurred in the ordinary course of business or consistent with industry practice; and

(viii) Liens for the sole purpose of extending, renewing or replacing (or unsuccessfully extending, renewing or replacing) in whole or in part any of the foregoing.

(c) Notwithstanding the provisions of Section 4.12(b), the Issuer or any Principal Property Subsidiary may, without equally and ratably securing the Notes or the Guarantees, create or assume Liens which would otherwise be subject to the foregoing restrictions if at the time of such creation or assumption, and after giving effect thereto, Exempted Indebtedness does not exceed 10% of Consolidated Total Assets.

(d) For purposes of determining compliance with this Section 4.12, in the event that a proposed Lien (or a portion thereof) meets the criteria of one or more of the categories described in Section 4.12(a)(i) and/or one or more of the clauses contained in the definition of "Permitted Liens," the Issuer will be entitled to divide or classify (or later divide, classify or reclassify in whole or in part in its sole discretion) such Lien (or any portion thereof) among one or more of the categories described under Section 4.12(a) and/or one or more clauses contained in the definition of "Permitted Liens," in a manner that otherwise complies with this Section 4.12.

(e) Any Lien created for the benefit of the Holders pursuant to this Section 4.12 will be deemed automatically and unconditionally released and discharged upon the release and discharge of each of the Liens described in clauses (A) and (B) of Section 4.12(a)(i) or upon such Liens no longer attaching to assets or property of the Issuer or a Guarantor.

(f) The expansion of Liens by virtue of accretion or amortization of original issue discount, the payment of dividends in the form of Indebtedness and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of this Section 4.12.

SECTION 4.13. Company Existence. Subject to Article V hereof, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect its company existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any such Restricted Subsidiary; *provided* that the Issuer shall not be required to preserve the corporate, partnership or other existence of its Restricted Subsidiaries, if the Issuer in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Restricted Subsidiaries, taken as a whole.

SECTION 4.14. Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs after the Issue Date, unless the Issuer or another Person has previously or concurrently electronically delivered or mailed a redemption notice with respect to all the outstanding Notes as described under Section 3.07 or Article XII, the Issuer will make an offer to purchase all of the Notes pursuant to the offer described below (the "Change of Control Offer") at a price in cash (the "Change of Control Payment") equal to 101.0% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date prior to such repurchase.

Prior to or within 60 days following any Change of Control, the Issuer will send notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the Note Register or otherwise in accordance with the Applicable Procedures, with the following information:

(i) a Change of Control Offer is being made pursuant to this Section 4.14 and all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(ii) the purchase price and the purchase date, which will be no earlier than 10 days nor later than 90 days from the date such notice is mailed or otherwise delivered (the "Change of Control Payment Date"), subject to extension (in the case where such notice is mailed or otherwise delivered prior to the occurrence of the Change of Control) in the event that the occurrence of the Change of Control is delayed;

(iii) any Note not properly tendered will remain outstanding and continue to accrue interest;

(iv) unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(v) Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, to the Paying Agent at the address specified in the notice or otherwise in accordance with the Applicable Procedures, prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(vi) Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; *provided*, the Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration date of the Change of Control Offer, a facsimile transmission or letter or other notice in accordance with the Applicable Procedures setting forth the name of the Holder, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(vii) Holders whose Notes are being purchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered, *provided*, the unpurchased portion of the Notes must be equal to at least $2,000 or any integral multiple of $1,000 in excess of $2,000;

(viii) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change

of Control and describing each such condition and, if applicable, stating that, in the Issuer's discretion, the Change of Control Payment Date may be delayed until such time (including more than 90 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions are satisfied (or waived by the Issuer in its sole discretion), or such redemption or purchase may not occur and such notice may be rescinded or modified in the event that any or all such conditions are not satisfied (or waived by the Issuer in its sole discretion) by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person; and

(ix) the other instructions, as determined by the Issuer, consistent with this Section 4.14, that a Holder must follow in order to have its Notes repurchased.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes by the Issuer pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(b) On the Change of Control Payment Date, the Issuer will, to the extent permitted by law:

(i) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(iii) deliver, or cause to be delivered, to the Trustee (A) an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer and (B) at the Issuer's option, the Notes so accepted for cancellation.

(c) The Issuer will not be required to make a Change of Control Offer following a Change of Control (i) if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, (ii) in connection with or in contemplation of any Change of Control, the Issuer (or any Affiliate of the Issuer) or a third party has made an offer to purchase, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer (an "Alternate Offer"), any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes properly tendered in accordance with the terms of the Alternate Offer or (iii) the Issuer or another Person has previously issued a notice of a full redemption pursuant to the provisions set forth under Section 3.07.

(d) A Change of Control Offer or Alternate Offer may be made in advance of a Change of Control and conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer or Alternate Offer.

(e) A Change of Control Offer or Alternate Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, Notes and/or Guarantees, including any amendment, supplement or waiver with respect to making a Change of Control Offer or Alternate Offer (but the Change of Control Offer or Alternate Offer may not condition tenders on the delivery of such consents).

(f) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof, and references therein to "redeem," "redemption," "Redemption Date" and similar words shall be deemed to refer to "purchase," "repurchase," "Change of Control Payment Date" and similar words, as applicable.

(g) The Issuer's obligation to make an offer to repurchase the Notes pursuant to this Section 4.14 may be waived or modified (at any time, including after a Change of Control or in connection with a Change of Control Offer or Alternate Offer) with the written consent of the Holders of a majority in principal amount of the Notes then outstanding.

SECTION 4.15. Limitation on Guarantees of Indebtedness by Restricted Subsidiaries. (a) The Issuer will not permit any of its Wholly-Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly-Owned Subsidiaries if such non-Wholly-Owned Subsidiary guarantees Indebtedness under a Credit Facility or Capital Markets Indebtedness of the Issuer or any Guarantor), other than a Guarantor or an Excluded Subsidiary, to guarantee the payment of (i) any Indebtedness of the Issuer or any Guarantor under a Credit Facility incurred under Section 4.09(b)(i) or (ii) Capital Markets Indebtedness of the Issuer or any Guarantor, in each case, having an aggregate principal amount outstanding in excess of $50.0 million unless:

(i) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor:

(A) if the Notes or such Guarantor's Guarantee are subordinated in right of payment to such Indebtedness, the Guarantee under the supplemental indenture will be subordinated to such Restricted Subsidiary's guarantee with respect to such Indebtedness substantially to the same extent as the Notes are subordinated to such Indebtedness; and

(B) if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness will be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes; and

(ii) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other applicable rights against the Issuer or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee;

provided, this Section 4.15 will not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary. The Issuer may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor, in which case such Subsidiary will not be required to comply with clause (i) or (ii) of this Section 4.15(a) and such Guarantee may be released at any time in the Issuer's sole discretion.

SECTION 4.16. Suspension of Covenants.

(a) During any period of time that (i) the Notes have an Investment Grade Rating (including in connection with a Change of Control) and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event" and the date thereof being referred to as the "Suspension Date") then, the Guarantees will be automatically and unconditionally released and discharged and the Issuer and the Restricted Subsidiaries will not be subject to Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, upon the making of the election in Section 4.12(b), 4.12(a) (in which case Section 4.12(b) will apply), Section 4.15, Section 5.01(a)(i)(D) and 5.01(d) hereof shall not be applicable to the Notes (collectively, the "Suspended Covenants").

(b) During a Suspension Period (as defined herein), the Issuer may not designate any of its Subsidiaries as Unrestricted Subsidiaries unless such designation would have complied with Section 4.07 as if such Section were in effect during such period.

(c) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "Reversion Date") the Notes no longer have an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period of time between the Suspension Date and the Reversion Date is referred to in this Indenture as the "Suspension Period." The Guarantees of the Guarantors will be suspended during the Suspension Period. Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds will be reset to zero for purposes of Section 4.10.

(d) In the event of any such reinstatement, no action taken or omitted to be taken by the Issuer or any Restricted Subsidiary or events occurring prior to such reinstatement will give rise to a Default or Event of Default under this Indenture with respect to the Notes; *provided*,

(i) with respect to Restricted Payments made after the Reversion Date, the amount of Restricted Payments made will be calculated as though Section 4.07 had been in effect prior to, but not during, the Suspension Period;

(ii) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to Section 4.09(b)(iii);

(iii) any Affiliate Transaction entered into after the Reversion Date pursuant to an agreement entered into during any Suspension Period will be deemed to be permitted pursuant to Section 4.11(b)(vi);

(iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to take any action described in clauses (i) through (iii) of Section 4.08(a) that becomes effective during any Suspension Period will be deemed to be permitted pursuant to Section 4.08(b)(i); and

(v) no Subsidiary of the Issuer will be required to comply with Section 4.15 after the Reversion Date with respect to any guarantee entered into by such Subsidiary during any Suspension Period;

(vi) all Liens permitted to be created, incurred or assumed during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that they are classified as permitted under clause (7) of the definition of "Permitted Liens"; and

(vii) all Investments made during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that they are classified as Permitted Investments permitted under clause (5) of the definition of "Permitted Investments".

(e) Notwithstanding that the Suspended Covenants may be reinstated after the Reversion Date (i) no Default, Event of Default or breach of any kind will be deemed to exist under this Indenture, the Notes or the Guarantees with respect to the Suspended Covenants, and none of the Issuer or any of its Restricted Subsidiaries will bear any liability for any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising during a Suspension Period, in each case, as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or, upon termination of the Suspension Period or after that time, based on any action taken or event that occurred during the Suspension Period) and (ii) following a Reversion Date, the Issuer and each Restricted Subsidiary will be permitted, without causing a Default or Event of Default, to honor, comply with or otherwise perform any contractual commitments or obligations arising during any Suspension Period (that were permitted to be entered into at such time) and to consummate any transactions contemplated thereby.

(f) During the Suspension Period, the Guarantees will be automatically and unconditionally released and discharged and the obligation to grant further Guarantees will be suspended. Upon the Reversion Date, the obligation to grant Guarantees pursuant to Section 4.15 will be reinstated (and the Reversion Date will be deemed to be the date on which any guaranteed Indebtedness was incurred for purposes of Section 4.15).

(g) The Trustee shall have no duty to (i) monitor the ratings of the Notes, (ii) determine whether a Covenant Suspension Event or Reversion Date has occurred or (iii) notify Holders of any of the foregoing.

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. An "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Notes;

(b) default for 30 days or more in the payment when due of interest on or with respect to the Notes;

(c) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 30.0% in principal amount of the then outstanding Notes to comply with any of its obligations, covenants or agreements (other than a default referred to in clause (a) or (b) of this Section 6.01) contained in this Indenture or the Notes and other than as set forth under Section 4.03;

(d) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any Significant Subsidiary (or any group of Restricted Subsidiaries that taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary) or the payment of which is guaranteed by the Issuer or any Significant Subsidiary (or any group of Restricted Subsidiaries that taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary), other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(i) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(ii) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at its stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate $60.0 million or more at any one time outstanding;

(e) failure by the Issuer or any Restricted Subsidiary that is a Significant Subsidiary (or any group of Restricted Subsidiaries that taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of $60.0 million (net of amounts covered by insurance policies), which final judgments remain unpaid, undischarged, unwaived and unstayed for a period of more than 90 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(f) the Issuer or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary), pursuant to or within the meaning of any Debtor Relief Laws:

(i) commences proceedings to be adjudicated bankrupt or insolvent;

(ii) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Debtor Relief Laws;

(iii) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;

(iv) makes a general assignment for the benefit of its creditors; or

(v) generally is not paying its debts as they become due;

(g) a court of competent jurisdiction enters an order or decree under any Debtor Relief Laws that:

(i) is for relief against the Issuer or any of its Significant Subsidiaries (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary), in a proceeding in which the Issuer or any such Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary), is to be adjudicated bankrupt or insolvent;

(ii) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or any of its Significant Subsidiaries (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary), or for all or substantially all of the property of the Issuer or any of its Significant Subsidiaries (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary);

(iii) orders the liquidation of the Issuer or any of its Significant Subsidiaries (or any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders), would constitute a Significant Subsidiary); and the order or decree remains unstayed and in effect for 60 consecutive days; or

(h) the Guarantee of any Significant Subsidiary (or any group of Restricted Subsidiaries that taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary) will for any reason cease to be in full force and effect except as contemplated by the terms of this Indenture or be declared null and void in a final non-appealable judgment of a court of competent jurisdiction or any Financial Officer of any Guarantor that is a Significant Subsidiary (or the responsible officers of any group of Restricted Subsidiaries that, taken together (as of the latest consolidated financial statements of the Issuer made available to the Holders) would constitute a Significant Subsidiary), as the case may be, denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture.

SECTION 6.02. Acceleration. If any Event of Default (other than an Event of Default specified in clause (f) or (g) of Section 6.01 with respect to the Issuer) occurs and is continuing under this Indenture, the Trustee or the Holders of at least 30.0% in principal amount of the then total outstanding Notes by notice to the Issuer may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Upon the effectiveness of such declaration, such principal of and premium, if any, and interest will be due and payable immediately. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in the Holders' interest. The Trustee will have no obligation to accelerate the Notes if in the best judgment of the Trustee acceleration is not in the best interests of the Holders of the Notes.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (f) or (g) of Section 6.01 hereof with respect to the Issuer, all outstanding Notes shall be due and payable immediately without further action or notice.

The Holders of a majority of the aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes rescind any acceleration with respect to the Notes and its consequences if such rescission would not conflict with any judgment of a court of competent jurisdiction and if all existing Events of Default (except non-payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder that has become due solely because of the acceleration) have been cured or waived.

In the event of any Event of Default specified in Section 6.01(d) hereof, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if:

(a) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged;

(b) the requisite holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(c) the default that is the basis for such Event of Default has been cured, waived or is no longer continuing.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults. Subject to Section 6.02 hereof, Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences hereunder (except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder) (including in connection with an Asset Sale Offer or a Change of Control Offer). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority. Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability.

SECTION 6.06. Limitation on Suits. Subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(b) Holders of at least 30.0% in principal amount of the total outstanding Notes have requested in writing the Trustee to pursue the remedy;

(c) Holders have offered the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expense;

(d) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(e) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a direction inconsistent with such written request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an Asset Sale Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.10. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12. Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes including the Guarantors), its creditors or its property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee on behalf of such Holder, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.13. Priorities. If the Trustee or any Agent collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

(a) to the Trustee and such Agent, their agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or such Agent and the costs and expenses of collection;

(b) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and (iii) to the Issuer or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13.

SECTION 6.14. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

ARTICLE VII

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture on behalf of the Holders, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of willful misconduct or bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee will not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph (c) does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture or direction of any of the Holders unless the Holders have offered to the Trustee indemnity or security reasonably satisfactory to it against any loss, liability or expense that might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely upon and shall be fully protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) [Reserved].

(k) Delivery of reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(l) The permissive rights of the Trustee to take certain actions under this Indenture shall not be construed as a duty unless so specified herein.

(m) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer, and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(n) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(o) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any of its Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 hereof.

SECTION 7.04. Disclaimer. The Trustee shall not be (a) responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, (b) accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, (c) responsible for the use or application of any money received by any Paying Agent other than the Trustee, and (d) responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall deliver to Holders a notice of the Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06. [Reserved].

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee promptly upon request for all reasonable out-of-pocket disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the reasonable costs and expenses of enforcing this Indenture against the Issuer or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuer or any Guarantor, or any other Person or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder) (but excluding taxes imposed on such persons in connection with compensation for such administration or performance). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. The Issuer nor any Guarantor need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence. Neither the Issuer nor any Guarantor need pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except for money or property held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(f) or (g) hereof occurs, the expenses and the compensation for the services (including the reasonable fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Debtor Relief Laws.

SECTION 7.08. Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing not less than 30 days prior to the effective date of such removal. The Issuer may remove the Trustee if:

(a) the Trustee fails to comply with Section 7.10 hereof;

(b) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Debtor Relief Laws;

(c) a custodian or public officer takes charge of the Trustee or its property; or

(d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuer's expense), the Issuer or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the

Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to its successor; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

The resigning Trustee shall have no responsibility or liability for any action or inaction of a successor Trustee.

SECTION 7.09. Successor Trustee by Merger, etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least $50,000,000 as set forth in its most recent published annual report of condition.

ARTICLE VIII

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes and all obligations of the Guarantors with respect to the Guarantees upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees on the date the conditions set forth below are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof, to have cured all then existing Events of Default and to have satisfied all its other obligations under such Notes and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04 hereof;

(b) the Issuer's obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and

(d) this Section 8.02.

Subject to compliance with this Article VIII, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

SECTION 8.03. Covenant Defeasance. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14 and 4.15 hereof and clauses (D) through (E) of Section 5.01(a)(i), Section 5.01(d) and Section 5.01(e) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied ("Covenant Defeasance"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and the Guarantees, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document, and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and the Guarantees shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01.c) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01.d), 6.01(e), 6.01.f) (solely with respect to the Issuer's Restricted Subsidiaries), 6.01.g) (solely with respect to the Issuer's Restricted Subsidiaries) and 6.01.h) hereof shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal or Covenant Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(a) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of an Independent Financial Advisor to pay the principal of, premium, if any, and interest due on the Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal, premium, if any, or interest on such Notes, and the Issuer must specify whether such Notes are being defeased to maturity or to a particular Redemption Date; *provided*, that upon any redemption that requires the payment of

the Applicable Premium, the amount deposited will be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit will be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit will be applied toward such redemption;

(b) in the case of Legal Defeasance, the Issuer will have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions

(i) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling or

(ii) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

(iii) in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, subject to customary assumptions and exclusions, Holders will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer will have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens and the consummation of other transactions in connection therewith) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under the Senior Credit Facilities or any other material agreement, instrument or documents (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens and the consummation of other transactions in connection therewith);

(f) the Issuer will have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(g) the Issuer will have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Notwithstanding the foregoing, an Opinion of Counsel required by the immediately preceding paragraph with respect to Legal Defeasance need not be delivered if all of the Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable or (ii) will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer.

SECTION 8.05. Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions

Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to Issuer. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be;*provided* that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders.

(a) Notwithstanding Section 9.02 hereof, the Issuer, any Guarantor (with respect to a Guarantee or this Indenture to which it is a party) and the Trustee may amend or supplement this Indenture, any Guarantee or the Notes without the consent of any Holder:

(i) to cure any ambiguity, omission, mistake, defect or inconsistency;

(ii) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(iii) to comply with Section 5.01 hereof;

(iv) to provide the assumption of the Issuer's or any Guarantor's obligations to the Holders;

(v) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect (as determined in good faith by the Issuer) the legal rights under this Indenture of any such Holder;

(vi) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;

(vii) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act, if applicable (it being agreed that this Indenture need not qualify under the Trust Indenture Act);

(viii) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof;

(ix) to add a Guarantor or co-obligor under this Indenture or to release a Guarantor in accordance with the terms of this Indenture;

(x) to conform the text of this Indenture, Guarantees or the Notes to any provision of the "Description of Notes" section of the Offering Memorandum to the extent that such provision in such "Description of Notes" section was intended to be a verbatim recitation of a provision of this Indenture, Guarantee or the Notes as provided to the Trustee in an Officer's Certificate;

(xi) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, to facilitate the issuance and administration of the Notes; provided, (A) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (B) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(xii) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;

(xiii) [Reserved];

(xiv) [Reserved];

(xv) to secure the Notes and/or the related Guarantees; or

(xvi) to add provisions to this Indenture and a new form of Note to permit the issuance by the Issuer or a Subsidiary thereof of escrow notes under this Indenture, which may have different terms than other Notes issued under this Indenture so long as the proceeds of such notes remain in escrow (including, but not limited to, collateral provisions, different or no guarantees and special mandatory redemption provisions).

(b) [Reserved].

(c) [Reserved].

(d) Upon the request of the Issuer accompanied by a resolution of the Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof (to the extent requested by the Trustee), the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall have the right, but not be obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, neither an Opinion of Counsel nor an Officer's Certificate shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, *provided* that the execution thereof shall be deemed a representation by such Guarantor(s) that all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied and the supplemental indenture is enforceable in accordance with its terms subject to (i) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (ii) general principles of equity.

SECTION 9.02. With Consent of Holders.

(a) Except as provided below in this Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Guarantees with the consent of the Holders of at least a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Guarantees or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or offer to purchase with respect to the Notes); *provided* that (x) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding hereunder, then only the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for Notes) shall be required and (y) if any such amendment or waiver by its terms will affect a series of Notes in a manner different and materially adverse relative to the manner such amendment or waiver affects other series of Notes, then the consent of the Holders of a majority of principal amount of the Notes of such adversely affected series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for Notes) shall be required. Section 2.08 hereof and Section 2.09 hereof shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.02.

(b) Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and, except as set forth in Section 9.05, upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall deliver to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

(e) Without the consent of each affected Holder (including, for the avoidance of doubt, any Notes held by Affiliates), an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

(i) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;

(ii) reduce the principal of or change the fixed final maturity of any such Note or reduce the premium payable upon the redemption of such Notes on any date (other than the provisions relating to Section 3.09, Section 4.10 and Section 4.14); *provided*, any amendment to the notice requirements may be made with the consent of the Holders of a majority in aggregate principal amount of then outstanding Notes;

(iii) reduce the rate of or change the time for payment of interest on any Note;

(iv) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of all affected Holders;

(v) make any Note payable in money other than that stated therein;

(vi) make any change in the provisions of this Indenture relating to waivers of past Defaults;

(vii) make any change in this Article IX that is materially adverse to the Holders;

(viii) impair the contractual right hereunder of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(ix) make any change to or modify the ranking of the Notes that would adversely affect the Holders; or

(x) except as expressly permitted by this Indenture, modify the Guarantees of any Significant Subsidiary, in any manner materially adverse to the Holders.

SECTION 9.03. [Reserved].

SECTION 9.04. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

SECTION 9.05. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments, etc. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuer may not sign an amendment, supplement or waiver until the board of directors of the Issuer approves it. Except as set forth below, in executing any amendment, supplement or waiver, the Trustee shall receive, and shall be fully protected in relying conclusively upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03 hereof).

Neither an Opinion of Counsel nor an Officer's Certificate will be required for the Trustee to execute any amendment, supplement or other document adding a new Guarantor, nor will an Officer's Certificate be required for the Trustee to execute a supplemental indenture. In addition, an Opinion of Counsel will not be required for the Trustee to execute any amendment, supplement or other document releasing a Guarantor under this Indenture.

ARTICLE XI

GUARANTEES

SECTION 11.01. Guarantee. Subject to this Article XI, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on an unsecured basis, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuer hereunder or thereunder, that (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder, including for expenses, indemnification or otherwise, shall be promptly paid in full, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same promptly. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all of the Obligations of the Issuer hereunder and under the Notes).

Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by full payment of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 11.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, then any amount paid either to the Trustee or such Holder, then this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Until terminated in accordance with Section 11.06, each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any nonpaying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Guarantee issued by any Guarantor shall be a general unsecured senior obligation of such Guarantor and shall be pari passu in right of payment with all existing and future Senior Indebtedness of such Guarantor, if any.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without setoff, counter-claim, reduction or diminution of any kind or nature.

SECTION 11.02. Limitation on Guarantor Liability. Each Guarantor, and by its acceptance of the Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Debtor Relief Laws, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article XI, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

SECTION 11.03. Execution and Delivery. To evidence its Guarantee set forth inSection 11.01 hereof, each Guarantor hereby agrees that this Indenture (or, with regard to each Guarantor that becomes a party hereto after the date hereof, a supplemental indenture in the form of Exhibit D) shall be executed on behalf of such Guarantor by one of its authorized Officers.

Each Guarantor hereby agrees that its Guarantee set forth in Section 11.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee of such Guarantor shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15 hereof, the Issuer shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 hereof and this Article XI, to the extent applicable.

SECTION 11.04. Subrogation. Subject to the fifth paragraph ofSection 11.01 and Section 11.02, each Guarantor shall be subrogated to all rights of Holders against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 11.01 hereof; *provided* that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

SECTION 11.05. Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 11.06. Release of Guarantees. (a) Each Guarantee by a Guarantor will provide by its terms that it shall be automatically and unconditionally released and discharged and shall thereupon terminate and be of no further force and effect, and no further action by such Guarantor, the Issuer or the Trustee is required for the release of such Guarantor's Guarantee, upon:

(i) in the case of a Subsidiary Guarantor, any sale, exchange, issuance, disposition or transfer (by merger, amalgamation, consolidation or otherwise) of (A) the Capital Stock of such Guarantor, after which the applicable Guarantor is no longer a Restricted Subsidiary, or (B) all or substantially all of the assets of such Guarantor (including to the Issuer or another Guarantor), in each case if such sale, exchange, issuance, disposition or transfer is made in compliance with the applicable provisions of this Indenture;

(ii) in the case of a Subsidiary Guarantor, (A) the release or discharge of the guarantee by, or direct obligation of, such Guarantor of Indebtedness under the Senior Credit Facilities or Capital Markets Indebtedness of the Issuer or any Guarantor, or (B) the release or discharge of such other guarantee that resulted in the creation of such Guarantee, except, in each case, a discharge or release by or as a result of payment under such guarantee or direct obligation (it being understood that, in each case, a release subject to a contingent reinstatement is still a release);

(iii) (A) the designation of any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture or (B) such Subsidiary Guarantor otherwise becoming an Excluded Subsidiary;

(iv) (A) the exercise by the Issuer of its Legal Defeasance option or Covenant Defeasance option in accordance with Article VIII hereof or (B) the discharge of the Issuer's obligations under this Indenture (including pursuant to a satisfaction and discharge of this Indenture under Section 12.01 or through redemption or repurchase of all the Notes or otherwise) in accordance with the terms of this Indenture;

(v) (A) the merger, amalgamation, consolidation or winding up of any Guarantor with and into the Issuer or another Guarantor or a Restricted Subsidiary that becomes a Guarantor that is the surviving Person in such merger, amalgamation, consolidation or winding up, or upon the liquidation of a Guarantor following the transfer of all or substantially all of its assets, in each case in a transaction that complies with the applicable provisions hereof or (B) the dissolution or liquidation of any Guarantor permitted by the applicable provisions of this Indenture;

(vi) as described under Article IX; or

(vii) upon the occurrence of a Covenant Suspension Event.

(b) [Reserved].

(c) Notwithstanding any other provisions of this Section 11.06, any Guarantee by a Parent Company may be automatically and unconditionally released and discharged for any reason.

(d) The Issuer will have the right, upon delivery of an Officer's Certificate to the Trustee, to cause any Guarantor that has not guaranteed any Indebtedness under the Senior Credit Facilities or any Capital Markets Indebtedness of the Issuer or any Guarantor, and is not otherwise required by the applicable terms of this Indenture to provide a Guarantee, to be unconditionally released and discharged from all obligations under its Guarantee, and such Guarantee will thereupon automatically and unconditionally terminate and be discharged and of no further force or effect.

ARTICLE XII

SATISFACTION AND DISCHARGE

SECTION 12.01. Satisfaction and Discharge. This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when either:

(a) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) (i) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of one or more notices of redemption or otherwise, will become due and payable within one year or may be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; *provided*, (A) upon any redemption that requires the payment of the Applicable Premium, the amount deposited will be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption and (B) any Applicable Premium Deficit will be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit will be applied toward such redemption;

(ii) the Issuer has paid or caused to be paid all sums payable by it under this Indenture; and

(iii) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied. Such Opinion of Counsel may rely on such Officer's Certificate as to matters of fact, including clauses (b)(i), (ii) and (iii) above.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (i) of clause (b) of this Section 12.01, the provisions of Section 12.02 and Section 8.06 hereof shall survive such satisfaction and discharge.

SECTION 12.02. Application of Trust Money. Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided* that if the Issuer has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

1. INTEREST. Life Time, Inc. (the "Issuer"), promises to pay interest on the principal amount of this Note at a rate per annum of 8.000% from February 5, 2021 until maturity. The Issuer will pay interest on this Note semi-annually in arrears on April 15 and October 15 of each year, beginning October 15, 2021 or, if any such day is not a Business Day, on the next succeeding Business Day (each, an "Interest Payment Date"). The Issuer will make each interest payment to the Holder of record of this Note on the immediately preceding April 1 and October 1 (each, a "Record Date"). Interest on this Note will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that the first Interest Payment Date shall be October 15, 2021. The Issuer will pay interest (including post-petition interest in any proceeding under any Debtor Relief Laws) on overdue principal and premium, if any, from time to time on demand at the rate borne by this Note; it shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Laws) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate borne by this Note. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. METHOD OF PAYMENT. The Issuer will pay interest on this Note to the Person who is the registered Holder of this Note at the close of business on the Record Date (whether or not a Business Day) next preceding the Interest Payment Date, even if this Note is cancelled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. Payments of principal of, premium, if any, and interest on the Notes will be payable at the office or agency of the Issuer maintained pursuant to Section 4.02 of the Indenture or, at the option of the Issuer, may be made by check mailed to the Holders at their addresses set forth in the Note Register, *provided* that (a) all payments of principal, premium, if any, and interest on, Notes represented by Global Notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof and (b) all payments of principal, premium, if any, and interest with respect to certificated Notes will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. If a payment date (including a Redemption Date, Change of Control Payment Date or other purchase date or repurchase date) is on a Legal Holiday, payment will be made on the next succeeding day that is not a Legal Holiday and no interest shall accrue for the intervening period.

3. PAYING AGENT AND REGISTRAR. Initially, Wilmington Savings Fund Society, FSB, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without prior notice to any Holder. The Issuer or any of its domestic Subsidiaries may act in any such capacity.

4. INDENTURE. The Issuer issued the Notes under an Indenture, dated as of February 5, 2021 (the "Indenture"), among Life Time, Inc., the Guarantors party thereto from time to time and the Trustee. The Issuer shall be entitled to issue Additional Notes in accordance with Sections 2.01 and 4.09 of the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

(a) At any time prior to February 1, 2023, the Issuer may, at its option, on one or more occasions redeem all or a part of the Notes, upon notice as described under Section 3.03 of the Indenture, at a redemption price (as calculated by the Issuer) equal to the sum of (i) 100.0% of the principal amount of the Notes redeemed, *plus* (ii) the Applicable Premium calculated as of the date the notice of redemption is given, *plus* (iii) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Any notice of redemption made in connection with a related transaction or event (including an Equity Offering, contribution, Change of Control, Asset Sale or other transaction) may, at the Issuer's discretion, be given prior to the completion or the occurrence thereof, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, the completion or occurrence of the related transaction or event, as the case may be.

(b) At any time prior to February 1, 2023, the Issuer may, at its option and on one or more occasions, redeem, upon notice as described under Section 3.03 of the Indenture, up to 40.0% of the aggregate principal amount of Notes and Additional Notes issued under the Indenture at a redemption price (as calculated by the Issuer) equal to the sum of (i) 108.000% of the aggregate principal amount thereof, with an amount equal to or less than the cash proceeds less underwriting fees from one or more Equity Offerings to the extent such cash proceeds are received by or contributed to the Issuer, *plus* (ii) accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date; *provided*, (a) at least 50.0% of the aggregate principal amount of Notes originally issued under the Indenture on the Issue Date (and excluding any Additional Notes issued under the Indenture after the Issue Date) remains outstanding immediately after the occurrence of each such redemption (except to the extent otherwise repurchased or redeemed (or to be repurchased or redeemed) in accordance with the terms of the Indenture); (b) that for purposes of calculating the principal amount of the Notes able to be redeemed with such cash proceeds of such Equity Offering or Equity Offerings, such amount shall include the principal amount of the Notes to be redeemed plus the premium on such Notes to be redeemed; and (c) each such redemption occurs within 180 days of the date of closing of each such Equity Offering or contribution.

(c) In connection with any tender offer or other offer to purchase the Notes (including a Change of Control Offer, Alternate Offer or Asset Sale Offer), if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in such offer and the Issuer, or any third party making such offer in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, all of the Holders will be deemed to have consented to such tender offer or other offer to purchase and, accordingly, the Issuer or such third party will have the right upon notice, given not more than 90 days following such purchase date, to redeem all of the Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such tender offer or other offer to purchase (which may be less than par and shall exclude any early tender premium and any accrued and unpaid interest paid to any Holder in such offer payment), *plus*, to the extent not included in the offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Redemption Date. A Change of Control Offer and an Asset Sale Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of the Indenture, Notes and/or Guarantees (but the Change of Control Offer or Asset Sale Offer, as applicable, may not condition tenders on the delivery of such consents).

(d) Except pursuant to clause (a), (b) or (c) of Section 3.07 of the Indenture, the Notes will not be redeemable at the Issuer's option prior to February 1, 2023.

(e) On and after February 1, 2023, the Issuer may, at its option, redeem the Notes, in whole or in part, on one or more occasions, upon notice as described under Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on February 1 of each of the years indicated below:

Year	Percentage
2023	104.000%
2024	102.000%
2025 and thereafter	100.000%

(e) Any redemption pursuant to Section 3.07 of the Indenture shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture.

6. MANDATORY REDEMPTION; OFFERS TO PURCHASE AND OPEN MARKET PURCHASES. The Issuer will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Issuer may be required to offer to purchase Notes as described under Sections 4.10 and 4.14 of the Indenture.

7. NOTICE OF REDEMPTION. Subject to Section 3.03 of the Indenture, the Issuer shall deliver electronically, mail or cause to be mailed by first-class mail, postage prepaid notices of redemption at least 10 days but, except as set forth in Section 3.07(h) of the Indenture, not more than 90 days before the Redemption Date to each Holder to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be delivered or mailed more than 90 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XI of the Indenture.

8. OFFERS TO REPURCHASE. Upon the occurrence of a Change of Control, the Issuer shall make a Change of Control Offer in accordance with Section 4.14 of the Indenture. In connection with certain Asset Sales, the Issuer shall make an Asset Sale Offer as and when provided in accordance with Sections 3.09 and 4.10 of the Indenture.

9. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of $2,000 and any integral multiple of $1,000 in excess of $2,000. The transfer of Notes shall be registered and Notes may only be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not issue, exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not issue, exchange or register the transfer of any Notes during the period of 15 days before the mailing of a notice of redemption of Notes to be redeemed or between a Record Date with respect to such Note and the next succeeding Interest Payment Date with respect to such Note.

10. PERSONS DEEMED OWNERS. The registered Holder shall be treated as its owner for all purposes. Only registered Holders shall have rights hereunder.

11. AMENDMENT, SUPPLEMENT AND WAIVER. The Indenture, the Guarantees or the Notes may be amended or supplemented as provided in the Indenture.

12. DEFAULTS AND REMEDIES. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 30.0% in principal amount of the then outstanding Notes by notice to the Issuer may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Issuer, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority of the aggregate principal amount of the Notes then outstanding by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or and its consequences under the Indenture except a continuing Default in payment of the principal of, premium, if any, or interest on, any of the Notes held by a nonconsenting Holder. The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer is required within thirty (30) Business Days after becoming aware of any Default, unless such Default has been cured, waived or is no longer continuing within such 30-day period, to deliver to the Trustee a statement specifying such Default and what action the Issuer proposes to take with respect thereto.

13. AUTHENTICATION. This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee.

14. GOVERNING LAW. THE INDENTURE, THIS NOTE AND ANY GUARANTEE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

15. CUSIP AND ISIN NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP and ISIN numbers to be printed on the Notes and the Trustee may use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuer will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to the Issuer at the following address:

(2) The words "herein," "hereto," "hereof" and "hereunder" and words of similar import when used in any Loan Document shall refer to such Loan Document as a whole and not to any particular provision thereof.

(3) References in this Agreement to an Exhibit, Schedule, Article, Section, Annex, clause or subclause refer (a) to the appropriate Exhibit or Schedule to, or Article, Section, clause or subclause in this Agreement or (b) to the extent such references are not present in this Agreement, to the Loan Document in which such reference appears, in each case as such Exhibit, Schedule, Article, Section, Annex, clause or subclause may be amended or supplemented from time to time.

(4) The term "including" is by way of example and not limitation.

(5) The term "documents" includes any and all instruments, documents, agreements, certificates, notices, reports, financial statements and other writings, however evidenced, whether in physical or electronic form.

(6) In the computation of periods of time from a specified date to a later specified date, the word "from" means "from and including"; the words "to" and "until" each mean "to but excluding"; and the word "through" means "to and including".

(7) Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document.

(9) With respect to any Default or Event of Default, the words "exists", "is continuing" or similar expressions with respect thereto shall mean that the Default or Event of Default has occurred and has not yet been cured or waived. If any Default or Event of Default occurs due to (i) the failure by any Loan Party to take any action by a specified time, such Default or Event of Default shall be deemed to have been cured at the time, if any, that the applicable Loan Party takes such action or (ii) the taking of any action by any Loan Party that is not then permitted by the terms of this Agreement or any other Loan Document, such Default or Event of Default shall be deemed to be cured on the earlier to occur of (x) the date on which such action would be permitted at such time to be taken under this Agreement and the other Loan Documents and (y) the date on which such action is unwound or otherwise modified to the extent necessary for such revised action to be permitted at such time by this Agreement and the other Loan Documents. For purposes of determining compliance with the incurrence of any Credit Agreement Refinancing Indebtedness or Refinancing Indebtedness that restricts the amount of such Indebtedness relative to the amount of Credit Agreement Refinanced Debt or Refinanced Debt, respectively, the Borrower and Restricted Subsidiaries may incur an incremental principal amount of Credit Agreement Refinancing Indebtedness or Refinancing Indebtedness in such refinancing to the extent that the excess portion of the Credit Agreement Refinancing Indebtedness or Refinancing Indebtedness would otherwise be permitted to be incurred in accordance with this Agreement. For purposes of determining compliance with the incurrence of any Indebtedness under Designated Revolving Commitments in reliance on compliance with any ratio, if on the date such Designated Revolving Commitments are established after giving *pro forma* effect to the incurrence of the entire committed amount of then proposed Indebtedness thereunder, then such committed amount under such Designated Revolving Commitments may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with any ratio.

(11) For purposes hereof, unless otherwise specifically indicated, the term "consolidated" with respect to any Person refers to such Person consolidated with its Restricted Subsidiaries and excludes from such consolidation any Unrestricted Subsidiary as if such Unrestricted Subsidiary were not an Affiliate of such Person.

Unless the context indicates otherwise, any reference to a "fiscal year" or a "fiscal quarter" shall refer to a fiscal year ending December 31 or fiscal quarter ending March 31, June 30, September 30 or December 31 of the Borrower.

SECTION 1.04 Rounding. Any financial ratios required to be satisfied in order for a specific action to be permitted under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

SECTION 1.05 References to Agreements, Laws, etc. Unless otherwise expressly provided herein, (1) references to Organizational Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document; and (2) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

Unless otherwise specified, all references herein to times of day shall be references to New York time (daylight or standard, as applicable). When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day.

SECTION 1.07 Pro Forma and Other Calculations.

(1) Notwithstanding anything to the contrary herein, financial ratios and tests, including the First Lien Net Leverage Ratio, the Total Net Leverage Ratio and the Fixed Charge Coverage Ratio shall be calculated in the manner prescribed by this Section 1.07*; provided* that notwithstanding anything to the contrary in clauses (2), (3), (4), (5) or (7) of this Section 1.07, when calculating the First Lien Net Leverage Ratio for purposes of (a) the definition of "Applicable Rate," (b) Section 2.05(2)(a) and (c) the Financial Covenant (other than for the purpose of determining *pro forma* compliance with the Financial Covenant), the events described in this Section 1.07 that occurred subsequent to the end of the applicable Test Period shall not be given *pro forma* effect; *provided*, *however*, that voluntary prepayments made pursuant to Section 2.05(1) during any fiscal year (without duplication of any prepayments in such fiscal year that reduced the amount of Excess Cash Flow required to be repaid pursuant to Section 2.05(2)(a) for any prior fiscal year) shall be given *pro forma* effect after such fiscal year-end and prior to the time such prepayment pursuant to Section 2.05(2)(a) is due but shall not be given *pro forma* effect thereafter. In addition, whenever a financial ratio or test is to be calculated on a*pro forma* basis, the reference to "Test Period" for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period for which internal financial statements of the Borrower are available (as determined in good faith by the Borrower) (it being understood that for purposes of determining *pro forma* compliance with the Financial Covenant, if no Test Period with an applicable level cited in the Financial Covenant has passed, the applicable level shall be the level for the first Test Period cited in the Financial Covenant with an indicated level).

(2) For purposes of calculating any financial ratio or test (or Total Assets), Specified Transactions (and, subject to clause (4) below, the incurrence or repayment of any Indebtedness in connection therewith) that have been made (a) during the applicable Test Period or (b) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Run-Rate Adjusted EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any Restricted Subsidiary since the

beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.07 as if such Specified Transaction had occurred at the beginning of the most recently ended Test Period.

(3) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of "run-rate" cost savings, synergies and operating expense reductions resulting from or related to any such Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twenty-four (24) months after the date of any such Specified Transaction(calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and "run-rate" means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target's compliance costs with public company requirements) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided* that (a) such amounts are (i) reasonably identifiable and factually supportable in the good faith judgment of the Borrower and (ii) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twenty-four (24) months after the date of such Specified Transaction and (b) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Run-Rate Adjusted EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period.

(4) In the event that (a) the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees), issues or repays (including by redemption, repurchase, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit unless such Indebtedness has been permanently repaid and not replaced), (b) the Borrower or any Restricted Subsidiary issues, repurchases or redeems Disqualified Stock, (c) any Restricted Subsidiary issues, repurchases or redeems Preferred Stock or (d) the Borrower or any Restricted Subsidiary establishes or eliminates any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Fixed Charge Coverage Ratio (or similar ratio), in which case such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case will be given effect, as if the same had occurred on the first day of the applicable Test Period) and, in the case of Indebtedness for all purposes as if such Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred thereunder throughout such period; *provided*, *however*, that at the election of the Borrower, the *pro forma* calculation will not give effect to any Indebtedness incurred on such determination date pursuant to the provisions described in Section 7.02(b).

(5) If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Fixed Charge Coverage Ratio is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Restricted Subsidiary may designate.

(6) Notwithstanding anything to the contrary in this Section 1.07 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into, no *pro forma* effect shall be given to any discontinued operations (and the Run-Rate Adjusted EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(7) Any determination of Total Assets shall be made by reference to the last day of the Test Period most recently ended for which internal financial statements of the Borrower are available (as determined in good faith by the Borrower) on or prior to the relevant date of determination.

(8) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (a) calculating any applicable ratio, Consolidated Net Income or Run-Rate Adjusted EBITDA in connection with incurrence of Indebtedness, the creation of Liens, the making of any Asset Sale, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness, (b) determining compliance with any provision of this Agreement which requires that no Default or Event of Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (d) the satisfaction of all other conditions precedent to the incurrence with of Indebtedness, the creation of Liens, the making of any disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness, in each case in connection with a Limited Condition Acquisition, the date of determination of such ratio or other provisions, determination of whether any Default or Event of Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "**LCA Election**"), be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "**LCA Test Date**"). If on a *pro forma* basis after giving effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) such ratios and other provisions are calculated as if such Limited Condition Acquisition or other transactions had occurred at the beginning of the most recent Test Period ending prior to the LCA Test Date for which financial statements are available, the Borrower could have taken such action on the relevant LCA Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with, unless an Event of Default pursuant to Section 8.01(1), or, solely with respect to the Borrower, Section 8.01(6), shall be continuing on the date such Limited Condition Acquisition is consummated. For the avoidance of doubt, (i) if any of such ratios or other provisions are exceeded or breached as a result of fluctuations in such ratio (including due to fluctuations in Run-Rate Adjusted EBITDA or other components of such ratio) or other provisions at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (ii) such ratios and compliance with such conditions shall not be tested at the time of consummation of such Limited Condition Acquisition or related Specified Transactions, unless on such date an Event of Default pursuant to Section 8.01(1) or 8.01(6) shall be continuing. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or Basket availability with respect to any other Specified Transaction on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or Basket shall be calculated on a *pro forma basis* assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) had been consummated on the LCA Test Date; *provided* that for purposes of any such calculation of the Fixed Charge Coverage Ratio, Consolidated Interest Expense will be calculated using an assumed interest rate for the Indebtedness to be incurred in connection with such Limited Condition Acquisition based on the indicative interest margin contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Borrower in good faith. Notwithstanding anything in this Agreement or any Loan Document to the contrary, if the Borrower or its Restricted Subsidiaries (x) incurs

Indebtedness, creates Liens, makes Asset Sales, makes Investments, makes Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with any Limited Condition Acquisition under a ratio-based Basket and (y) incurs Indebtedness, creates Liens, makes Asset Sales, Investments or Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with such Limited Condition Acquisition under a non-ratio-based Basket (which shall occur within five Business Days of the events in clause (x) above), then the applicable ratio will be calculated with respect to any such action under the applicable ratio-based Basket without regard to any such action under such non-ratio-based Basket made in connection with such Limited Condition Acquisition.

SECTION 1.08 Available Amount Transaction. If more than one action occurs on any given date the permissibility of the taking of which is determined hereunder by reference to the amount specified in Section 7.05(a) immediately prior to the taking of such action, the permissibility of the taking of each such action shall be determined independently and in no event may any two or more such actions be treated as occurring simultaneously, i.e., each transaction must be permitted under Section 7.05(a) as so calculated.

SECTION 1.09 Guaranties of Hedging Obligations. Notwithstanding anything else to the contrary in any Loan Document, no non-Qualified ECP Guarantor shall be required to guarantee or provide security for Excluded Swap Obligations, and any reference in any Loan Document with respect to such non-Qualified ECP Guarantor guaranteeing or providing security for the Obligations shall be deemed to be all Obligations other than the Excluded Swap Obligations.

SECTION 1.10 Currency Generally.

(1) The Administrative Agent shall determine the Dollar Amount of each Revolving Loan denominated in an Alternative Currency and L/C Obligation in respect of Letters of Credit denominated in an Alternative Currency (a) as of the first day of each Interest Period applicable thereto and (b) as of the end of each fiscal quarter of the Borrower, and shall promptly notify the Borrower and the Lenders of each Dollar Amount so determined by it. Each such determination shall be based on the Exchange Rate (i) on the date of the related Request for Credit Extension for purposes of the initial such determination for any Revolving Loan or Letter of Credit and (ii) on the fourth Business Day prior to the date as of which such Dollar Amount is to be determined, for purposes of any subsequent determination.

(2) If after giving effect to any such determination of a Dollar Amount, the Total Revolving Outstandings exceed the aggregate amount of Revolving Commitments then in effect by 5.0% or more, the Borrower shall, within five Business Days of receipt of notice thereof from the Administrative Agent setting forth such calculation in reasonable detail, prepay the applicable outstanding Dollar Amount of the Revolving Loans denominated in Alternative Currencies or take other action as the Administrative Agent, in its discretion, may direct (including Cash Collateralization of the applicable L/C Obligations in amounts from time to time equal to such excess) to the extent necessary to eliminate any such excess.

(3) The Borrower shall determine in good faith the Dollar Amount of any utilization or other measurement denominated in a currency other than Dollars for purposes of compliance with any Basket. For purposes of determining compliance with any Basket under Article VII or VIII with respect to any amount expressed in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Basket utilization occurs or other Basket measurement is made (so long as such Basket utilization or other measurement, at the time incurred, made or acquired, was permitted hereunder). Except with respect to any ratio calculated under any Basket, any subsequent change in rates of currency exchange with respect to any prior utilization or other measurement of a Basket previously made in reliance on such Basket (as the same may have been reallocated in accordance with this Agreement) shall be disregarded for purposes of determining any unutilized portion under such Basket.

(4) For purposes of determining the First Lien Net Leverage Ratio and the Total Net Leverage Ratio, the amount of Indebtedness and cash and Cash Equivalents shall reflect the currency translation effects, determined in accordance with GAAP, of Hedging Obligations permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

SECTION 1.11 Letters of Credit. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of the stated amount of such Letter of Credit in effect at such time after giving effect to any automatic reductions to such stated amount pursuant to the terms of the applicable Letter of Credit after the occurrence of any applicable condition (including the expiration of any applicable period); *provided*, *however*, that with respect to any Letter of Credit that, by its terms or the terms of any Issuing Bank Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the amount of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

ARTICLE II

Except as provided in Sections 2.14, 2.15 and 2.16, each Borrowing of, conversion to or continuation of Eurodollar Rate Loans or CDOR Loans shall be in a principal Dollar Amount of $5.0 million or a whole multiple Dollar Amount of $1.0 million in excess thereof

(*provided* that any continuation of Eurodollar Rate Loans or CDOR Loans funded in an Available Currency other than Dollars may be for the entire Dollar Amount of such Eurodollar Rate Loans or CDOR Loans then outstanding in such Available Currency). Except as provided in Sections 2.03(3), 2.14, 2.15 and 2.16, each Borrowing of or conversion to Base Rate Loans shall be in a principal Dollar Amount of $1.0 million or a whole multiple Dollar Amount of $500,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify

(i) whether the Borrower is requesting a Term Borrowing, a Revolving Borrowing, a conversion of Term Loans or Revolving Loans from one Type to the other or a continuation of Eurodollar Rate Loans or CDOR Loans,

(ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day),

(iii) the principal amount of Loans to be borrowed, converted or continued,

(iv) in the case of Revolving Loans, the currency in which the Revolving Loans to be borrowed are to be denominated,

(v) the Class and Type of Loans to be borrowed or to which existing Term Loans or Revolving Loans are to be converted,

(vi) if applicable, the duration of the Interest Period with respect thereto and

(vii) wire instructions of the account(s) to which funds are to be disbursed.

If the Borrower fails to specify a Type of Loan to be made in a Committed Loan Notice, then the applicable Loans shall be made as Eurodollar Rate Loans with an Interest Period of one (1) month. If the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as the same Type of Loan, which if a Eurodollar Rate Loan or CDOR Loan, shall have a one-month Interest Period. Any such automatic continuation of Eurodollar Rate Loans or CDOR Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans or CDOR Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans or CDOR Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month. If no currency is specified in a Committed Loan Notice for Revolving Borrowings, the requested Borrowing shall be in Dollars.

(2) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic continuation of Eurodollar Rate Loans or CDOR Loans or continuation of Loans described in Section 2.02(1). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than, in the case of Borrowing on the Closing Date, 10:00 a.m., New York time, and otherwise 2:00 p.m., New York time, on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.01 for the Borrowing on the Closing Date, the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (a) crediting the account(s) of the applicable Borrower on the books of the Administrative Agent with the amount of such funds or (b) wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent; *provided* that if on the date the Committed Loan Notice with respect to a Borrowing under a Revolving Facility is given by the Borrower (other than with respect to the Closing Date Revolving Borrowing), there are L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowing and second, to the Borrower as provided above.

(3) Except as otherwise provided herein, a Eurodollar Rate Loan or a CDOR Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan or CDOR Loan, unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent at the direction of the Required Revolving Lenders or the Required Facility Lenders (as applicable) under the applicable Facility may require by notice to the Borrower that no Loans under such Facility may be converted to or continued as Eurodollar Rate Loans or CDOR Loans.

(4) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans and CDOR Loans upon determination of such interest rate. The determination of the Eurodollar Rate and CDOR Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(5) After giving effect to all Term Borrowings, all Revolving Borrowings, all conversions of Term Loans or Revolving Loans from one Type to the other, and all continuations of Term Loans or Revolving Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Loans pursuant to an Incremental Amendment, a Refinancing Amendment, an Extension Amendment or an amendment in respect of Replacement Loans, the number of Interest Periods otherwise permitted by this Section 2.02(5) shall increase by three (3) Interest Periods for each applicable Class so established.

(6) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(7) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing, or, in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (2) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate *plus* any administrative, processing or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(7) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.03 Letters of Credit.

(1) The Letter of Credit Commitments.

(a) Subject to the terms and conditions set forth herein, (i) each Issuing Bank agrees, in reliance upon the agreements of the other Revolving Lenders set forth in this Section 2.03,

(A) from time to time on any Business Day during the period from the Closing Date until the L/C Expiration Date, to issue Letters of Credit at sight denominated in Dollars or another Available Currency for the account of the Borrower or a Restricted Subsidiary (*provided* that any such Letter of Credit may be for the benefit of Holdings or any Subsidiary of the Borrower) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(2), and (B) to honor drawings under the Letters of Credit and (ii) the Revolving Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; *provided* that no Issuing Bank shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of such L/C Credit Extension, (x) the Revolving Exposure of any Revolving Lender would exceed such Lender's Revolving Commitment or (y) the Outstanding Amount of the L/C Obligations would exceed the L/C Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. In accordance with Section 2.03(8), all Existing Letters of Credit shall be deemed to have been issued pursuant to this Section 2.03(1) (except that the provisions of 2.03(7) shall not apply to such deemed issuance on the Closing Date).

(b) An Issuing Bank shall be under no obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Law applicable to such Issuing Bank or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or direct that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such Issuing Bank is not otherwise compensated hereunder);

(ii) subject to Section 2.03(2)(c), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless (A) each Appropriate Lender has approved of such expiration date or (B) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank;

(iii) the expiry date of such requested Letter of Credit would occur after the L/C Expiration Date, unless (A) each Appropriate Lender has approved of such expiration date or (B) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank;

(iv) the issuance of such Letter of Credit would violate any policies of such Issuing Bank applicable to letters of credit generally; or

(v) any Revolving Lender is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or potential Fronting Exposure (after giving effect to Section 2.17(1)(d)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(c) An Issuing Bank shall be under no obligation to amend any Letter of Credit if (i) such Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(2) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit

(a) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an Issuing Bank (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such L/C Application must be received by the relevant Issuing Bank and the Administrative Agent not later than 12:00 p.m., New York time, at least two (2) Business Days prior to the proposed issuance date or date of amendment, as the case may be, or, in each case, such later date and time as the relevant Issuing Bank may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

(i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day);

(ii) the amount thereof;

(iii) the expiry date thereof;

(iv) the name and address of the beneficiary thereof;

(v) the documents to be presented by such beneficiary in case of any drawing thereunder;

(vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder;

(vii) the Available Currency in which the requested Letter of Credit to be issued will be denominated; and

(viii) such other matters as the relevant Issuing Bank may reasonably request.

In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

(A) the Letter of Credit to be amended;

(B) the proposed date of amendment thereof (which shall be a Business Day);

(C) the nature of the proposed amendment; and

(D) such other matters as the relevant Issuing Bank may reasonably request.

(b) Promptly after receipt of any L/C Application, the relevant Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such L/C Application from the Borrower and, if not, such Issuing Bank will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant Issuing Bank of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or, if applicable, any Restricted Subsidiary of the Borrower) or enter into the applicable amendment, as the case may be. Immediately upon the issuance

of each Letter of Credit, each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant Issuing Bank a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share or other applicable share provided for under this Agreement times the amount of such Letter of Credit.

(c) If the Borrower so requests in any applicable L/C Application, the relevant Issuing Bank shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); *provided* that any such Auto-Extension Letter of Credit must permit the relevant Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Non-Extension Notice Date**") in each such twelve-month period to be agreed upon by the relevant Issuing Bank and the Borrower at the time such Letter of Credit is issued. Unless otherwise agreed in such Letter of Credit, the Borrower shall not be required to make a specific request to the relevant Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the applicable L/C Expiration Date, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank; *provided* that the relevant Issuing Bank shall not permit any such extension if (i) the relevant Issuing Bank has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(1)(b) or otherwise) or (ii) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date from the Administrative Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 will not be satisfied on the applicable date of the Credit Extension.

(d) Promptly after issuance of any Letter of Credit or any amendment to a Letter of Credit, the relevant Issuing Bank will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(3) Drawings and Reimbursements; Funding of Participations.

(a) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant Issuing Bank shall promptly notify the Borrower and the Administrative Agent thereof (including the date on which such payment is to be made). Upon the same day of any payment by an Issuing Bank under a Letter of Credit with notice to the Borrower (each such date, an "**Honor Date**"), the Borrower shall reimburse, or cause to be reimbursed, such Issuing Bank through the Administrative Agent in an amount equal to the Dollar Amount of such drawing; *provided* that if such reimbursement is not made on the date of drawing, the Borrower shall pay interest to the relevant Issuing Bank on such amount at the rate applicable to Base Rate Loans (without duplication of interest payable on L/C Borrowings). The relevant Issuing Bank shall notify the Borrower of the Dollar Amount of the drawing promptly following the determination or revaluation thereof. If the Borrower fails to so reimburse, or cause to be reimbursed, such Issuing Bank by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the Dollar Amount of the unreimbursed drawing (the "**Unreimbursed Amount**") and the amount of such Appropriate Lender's Pro Rata Share or other applicable share provided for under this Agreement thereof. In such event, in the case of an Unreimbursed Amount under a Letter of Credit, the Borrower shall be deemed to have requested a Revolving Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the requirements for the amount of the unutilized portion of the Revolving Commitments under the applicable Revolving Facility of the Appropriate Lenders and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an Issuing Bank or the Administrative Agent pursuant to this Section 2.03(3)(a) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(b) Each Appropriate Lender (including any Lender acting as an Issuing Bank) shall upon any notice pursuant to Section 2.03(3)(a) make funds available to the Administrative Agent for the account of the relevant Issuing Bank in Dollars at the Administrative Agent's Office for payments in an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(3)(c), each Appropriate Lender that so makes funds available shall be deemed to have made a Revolving Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant Issuing Bank.

(c) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant Issuing Bank an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Appropriate Lender's payment to the Administrative Agent for the account of the relevant Issuing Bank pursuant to Section 2.03(3)(b) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(d) Until each Appropriate Lender funds its Revolving Loan or L/C Advance pursuant to this Section 2.03(3) to reimburse the relevant Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such amount shall be solely for the account of the relevant Issuing Bank.

(e) Each Revolving Lender's obligation to make Revolving Loans or L/C Advances to reimburse an Issuing Bank for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(3), shall be absolute and unconditional and shall not be affected by any circumstance, including

(i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant Issuing Bank, the Borrower or any other Person for any reason whatsoever;

(ii) the occurrence or continuance of a Default; or

(iii) any other occurrence, event or condition, whether or not similar to any of the foregoing;

provided that each Revolving Lender's obligation to make Revolving Loans pursuant to this Section 2.03(3) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant Issuing Bank for the amount of any payment made by such Issuing Bank under any Letter of Credit, together with interest as provided herein.

(f) If any Revolving Lender fails to make available to the Administrative Agent for the account of the relevant Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(3) by the time specified in Section 2.03(3)(b), such Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the relevant Issuing Bank submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(3)(d) shall be conclusive absent manifest error.

(4) Repayment of Participations.

(a) If, at any time after an Issuing Bank has made a payment under any Letter of Credit and has received from any Revolving Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(3), the Administrative Agent receives for the account of such Issuing Bank any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the Dollar Amount received by the Administrative Agent.

(b) If any payment received by the Administrative Agent for the account of an Issuing Bank pursuant to Section 2.03(3)(a) or Section 2.03(3)(b) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such Issuing Bank its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The Obligations of the Revolving Lenders under this Section 2.03(4)(b) shall survive the payment in full of the Obligations and the termination of this Agreement.

(5) Obligations Absolute. The obligation of the Borrower to reimburse the relevant Issuing Bank for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(a) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(b) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant Issuing Bank or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(c) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(d) any payment by the relevant Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(e) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit; or

(f) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by acts or omissions by such Issuing Bank constituting gross negligence, bad faith or willful misconduct on the part of such Issuing Bank as determined in a final and non-appealable judgment by a court of competent jurisdiction.

(6) Role of Issuing Banks. The Issuing Bank shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate or facsimile message, order or other document or telephone message signed, sent or made by any Person that the Issuing Bank reasonably believed to be genuine and correct and to have been signed, sent or made by the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Issuing Bank (which may include, at the Issuing Bank's option, counsel of the Administrative Agent or the Borrower). Each Lender and the Borrower agrees that, in paying any drawing under a Letter of Credit, the relevant Issuing Bank shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Issuing Banks, any Related Person of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank shall be liable to any Lender for

(a) any action taken or omitted in connection herewith at the request or with the approval of the Lenders, the Required Revolving Lenders or the Required Lenders, as applicable;

(b) any action taken or omitted in the absence of gross negligence, bad faith or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or

(c) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or L/C Application.

Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, any Related Persons of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank, shall be liable or responsible for any of the matters described in clauses (a) through (f) of Section 2.03(5); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an Issuing Bank, and such Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by the Borrower which the Borrower proves were caused by such Issuing Bank's willful misconduct, bad faith or gross negligence or such Issuing Bank's willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no Issuing Bank shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

Each Lender shall, ratably in accordance with its Pro Rata Share, indemnify each Issuing Bank, its Related Persons and their respective directors, officers, agents and employees (to the extent not reimbursed by the

Borrower) against any cost, expense (including reasonable counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from such indemnitees' willful misconduct, bad faith or gross negligence or such Issuing Bank's willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction) that such indemnitees may suffer or incur in connection with this Section 2.03 or any action taken or omitted to be taken by such indemnitees hereunder.

(7) Cash Collateral. Subject to Section 2.17(1)(d), if,

(a) as of any L/C Expiration Date, any applicable Letter of Credit issued for the account of the Borrower or any Restricted Subsidiary may for any reason remain outstanding and partially or wholly undrawn,

(b) any Event of Default occurs and is continuing and the Administrative Agent upon the direction of the Required Revolving Lenders, as applicable, may require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02 or

(c) an Event of Default set forth under Section 8.01(6) occurs and is continuing,

the Borrower will Cash Collateralize, or cause to be Cash Collateralized, the then Outstanding Amount of all relevant L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the applicable L/C Expiration Date, as the case may be), and shall do so not later than 2:00 p.m. on (i) in the case of the immediately preceding clauses (a) or (b), (x) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 p.m. or (y) if clause (x) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (ii) in the case of the immediately preceding clause (c), the Business Day on which an Event of Default set forth under Section 8.01(6) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent or the applicable Issuing Bank, the Borrower will Cash Collateralize all Fronting Exposure (after giving effect to Section 2.17(1)(d) and any Cash Collateral provided by the Defaulting Lender). The Borrower hereby grants to the Administrative Agent, for the benefit of the Issuing Banks and the Revolving Lenders of the applicable Facility, a security interest in all such Cash Collateral. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent and may be invested in readily available Cash Equivalents selected by the Administrative Agent in its sole discretion. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Loan Parties or the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all relevant L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay, or cause to be paid, to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (A) such aggregate Outstanding Amount over (B) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant Issuing Bank. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such relevant L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall promptly be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(7) is cured or otherwise waived, then so long as no other Event of Default has occurred and is continuing, the amount of any Cash Collateral pledged to Cash Collateralize such Letter of Credit shall promptly be refunded to the Borrower. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Loan Parties or the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(8) Existing Letters of Credit. Subject to the terms and conditions hereof, (a) Letters of Credit may be issued on the Closing Date to backstop or replace letters of credit outstanding on the Closing Date or (b) all letters of credit issued for the account of the Borrower or any Restricted Subsidiary and outstanding on the Closing Date and issued by an entity that is an Issuing Bank under this Agreement, which, by its execution of this Agreement, has agreed to act as an Issuing Bank hereunder and is listed on Schedule 2.03(8) (each, an "**Existing Letter of Credit**") shall automatically be continued hereunder on the Closing Date by such Issuing Bank, and as of the Closing Date the Revolving Lenders shall acquire a participation therein as if such Existing Letter of Credit were issued hereunder, and each such Existing Letter of Credit shall be deemed a Letter of Credit for all purposes of this Agreement as of the Closing Date without any further action by the Borrower.

(9) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent, for the account of each Revolving Lender for the applicable Revolving Facility in accordance with its Pro Rata Share or other applicable share provided for under this Agreement, a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate set forth in the "Eurodollar Rate, CDOR Rate and Letter of Credit Fees" column of the chart in the definition of "Applicable Rate" times the daily maximum Dollar Amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount decreases or increases periodically pursuant to the terms of such Letter of Credit); *provided*, *however*, that any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the applicable Issuing Bank pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.17(1)(d), with the balance of such fee, if any, payable to the applicable Issuing Bank for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears. Such Letter of Credit fees shall be due and payable in Dollars on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. If there is any change in the Applicable Rate set forth in the "Eurodollar Rate, CDOR Rate and Letter of Credit Fees" column of the chart in the definition of "Applicable Rate" during any calendar quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such calendar quarter that such Applicable Rate was in effect.

(10) Fronting Fee and Documentary and Processing Charges Payable to Issuing Banks. The Borrower shall pay directly to each Issuing Bank for its own account a fronting fee with respect to each Letter of Credit issued by such Issuing Bank equal to 0.25% per annum (or such other lower amount as may be mutually agreed by the Borrower and the applicable Issuing Bank) of the maximum Dollar Amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases or decreases periodically pursuant to the terms of such Letter of Credit) or such lesser fee as may be agreed with such Issuing Bank. Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable in Dollars on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. In addition, the Borrower shall pay, or cause to be paid, directly to each Issuing Bank for its own account with respect to each Letter of Credit issued for the account of the Borrower or any Restricted Subsidiary the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Issuing Bank relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(11) Conflict with L/C Application. Notwithstanding anything else to the contrary in this Agreement or any L/C Application, in the event of any conflict between the terms hereof and the terms of any L/C Application, the terms hereof shall control.

(12) Addition of an Issuing Bank. There may be one or more Issuing Banks under this Agreement from time to time. After the Closing Date, a Revolving Lender reasonably acceptable to the Borrower and the Administrative Agent may become an additional Issuing Bank hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Lender. The Administrative Agent shall notify the Revolving Lenders of any such additional Issuing Bank.

(13) Provisions Related to Extended Revolving Commitments. If the L/C Expiration Date in respect of any Class of Revolving Commitments occurs prior to the expiry date of any Letter of Credit, then (a) if consented to by the Issuing Bank which issued such Letter of Credit, if one or more other Classes of Revolving Commitments in respect of which the L/C Expiration Date shall not have so occurred are then in effect, such Letters of Credit for which consent has been obtained shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Lenders to purchase participations therein and to make Revolving Loans and payments in respect thereof pursuant to Sections 2.03(3) and (4)) under (and ratably participated in by Revolving Lenders pursuant to) the Revolving Commitments in respect of such non-terminating Classes up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (b) to the extent not reallocated pursuant to immediately preceding clause (a) and unless provisions reasonably satisfactory to the applicable Issuing Bank for the treatment of such Letter of Credit as a letter of credit under a successor credit facility have been agreed upon, the Borrower shall, on or prior to the applicable Maturity Date, cause all such Letters of Credit to be replaced and returned to the applicable Issuing Bank undrawn and marked "cancelled" or to the extent that the Borrower is unable to so replace and return any Letter(s) of Credit, such Letter(s) of Credit shall be backstopped by a "back to back" letter of credit reasonably satisfactory to the applicable Issuing Bank or the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(7).

(14) Letter of Credit Reports. For so long as any Letter of Credit issued by an Issuing Bank is outstanding, such Issuing Bank shall deliver to the Administrative Agent on the last Business Day of each calendar month, and on each date that an L/C Credit Extension occurs with respect to any such Letter of Credit, a report in the form of Exhibit R, appropriately completed with the information for every outstanding Letter of Credit issued by such Issuing Bank.

(15) Letters of Credit Issued for Holdings and Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, Holdings or a Restricted Subsidiary of the Borrower, the Borrower shall be obligated to reimburse, or cause to be reimbursed, the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Holdings or such Restricted Subsidiaries inures to the benefit of the Borrower, and that the Borrower's businesses derives substantial benefits from the businesses of Holdings and such Restricted Subsidiaries.

SECTION 2.04 Swing Line Loans.

(1) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender may, in its sole discretion and in its individual capacity, make revolving credit loans in Dollars to the Borrower (each such loan, a "**Swing Line Loan**"), from time to time on any Business Day during the period beginning on the Business Day after the Closing Date and until the Maturity Date of the Revolving Facility in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of Revolving Loans and L/C Obligations of the Swing Line Lender, may exceed the amount of such Swing Line Lender's Revolving Commitment; *provided* that, after giving effect to any Swing Line Loan, the Revolving Exposure shall not exceed the aggregate Revolving Commitment. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan will be obtained or maintained as a Base Rate Loan unless Swing Line Lender agrees to a lower interest rate; *provided* that (a) Swing Line Lender may not agree to a different rate if an Event of Default has occurred and is continuing and (b) upon the occurrence and during the continuance of an Event of Default under Section 8.01(1), the Swing Line Loans will, at the option of Swing Line Lender, bear interest on past due amounts at a rate per annum equal to the Default Rate to the fullest extent permitted by applicable Laws.

(2) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender, which may be given in writing or by telephone. Each such notice must be received by the Swing Line Lender not later than 2:00 p.m., New York time, on the requested Borrowing date and shall specify (a) the amount to be borrowed, which shall be a minimum of $100,000 and (b) the requested Borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by

delivery to the Swing Line Lender of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower, together with substantially simultaneous notice (by telephone or in writing) to the Administrative Agent. If the Swing Line Lender agrees to provide such requested Swing Line Borrowing, unless it has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Lender) or it determines that (i) after giving effect to any Swing Line Loan, the Revolving Exposure will exceed the aggregate Revolving Commitment or (ii) one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m., New York time, on the Borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower.

(3) Repayment or Refinancing of Swing Line Loans.

(a) The Borrower has the right to prepay all or a portion of any Swing Line Loan at any time without premium or penalty. The Swing Line Lender at any time in its sole and absolute discretion may request, by written notice to the Borrower, the Administrative Agent and the Revolving Lenders, on behalf of the Borrower (which hereby irrevocably authorizes such Swing Line Lender to so request on its behalf), that each Revolving Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount of Swing Line Loans of the Borrower then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but not in excess of the unutilized portion of the aggregate Revolving Commitments and subject to the conditions set forth in Section 4.02; *provided* that, in the following circumstances, any such request shall also be deemed to have been given one Business Day prior to each of (i) the Maturity Date of the Revolving Facility, (ii) the occurrence of an Event of Default with respect to the Borrower under Section 8.01(6) or (iii) the acceleration of the Obligations or other exercise of remedies under Section 8.02 (each such borrowing made on account of any such deemed request under this Section 2.04(3)(a), a "**Mandatory Swing Line Borrowing**"). The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Lender shall make an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. New York time on the date specified in such Committed Loan Notice, whereupon, subject to Section 2.04(3)(b), each Revolving Lender that so makes funds available shall be deemed to have made a Revolving Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(b) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Borrowing in accordance with Section 2.04(3)(a) (including as a result of a proceeding under any Debtor Relief Law), the request for Base Rate Loans submitted by the relevant Swing Line Lender as set forth herein shall be deemed to be a request by such Swing Line Lender that each of the Revolving Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(a)(1) shall be deemed payment in respect of such participation; *provided*, that (i) all interest payable on the Swing Line Loans is for the account of Swing Line Lender until the date as of which the respective participation is purchased and (ii) at the time any purchase of participations pursuant to this sentence is actually made, the purchasing Revolving Lender shall pay Swing Line Lender interest on the principal amount of such participation purchased for each day from and including the day upon which the Mandatory Swing Line Borrowing purchase occurs under this Agreement to but excluding the date of payment for such participation, at the rate equal to the Federal Funds Rate.

(c) If any Revolving Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by the Lender pursuant to the foregoing provisions of this Section 2.04(3) by the time specified in Section 2.04(3)(a), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. If such Revolving Lender pays such amount, the amount so paid shall constitute such Lender's Revolving

Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (c) shall be conclusive absent manifest error.

(d) Each Revolving Lender's obligation to make Revolving Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(3) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default, or (iii) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Lender's obligation to make Revolving Loans pursuant to this Section 2.04(3) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(4) Repayment of Participations.

(a) At any time after any Revolving Lender has purchased and funded a risk participation in a Swing Line Loan, if the relevant Swing Line Lender receives any payment on account of such Swing Line Loan, such Swing Line Lender will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by such Swing Line Lender.

(b) If any payment received by the relevant Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by such Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Lender shall pay to such Swing Line Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of a Swing Line Lender. The obligations of the Revolving Lenders under this clause (d)(ii) shall survive the payment in full of the Obligations and the termination of this Agreement.

(5) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share or other applicable share provided for under this Agreement of any Swing Line Loan, interest in respect of such Pro Rata Share or other applicable share provided for under this Agreement shall be solely for the account of the Swing Line Lender.

(6) Payments Directly to Swing Line Lender. Subject to Section 2.04(3)(a), the Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

(7) Provisions Related to Extended Revolving Commitments. If the Maturity Date shall have occurred in respect of any Class of Revolving Commitments (the "**Expiring Credit Commitment**") at a time when another Class or Classes of Revolving Commitments is or are in effect with a later Maturity Date (each a "**Non-Expiring Credit Commitment**" and collectively, the "**Non-Expiring Credit Commitments**"), then with respect to each outstanding Swing Line Loan, if consented to by the Swing Line Lender, on the earliest occurring Maturity Date such Swing Line Loan shall be deemed reallocated to the Class or Classes of the Non-Expiring Credit Commitments on a pro rata basis;*provided* that (a) to the extent that the amount of such reallocation would cause the aggregate credit exposure to exceed the aggregate amount of such Non-Expiring Credit Commitments, immediately prior to such reallocation (after giving effect to any repayments of Revolving Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(13)) the amount of Swing Line Loans to be reallocated equal to such excess shall be repaid and (b) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the Borrower shall still be obligated to pay Swing Line Loans allocated to the Revolving Lenders holding the Expiring Credit Commitments at the Maturity Date of the Expiring Credit Commitment or if the Loans have been accelerated prior to the Maturity Date of the Expiring Credit Commitment.

(8) Addition of a Swing Line Lender. A Revolving Lender reasonably acceptable to the Borrower and the Administrative Agent may become an additional Swing Line Lender hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Lender (which agreement shall include the Swing Line Sublimit for such additional Swing Line Lender). The Administrative Agent shall notify the Revolving Lenders of any such additional Swing Line Lender.

SECTION 2.05 Prepayments.

(1) Optional.

(a) The Borrower may, upon notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Class or Classes of Term Loans and any Class or Classes of Revolving Loans in whole or in part without premium (except as set forth in Section 2.18) or penalty; *provided* that

(i) such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time, (A) three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans and CDOR Loans and (B) on the date of prepayment of Base Rate Loans;

(ii) any partial prepayment of Eurodollar Rate Loans and CDOR Loans shall be in a principal amount of $2.0 million or a whole multiple of $500,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and

(iii) any prepayment of Base Rate Loans shall be in a principal amount of $1.0 million or a whole multiple of $100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding.

Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid (and, for the avoidance of doubt, may indicate the prepayments by more than one Borrower on such date in such amounts so specified, which, individually, may be below any minimum or multiple, but which, in the aggregate amount on any given date, shall satisfy such minimum and multiple requirements). The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan or CDOR Loans shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(1), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(b) [Reserved].

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(1)(a) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(d) Each prepayment in respect of any Term Loans pursuant to this Section 2.05(1) may be applied to any Class of Term Loans as directed by the Borrower. Voluntary prepayments of any Class of Term Loans permitted hereunder shall be applied in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity, including any remaining scheduled installments of principal). For the avoidance of doubt, the Borrower may (i) prepay Term Loans of any Term Loan Class pursuant to this Section 2.05 without any requirement

to prepay Extended Term Loans that were converted or exchanged from such Term Loan Class and (ii) prepay Extended Term Loans pursuant to this Section 2.05 without any requirement to prepay any Term Loans that were converted or exchanged for such Extended Term Loans. In the event that the Borrower does not specify the order in which to apply prepayments to reduce scheduled installments of principal or as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the scheduled installments of principal in direct order of maturity on a *pro rata* basis among Term Loan Classes.

(e) Notwithstanding anything in any Loan Document to the contrary, so long as (x) no Event of Default has occurred and is continuing and (y) no proceeds of Revolving Loans are used for this purpose, any Borrower Party may (i) purchase outstanding Term Loans on a non-pro rata basis through open market purchases or (ii) prepay the outstanding Term Loans (which Term Loans shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such purchase or prepayment), which in the case of clause (ii) only shall be prepaid without premium or penalty on the following basis:

(A) Any Borrower Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the "**Discounted Term Loan Prepayment**"), in each case made in accordance with this Section 2.05(1)(e) and without premium or penalty.

(B) (1) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with five (5) Business Days' notice (or such shorter period as agreed by the Auction Agent) in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the applicable Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the "**Specified Discount Prepayment Amount**") with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the "**Specified Discount**") of such Term Loans to be prepaid (it being understood that different Specified Discounts or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $1.0 million in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the "**Specified Discount Prepayment Response Date**").

(2) Each Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "**Discount Prepayment Accepting Lender**"), the amount and the Classes of such Lender's Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the relevant Borrower Party will make a prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and Classes of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to subsection (2) above*; provided* that if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the "**Specified Discount Proration**"). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the applicable Borrower Party and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice (or such shorter period as agreed by the Auction Agent) in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "**Discount Range Prepayment Amount**"), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "**Discount Range**") of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by such Borrower Party (it being understood that different Discount Ranges or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the "**Discount Range Prepayment Response Date**"). Each Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "**Submitted Discount**") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender's Term Loans (the "**Submitted Amount**") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Borrower Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the "**Applicable Discount**") which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a "**Participating Lender**").

(3) If there is at least one Participating Lender, the relevant Borrower Party will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the Classes specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "**Identified Participating Lenders**") shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "**Discount Range Proration**"). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice (or such later notice specified therein); *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the "**Solicited Discounted Prepayment Amount**") and the Class or Classes of Term Loans the applicable Borrower Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each

such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Term Lenders (the "**Solicited Discounted Prepayment Response Date**"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the "**Offered Discount**") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the "**Offered Amount**") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Borrower Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Borrower Party shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the applicable Borrower Party (the "**Acceptable Discount**"), if any. If the applicable Borrower Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Borrower Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the "**Acceptance Date**"), the applicable Borrower Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the applicable Borrower Party by the Acceptance Date, such Borrower Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the "**Discounted Prepayment Determination Date**"), the Auction Agent will determine (in consultation with the consent of such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the "**Acceptable Prepayment Amount**") to be prepaid by the relevant Borrower Party at the Acceptable Discount in accordance with this Section 2.05(1)(e)(D). If the applicable Borrower Party elects to accept any Acceptable Discount, then such Borrower Party agrees to accept all Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "**Qualifying Lender**"). The applicable Borrower Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those

Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "**Identified Qualifying Lenders**") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "**Solicited Discount Proration**"). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Borrower Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may require, as a condition to the applicable Discounted Term Loan Prepayment, the payment of customary fees and expenses from a Borrower Party to such Auction Agent for its own account in connection therewith.

(F) If any Term Loan is prepaid in accordance with subsections (B) through (D) above, a Borrower Party shall prepay such Term Loans on the Discounted Prepayment Effective Date. The relevant Borrower Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 12:00 p.m., New York time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the relevant Class(es) and Lenders as specified by the applicable Borrower Party in the applicable offer. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(1)(e) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective applicable share as calculated by the Auction Agent in accordance with this Section 2.05(1)(e). The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(1)(e), the relevant Borrower Party shall make a representation to the assigning or assignee Term Lenders, as applicable, that it does not possess material non-public information with respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders generally (other than Term Lenders that have elected not to receive such information) or shall make a statement that such representation cannot be made.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(1)(e), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Borrower Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(1)(e), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next succeeding Business Day.

(I) Each of the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(1)(e) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(1)(e) as well as activities of the Auction Agent.

(J) Each Borrower Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Borrower Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(1)(e) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(2) Mandatory.

(a) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(1) and the related Compliance Certificate has been delivered pursuant to Section 6.02(1), commencing with delivery of financial statements for the fiscal year ended December 31, 2016, the Borrower shall, subject to clauses (f) and (g) of this Section 2.05(2), prepay, or cause to be prepaid, an aggregate principal amount of Term Loans equal to 50% (such percentage as it may be reduced as described below, the "**ECF Percentage**") of Excess Cash Flow in excess of $15.0 million, if any, for the fiscal year covered by such financial statements *minus* the sum of all voluntary prepayments of

(i) Term Loans made pursuant to Sections 2.05(1)(a) and 2.05(1)(e) (in an amount, in the case of prepayments pursuant to Section 2.05(1)(e), equal to the discounted amount actually paid in respect of the principal amount of such Term Loans and only to the extent that such Loans have been cancelled),

(ii) Credit Agreement Refinancing Indebtedness or Permitted Incremental Equivalent Debt, in each case to the extent secured in whole or in part on a *pari passu* basis with the Closing Date Term Loans and

(iii) Revolving Loans, Refinancing Revolving Loans or loans under any other revolving facility that is secured, in whole or in part, on a *pari passu* basis with the Revolving Loans (in each case of this clause (iii), to the extent accompanied by a permanent reduction in the corresponding Revolving Commitments or other revolving commitments), in the case of each of the immediately preceding clauses (i), (ii) and (iii), made during such fiscal year (without duplication of any prepayments in such fiscal year that reduced the amount of Excess Cash Flow required to be repaid pursuant to this Section 2.05(2)(a) for any prior fiscal year) or after the end of such fiscal year-end but prior to the date a prepayment pursuant to this Section (2)(a) is required to be made in respect of such fiscal year and in each case to the extent such prepayments are not funded with the proceeds of Funded Debt (other than any Indebtedness under any revolving credit facilities); *provided* that the ECF Percentage for any fiscal year

shall be (x) 25% if the First Lien Net Leverage Ratio as of the end of such fiscal year was less than or equal to 3.50 to 1.00 and greater than 3.00 to 1.00 and (y) 0% if the First Lien Net Leverage Ratio as of the end of such fiscal year was less than or equal to 3.00 to 1.00; *provided further* that:

(A) if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to Discharge Other Applicable Indebtedness with Other Applicable ECF pursuant to the terms of the documentation governing such Indebtedness, then the Borrower (or any Restricted Subsidiary) may apply such Excess Cash Flow on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness requiring such Discharge at such time);

(B) the portion of such Excess Cash Flow allocated to the Other Applicable Indebtedness shall not exceed the amount of such Other Applicable ECF required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Excess Cash Flow shall be allocated to the Term Loans in accordance with the terms hereof) to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(2)(a) shall be reduced accordingly; and

(C) to the extent the lenders or holders of Other Applicable Indebtedness decline to have such Indebtedness repurchased or prepaid with such portion of Excess Cash Flow, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans to the extent required in accordance with the terms of this Section 2.05(2)(a).

(b) (i) If (x) the Borrower or any Restricted Subsidiary makes an Asset Sale or (y) any Casualty Event occurs, which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Proceeds, the Borrower shall prepay, or cause to be prepaid, on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds, subject to clause (ii) of this Section 2.05(2)(b) and clauses (2)(g) and (g) of this Section 2.05, an aggregate principal amount of Term Loans equal to 100% (such percentage as it may be reduced as described below, the "**Disposition Percentage**") of all Net Proceeds realized or received; *provided* that (I) the Disposition Percentage shall be (x) 50% if the First Lien Net Leverage Ratio as of the end of the fiscal year covered by such financial statements was less than or equal to 2.50 to 1.00 and greater than 2.00 to 1.00 and (y) 0% if the First Lien Net Leverage Ratio as of the end of the fiscal year covered by such financial statements was less than or equal to 2.00 to 1.00 and (II) no prepayment shall be required pursuant to this Section 2.05(2)(b)(i) with respect to such portion of such Net Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest (or entered into a binding commitment to reinvest) in accordance with Section 2.05(2)(b)(ii); *provided further* that

(A) if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to Discharge any Other Applicable Indebtedness with Other Applicable Net Proceeds pursuant to the terms of the documentation governing such Indebtedness, then the Borrower (or any Restricted Subsidiary) may apply such Net Proceeds on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness requiring such Discharge at such time;

(B) the portion of such Net Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Other Applicable Net Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Proceeds shall be allocated to the Term Loans in accordance with the terms hereof) to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(2)(b)(i) shall be reduced accordingly; and

(C) to the extent the holders of Other Applicable Indebtedness decline to have such Indebtedness repurchased or prepaid with such portion of such Net Proceeds, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; *provided further* that no prepayment shall be required pursuant to this Section 2.05(2)(b)(i) with respect to such portion of such Net Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest (or entered into a binding commitment to reinvest) in accordance with Section 2.05(2)(b)(ii).

(ii) With respect to any Net Proceeds realized or received with respect to any Asset Sale or any Casualty Event, the Borrower or any Restricted Subsidiary, at its option, may reinvest all or any portion of such Net Proceeds in assets useful for their business within (x) eighteen (18) months following receipt of such Net Proceeds or (y) if the Borrower or any Restricted Subsidiary enters into a legally binding commitment to reinvest such Net Proceeds within eighteen (18) months following receipt thereof, within the later of (A) eighteen (18) months following receipt thereof and (B) one hundred eighty (180) days of the date of such legally binding commitment; *provided* that if any Net Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (g) and (h) of this Section 2.05(2), an amount equal to any such Net Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.05.

(c) (i) If the Borrower or any Restricted Subsidiary enters into a Specified Operating Facility Sale-Leaseback Transaction, which results in the receipt by the Borrower or such Restricted Subsidiary of Specified Sale-Leaseback Net Proceeds, the Borrower shall prepay (or cause to be prepaid) on or prior to the date which is ten (10) Business Days after the date of receipt of such Specified Sale-Leaseback Net Proceeds an aggregate principal amount of Loans equal to 100.0% of such Specified Sale-Leaseback Net Proceeds; *provided* that if the Borrower elects to make a Restricted Payment under Section 7.05(b)(24), the Borrower will only be required to prepay (or cause to be prepaid) an aggregate principal amount of Loans equal to 60% of such Specified Sale-Leaseback Net Proceeds.

(ii) If the Borrower or any Restricted Subsidiary enters into a Specified Other Sale-Leaseback Transaction, which results in the receipt by the Borrower or such Restricted Subsidiary of Specified Sale-Leaseback Net Proceeds and the Borrower elects to make a Restricted Payment under Section 7.05(b)(24) the Borrower shall prepay (or cause to be prepaid) substantially concurrently with the making of such Restricted Payment an aggregate principal amount of Loans equal to 60% of such Specified Sale-Leaseback Net Proceeds.

(d) If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness (A) not expressly permitted to be incurred or issued pursuant to Section 7.02 or (B) that constitutes Credit Agreement Refinancing Indebtedness or Refinancing Loans, the Borrower shall prepay, or cause to be prepaid, an aggregate principal amount of Term Loans of any Class or Classes (in each case, as directed by the Borrower) equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds.

(e) Except as otherwise set forth in any Refinancing Amendment, Extension Amendment or Incremental Amendment,

(i) each prepayment of Term Loans required by Sections 2.05(2)(a) through (d) shall be applied to each Class of Term Loans then outstanding on a *pro rata* basis or a less than *pro rata* basis (but not greater than *pro rata* basis) with any other Term Loans (in each case, other than pursuant to a refinancing or with respect to greater than *pro rata* payments to an earlier maturing tranche);

(ii) with respect to each Class of Loans (other than Revolving Loans), each prepayment pursuant to clauses (a) through (d) of Section 2.05(2) shall be applied to remaining scheduled installments of principal thereof following the date of prepayment as directed by the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity); and

(iii) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment;

provided that with respect to the allocation of such prepayments under this clause (e) between a Class of existing Loans and a Class of Extended Loans, the Borrower may allocate such prepayments as the Borrower may specify, subject to the limitation that the Borrower may not allocate to such Extended Loans any such mandatory prepayment (other than in the case of a refinancing of Extended Loans) unless such prepayment under this clause (e) is accompanied by at least a *pro rata* prepayment, based upon the applicable remaining scheduled installments of principal due in respect thereof, of the Term Loans of the same Class, if any, from which such Extended Loans were converted or exchanged (or such Term Loans of the existing Loan Class have otherwise been repaid in full).

(f) Subject to Section 1.10(2), if for any reason the aggregate Outstanding Amount of Revolving Loans, Swing Line Loans and L/C Obligations at any time exceeds the aggregate Revolving Commitments then in effect, the Borrower shall promptly prepay Revolving Loans and Swing Line Loans or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; *provided* that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(2)(f) unless after the prepayment in full of the Revolving Loans and Swing Line Loans (as applicable) such aggregate Outstanding Amount of L/C Obligations exceeds the aggregate Revolving Commitments then in effect.

(g) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (a) through (c) of this Section 2.05(2) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment or other applicable share provided for under this Agreement. Each Term Lender may reject all or a portion of its Pro Rata Share, or other applicable share provided for under this Agreement, of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to clauses (a) and (b) of this Section 2.05(2) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m., New York time, two (2) Business Days after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining shall be retained by the Borrower (or the applicable Restricted Subsidiary) and may be applied by the Borrower or such Restricted Subsidiary in any manner not prohibited by this Agreement.

(h) Notwithstanding any other provisions of this Section 2.05(2), (A) to the extent that any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(2)(b) (a "**Foreign Asset Sale**"), the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a "**Foreign Casualty Event**"), the Specified Sale-Leaseback Net Proceeds of any Specified Sale Leaseback by a Foreign Subsidiary (a "**Foreign Sale-Leaseback**") or all or a portion of Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to

cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow is permitted under the applicable local law such repatriation will be promptly effected and an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(2) to the extent otherwise provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any or all or the Net Proceeds of any Foreign Asset Sale or Foreign Casualty Event, the Specified Sale-Leaseback Net Proceeds of any Foreign Sale-Leaseback or Excess Cash Flow would have an adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow, the Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

(i) Interest, Funding Losses, etc. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurodollar Rate Loan or CDOR Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan or CDOR Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans or CDOR Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurodollar Rate Loan or CDOR Loan prior to the last day of the Interest Period therefor, the Borrower may, in their its discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

SECTION 2.06 Termination or Reduction of Commitments.

(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that

(a) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction,

(b) any such partial reduction shall be in an aggregate amount of $5.0 million or any whole multiple of $1.0 million in excess thereof or, if less, the entire amount thereof and

(c) if, after giving effect to any reduction of the Commitments, the L/C Sublimit or Swing Line Sublimit exceeds the amount of the Revolving Facility, such sublimit shall be automatically reduced by the amount of such excess.

Except as provided above, the amount of any such Revolving Commitment reduction shall not be applied to the L/C Sublimit or Swing Line Sublimit unless otherwise specified by the Borrower. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of any Commitments if such termination would have resulted from a refinancing of all of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(2) Mandatory. The Closing Date Term Commitment of each Term Lender on the Closing Date shall be automatically and permanently reduced to $0 upon the making of such Lender's Closing Date Term Loans to the Borrower pursuant to Section 2.01(1). The Revolving Commitment of each Revolving Lender shall automatically and permanently terminate on the Maturity Date for the applicable Revolving Facility.

(3) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the L/C Sublimit, Swing Line Sublimit or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). Any commitment fees accrued until the effective date of any termination of the Revolving Commitments shall be paid on the effective date of such termination.

SECTION 2.07 Repayment of Loans.

(1) Term Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (a) on the last Business Day of each March, June, September and December, commencing with the last Business Day of September, 2015, an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Closing Date Term Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05) and (b) on the Maturity Date for the Closing Date Term Loans, the aggregate principal amount of all Closing Date Term Loans outstanding on such date. In connection with any Incremental Term Loans that constitute part of the same Class as the Closing Date Term Loans, the Borrower and the Administrative Agent shall be permitted to adjust the rate of prepayment in respect of such Class such that the Term Lenders holding Closing Date Term Loans comprising part of such Class continue to receive a payment that is not less than the same dollar amount that such Term Lenders would have received absent the incurrence of such Incremental Term Loans.

(2) Revolving Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the applicable Revolving Facility the aggregate principal amount of all Revolving Loans under such Facility outstanding on such date.

(3) Swing Line Loans. The Borrower shall repay the aggregate principal amount of each Swing Line Loan on the earlier to occur of (a) the date selected by Swing Line Lender and (b) the Maturity Date for the applicable Revolving Facility.

SECTION 2.08 Interest.

(1) Subject to the provisions of Section 2.08(2), (a) each Eurodollar Rate Loan and CDOR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate or CDOR Rate for such Interest Period, respectively, *plus* the Applicable Rate, (b) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate, *plus* the Applicable Rate and (c) each Swing Line Loan shall bear interest as provided in Section 2.04(1).

(2) During the continuance of a Default under Section 8.01(1), the Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

SECTION 2.09 Fees.

(1) Commitment Fee. The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender under each Revolving Facility in accordance with its Pro Rata Share or other applicable share provided for under this Agreement, a commitment fee equal to the applicable Commitment Fee Rate times the actual daily amount by which the aggregate Revolving Commitment for the applicable Revolving Facility exceeds the sum of (a) the Outstanding Amount of Revolving Loans (for the avoidance of doubt, excluding any Swing Line Loans) for such Revolving Facility and (b) the Outstanding Amount of L/C Obligations for such Revolving Facility; *provided* that any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender under such Revolving Facility during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and *provided further* that no commitment fee shall accrue on any of the Commitments under any Revolving Facility of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee on each Revolving Facility shall accrue at all times from the Closing Date until the Maturity Date for the applicable Revolving Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each of March, June, September and December, commencing with the last Business Day of September, 2015, and on the Maturity Date for such Revolving Facility. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Commitment Fee Rate during any quarter, the actual daily amount shall be computed and multiplied by the Commitment Fee Rate separately for each period during such quarter that such Commitment Fee Rate was in effect.

(2) Other Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.11 Evidence of Indebtedness.

(1) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) In addition to the accounts and records referred to in Section 2.11(1), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the

Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(1) and (2), and by each Lender in its account or accounts pursuant to Sections 2.11(1) and (2), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

SECTION 2.12 Payments Generally.

(1) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, shall be deemed to have been made on the next succeeding Business Day (but the Administrative Agent may extend such deadline for purposes of computing interest and fees (but not beyond the end of such day) in its sole discretion whether or not such payments are in process).

(2) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date, or in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender or an Issuing Bank hereunder or, in the case of the Lenders, for the account of any Issuing Bank, Swing Line Lender or the Borrower hereunder), that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(a) if the Borrower failed to make such payment, each Lender or Issuing Bank shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender or Issuing Bank in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late

payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Section 4.02 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or fund any participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of (i) the Outstanding Amount of all Loans outstanding at such time and (ii) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

SECTION 2.13 Sharing of Payments. Other than as expressly provided elsewhere herein (including with respect to any discounted prepayment of Term Loans pursuant to Section 2.05(2)(e) or 2.05(2)(g)), if any Lender of any Class shall obtain payment in respect of any principal of or interest on account of the Loans of such Class made by it or the participations in L/C Obligations and Swing Line Loans held by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact, and (2) purchase from the other Lenders such participations in the Loans of such Class made by them or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans of such Class or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (a) the amount of such paying Lender's required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing

Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 2.14 Incremental Facilities.

(1) Incremental Loan Request. The Borrower may at any time and from time to time, on one or more occasions, after the Closing Date, by notice to the Administrative Agent (a) increase the aggregate principal amount of any outstanding Class of Term Loans (a "**Term Loan Increase**") or add one or more additional Classes of term loans under the Loan Documents (each an "**Incremental Term Facility**" and the term loans made thereunder, the "**Incremental Term Loans**") or (b) increase the aggregate principal amount of the Revolving Commitments (a "**Revolving Commitment Increase**") or establish one or more new revolving credit commitments (each an "**Incremental Revolving Facility**" and the revolving loans and other extensions of credit made thereunder, the "**Incremental Revolving Loans**") (each such increase to any existing Class of Loans or creation of a new Class of Loans pursuant to the preceding clauses (a) and (b), an "**Incremental Facility**" and the loans or other extensions of credit made thereunder, the "**Incremental Loans**").

(2) Ranking. Incremental Facilities will (a) rank *pari passu* in right of payment with the Closing Date Term Loans and the initial Revolving Commitments (subject to Section 8.03) and (b) will either be secured by Liens that rank on a *pari passu* or junior basis with or to the Liens securing the Obligations or be unsecured; *provided* that any Liens that rank on a junior basis to the Liens securing the Obligations will be subject to a Junior Lien Intercreditor Agreement.

(3) Size. The aggregate principal amount of Incremental Facilities on any date Indebtedness thereunder is first incurred, together with the aggregate principal amount of Permitted Incremental Equivalent Debt incurred at or prior to such time, will not exceed an amount equal to the Permitted Incremental Amount. Calculation of the Ratio Amount, if used, shall be evidenced by a certificate from a Responsible Officer of the Borrower demonstrating such calculation in reasonable detail. Unless the Borrower elects otherwise, each Incremental Facility shall be deemed incurred first under the Ratio Amount to the extent permitted, with the balance incurred under the Fixed Incremental Amount. Each Incremental Facility will be in an integral multiple Dollar Amount of $1.0 million and in an aggregate principal Dollar Amount that is not less than $10.0 million (or such lesser minimum amount approved by the Administrative Agent in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the limit set forth above.

(4) Incremental Lenders. Incremental Facilities may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to make all or any portion of any Incremental Loan, nor will the Borrower have any obligation to approach any existing Lender(s) to provide any Incremental Loan) or by any Additional Lender on terms permitted by this Section 2.14; *provided* that the Administrative Agent, the Swing Line Lender and each Issuing Bank shall have consented (in each case, such consent not to be unreasonably withheld, conditioned or delayed) to any such Person's providing Incremental Revolving Facilities if such consent would be required under Section 10.07(b)(iii) for an assignment of such Loans or Revolving Commitments, as applicable, to such Person. While existing Lenders may (but are not obligated, unless invited and so elect, to) participate in any syndication of an Incremental Facility and may (but are not obligated, unless invited and so elect,

to) become lenders with respect thereto, the existing Lenders will not have any right to participate in any syndication, and will not have any right of first refusal or other right to provide all or any portion, of any Incremental Facility or Incremental Loan except to the extent the Borrower and the arrangers thereof, if any, in their discretion, choose to invite or include any such existing Lender (which may or may not apply to all existing Lenders and may or may not be pro rata among existing Lenders). Final allocations in respect of Incremental Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.14. For the avoidance of doubt, no Affiliated Lender may provide any Incremental Revolving Loans, and any Affiliated Lender that provides any Incremental Term Loans shall be subject to the limitations on Affiliated Lenders set forth in Section 10.07(h) (including the Affiliated Lender Cap).

(5) Incremental Facility Amendments; Use of Proceeds. Each Incremental Facility will become effective pursuant to an amendment (each, an "**Incremental Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Person providing such Incremental Facility and the Administrative Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14. An Incremental Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Incremental Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Incremental Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the existing Term Loan Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental Facility and the Incremental Term Loans evidenced thereby. The Borrower may use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(6) Conditions. The availability of Incremental Facilities under this Agreement will be subject solely to the following conditions:

(a) no Event of Default shall exist after giving effect to such Incremental Facilities;*provided* that the condition set forth in this clause (a) may be waived (or not required) (other than with respect to Events of Default under Section 8.01(1) or, with respect to the Borrower only, Section 8.01 (6)) by the Persons providing such Incremental Facilities if the proceeds of the initial Borrowings under such Incremental Facilities will be used to finance, in whole or in part, an Investment or other acquisition or investment permitted hereunder; and

(b) the representations and warranties in the Loan Documents will be true and correct in all material respects (except for representations and warranties that are already qualified by materiality, which representations and warranties will be true and correct in all respects) immediately prior to, and immediately after giving effect to, the incurrence of such Incremental Facilities and the initial Borrowings thereunder; *provided* that, if the proceeds of the initial Borrowings under such Incremental Facilities will be used to finance, in whole or in part, an Investment or other acquisition or investment permitted hereunder, the condition set forth in this clause (b) may be waived (or not required) by the Persons providing more than 50% of such Incremental Facilities (other than with respect to (i) the Specified Representations (conformed as reasonably necessary for such Investment, acquisition or investment) and (ii) the Specified Acquisition Agreement Representations as applied to the target of such Investment, acquisition or investment (conformed as reasonably necessary for such Investment, acquisition or investment) and only to the extent that the failure of such Specified Acquisition Agreement Representations would result in a failure of a condition precedent to the obligation of the Borrower or any Restricted Subsidiary to consummate such Investment, acquisition or investment).

(7) Terms. Each Incremental Amendment will set forth the amount and terms of the relevant Incremental Facility. The terms of each Incremental Facility will be as agreed between the Borrower and the Persons providing such Incremental Loans; *provided* that:

(a) the final maturity date of such Incremental Term Loans will be no earlier than the Latest Maturity Date of the Closing Date Term Loans;

(b) the Weighted Average Life to Maturity of such Incremental Term Loans will be no shorter than the longest remaining Weighted Average Life to Maturity of the Closing Date Term Loans;

(c) such Incremental Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any mandatory repayments or prepayments of the Term Loans (in each case, other than pursuant to a refinancing or with respect to greater than *pro rata* payments to an earlier maturing tranche) and may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata basis* in any voluntary prepayments of the Term Loans; and

(d) except as otherwise set forth herein, all other terms of any (i) Term Loan Increase or a Revolving Commitment Increase will be on terms and pursuant to documentation applicable to the Class of Term Loans or Revolving Commitments, as applicable, being increased by such Term Loan Increase or Revolving Commitment Increase, as applicable, and (ii) Incremental Facility shall be on terms and pursuant to documentation to be determined by the Borrower and the providers of such Incremental Facility, *provided* that, in each case, the operational and agency provisions contained in such documentation shall be reasonably satisfactory to the Administrative Agent

(8) Pricing. The interest rate, fees, and original issue discount for any Incremental Facilities will be as determined by the Borrower and the Persons providing such Incremental Facilities; *provided* that in the event that the All-In Yield applicable to any Incremental Term Loans exceeds the All-In Yield of any Closing Date Term Loans by more than 50 basis points, then the interest rate margins for such Closing Date Term Loans shall be increased to the extent necessary so that the All-In Yield of such Closing Date Term Loans is equal to the All-In Yield of such Incremental Term Loans *minus* 50 basis points; *provided further* that any increase in All-In Yield of the Closing Date Term Loans due to the increase in a Eurodollar Rate or Base Rate floor on any Incremental Term Loan shall be effected solely through an increase in any Eurodollar Rate or Base Rate floor applicable to such Closing Date Term Loans.

(9) Reallocation of Revolving Exposure. Upon each Revolving Commitment Increase pursuant to this Section 2.14,

(a) each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each lender providing a portion of such increase (each an "**Incremental Revolving Lender**"), and each such Incremental Revolving Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender's participations hereunder in outstanding Letters of Credit and Swing Line Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit and Swing Line Loans held by each Revolving Lender will equal the percentage of the aggregate Revolving Commitments of all Lenders represented by such Revolving Lender's Revolving Commitments; and

(b) if, on the date of such increase, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Incremental Revolving Facility be prepaid from the proceeds of Incremental Revolving Loans made hereunder (reflecting such increase in Revolving Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Revolving Lender in accordance with Section 3.05.

(10) The Administrative Agent and the Lenders hereby agree that the minimum borrowing,*pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

SECTION 2.15 Refinancing Amendments.

(1) Refinancing Loans. At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans or Revolving Loans then outstanding under this Agreement, in the form of Refinancing Loans or Refinancing Commitments in each case pursuant to a Refinancing Amendment.

(2) Refinancing Amendments. The effectiveness of any Refinancing Amendment will be subject only to the satisfaction on the date thereof of such conditions precedent as may be requested by the providers of the applicable Refinancing Loans. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Refinancing Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15 and to reflect the existence and terms of the Refinancing Loans incurred pursuant thereto (including any amendments necessary to treat the Term Loans or Revolving Loans subject thereto as Refinancing Term Loans or Refinancing Revolving Loans, respectively). A Refinancing Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Refinancing Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Refinancing Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the applicable existing Term Loan Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Refinancing Loans.

(3) Required Consents. Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent, the Borrower and the Persons providing the applicable Refinancing Loans, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15. This Section 2.15 supersedes any provision in this Agreement to the contrary (including Section 10.01).

(4) Providers of Refinancing Loans. Refinancing Loans may be provided by any existing Lender (it being understood that no exiting Lender shall have an obligation to make all or any portion of any Refinancing Loan) or by any Additional Lender on terms permitted by this Section 2.15; *provided* that the Administrative Agent, the Swing Line Lender and each Issuing Bank shall have consented (in each case, such consent not to be unreasonably withheld, conditioned or delayed) to any such Person's providing Refinancing Loans or Refinancing Commitments if such consent would be required under Section 10.07(b)(iii) for an assignment of Loans or Commitments to such Person. For the avoidance of doubt, any Affiliated Lender that provides any Refinancing Term Loans will be subject to the limitations on Affiliated Lenders set forth in Section 10.07(h) (including the Affiliated Lender Cap).

SECTION 2.16 Extensions of Loans.

(1) Extension Offers. Pursuant to one or more offers (each, an '**Extension Offer**") made from time to time by the Borrower to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans or Commitments pursuant to the terms set forth in an Extension Offer (each, an "**Extension**," and each group of Loans or Commitments so extended, as well as any Loans of the same Class not so extended, each being a "**tranche**" for purposes of this Section 2.16). Each Extension Offer will specify the minimum amount of Loans or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of $1.0 million and an

aggregate principal amount that is not less than $10.0 million, or if less, (a) the aggregate principal amount of such Loans outstanding or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans or Commitments offered to be extended pursuant to such Extension Offer, then the Loans or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any "most favored nation" pricing provisions. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans or Commitments of any or all applicable tranches be tendered.

(2) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (each, an "**Extension Amendment**") as may be necessary or appropriate in order to effect the provisions of this Section 2.16, establish new tranches in respect of Extended Loans and Extended Commitments and such amendments as permitted by clause (5) below as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such Extended Loans and Extended Commitments. An Extension Amendment may (a) extend or add "call protection" to any existing Class of Term Loans, including amendments to Section 2.18, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(1) (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Extension Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Extended Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the existing Term Loan Lenders (as determined in good faith by the Borrower). This Section 2.16 supersedes any provision(s) in Section 2.13 or 10.01 to the contrary. Except as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an Extension Amendment. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(3) Terms of Extension Offers and Extension Amendments. The terms of any Extended Loans and Extended Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided* that:

(a) the final maturity date of such Extended Loans and Extended Commitments will be no earlier than the Latest Maturity Date applicable to the Loans or Commitments subject to such Extension Offer;

(b) the Weighted Average Life to Maturity of any Extended Loans that are Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;

(c) any Extended Loans that are Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments of the Term Loans (in each case, other than pursuant to a refinancing or with respect to greater than pro rata payments to an earlier maturing tranche) and may participate on a pro rata basis, less than pro rata basis or greater than pro rata basis in any voluntary prepayments of the Term Loans;

(d) such Extended Loans and Extended Commitments are not secured by any assets or property that does not constitute Collateral;

(e) such Extended Loans and Extended Commitments are not guaranteed by any Subsidiary of the Borrower other than a Subsidiary Loan Party; and

(f) the covenants and events of default applicable to Extended Loans or Extended Commitments are either (i) substantially identical to, or, taken as a whole, no more favorable to the Lenders providing such Extended Loans or Extended Commitments than, those applicable to the Loans subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment or (ii) otherwise on customary market terms, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment; *provided* that this clause (f) will not apply:

(A) if an Extension Offer is made with respect to all the Loans or Commitments of a particular Class and all such Loans or Commitments are accepted in such Extension Offer and amended pursuant to the applicable Extension Amendment or

(B) to any of the following:

(1) terms addressed in the preceding clauses (a) through (e),

(2) interest rate, fees, funding discounts and other pricing terms,

(3) redemption, prepayment or other premiums,

(4) optional redemption or prepayment terms and

(5) covenants and events of default applicable only to periods after the Latest Maturity Date at the time of incurrence of such Indebtedness.

Any Extended Loans will constitute a separate tranche of Term Loans or Revolving Loans from the Term Loans or Revolving Loans held by Lenders that did not accept the applicable Extension Offer.

(4) Extension of Revolving Commitments. In the case of any Extension of Revolving Commitments or Revolving Loans, the following shall apply:

(a) all borrowings and all prepayments of Revolving Loans shall continue to be made on a ratable basis among all Revolving Lenders, based on the relative amounts of their Revolving Commitments, until the repayment of the Revolving Loans attributable to the non-extended Revolving Commitments on the relevant Maturity Date;

(b) the allocation of the participation exposure with respect to any then-existing or subsequently issued Letter of Credit as between the Revolving Commitments of such new tranche and the remaining Revolving Commitments shall be made on a ratable basis in accordance with the relative amounts thereof until the Maturity Date relating to such non-extended Revolving Commitments has occurred;

(c) no termination of extended Revolving Commitments and no repayment of extended Revolving Loans accompanied by a corresponding permanent reduction in extended Revolving Commitments shall be permitted unless such termination or repayment (and corresponding reduction) is accompanied by at least a pro rata termination or permanent repayment (and corresponding pro rata permanent reduction), as applicable, of each other tranche of Revolving Loans and Revolving Commitments (or each other tranche of Revolving Commitments and Revolving Loans shall have otherwise been terminated and repaid in full);

(d) the Maturity Date with respect to the Revolving Commitments may not be extended without the prior written consent of the Swing Line Lender and the Issuing Banks; and

(e) at no time shall there be more than five (5) different tranches of Revolving Commitments (or greater than five (5) tranches to the extent agreed by the Administrative Agent).

If the aggregate Outstanding Amount of Revolving Loans, Swing Line Loans and L/C Obligations exceeds the Revolving Commitment as a result of the occurrence of the Maturity Date with respect to any tranche of Revolving Commitments while an extended tranche of Revolving Commitments remains outstanding, the Borrower shall make such payments as are necessary in order to eliminate such excess on such Maturity Date.

(5) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or condition), the Borrower and the applicable Extending Lender. The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

SECTION 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove of any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the relevant Swing Line Lender or Issuing Banks hereunder; third, if so determined by the Administrative Agent or requested by the relevant Swing Line Lender or Issuing Banks, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit; fourth, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders, the relevant Swing Line Lender or Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the relevant Swing Line Lender or Issuing Banks against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (i) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(1)(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(c) Certain Fees. That Defaulting Lender (i) shall not be entitled to receive any commitment fee pursuant to Section 2.09(1) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (ii) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(9)

(d) Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Section 2.03, the "Pro Rata Share" of each Non-Defaulting Lender's Revolving Loans and L/C Obligations shall be computed without giving effect to the Commitment of that Defaulting Lender; *provided* that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default has occurred and is continuing; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans shall not exceed the positive difference, if any, of (1) the Commitment of that Non-Defaulting Lender *minus* (2) the aggregate Outstanding Amount of the Revolving Loans of that Non-Defaulting Lender. If the reallocation described above in this clause (d) cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under any law, (x) first, prepay Swing Line Loans in an amount equal to the Swing Line Lender's Fronting Exposure and (y) second, Cash Collateralize the applicable Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.03(7).

(2) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swing Line Lender and the relevant Issuing Banks agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Loans of the applicable Facility and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share of the applicable Facility (without giving effect to Section 2.17(1)(d)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further* that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. So long as any Lender is a Defaulting Lender, (i) the Swing Line Lender shall not be required to fund any Swing Line Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swing Line Loan and (ii) no Issuing Bank shall be required to issue, extent, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

SECTION 2.18 Loan Repricing Protection.

In the event that, on or prior to the six month anniversary of the Closing Date, the Borrower (a) makes any prepayment of Closing Date Term Loans in connection with any Repricing Transaction or (b) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable Lender, (i) in the case of clause (a), a prepayment premium of 1.00% of the aggregate principal amount of the Closing Date Term Loans being prepaid and (ii) in the case of clause (b), a payment equal to 1.00% of the aggregate principal amount of the applicable Closing Date Term Loans outstanding immediately prior to such amendment that is subject to such Repricing Transaction.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

SECTION 3.01 Taxes.

(1) Except as required by applicable Law, any and all payments by any Loan Party to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction for any Taxes.

(2) If any Loan Party or any other applicable withholding agent is required by applicable Law to make any deduction or withholding on account of any Taxes from any sum paid or payable by any Loan Party to any Lender or Agent under any of the Loan Documents:

(a) the applicable Loan Party shall notify the Administrative Agent of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it;

(b) the applicable Loan Party or other applicable withholding agent shall be entitled to make such deduction or withholding and shall pay any amounts deducted or withheld to the relevant Governmental Authority any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

(c) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), the Lender or the Agent (as applicable) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

(d) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (b) above to pay, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. The Administrative Agent and each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under any Loan Document. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its inability to do so.

Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of Internal Revenue Service FormW-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of Internal Revenue Service FormW-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H (any such certificate, a "**United States Tax Compliance Certificate**") and (B) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, Form W-8BEN or W-8BEN-E, as applicable, United States Tax Compliance Certificate, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (*provided* that if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such beneficial owner), or

(v) two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this clause (c), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(4) In addition to the payments by a Loan Party required by Section 3.01(2), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or Agent (each a "**Tax Indemnitee**"), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or

payable by such Tax Indemnitee on or attributable to any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnitee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnitee or by the Administrative Agent on its own behalf or on behalf of another Tax Indemnitee, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnitee, in its sole discretion (exercised in good faith), determines that it has received a refund of any Non-Excluded Taxes or Other Taxes in respect of which it has received additional payments under this Section 3.01, then such Tax Indemnitee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnitee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Loan Party, upon the request of the Tax Indemnitee, agrees to repay the amount paid over by the Tax Indemnitee (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnitee to the extent the Tax Indemnitee is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (6), in no event will the Tax Indemnitee be required to pay any amount to a Loan Party pursuant to this paragraph (6) the payment of which would place the Tax Indemnitee in a less favorable net after-Tax position than the Tax Indemnitee would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnitee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

SECTION 3.02 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate or the CDOR Rate, or to determine or charge interest rates based upon the Eurodollar Rate or the CDOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue Eurodollar Rate Loans or CDOR Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be reasonably determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (a) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or CDOR Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, (i) with respect to Loans denominated in Dollars, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate) or (ii) with respect to Loans denominated in an Alternative Currency, the interest rate with respect to such Loans shall be determined by an alternative rate determined by the Administrative Agent in consultation with the Borrower, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans or CDOR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans or CDOR Loans and (b) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 3.03 Inability to Determine Rates. If the Required Lenders reasonably determine that for any reason in connection with any request for a Eurodollar Rate Loan or CDOR Loan or a conversion to or continuation thereof that

(1) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan,

(2) adequate and reasonable means do not exist for determining the Eurodollar Rate or CDOR Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or

(3) the Eurodollar Rate or CDOR Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or CDOR Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan,

the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (i) the obligation of the Lenders to make or maintain Eurodollar Rate Loans or CDOR Loans, as the case may be, shall be suspended, and (ii) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein (or, in the case of a pending request with respect to a Loan denominated in an Alternative Currency, the Borrower and the Lenders may establish a mutually acceptable alternative rate).

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loans and CDOR Loans.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(b) subject any Lender to any tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan or CDOR Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes covered by Section 3.01 and any Excluded Taxes); or

(c) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans or CDOR Loans made by such Lender that is not otherwise accounted for in the definition of "Eurodollar Rate", "CDOR Rate" or this clause (c);

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate or the CDOR Rate (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(1) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender's holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

SECTION 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(1) any continuation, conversion, payment or prepayment of any Eurodollar Rate Loan or CDOR Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(2) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurodollar Rate Loan or CDOR Loan on the date or in the amount notified by the Borrower; or

(3) any assignment of a Eurodollar Rate Loan or CDOR Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Eurodollar Rate Loan or CDOR Loan or from fees payable to terminate the deposits from which such funds were obtained.

Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 with respect to the "floor" specified in the proviso to the definition of "Eurodollar Rate".

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (b) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurodollar Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurodollar Rate Loans until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(3) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(3) Conversion of Eurodollar Rate Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurodollar Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders, as applicable, are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

(4) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04 or ceases to make Eurodollar Rate Loans or CDOR Loans as a result of any condition described in Section 3.02 or Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (3) any Lender is a Non-Consenting Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent:

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05 and, in the case of a Repricing Transaction, any "prepayment premium" pursuant to Section 2.18 that would otherwise be owed in connection therewith) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an

Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) such assignment does not conflict with applicable Laws;

(vii) any Lender that acts as an Issuing Bank may not be replaced hereunder at any time when it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such Issuing Bank or the depositing of Cash Collateral into a Cash Collateral Account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such outstanding Letter of Credit; and

(viii) the Lender that acts as Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.11, or

(b) terminate the Commitment of such Lender or Issuing Bank, as the case may be, and (A) in the case of a Lender (other than an Issuing Bank), repay all Obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date (including in the case of a Repricing Transaction, any "prepayment premium" pursuant to Section 2.18 that would otherwise be owed in connection therewith) and (B) in the case of an Issuing Bank, repay all Obligations of the Borrower owing to such Issuing Bank relating to the Loans and participations held by such Issuing Bank as of such termination date and Cash Collateralize, cancel or backstop, or provide for the deemed reissuance under another facility, on terms satisfactory to such Issuing Bank any Letters of Credit issued by it; *provided* that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable consent, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (3) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders, Required Revolving Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender**."

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 3.08 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent.

ARTICLE IV

Conditions Precedent to Credit Extensions

SECTION 4.01 Conditions to Credit Extensions on Closing Date. The obligation of each Lender to make a Credit Extension hereunder on the Closing Date is subject to satisfaction (or waiver) of the following conditions precedent, except as otherwise agreed between the Borrower and the Administrative Agent:

(1) The Administrative Agent's receipt of the following, each of which shall be originals, facsimiles or copies in ..pdf format (followed promptly by originals) unless otherwise specified, each properly executed by a Responsible Officer of the signing Loan Party:

(a) a Committed Loan Notice;

(b) executed counterparts of this Agreement and the Guaranty;

(ii) evidence that all UCC-1 financing statements in the jurisdiction of organization of each Loan Party that the Administrative Agent and the Collateral Agent may deem reasonably necessary to satisfy the Collateral and Guarantee Requirement shall have been provided for, and arrangements for the filing thereof in a manner reasonably satisfactory to the Administrative Agent shall have been made;

(d) certificates of good standing from the secretary of state of the state of organization of each Loan Party (to the extent such concept exists in such jurisdiction), customary certificates of resolutions or other action, incumbency certificates or other certificates of Responsible Officers of each Loan Party evidencing the identity, authority and capacity of each Responsible Officer thereof authorized to act as a Responsible Officer in connection with this Agreement and the other Loan Documents to which such Loan Party is a party or is to be a party on the Closing Date;

(e) a customary legal opinion from (i) Latham & Watkins LLP, special counsel to the Loan Parties, and (ii) Faegre Baker Daniels LLP, special Minnesota counsel to the Loan Parties;

(g) copies of a recent Lien search in each jurisdiction reasonably requested by the Administrative Agent with respect to the Loan Parties to the extent requested by the Administrative Agent no less than thirty (30) days prior to the Closing Date;

provided, *however*, that each of the requirements set forth in clause (1)(c) above, including the delivery of any document(s) or instrument(s) necessary to satisfy the Collateral and Guarantee Requirement (except for the execution and delivery of the Security Agreement and to the extent that a Lien on Collateral may be perfected by (x) the filing of a financing statement under the UCC or (y) the delivery of the stock certificate of the Initial Borrower) will not constitute conditions precedent to the Borrowing on the Closing Date after the Initial Borrower's use of commercially reasonable efforts to provide such items on or prior to the Closing Date if the Initial Borrower agrees to deliver, or cause to be delivered, such documents and instruments, or take or cause to be taken such other actions as may be required to perfect such security interests within ninety (90) days after the Closing Date (subject to extensions approved by the Administrative Agent in its reasonable discretion) or, in the case of stock certificates of Life Time and its Subsidiaries constituting Pledged Collateral, no later than 5:00 p.m., New York time, on the Closing Date;

provided further that with respect to the requirements set forth in clauses (1)(b), (1)(c) or (1)(d) above, each Loan Document (or certificate or other document) required to be executed and delivered on the Closing Date by any Loan Party other than Holdings or Initial Borrower will not constitute conditions precedent to the initial of any Facility on the Closing Date; *provided* that each of Life Time and its Restricted Subsidiaries that are Loan Parties will execute and deliver any such document(s) substantially concurrently with the consummation of the Merger, but no later than 5:00 p.m. Minneapolis, Minnesota time on the Closing Date, and (ii) subject to the first proviso of this section 4.01(1), certificated securities issued by Life Time or its subsidiaries constituting Collateral and required to be delivered to the Administrative Agent under this Agreement, will be delivered promptly after consummation of the Merger, but in no event later than 5:00 p.m., New York City time, on the Closing Date.

(2) The Arrangers shall have received the Quarterly Financial Statements; *provided*, that the Arrangers hereby acknowledge that they have received the Quarterly Financial Statements for the fiscal quarter ended March 31, 2015 and that such Quarterly Financial Statements satisfy the condition in this clause (2).

(3) The Administrative Agent shall have received at least three (3) Business Days prior to the Closing Date all documentation and other information in respect of Holdings and the Borrower required under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act, that has been requested in writing by it at least ten (10) Business Days prior to the Closing Date.

(4) The Arrangers shall have received a certification by a Responsible Officer of the Initial Borrower that the following conditions have been satisfied:

(a) The Specified Representations and the Specified Acquisition Agreement Representations shall be true and correct in all material respects on and as of the Closing Date; *provided* that to the extent such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided further* that the condition precedent in this clause (4)(a) with respect to Specified Acquisition Agreement Representations shall fail to be satisfied only to the extent a breach of such Specified Acquisition Agreement Representations results in a failure of a condition precedent to the obligation of Holdings or the Initial Borrower to consummate the Merger pursuant to the terms of the Transaction Agreement or provides Holdings or the Initial Borrower with the right to, pursuant to the Transaction Agreement, terminate its obligations under the Transaction Agreement or decline to consummate the Merger as a result of the breach of such Specified Acquisition Agreement Representations.

(b) Prior to or substantially concurrently with the initial Borrowing on the Closing Date, (i) the Equity Contribution (subject to any reduction pursuant to the second proviso of this Section 4.01(4)(b) shall have been consummated; and (ii) the Merger shall have been consummated in accordance with the terms of the Transaction Agreement (which, since March 15, 2015 has not been amended or waived in any respect in a manner that is materially adverse to the Lenders on the Closing Date, in their capacities as such, without the consent of the Arrangers (such consent not to be unreasonably withheld, delayed or conditioned));

provided that each of the following will be deemed to be materially adverse to such Lenders:

(i) any change to the definition of "Company Material Adverse Effect" contained in the Transaction Agreement,

(ii) any waiver of the condition precedent set forth in Section 7.03(a)(iii) of the Transaction Agreement (regarding the absence of any "Company Material Adverse Effect" (as defined in the Transaction Agreement)) and

(iii) any amendment to or waiver of the condition set forth in the proviso in Section 1.02 of the Transaction Agreement (requiring the completion of the Marketing Period prior to the Closing (each as defined in the Transaction Agreement), including any amendment to or waiver of any component definition thereof) of the Transaction Agreement;

provided further that any reduction in the amount of consideration required to consummate the Merger shall be deemed not to be materially adverse to such Lenders and so long as any reduction will be allocated (A) first, to a reduction in the Equity Contribution until the Equity Contribution equals the Minimum Equity Contribution (as defined in the Commitment Letter) and (B) thereafter (1) 70% to a reduction in the Closing Date Term Loans and Senior Notes (on a *pro rata* basis) and (2) 30% to the Equity Contribution.

(c) Except as disclosed in the Disclosure Schedules (as defined in the Transaction Agreement) (it being understood that each section of the Disclosure Schedules shall be deemed to incorporate by reference all information disclosed in any other section of the Disclosure Schedules to the extent its relevance is reasonably apparent on its face) dated as of March 15, 2015, (i) since January 1, 2015 through the date of the Transaction Agreement, no Company Material Adverse Effect (as defined in the Transaction Agreement as of March 15, 2015) shall have occurred and (ii) during the period from March 15, 2015 to the Closing Date, there has not occurred any fact, circumstance, effect, change, event or development that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect, in the case of each of clauses (i) and (ii) that would result in the failure of a condition precedent to the obligation of Holdings or the Initial Borrower to consummate the Merger under the Transaction Agreement.

(5) All fees and expenses required to be paid hereunder and invoiced at least two (2) Business Days before the Closing Date shall have been paid in full.

(6) Prior to or substantially concurrently with the initial Borrowing on the Closing Date, the Closing Date Refinancing shall have been consummated.

Without limiting the generality of the provisions of the last paragraph of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

SECTION 4.02 Conditions to Credit Extensions after Closing Date.

Except as set forth in Section 2.14(6) with respect to Incremental Loans, Section 2.15(2) with respect to Refinancing Loans and 2.16(2) with respect to Extended Loans, and subject to Section 1.07(8), the obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurodollar Rate Loans or CDOR Loans) after the Closing Date, is subject to the following conditions precedent:

(1) The representations and warranties of the Borrower contained in Article V or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Extension*; provided* that to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided further* that, any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates.

(2) No Default shall exist, or would result from such proposed Credit Extension or from the application of the proceeds therefrom.

(3) The Administrative Agent, the relevant Issuing Bank or the Swing Line Lender (as applicable) shall have received a Request for Credit Extension in accordance with the requirements hereof.

(4) Each Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurodollar Rate Loans or CDOR Loans) submitted by the Borrower after the Closing Date shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(1) and 4.02(2) have been satisfied on and as of the date of the applicable Credit Extension.

In addition, solely to the extent the Borrower has delivered to the Administrative Agent a notice of intent to cure pursuant to Section 8.04, no request for Borrowing shall be honored after delivery of such notice until the applicable Cure Amount specified in such notice is actually received by the Borrower. For the avoidance of doubt, the preceding sentence shall have no effect on the continuation or conversion of any Loans outstanding.

ARTICLE V

Representations and Warranties

(5) has all requisite governmental licenses, authorizations, consents and approvals to operate its business as currently conducted;

except in each case referred to in the preceding clauses (2)(a), (3), (4) or (5), to the extent that failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

except, with respect to each of the foregoing clauses of this Section 5.11(2), as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

(3) Except where noncompliance or the incurrence of an obligation would not reasonably be expected to result in a Material Adverse Effect, (a) each Foreign Plan has been maintained in substantial compliance with its terms and with the requirements of any and all applicable Laws, statutes, rules, regulations and orders, and (b) none of Holdings, the Borrower or any Subsidiary has incurred any obligation in connection with the termination of or withdrawal from any Foreign Plan.

SECTION 5.15 Intellectual Property; Licenses, etc. The Borrower and the Restricted Subsidiaries have good and marketable title to, or a valid license or right to use, all patents, patent rights, trademarks, servicemarks, trade names, copyrights, technology, software, know-how database rights and other intellectual property rights (collectively, "**IP Rights**") that to the knowledge of the Borrower are reasonably necessary for the operation of their respective businesses as currently conducted, except where the failure to have any such rights, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. To the knowledge of the Borrower, the operation of the respective businesses of the Borrower or any Subsidiary of the Borrower as currently conducted does not infringe upon, dilute, misappropriate or violate any rights held by any Person except for such infringements, dilutions, misappropriations or violations, individually or in the aggregate, that would not reasonably be expected to have a Material Adverse Effect. No claim or litigation regarding any IP Rights is pending or, to the knowledge of the Borrower, threatened in writing against any Loan Party or Subsidiary, that, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

So long as the Termination Conditions are not satisfied:

SECTION 7.01 Liens. The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, directly or indirectly, create, incur or assume any Lien (except any Permitted Lien(s)) that secures obligations under any Indebtedness or any related guarantee of Indebtedness on any asset or property of the Borrower or any Restricted Subsidiary, or any income or profits therefrom.

The expansion of Liens by virtue of accretion or amortization of original issue discount, the payment of dividends in the form of Indebtedness, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of this Section 7.01.

SECTION 7.02 Indebtedness.

(a) The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, directly or indirectly:

(i) create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, "**incur**" and collectively, an "**incurrence**") with respect to any Indebtedness (including Acquired Indebtedness), or

(ii) issue any shares of Disqualified Stock or permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock;

provided that the Borrower may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any Restricted Subsidiary may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock and issue shares of Preferred Stock, in each case if no Event of Default exists or would result therefrom (subject to Section 1.07(8)), and either:

(A) the Fixed Charge Coverage Ratio of the Borrower for the Test Period preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued (or, in the case of Indebtedness under Designated Revolving Commitments, on the date such Designated Revolving Commitments are established after giving *pro forma* effect to the incurrence of the entire committed amount of Indebtedness thereunder, in which case such committed amount under such Designated Revolving Commitments may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with this proviso) would have been (A) at least 2.00 to 1.00 or (B) no less than the Fixed Charge Coverage Ratio immediately prior to giving effect to such incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock; or

(B) the Total Net Leverage Ratio of the Borrower for the Test Period preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued (or, in the case of Indebtedness under Designated Revolving Commitments, on the date such Designated Revolving Commitments are established after giving *pro forma* effect to the incurrence of the entire committed amount of Indebtedness thereunder, in which case such committed amount under such Designated Revolving Commitments may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with this proviso) (without netting any cash received from the incurrence of such Indebtedness) would be no greater than 5.10 to 1.00

in each case, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such Test Period;

provided further that Restricted Subsidiaries of the Borrower that are not Guarantors may not incur Indebtedness or issue Disqualified Stock or Preferred Stock under this Section 7.02(a) if, after giving *pro forma* effect to such incurrence or issuance (including a *pro forma* application of the net proceeds therefrom), the aggregate amount of Indebtedness, Disqualified Stock and Preferred Stock of such Restricted Subsidiaries incurred or issued pursuant to this Section 7.02(a) then outstanding would exceed the greater of (1) $100.0 million and (2) an amount equal to the Equivalent Percentage of the amount in the preceding clause (1) multiplied by TTM Run-Rate Adjusted EBITDA of the Borrower for the most recently ended Test Period on the date of such incurrence.

(b) The provisions of Section 7.02(a) will not apply to:

(1) Indebtedness under the Loan Documents (including Incremental Loans, Refinancing Loans and Extended Loans);

(8) the incurrence of Indebtedness of a Restricted Subsidiary to the Borrower or another Restricted Subsidiary (or to any Parent Company which is substantially contemporaneously transferred to the Borrower or any Restricted Subsidiary) to the extent permitted by Section 7.05; *provided* that any such Indebtedness for borrowed money incurred by a Guarantor and owing to a Restricted Subsidiary that is not a Guarantor is expressly subordinated in right of payment to the Guaranty of the Loans of such Guarantor to the extent permitted by applicable law and it does not result in adverse tax consequences; *provided further* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any such subsequent transfer of any such Indebtedness (except to the Borrower or a Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien) will be deemed, in each case, to be an incurrence of such Indebtedness (to the extent such Indebtedness is then outstanding) not permitted by this clause (8);

(9) the issuance of shares of Preferred Stock or Disqualified Stock of a Restricted Subsidiary issued to the Borrower or a Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary that holds such Preferred Stock or Disqualified Stock ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock or Disqualified Stock (except to the Borrower or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien) will be deemed, in each case, to be an issuance of such shares of Preferred Stock or Disqualified Stock (to the extent such Preferred Stock is then outstanding) not permitted by this clause (9);

(c) For purposes of determining compliance with this Section 7.02:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) at any time, whether at the time of incurrence or upon the application of all or a portion of the proceeds thereof or subsequently, meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (31) above or is entitled to be incurred pursuant to Section 7.02(a), the Borrower, in its sole discretion, may divide and classify and may subsequently re-divide and reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock (or a portion thereof) in such of the above clauses or under Section 7.02(a) as determined by the Borrower at such time; *provided* that all Indebtedness (x) represented by the Senior Notes and related Guarantees on the Closing Date and (y) incurred hereunder on the Closing Date will, at all times, be treated as incurred on the Closing Date under Section 7.02(b)(1) and (2), respectively, and may not be reclassified;

(2) the Borrower is entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in Section 7.02(a) and (b), subject to the proviso to the preceding clause (1) of this Section 7.02(c);

(3) the principal amount of Indebtedness outstanding under any clause of this Section 7.02 will be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness;

(4) in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued pursuant to Section 7.02(b) on the same date that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued under Section 7.02(a), then the Fixed Charge Coverage Ratio, or applicable leverage ratio, will be calculated with respect to such incurrence under Section 7.02(a) without regard to any incurrence under Section 7.02(b); *provided* that unless the Borrower elects otherwise, the incurrence of Indebtedness, Disqualified Stock or Preferred Stock will be deemed incurred or issued first under Section 7.02(a) to the extent permitted with the balance incurred under Section 7.02(b); and

(5) guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness will not be included in the determination of such amount of Indebtedness; *provided* that the incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was incurred in compliance with this Section 7.02.

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, in each case, will not be deemed to be an incurrence of Indebtedness,

Disqualified Stock or Preferred Stock for purposes of this Section 7.02. Any Indebtedness incurred to refinance Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to clauses (2), (3), (4), (12), (13), (14) and (23) of Section 7.02(b) will be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest and dividends and premiums (and with respect to Indebtedness under Designated Revolving Commitments, including an amount equal to any unutilized Designated Revolving Commitments being refinanced to the extent permanently terminated at the time of incurrence of such Refinancing Indebtedness and reasonable tender premiums), defeasance costs and fees and expenses incurred in connection with such refinancing.

For purposes of determining compliance with any Dollar denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the Dollar equivalent principal amount of Indebtedness or Disqualified Stock or Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness, Disqualified Stock or Preferred Stock is issued to Refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable Dollar denominated (or Equivalent Percentage, if greater) restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock (as applicable) being refinanced *plus* (ii) the aggregate amount of accrued but unpaid interest, fees, underwriting discounts, defeasance costs, premiums (including tender premiums) and other costs and expenses (including OID, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount of any Indebtedness, Disqualified Stock or Preferred Stock incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

For purposes of determining compliance with this Section 7.02, if any Indebtedness is refinanced in reliance on a Basket measured by reference to a percentage of Run-Rate Adjusted EBITDA, and such refinancing would cause the percentage ofRun-Rate Adjusted EBITDA to be exceeded if calculated based on the Run-Rate Adjusted EBITDA on the date of such refinancing, such percentage ofRun-Rate Adjusted EBITDA will not be deemed to be exceeded to the extent the principal amount of such obligations secured by such newly incurred Indebtedness does not exceed the sum of (i) the principal amount of such Indebtedness being refinanced, *plus* (ii) the related costs incurred or payable in connection with such refinancing.

SECTION 7.03 Fundamental Changes. The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, consolidate, amalgamate or merge with or into or wind up into another Person, or liquidate or dissolve or dispose of (whether in one transaction or in a series of transactions) all or substantially all of its assets (whether now owned or hereafter acquired) to or in favor of any Person (other than as part of the Transactions), except that:

(1) Subject to clause (g) of Section 4.1 of the Security Agreement, Holdings or any Restricted Subsidiary may merge or consolidate with the Borrower (including a merger, the purpose of which is to reorganize the Borrower into a new jurisdiction); *provided* that

(2) (a) any Restricted Subsidiary that is not a Loan Party may merge or consolidate with or into any other Restricted Subsidiary that is not a Loan Party,

(c) any merger the sole purpose of which is to reincorporate or reorganize a Loan Party in another jurisdiction in the United States will be permitted and

(d) any Restricted Subsidiary may liquidate or dissolve or change its legal form if the Borrower determines in good faith that such action is in the best interests of the Borrower and the Restricted Subsidiaries and is not materially disadvantageous to the Lenders;

provided that in the case of clauses (b) through (d), (x) no Event of Default shall result therefrom and (y) the Person who receives the assets of such dissolving or liquidated Restricted Subsidiary that is a Guarantor shall be a Loan Party or such disposition shall otherwise be permitted under Section 7.05 or the definition of "Permitted Investments";

(3) any Restricted Subsidiary may dispose of all or substantially all of its assets (upon voluntary liquidation or otherwise) to the Borrower or another Restricted Subsidiary; *provided* that if the transferor in such a transaction is a Loan Party, then (x) the transferee must be a Loan Party or (y) to the extent constituting an Investment, such Investment must be a Permitted Investment in a Restricted Subsidiary which is not a Loan Party in connection with any Investment permitted hereunder;

(4) so long as no Default has occurred and is continuing or would result therefrom (subject to Section 1.07(8)), the Borrower may merge or consolidate with (or dispose of all or substantially all of its assets to) any other Person; *provided* that (a) the Borrower shall be the continuing or surviving corporation or (b) if the Person formed by or surviving any such merger or consolidation is not the Borrower (or, in connection with a disposition of all or substantially all of the Borrower's assets, is the transferee of such assets) (any such Person, a "**Successor Borrower**"):

(i) the Successor Borrower will:

(6) the existence of, or the performance by the Borrower or any Restricted Subsidiary of its obligations under the terms of, any agreement as in effect as of the Closing Date, or any amendment thereto or replacement thereof (so long as any such amendment or replacement is not materially disadvantageous in the good faith judgment of the Board of Directors to the Lenders, when taken as a whole, as compared to the applicable agreement as in effect on the Closing Date);

(1) Non-Payment. The Borrower fails to pay (a) when and as required to be paid herein, any amount of principal of any Loan or (b) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

(2) Specific Covenants. The Borrower, any other Loan Party or, in the case of Section 7.11, Holdings, fails to perform or observe any term, covenant or agreement contained in any of Section 6.03(1) or 6.05(1) (solely with respect to the Borrower, other than in a transaction permitted under Section 7.03 or 7.04) or Article VII; *provided* that the Borrower's failure to comply with the Financial Covenant (a "**Financial Covenant Event of Default**") shall not constitute an Event of Default with respect to any Term Loans or Term Commitments unless and until the date on which the Revolving Lenders have actually terminated the Revolving Commitments and declared all Obligations with respect to the Revolving Facility to be immediately due and payable pursuant to Section 8.02 (and such declaration has not been rescinded as of the applicable date) (a "**Financial Covenant Cross Default**"); *provided further* that any Financial Covenant Event of Default is subject to cure pursuant to Section 8.04; or

(3) Other Defaults. Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Section 8.01(1) or (2) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after receipt by the Borrower of written notice thereof from the Administrative Agent; or

(4) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by the Borrower or any Subsidiary Guarantor herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be untrue in any material respect when made or deemed made; or

(5) Cross-Default. Any Loan Party or any Restricted Subsidiary (a) fails to make any payment beyond the applicable grace period, if any, whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise, in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate outstanding principal amount (individually or in the aggregate with all other Indebtedness as to which such a failure shall exist) of not less than the Threshold Amount, or (b) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs (other than, with respect to Indebtedness consisting of Hedging Obligations, termination events or equivalent events pursuant to the terms of such Hedging Obligations and not as a result of any default thereunder by the Borrower, or any Subsidiary Guarantor or any Restricted Subsidiary), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; *provided* that (A) such failure is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02 and (B) this clause (5)(b) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; or

(6) Insolvency Proceedings, etc. Holdings, the Borrower, any Loan Party or any Restricted Subsidiary that is a Significant Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(7) Judgments. There is entered against any Loan Party or any Restricted Subsidiary a final judgment and order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage thereof) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(8) ERISA. (a) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan, (ii) the Borrower or any Subsidiary Guarantor or any of their respective ERISA Affiliates fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, or (b) with respect to a Foreign Plan a termination, withdrawal or noncompliance with applicable Law or plan terms, except, with respect to each of the foregoing clauses of this Section 8.01(8), as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect; or

(9) Invalidity of Loan Documents. Any material provision of the Loan Documents, taken as a whole, at any time after its execution and delivery and for any reason, other than (a) as expressly permitted by a Loan Document (including as a result of a transaction permitted under Section 7.03 or 7.04), (b) as a result of acts or omissions by an Agent or any Lender or (c) due to the satisfaction in full of the Termination Conditions, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or any Loan Party denies in writing that it has any or further liability or obligation under the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or purports in writing to revoke or rescind the Loan Documents, taken as a whole, prior to the satisfaction of the Termination Conditions;

(10) Collateral Documents. Any Collateral Document with respect to a material portion of the Collateral after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) ceases to create, a valid and perfected Lien with the priority required by the Collateral Document (or other security purported to be created on the applicable Collateral) on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, except to the extent that any such loss of perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of Collateral actually delivered to it and pledged under the Collateral Documents or to file Uniform Commercial Code amendments relating to a Loan Party's change of name or jurisdiction of formation (solely to the extent that the Borrower provides the Collateral Agent written notice thereof in accordance with the Security Agreement, and the Collateral Agent and the Borrower have agreed that the Collateral Agent will be responsible for filing such amendments) and continuation statements or to take any other action primarily within its control with respect to the Collateral and except as to Collateral consisting of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage; or

(11) Change of Control. There occurs any Change of Control.

SECTION 8.02 Remedies upon Event of Default. Except as provided in clause (a) below, if any Event of Default occurs and is continuing, the Administrative Agent may with the consent of the Required Lenders and shall, at the request of the Required Lenders, take any or all of the following actions:

(1) declare the Commitments of each Lender and any obligation of the Issuing Banks to make L/C Credit Extensions and the Swing Line Lender to make Swing Line Loans to be terminated, whereupon such Commitments and obligation will be terminated;

(2) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under any Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(3) require that the Borrower Cash Collateralize the then outstanding Letters of Credit (in an amount equal to the then Outstanding Amount thereof); and

(4) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under Title 11 of the United States Code entitled "Bankruptcy," as now or hereafter in effect, or any successor thereto (the "**Bankruptcy Code**"), the Commitments of each Lender and any obligation of the Issuing Banks to issue Letters of Credit and any obligation of the Swing Line Lender to make Swing Line Loans, will automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid will automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the Letters of Credit as aforesaid will automatically become effective, in each case without further act of the Administrative Agent or any Lender;

provided further that:

(a) (i) if a Financial Covenant Event of Default occurs and is continuing, the Required Revolving Lenders may either (x) terminate the Revolving Commitments or (y) take the actions specified in this Section 8.02 in respect of the Revolving Commitments, the Revolving Loans, the Swing Line Loans and Letters of Credit and (ii) the Required Lenders may take any of the actions specified in this Section 8.02 in respect of a Financial Covenant Event of Default that has occurred and is continuing upon the occurrence of a Financial Covenant Cross Default; and

(b) notwithstanding anything to the contrary, if the only Event of Default then having occurred and continuing is the Financial Covenant Event of Default, then the Administrative Agent may not take any of the actions set forth in this Section 8.02 (i) unless the Required Revolving Lenders have taken action under the preceding clause (a)(i) or (ii) during the period commencing on the date that the Administrative Agent receives a Notice of Intent to Cure and ending on the Cure Expiration Date with respect thereto in accordance with and to the extent permitted by Section 8.04.

SECTION 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the first proviso to Section 8.02), subject to any Intercreditor Agreement then in effect, any amounts received on account of the Obligations will be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings (including to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit), the Obligations under Secured Hedge Agreements and Cash Management Obligations, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(3), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above will be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount will be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, will be paid to the Borrower.

SECTION 8.04 Right to Cure.

(1) Notwithstanding anything to the contrary contained in Section 8.01 or Section 8.02, but subject to Sections 8.04(2) and (3), for the purpose of determining whether an Event of Default under the Financial Covenant has occurred, the Borrower may on one or more occasions designate any portion of the Net Proceeds from any Permitted Equity Issuance or of any contribution to the common capital of the Borrower (or from any other contribution to capital or sale or issuance of any other Equity Interests on terms reasonably satisfactory to the Administrative Agent) (the "**Cure Amount**") as an increase to Run-Rate Adjusted EBITDA for the applicable fiscal quarter;*provided* that

(a) such amounts to be designated are actually received by the Borrower (i) on or after the last Business Day of the applicable fiscal quarter and (ii) on or prior to the tenth (10th) Business Day after the date on which financial statements are required to be delivered with respect to such applicable fiscal quarter (the "**Cure Expiration Date**"),

(b) such amounts to be designated do not exceed the maximum aggregate amount necessary to cure any Event of Default under the Financial Covenant as of such date and

(c) the Borrower will have provided notice to the Administrative Agent on the date such amounts are designated as a "Cure Amount" (it being understood that to the extent such notice is provided in advance of delivery of a Compliance Certificate for the applicable period, the amount of such Net Proceeds that is designated as the Cure Amount may be lower than specified in such notice to the extent that the amount necessary to cure any Event of Default under the Financial Covenant is less than the full amount of such originally designated amount).

The Cure Amount used to calculate Run-Rate Adjusted EBITDA for one fiscal quarter will be used and included when calculating Run-Rate Adjusted EBITDA for each Test Period that includes such fiscal quarter. The parties hereby acknowledge that this Section 8.04(1) may not be relied on for purposes of calculating any financial ratios other than as applicable to the Financial Covenant (and may not be included for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article VII) and may not result in any adjustment to any amounts (including the amount of Indebtedness) or increase in cash with respect to the fiscal quarter with respect to which such Cure Amount was made other than the amount of the Run-Rate Adjusted EBITDA referred to in the immediately preceding sentence, except to the extent such proceeds are actually applied to prepay Indebtedness under the Facilities. Notwithstanding anything to the contrary contained in Section 8.01 and Section 8.02, (A) upon designation of the Cure Amount by the Borrower, the Financial Covenant will be deemed satisfied and complied with as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply with the Financial Covenant and any Event of Default under the Financial Covenant (and any other Default as a result thereof) will be deemed not to have occurred for purposes of the Loan Documents, and (B) neither the Administrative Agent nor any Lender may exercise any rights or remedies under Section 8.02 (or under any other Loan Document) on the basis of any actual or purported Event of Default under the Financial Covenant (and any other Default as a result thereof) until and unless the Cure Expiration Date has occurred without the Cure Amount having been designated.

(2) In each period of four consecutive fiscal quarters, there shall be no more than two (2) fiscal quarters in which the cure right set forth in Section 8.04(1) is exercised.

(3) There can be no more than five (5) fiscal quarters in which the cure rights set forth in Section 8.04(1) are exercised during the term of the Facilities.

ARTICLE IX

Administrative Agent and Other Agents

SECTION 9.01 Appointment and Authorization of the Administrative Agent.

(1) Each Lender and Issuing Bank hereby irrevocably appoints Deutsche Bank AG New York Branch, to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09, 9.10, 9.11, 9.12 and 9.16) are solely for the benefit of the Administrative Agent, the Lenders and each Issuing Bank and the Borrower shall not have rights as a third-party beneficiary of any such provision.

(2) The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders (including in its capacities as a Lender and a potential Hedge Bank or Cash Management Bank) and the Issuing Banks hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender and Issuing Bank for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent" (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 9.03 Exculpatory Provisions. The Administrative Agent, Collateral Agent and the Arrangers shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the

other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent) and an Arranger:

(1) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent or Arranger is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent or Arranger is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent or Arranger to liability or that is contrary to any Loan Document or applicable law; and

(3) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent, Arranger or any of their Affiliates in any capacity.

Neither the Administrative Agent nor any of its Related Persons shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender, or an Issuing Bank.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each Arranger is named as such for recognition purposes only, and in its capacity as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Loan Documents or the transactions contemplated hereby and thereby; it being understood and agreed that each Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Administrative Agent as, and to the extent, provided for under Section 10.05. Without limitation of the foregoing, each Arranger shall not, solely by reason of this Agreement or any other Loan Documents, have any fiduciary relationship in respect of any Lender or any other Person.

SECTION 9.04 Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of

Holdings, the Borrower and the Restricted Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and the Restricted Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Loan Document or the financial condition of the Holdings, the Borrower or any of the Restricted Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or the existence or possible existence of any Default or Event of Default.

SECTION 9.05 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders.

SECTION 9.06 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent. In determining compliance with any condition hereunder to the making of a Loan or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or issuances of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 9.07 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in proportion to their respective "percentage" as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person

was performing services on behalf of the Administrative Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; *provided* that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or any other Agent-Related Person's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto, *provided further* that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

SECTION 9.09 The Administrative Agent in Its Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "Lender," "Required Lenders" or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 9.10 Holders. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

SECTION 9.11 Resignation by the Administrative Agent. The Administrative Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 Business Days prior written notice to the Lenders and the Borrower. If the Administrative Agent is in material breach of its obligations hereunder as Administrative Agent, then the Administrative Agent may be removed as the Administrative Agent at the reasonable request of the Required Lenders. If the Administrative Agent is a Defaulting Lender, the Borrower may remove the Defaulting Lender from such role upon fifteen days prior written notice to the Lenders. Such resignation or removal shall take effect upon the appointment of a successor Administrative Agent as provided below.

Upon any such notice of resignation by, or notice of removal of, the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (*provided* that the Borrower's approval shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing).

If a successor Administrative Agent shall not have been so appointed within such 30 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, *provided* that the Borrower's consent shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

If no successor Administrative Agent has been appointed pursuant to the foregoing by the 35th Business Day after the date such notice of resignation was given by the Administrative Agent or such notice of removal was given by the Required Lenders or the Borrower, as applicable, the Administrative Agent's resignation shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above. The retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Banks under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender or Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.11.

Upon the acceptance of a successor's appointment as Administrative Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.11).

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

Upon a resignation of the Administrative Agent pursuant to this Section 9.11, the Administrative Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

SECTION 9.12 Collateral Matters. Each Lender (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Collateral Agent to take the actions to be taken by them as set forth in Section 7.04 and 10.24.

Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders,

without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in this Section 9.12, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.12.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 10.24 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

SECTION 9.13 [Reserved].

SECTION 9.14 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, any Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, any Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, any Issuing Bank and the Administrative Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and relevant Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

SECTION 9.15 Appointment of Supplemental Administrative Agents.

(1) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrativesub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Administrative Agent**" and collectively as "**Supplemental Administrative Agents**").

(2) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent or such Supplemental Administrative Agent, as the context may require.

(3) Should any instrument in writing from any Loan Party be reasonably required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments reasonably acceptable to it promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

SECTION 9.16 Intercreditor Agreements. The Administrative Agent and Collateral Agent are hereby authorized to enter into any Intercreditor Agreement to the extent contemplated by the terms hereof, and the parties hereto acknowledge that such Intercreditor Agreement is binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements, (b) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Intercreditor Agreements and to subject the Liens on the Collateral securing the Obligations to the provisions thereof and (c) without any further consent of the Lenders, hereby authorizes and instructs the Administrative Agent and the Collateral Agent to negotiate, execute and deliver on behalf of the Secured Parties any intercreditor agreement or any amendment (or amendment and restatement) to the Collateral Documents or an Intercreditor Agreement contemplated hereunder. In addition, each Lender hereby authorizes the Administrative Agent and the Collateral Agent to enter into (i) any amendments to any Intercreditor Agreements, and (ii) any other intercreditor arrangements, in the case of clauses (i), and (ii) to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required or permitted by this Agreement. Each Lender acknowledges and agrees that any of the Administrative Agent and Collateral Agent (or one or more of their respective Affiliates) may (but are not obligated to) act as the "Debt Representative" or like term for the holders of Credit Agreement Refinancing Indebtedness under the security agreements with respect thereto or any Intercreditor Agreement then in effect. Each Lender waives any conflict of interest, now contemplated or arising hereafter, in connection therewith and agrees not to assert against any Agent or any of its affiliates any claims, causes of action, damages or liabilities of whatever kind or nature relating thereto.

SECTION 9.17 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

SECTION 9.18 Withholding Tax. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within ten 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.18. The agreements in this Section 9.18 shall survive the resignation or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE X

Miscellaneous

SECTION 10.01 Amendments, etc.

(1) Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in clauses (g), (h) or (i) below (in the cause of clause (i), to the extent permitted by Section 2.14), which shall only require the consent of the Required Facility Lenders under the applicable Facility or Facilities) (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and the Administrative Agent hereby agrees to acknowledge any such waiver, consent or amendment that otherwise satisfies the requirements of this Section 10.01 as promptly as possible, however, to the extent the final form of such waiver, consent or amendment has been delivered to the Administrative Agent at least one Business Day prior to the proposed effectiveness of the consents by the Lenders party thereto, the Administrative Agent shall acknowledge such waiver, consent or amendment (i) immediately, in the case of any amendment which does not require the consent of any existing Lender under this Agreement or (ii) otherwise, within two hours of the time copies of the Required Lender consents or other applicable Lender consents required by this Section 10.01 have been provided to

the Administrative Agent; and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 (other than pursuant to Section 2.08(2)) or any payment of fees or premiums hereunder or under any Loan Document with respect to payments to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of principal, interest, fees or premiums: (i) the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans, (ii) the agreement, consent or waiver by the Required Revolving Lenders of interest or unused commitment fees as set forth in clause (b) of the Applicable Rate definition and (iii) any change to the definition of "First Lien Net Leverage Ratio," "Total Net Leverage Ratio," "Fixed Charge Coverage Ratio" or, in each case, in the component definitions thereof;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (III) of the proviso immediately succeeding clause (i) of this Section 10.01(1)) any fees or other amounts payable hereunder or under any other Loan Document to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a reduction in any rate of interest: (i) any change to the definition of "First Lien Net Leverage Ratio," "Total Net Leverage Ratio," "Fixed Charge Coverage Ratio," or, in each case, in the component definitions thereof and (ii) the agreement, consent or waiver by the Required Revolving Lenders of interest or unused commitment fees as set forth in clause (b) of the Applicable Rate definition; *provided* that only the consent of (A) the Required Lenders shall be necessary to amend the definition of "Default Rate," (B) the Required Lenders or, with respect to any Default Rate payable pursuant to clause (b) of the Applicable Rate definition, the Required Revolving Lenders with respect to the Revolving Facility will be necessary to waive any obligation of the Borrower to pay interest at the Default Rate and (C) the Swing Line Lender with respect to the Swing Line Facility shall be necessary to waive any obligation to pay interest at the Default Rate;

(d) except as contemplated by clause (C) in the second proviso immediately succeeding clause (i) of this Section 10.01(1), change any provision of this Section 10.01 or the definition of "Required Lenders" or "Required Facility Lenders," "Pro Rata Share" or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender directly and adversely affected thereby or change the definition of "Required Revolving Lenders" without the consent of each Revolving Lender;

(e) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

(g) amend, waive or otherwise modify any term or provision (including the waiver of any conditions set forth in Section 4.02 as to any Credit Extension under one or more Revolving Facilities) which directly affects Lenders under one or more Revolving Facilities and does not directly affect Lenders under any other Facilities, in each case, without the written consent of the Required Revolving Lenders under such applicable Revolving Facility or Facilities with respect to Revolving Commitments (and in the case of multiple Facilities which are affected, such Required Revolving Lenders shall consent together as one Facility); *provided*, *however*, that the waivers described in this clause (g) shall not require the consent of any Lenders other than the Required Revolving Lenders under the applicable Revolving Facility or Facilities (it being understood that any amendment to the conditions of effectiveness of Incremental Commitments set forth in Section 2.14 shall be subject to clause (i) below);

(h) amend, waive or otherwise modify the Financial Covenant or any definition related thereto (solely in respect of the use of such defined terms in the Financial Covenant) or waive any Default or Event

of Default resulting from a failure to perform or observe the Financial Covenant without the written consent of the Required Revolving Lenders under the applicable Revolving Facility or Facilities with respect to Revolving Commitments (such Required Revolving Lenders shall consent together as one Facility); *provided*, *however*, that the amendments, waivers and other modifications described in this clause (h) shall not require the consent of any Lenders other than the Required Revolving Lenders under the applicable Revolving Facility or Facilities;

(i) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding under Section 2.14 with respect to Incremental Term Loans and Incremental Revolving Commitments and the rate of interest applicable thereto) which directly affects Lenders of one or more Incremental Term Loans or Incremental Revolving Commitments and does not directly affect Lenders under any other Facility, in each case, without the written consent of the Required Revolving Lenders under such applicable Incremental Term Loans or Incremental Revolving Commitments (and in the case of multiple Facilities which are affected, such Required Revolving Lenders shall consent together as one Facility); *provided*, *however*, that, to the extent permitted under Section 2.14, the waivers described in this clause (i) shall only require the consent of the Required Revolving Lenders under such applicable Incremental Term Loans or Incremental Revolving Commitments;

provided that:

(I) no amendment, waiver or consent shall, unless in writing and signed by each Issuing Bank in addition to the Lenders required above, affect the rights or duties of such Issuing Bank under this Agreement or any Issuing Bank Document relating to any Letter of Credit issued or to be issued by it; *provided*, *however*, that this Agreement may be amended to adjust the mechanics related to the issuance of Letters of Credit, including mechanical changes relating to the existence of multiple Issuing Banks, with only the written consent of the Administrative Agent, the applicable Issuing Bank and the Borrower so long as the obligations of the Revolving Lenders, if any, who have not executed such amendment, and if applicable the other Issuing Banks, if any, who have not executed such amendment, are not adversely affected thereby;

(II) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; provided, however, that this Agreement may be amended to adjust the borrowing mechanics related to Swing Line Loans with only the written consent of the Administrative Agent, the Swing Line Lender and the Borrower so long as the obligations of the Revolving Lenders, if any, who have not executed such amendment, are not adversely affected thereby;

(III) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document;

(IV) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

(V) the consent of the Required Revolving Lenders or Required Facility Lenders, as applicable, shall be required with respect to any amendment that by its terms adversely affects the rights of Lenders under any Facility in respect of payments hereunder in a manner different than such amendment affects other Facilities; and

(VI) the consent of the Required Revolving Lenders (but without the consent of other Lenders, including the Required Lenders or Required Facility Lenders) shall be required to amend, waive or otherwise modify any provision of clause (b) of the definition of "Applicable Rate" that provides for an agreement, consent or waiver by the Required Revolving Lenders;

provided further that notwithstanding the foregoing:

(A) no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders, the

Required Lenders, the Required Facility Lenders, the Required Revolving Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that the Revolving Commitment of any Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders);

(B) no Lender consent is required to effect any amendment or supplement to any Intercreditor Agreement (i) that is for the purpose of adding the holders of Permitted Incremental Equivalent Debt, Credit Agreement Refinancing Indebtedness or any other Permitted Indebtedness that is Secured Indebtedness (or a Debt Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the applicable Intercreditor Agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Intercreditor Agreement; *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable;

(C) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, the Revolving Loans, the Swing Line Loans and L/C Obligations and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders;

(D) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.01 if such Class of Lenders were the only Class of Lenders hereunder at the time;

(E) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency (including amendments, supplements or waivers to any of the Collateral Documents, guarantees, intercreditor agreements or related documents executed by any Loan Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Collateral Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Loan Documents) so long as, in each case, the Lenders shall have received at least five (5) Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; *provided* that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Loans, any borrowing of Refinancing Loans, any Extension or any borrowing of Replacement Loans and otherwise to effect the provisions of Section 2.14, 2.15 or 2.16 or the immediately succeeding paragraph of this Section 10.01, respectively;

(F) the Borrower and the Administrative Agent may, without the input or consent of the other Lenders, (i) effect changes to any Mortgage as may be necessary or appropriate in the opinion of the Collateral Agent and (ii) effect changes to this Agreement that are necessary and appropriate to effect the offering process set forth in Section 2.05(1)(e).

(2) In addition, notwithstanding anything to the contrary in this Section 10.01, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Term Loans of any Class ("**Replaced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided* that

(a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Replaced Loans, *plus* accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees and expenses incurred in connection with such refinancing of Replaced Loans with such Replacement Loans,

(b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such Replaced Loans (or similar interest rate spread applicable to such Replaced Loans) immediately prior to such refinancing,

(c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Loans at the time of such refinancing and

(d) all other terms (other than with respect to pricing, premiums and optional prepayment or redemption terms) applicable to such Replacement Loans shall be substantially identical to, or no less favorable taken as a whole (in each case as determined by the Borrower in its reasonable judgment) to the Lenders providing such Replacement Loans than, those applicable to such Replaced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing (*provided* that Officer's Certificate delivered to the Administrative Agent at least five (5) Business Days prior to the incurrence of such Replacement Loans, together with a reasonably detailed description of the material terms and conditions of such Replacement Loans or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this clause (d) shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent notifies the Borrower within such five (5)-Business Day period that it disagrees with such determination (including a description of the basis upon which it disagrees));

provided further that each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

(3) In addition, notwithstanding anything to the contrary in this Section 10.01,

(a) unless and until a Financial Covenant Cross Default has occurred and remains continuing, only the consent of the Required Revolving Lenders shall be necessary to, and upon the occurrence of a Financial Covenant Cross Default, the consent of the Required Lenders shall be necessary to (a) waive or consent to any Financial Covenant Event of Default or amend or modify the terms of, or waive or consent to any Default or Event of Default with respect to, Section 7.12 (including the related definitions as used in such Section, but not as used in other Sections of this Agreement) and no such amendment, modification, waiver or consent shall be permitted (i) without the consent of the Required Revolving Lenders (unless and until a Financial Covenant Cross Default has occurred) and (ii) without the consent of the Required Lenders (upon the occurrence and during the continuance of a Financial Covenant Cross Default) or (b) amend this sentence. Notwithstanding the foregoing, only the consent of the Required Revolving Lenders shall be necessary to (1) amend or modify the terms and provisions of Section 7.12 (in each case, whether or not a Financial Covenant Cross Default has occurred) or (2) amend this sentence,

(b) the Guaranty, the Collateral Documents and related documents executed by Holdings, the Borrower or any Restricted Subsidiaries in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause the Guaranty, Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents (including by adding additional parties as contemplated herein or therein) and

(c) if the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

(1) General. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next succeeding Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (2) below shall be effective as provided in such subsection (2).

(2) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent,*provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(3) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next succeeding Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(4) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM

LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the "**Agent Parties**") have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; *provided*, *however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(5) Change of Address. Each Loan Party and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(6) Reliance by the Administrative Agent. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; *provided*, *however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Issuing Bank or Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank or

Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

SECTION 10.04 Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent and the Arrangers (promptly following a written demand therefor, together with backup documentation supporting such reimbursement request) incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Davis Polk & Wardwell LLP and, if necessary, a single local counsel in each relevant material jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Administrative Agent, each Issuing Bank, the Swing Line Lender and the other Lenders, taken as a whole, promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

SECTION 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each Issuing Bank, the Swing Line Lender, each other Lender, the Arrangers and their respective Related Persons (collectively, the "**Indemnitees**") from and against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities) to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) any (i) actual or threatened claim, litigation, investigation, proceeding or Environmental Liabilities relating to the Transactions or (ii) to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents, the Loans or the use, or proposed use of the proceeds therefrom, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the "**Indemnified Liabilities**"); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Loan Document and other than any claims arising out of any act or

omission of the Borrower or any of their Affiliates (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrower, Holdings, the Investors or any of their Affiliates under this Section 10.05 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

SECTION 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

SECTION 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and registered assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.03, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Eligible Assignee and (A) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, in accordance with the provisions of Section 10.07(h), (B) in the case of any Eligible Assignee that is Holdings, the Borrower or any Subsidiary thereof, in accordance with the provisions of Section 10.07(l), or (C) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is a Debt Fund Affiliate, in accordance with the provisions of Section 10.07(k), (ii) by way of participation in accordance with the provisions of Section 10.07(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon

any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations and Swing Line Loans) at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $1.0 million, in the case of Term Loans, and not less than $2.5 million, in the case of Revolving Loans and Revolving Commitments, unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided*, *however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.07(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date or (2) in respect of an assignment of all or a portion of the Term Loans only, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower shall be deemed to have consented to any assignment of all or a portion of the Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice of a failure to respond to such request for assignment; *provided further* that no consent of the Borrower shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(h), (k) or (l);

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender; *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or a portion of the Loans pursuant to Section 10.07(g), (h), (k) or (l), or (ii) from an Agent to its Affiliate;

(C) the consent of each Issuing Bank (such consent not to be unreasonably withheld or delayed) shall be required at the time of such assignment; *provided* that no consent of the Issuing Banks shall be required for any assignment not related to Revolving Commitments or Revolving Exposure or any assignment to an Agent or an Affiliate of an Agent; and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required; *provided* that no consent of a Swing Line Lender shall be required for any assignment not related to Revolving Commitments or Revolving Exposure or any assignment to an Agent or an Affiliate of an Agent.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent). Other than in the case of assignments pursuant to Section 10.07(l), the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of its Subsidiaries except as permitted under Section 2.05(1)(e), (B) subject to Sections 10.07(h), (k) and (l) below, to any Affiliate of the Borrower, (C) to a natural person or (D) to any Disqualified Institution.

This Section 10.07(b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07 (and, in the case of an Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, to the requirements of clause (h) of this Section 10.07), from and after the effective date specified in each Assignment and Assumption, other than in connection with an assignment pursuant to Section 10.07(l), (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning Lender of its

Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it, each notice of cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(3) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Term Loans or Incremental Term Loans held by Affiliated Lenders.

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, the Borrower or any Affiliate or Subsidiary of the Borrower or a Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans (including such Lender's participations in L/C Obligations or Swing Line Loans) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clauses (d), (g),(h) and (i) thereof) that directly affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable as though it were a Lender)), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; *provided* that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a

Participant's interest in any commitments, loans, letters of credit or other obligations under any Loan Document) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Loans and Commitments under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(ii) each Affiliated Lender that purchases any Loans or Commitments pursuant to clause (x) above will either (A) represent and warrant to the selling Lender (other than any other Affiliated Lender) that it either as of the date of any such purchase or sale, it does not possess any information that is not Public-Side Information that has not been disclosed to the Lenders generally (other than any Lender(s) that have elected not to receive such information) or (B) make a statement that such representation cannot be made;

(iv) the aggregate principal amount of Term Loans of any Class under this Agreement held by Affiliated Lenders at the time of any such purchase or assignment shall not exceed 25% of the aggregate principal amount of Term Loans of such Class outstanding at such time under this Agreement (such percentage, the "**Affiliated Lender Cap**"); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Term Loans of any Class held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*; and

(v) the assigning Lender and the Affiliated Lender purchasing such Lender's Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit D-2 hereto (an "**Affiliated Lender Assignment and Assumption**").

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this subsection (h) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Term Loans or any portion thereof, *plus* all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Term Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

Each Affiliated Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. The Administrative Agent may conclusively rely upon any notice delivered pursuant to the immediately preceding sentence or pursuant to clause (v) of this subsection (h) and shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(i) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders," or "Required Facility Lenders" to the contrary, for purposes of determining whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and:

(i) all Term Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have taken any actions; and

(ii) all Term Loans held by Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether all Lenders have taken any action unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, and each Affiliated Lender Assignment and Assumption shall provide a confirmation that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent directs; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(k) Although any Debt Fund Affiliate(s) shall be Eligible Assignees and shall not be subject to the provisions of Section 10.07(h), (i) or (j), any Lender may, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, a Debt Fund Affiliate only through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) (for the avoidance of doubt, without requiring any representation as to the possession of material non-public information by such Affiliate) or (y) open market purchase on anon-pro rata basis. Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans, Revolving Commitments and Revolving Loans held by Debt Fund Affiliates, in the aggregate, may not account for more than 49.9% of the Term Loans, Revolving Commitments and Revolving Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.01.

(l) Any Lender may, so long as no Default or Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings, the Borrower or any Subsidiary of the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchases on a non-pro rata basis; *provided* that:

(i) (x) if the assignee is Holdings or a Subsidiary of the Borrower, upon such assignment, transfer or contribution, the applicable assignee shall automatically be deemed to have contributed or transferred the principal amount of such Term Loans, *plus* all accrued and unpaid interest thereon, to the Borrower; or (y) if the assignee the Borrower (including through contribution or transfers set forth in clause (x)), (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register;

(ii) each Person that purchases any Term Loans pursuant to clause (x) of the first paragraph of this subsection (l) shall represent and warrant to the selling Term Lender (other than any Affiliated Lender) that it does not possess material non-public information with respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders or shall make a statement that such representation cannot be made; and

SECTION 10.08 Resignation of Issuing Bank and Swing Line Lender. Notwithstanding anything to the contrary contained herein, any Issuing Bank or Swing Line Lender may, upon thirty (30) Business Days' notice to the Borrower and the Lenders, resign as an Issuing Bank or Swing Line Lender, respectively. In the event of any such resignation of an Issuing Bank or Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor Issuing Bank or Swing Line Lender hereunder; *provided* that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant Issuing Bank or Swing Line Lender, as the case may be. If an Issuing Bank resigns as an Issuing Bank, it shall retain all the rights and obligations of an Issuing Bank hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(3)). If the Swing Line Lender resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it outstanding as of the effective date of such resignation, including the right to require the Lenders to make Revolving Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(3).

SECTION 10.09 Confidentiality. Each of the Agents, the Arrangers, the Lenders and each Issuing Bank agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, legal counsel, independent auditors, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person's compliance with this Section 10.09; *provided*, *however*, that such Agent, Arranger, Lender or Issuing Bank, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided*, *however*, that each Agent, each Arranger, each Lender and each Issuing Bank agrees to seek confidential treatment with respect to any such disclosure, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a governmental authority; *provided* that such Agent, such Arranger, such Lender or such Issuing Bank, as applicable, agrees (x) that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of a regulation examination) unless such notification is prohibited by law, rule or regulation and (y) to seek confidential treatment with respect to any such disclosure, (d) to any other party hereto, (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.09, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) invited to be an Additional Lender or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; *provided* that such disclosure shall be made subject to the acknowledgment and acceptance by such prospective Lender, Participant or Eligible Assignee that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower, the Agents and the Arrangers, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents and the Arrangers or market standards for dissemination of such type of information which shall in any event require "click through" or other affirmative action on the part of the recipient to access such confidential information, (f) for purposes of establishing a "due diligence" defense, (g) with the consent of the Borrower or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality provision in favor of any Loan Party, (y) becomes available to any Agent, any Arranger, any Lender, any Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender, such Issuing Bank or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate of the Borrower or (z) is independently developed by the Agents, the Lenders, the Issuing Banks, the Arrangers or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09.

For purposes of this Section 10.09, "**Information**" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary or Affiliate thereof after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent, each Arranger, each Lender and each Issuing Bank acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including United States Federal and state securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents, the Arrangers, the Lenders and any Issuing Bank under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

SECTION 10.10 Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or any other Loan Document; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each Issuing Bank under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 10.12 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 10.13 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 10.14 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

SECTION 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 10.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE

ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 10.16. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

SECTION 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.17.

SECTION 10.18 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. The provision of this Section 10.19 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

SECTION 10.20 Use of Name, Logo, etc. Each Loan Party consents to the publication in the ordinary course by Administrative Agent or the Arrangers of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or trademark. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Arrangers.

SECTION 10.21 USA PATRIOT Act. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act.

SECTION 10.22 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders and the Issuing Banks hereby irrevocably agree that the Guarantors shall be released from the Guaranties upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary, or otherwise becoming an Excluded Subsidiary. The Lenders and the Issuing Banks hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender or Issuing Bank. Any representation, warranty or covenant contained in any Loan Document relating to any such released Collateral or Guarantor shall no longer be deemed to be repeated.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements, (iii) any contingent obligations not then due and (iv) the Outstanding Amount of L/C Obligations related to any Letter of Credit that has been Cash Collateralized, backstopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank) have been paid in full and all Commitments have terminated, upon request of the Borrower, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements, (iii) any contingent obligations not then due and (iv) any Outstanding Amount of L/C Obligations related to any Letter of Credit that has been Cash Collateralized, backstopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Liens permitted by the Loan Documents, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any Lien permitted under Section 7.01 to be senior to the Liens in favor of the Collateral Agent.

(d) Notwithstanding the foregoing or anything in the Loan Documents to the contrary, at the direction of the Required Lenders, the Administrative Agent may, in exercising remedies, take any and all necessary and appropriate action to effectuate a credit bid of all Loans (or any lesser amount thereof) for the Borrower's assets in a bankruptcy, foreclosure or other similar proceeding, forbear from exercising remedies upon an Event of Default, or in a bankruptcy proceeding, enter into a settlement agreement on behalf of all Lenders.

SECTION 10.25 Assumption and Acknowledgment. Effective immediately after the consummation of the Merger, the execution and delivery by Life Time of a counterpart hereto and the funding of the Closing Date Loans hereunder, and without affecting any of the obligations of Holdings as a Guarantor under any Loan Document, Life Time hereby assumes all of Initial Borrower's rights, title, interests, duties, liabilities and obligations (including the Obligations) under the Loan Documents as the "Borrower" hereunder (collectively, the "**Assumption**"), including, any claims, liabilities, or obligations arising from Initial Borrower's failure to perform any of its covenants, agreements, commitments or obligations under the Loan Documents to be performed prior to the date of the Assumption. Holdings hereby acknowledges the Assumption by Life Time and its effectiveness immediately after the consummation of the Merger, the execution and delivery by Life Time of a counterpart hereto and the funding of the Closing Date Loans hereunder. Without limiting the generality of the foregoing, upon its execution and delivery of a counterpart hereto, Life Time hereby expressly agrees to observe and perform and be bound by all of the terms, covenants, representations, warranties, and agreements contained herein which are binding upon, and to be observed or performed by, the Borrower. Each Agent and each Lender hereby consents to the Assumption.

SECTION 10.26 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative

Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

EXHIBIT E

FORM OF GUARANTY

Dated as of

June 10, 2015

among

LTF INTERMEDIATE HOLDINGS, INC.,
as Holdings,

THE OTHER GUARANTORS PARTY HERETO FROM TIME TO TIME,

and

DEUTSCHE BANK AG NEW YORK BRANCH,
as Administrative Agent and Collateral Agent

TABLE OF CONTENTS

This GUARANTY, dated as of June 10, 2015, is among LTF Intermediate Holdings, Inc., a Delaware corporation ("**Holdings**"), the other Guarantors set forth on Schedule I hereto, each other Guarantor from time to time party hereto and DEUTSCHE BANK AG NEW YORK BRANCH, as Administrative Agent and Collateral Agent for the Secured Parties.

Reference is made to the Credit Agreement, dated as of June 10, 2015 (as amended, restated, amended and restated, refinanced, replaced, extended, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), among Holdings, LTF Merger Sub, Inc., a Minnesota corporation and direct subsidiary of Holdings ("**Merger Sub**" or "**Initial Borrower**"), Deutsche Bank AG New York Branch, as Administrative Agent and as Collateral Agent under the Loan Documents, and each Lender and other party from time to time party thereto.

The Lenders have agreed to extend credit to the Borrower, the Issuing Bank has indicated its willingness to issue Letters of Credit for the account of the Borrower, the Hedge Banks have agreed to enter into or maintain one or more Secured Hedge Agreements and the Cash Management Banks have agreed to enter into or maintain Secured Cash Management Agreements, on the terms and conditions set forth in the Credit Agreement, in such Secured Hedge Agreements and in such Secured Cash Management Agreements, as applicable. The obligations of the Lenders to extend such credit, the obligations of the Issuing Bank to issue Letters of Credit, the obligations of the Hedge Banks to enter into or maintain such Secured Hedge Agreements and the obligations of the Cash Management Banks to enter into or maintain such Secured Cash Management Agreements are, in each case, conditioned upon, among other things, the execution and delivery of this Agreement by each Guarantor (as defined below). The Guarantors are Affiliates of one another and will derive substantial direct and indirect benefits from (i) the extensions of credit to the Borrower pursuant to the Credit Agreement, (ii) the issuance of Letters of Credit by the Issuing Bank in accordance with the Credit Agreement, (iii) the entering into and/or maintaining by the Hedge Banks of Secured Hedge Agreements with the Borrower or any Restricted Subsidiary and (iv) the entering into or maintaining by the Cash Management Banks of Secured Cash Management Agreements with the Borrower or any Restricted Subsidiary, and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit, the Issuing Bank to issue such Letters of Credit, the Hedge Banks to enter into or maintain such Secured Hedge Agreements and the Cash Management Banks to enter into or maintain such Secured Cash Management Agreements. Accordingly, in consideration of the mutual covenants and agreements contained herein and in the other Loan Documents, the parties hereto agree as follows:

ARTICLE I

Section 1.01 Credit Agreement Definitions.

(a) Terms used in this Agreement, including the preliminary statements above, and not otherwise defined herein have the meanings specified in the Credit Agreement.

(b) The rules of construction specified in Article I of the Credit Agreement also apply to this Agreement.

ARTICLE II

Guarantee

Section 2.01 Guarantee.

Each Guarantor irrevocably, absolutely and unconditionally guarantees, jointly with the other Guarantors and severally, as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Guaranteed Obligations, in each case, whether such Guaranteed Obligations are now existing or hereafter incurred under or arising out of any Loan Document, Secured Hedge Agreement or Secured Cash Management Agreement, and whether at maturity, by acceleration or otherwise. Each of the Guarantors further agrees that the Guaranteed Obligations may be extended, increased or renewed, amended or modified, in whole or in part, without notice to, or further assent from, such Guarantor and that such Guarantor will remain bound upon its guarantee hereunder notwithstanding any such extension, increase, renewal, amendment or modification of any Guaranteed Obligation. To the fullest extent permitted by applicable Law, each of the Guarantors (i) waives promptness, presentment to, demand of payment from, and protest to, any Guarantor or any other Loan Party of any of the Guaranteed Obligations, and (ii) also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

Section 2.02 Guarantee of Payment.

Each of the Guarantors further agrees that its guarantee hereunder constitutes a guarantee of payment when due (whether or not any bankruptcy or similar proceeding shall have stayed the accrual of collection of any of the Guaranteed Obligations or operated as a discharge thereof) and not of collection, and waives any right to require that any resort be had by the Administrative Agent or any other Secured Party to any security held for the payment of any of the Guaranteed Obligations, or to any balance of any deposit account or credit on the books of the Administrative Agent or any other Secured Party in favor of any other Guarantor or any other Person. The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor or the Borrower, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor or the Borrower and whether or not any other Guarantor or the Borrower is joined in any such action or actions. Any payment required to be made by a Guarantor hereunder may be required by the Administrative Agent or any other Secured Party on any number of occasions.

Section 2.03 No Limitations.

(a) Except for termination or release of a Guarantor's obligations hereunder as expressly provided in Section 4.10, to the fullest extent permitted by applicable Law, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Guaranteed Obligations, any impossibility in the performance of any of the Guaranteed Obligations, or otherwise. Without limiting the generality of the foregoing, to the fullest extent permitted by applicable Law and except for termination or release of a Guarantor's obligations hereunder in accordance with the terms of Section 4.10 (but without prejudice to Section 2.04), the obligations of each Guarantor hereunder shall not be discharged, impaired or otherwise affected by (i) the failure of the Administrative Agent, any other Secured Party or any other Person to assert any claim or demand or to enforce any right or remedy under the provisions of any Loan Document or otherwise; (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement; (iii) the release of, or any impairment of any security held by the Collateral Agent or any other Secured Party for the Guaranteed Obligations; (iv) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; (v) the failure to perfect any security interest in, or the release of, any of the Collateral held by or on behalf of the Collateral Agent or any other Secured Party; (vi) any change in the corporate existence, structure or ownership of any other Loan Party, the lack of legal existence of the Borrower or any other Guarantor or legal obligation to discharge any of the Guaranteed Obligations by the Borrower or any other Guarantor for any reason whatsoever, including, without limitation, in any insolvency, bankruptcy or reorganization of any other Loan Party; (vii) the existence of any claim, set-off or other rights that any Guarantor may have at any time against the Borrower, the Administrative Agent, any other Secured Party or any other Person, whether in connection with the Credit Agreement, the other Loan Documents or any unrelated transaction; (viii) this Agreement having been determined (on whatsoever grounds) to be invalid, non-binding or unenforceable against any other Guarantor *ab initio* or at any time after the Closing Date; or (ix) any other circumstance (including statute of limitations), any act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a defense to, or discharge of, the Borrower, any Guarantor or any other guarantor or surety as a matter of law or equity (in each case, other than the satisfaction of the Termination Conditions). Each Guarantor expressly authorizes the applicable Secured Parties, to the extent permitted by the Security Agreement, to take and hold security for the payment and performance of the Guaranteed Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations all without affecting the obligations of any Guarantor hereunder. Anything contained in this Agreement to the contrary notwithstanding, the obligations of each Guarantor under this Agreement shall be limited to an aggregate amount equal to the largest amount that would not render its obligations under this Agreement subject to avoidance as a fraudulent transfer or conveyance under Section 548 of the Bankruptcy Code of the United States or any comparable provisions of any similar federal or state law.

(b) To the fullest extent permitted by applicable Law and except for termination or release of a Guarantor's obligations hereunder in accordance with the terms of Section 4.10 (but without prejudice to Section 2.04), each Guarantor waives any defense based on or arising out of any defense of the Borrower or any other Guarantor or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower or any other Guarantor, other than the satisfaction of the Termination Conditions. The Administrative Agent and the other Secured Parties may in accordance with the terms of the Collateral Documents, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with the Borrower or any other Guarantor or exercise any other right or remedy available to them against any other Guarantor, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Termination Conditions have been satisfied. To the fullest extent permitted by applicable Law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against the Borrower or any other Guarantor, as the case may be, or any security. To the fullest extent permitted by applicable Law, each Guarantor waives any and all suretyship defenses.

Section 2.04 Reinstatement.

Notwithstanding anything to the contrary contained in this Agreement, each of the Guarantors agrees that (a) its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation is rescinded or must otherwise be restored by the Administrative Agent or any other Secured Party upon the bankruptcy or reorganization (or any analogous proceeding in any jurisdiction) of the Borrower or any other Guarantor or otherwise and (b) the provisions of this Section 2.04 shall survive the termination of this Agreement.

Section 2.05 Agreement To Pay; Subrogation.

In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Borrower or any other Guarantor to pay any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Administrative Agent for distribution to the applicable Secured Parties in cash the amount of such unpaid Guaranteed Obligation. Upon payment by any Guarantor of any sums to the Administrative Agent as provided above, all rights of such Guarantor against the Borrower or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article III.

Section 2.06 Information.

Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's and each other Guarantor's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Administrative Agent or the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

Section 2.07 Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each Specified Loan Party to honor all of its obligations under this Agreement in respect of Swap Obligations (*provided*, *however*, that each Qualified ECP Guarantor shall only be liable under this Section 2.07 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 2.07, or otherwise under this Agreement, as it relates to such Specified Loan Party, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 2.07 shall remain in full force and effect until the Termination Conditions have been satisfied. Each Qualified ECP Guarantor intends that this Section 2.07 constitute, and this Section 2.07 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each Specified Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE III

Indemnity, Subrogation and Subordination

Upon payment by any Guarantor of any Guaranteed Obligations, all rights of such Guarantor against the Borrower or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior payments that must be made in order for the Termination Conditions to be satisfied. If any amount shall be paid to the Borrower or any other Guarantor in violation of the restrictions in the preceding sentence on account of (i) such subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of the Borrower or any other Guarantor, such amount shall be held in trust for the benefit of the Secured Parties and shall promptly be paid to the Administrative Agent to be credited against the payment of the Guaranteed Obligations, whether

matured or unmatured, in accordance with the terms of the Credit Agreement and the other Loan Documents. Subject to the foregoing, to the extent that any Guarantor shall, under this Agreement or the Credit Agreement as a joint and several obligor, repay any of the Guaranteed Obligations constituting Loans made to another Loan Party under the Credit Agreement (an "**Accommodation Payment**"), then the Guarantor making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Guarantors in an amount equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Guarantor's Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Guarantors; *provided* that such rights of contribution and indemnification shall be subordinated to the prior payments that must be made in order for the Termination Conditions to be satisfied. As of any date of determination, the "**Allocable Amount**" of each Guarantor shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Guarantor hereunder and under the Credit Agreement without (a) rendering such Guarantor "insolvent" within the meaning of Section 101 (31) of the Bankruptcy Code of the United States, Section 2 of the Uniform Fraudulent Transfer Act ("**UFTA**") or Section 2 of the Uniform Fraudulent Conveyance Act ("**UFCA**"), (b) leaving such Guarantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code of the United States, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Guarantor unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code of the United States or Section 4 of the UFTA, or Section 5 of the UFCA.

ARTICLE IV
Miscellaneous

Section 4.01 Notices.

All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Credit Agreement. All communications and notices hereunder to a Guarantor other than Holdings shall be given in care of the Borrower.

Section 4.02 Waivers; Amendment.

(a) No failure by any Secured Party to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 4.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.01 of the Credit Agreement.

Section 4.03 Administrative Agent's and Collateral Agent's Fees and Expenses; Indemnification.

(a) Each Guarantor, jointly with the other Guarantors and severally, agrees to reimburse the Administrative Agent and the Collateral Agent for its reasonable and documented out-of-pocket fees and expenses incurred hereunder in accordance with, and to the extent provided under, Section 10.04 of the Credit Agreement; *provided* that each reference therein to the "Borrower" shall be deemed to be a reference to "each Guarantor."

(b) Without duplication of any amounts paid by the Borrower pursuant to Section 10.05 of the Credit Agreement, each Guarantor hereby agrees to indemnify and hold harmless the Indemnitees against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liability) of

any nature to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the Attorney Costs of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interests of the Indemnitees (which may be a single local counsel acting in multiple material jurisdictions), and solely in the case of a conflict of interest between or among Indemnitees, one additional counsel in each relevant jurisdiction (which may be a single local counsel acting in multiple material jurisdictions) to each group of affected Indemnitees similarly situated taken as a whole) any actual or threatened claim, litigation, investigation or proceeding relating to this Agreement or to the execution, delivery, enforcement, performance and administration of this Agreement and the other Loan Documents, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all of the foregoing, collectively, the "**Guarantor Indemnified Liabilities**"); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of any Guarantor or any of their Affiliates (as determined by a final, non appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 4.03(b) may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Guarantors shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Guarantor Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Guarantor have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Guarantor, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to Indemnification pursuant to this Section 4.03(b)). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 4.03(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Guarantor, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 4.03(b) shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 4.03(b) shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Guaranteed Obligations. This Section 4.03(b) shall not apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrower, Holdings, or any of their Affiliates under this Section 4.03(b) to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

Section 4.04 Successors and Assigns.

Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Guarantor or any Secured Party that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns. Except in a transaction permitted under the Credit Agreement, no Guarantor may assign any of its rights or obligations hereunder without the written consent of the Administrative Agent.

Section 4.05 Representations and Warranties.

All representations and warranties made hereunder shall survive the execution and delivery hereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each other Secured Party, regardless of any investigation made by any Secured Party or on its behalf and notwithstanding that any Secured Party may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect until this Agreement is terminated as provided in Section 4.10 hereof, or with respect to any individual Guarantor until such Guarantor is otherwise released from its obligations under this Agreement in accordance with the terms hereof.

Section 4.06 Counterparts; Effectiveness; Several Agreement.

This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when it shall have been executed by the Guarantors, the Administrative Agent and the Collateral Agent and thereafter shall be binding upon and inure to the benefit of each Guarantor, the Administrative Agent, the Collateral Agent, the other Secured Parties and their respective permitted successors and assigns, subject to Section 4.04 hereof. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf or .tif format via electronic mail) means shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement shall be construed as a separate agreement with respect to each Guarantor and may be amended, restated, amended and restated, modified, supplemented, waived or released with respect to any Guarantor without the approval of any other Guarantor and without affecting the obligations of any other Guarantor hereunder.

Section 4.07 Severability.

If any provision of this Agreement is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 4.08 GOVERNING LAW, ETC.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

(b) CONSENT TO JURISDICTION. THE GUARANTORS, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND EACH OTHER SECURED PARTY EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING

PROCEEDINGS AGAINST ANY GUARANTOR IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER THIS AGREEMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) VENUE. THE GUARANTORS, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND EACH SECURED PARTY EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 4.08. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 4.08(d).

(e) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 4.01. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 4.09 Obligations Absolute.

To the fullest extent permitted by applicable Law, all rights of the Collateral Agent, the Administrative Agent and the other Secured Parties hereunder and all obligations of each Guarantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Guaranteed Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, or any other agreement or instrument, (c) any release or amendment or waiver of or consent under or departure from any guarantee guaranteeing all or any of the Guaranteed Obligations or (d) subject only to termination or release of a Guarantor's obligations hereunder in accordance with the terms of Section 4.10, but without prejudice to reinstatement rights under Section 2.04, any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Guarantor in respect of the Guaranteed Obligations or this Agreement.

Section 4.10 Termination or Release.

(a) This Agreement and the Guarantees made herein shall terminate with respect to all Guaranteed Obligations when the Termination Conditions have been satisfied; *provided*, *however*, that in connection with the termination of this Agreement, the Administrative Agent may require such indemnities as it shall reasonably deem necessary or appropriate to protect the Secured Parties against (x) loss on account of credits previously applied to the Guaranteed Obligations that may subsequently be reversed or revoked, and (y) any Obligations that may thereafter arise with respect to Secured Hedge Agreements or Secured Cash Management Agreements to the extent not provided for thereunder.

(b) A Guarantor shall automatically be released from its obligations hereunder in the circumstances set forth in Sections 7.04, 9.12 and 10.24 of the Credit Agreement.

(c) In connection with any termination or release pursuant to clauses (a) or (b) of this Section 4.10, the Administrative Agent and the Collateral Agent shall promptly execute and deliver to any Guarantor, at such Guarantor's expense, all documents that such Guarantor shall reasonably request to evidence such termination or release and shall perform such other actions reasonably requested by such Guarantor to effect such release, including delivery of certificates, securities and instruments. Any execution and delivery of documents pursuant to this Section 4.10 shall be without recourse to or warranty by the Administrative Agent or the Collateral Agent.

(d) At any time that the respective Guarantor desires that the Administrative Agent or the Collateral Agent take any of the actions described in the immediately preceding clause (c), it shall, upon request of the Administrative Agent or the Collateral Agent, deliver to the Administrative Agent an officer's certificate certifying that the release of the respective Guarantor is permitted pursuant to clause (a) or (b) of this Section 4.10. The Administrative Agent and the Collateral Agent shall have no liability whatsoever to any Secured Party as a result of any release of any Guarantor by it as permitted (or which the Administrative Agent in good faith believes to be permitted) by this Section 4.10.

Section 4.11 Additional Restricted Subsidiaries.

Each Restricted Subsidiary that is required to become a Guarantor pursuant to Section 6.11 of the Credit Agreement, together with any Parent Company or other Restricted Subsidiary that the Borrower causes, in its sole discretion to Guarantee the Obligations pursuant hereto, shall, upon execution and delivery by such Restricted Subsidiary or Parent Company of a Guaranty Supplement, become a Guarantor hereunder with the same force and effect as if originally named as a Guarantor herein. The execution and delivery of any such instrument shall not require the consent of any other signatory hereto or Guarantor hereunder. The rights and obligations of each Guarantor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor as a party to this Agreement.

Section 4.12 Recourse; Limited Obligations.

This Agreement is made with full recourse to each Guarantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Guarantor contained herein, in the Credit Agreement and the other Loan Documents and otherwise in writing in connection herewith or therewith. It is the desire and intent of each Guarantor and each applicable Secured Party that this Agreement shall be enforced against each Guarantor to the fullest extent permissible under applicable Law applied in each jurisdiction in which enforcement is sought.

Section 4.13 Intercreditor Agreements.

NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE GUARANTEED OBLIGATIONS, PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE ADMINISTRATIVE AGENT AND THE OTHER SECURED PARTIES HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT(S), IF ANY. SCHEDULE I TO GUARANTY

[CLOSING DATE GUARANTORS]

EXHIBIT I TO GUARANTY

FORM OF GUARANTY SUPPLEMENT

SUPPLEMENT NO. , dated as of , 20 (this "**Guaranty Supplement**"), to the Guaranty, dated as of June 10, 2015, among LTF Intermediate Holdings, Inc., a Delaware corporation ("**Holdings**"), the other Guarantors party thereto from time to time and DEUTSCHE BANK AG NEW YORK BRANCH, as Administrative Agent and Collateral Agent for the Secured Parties (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Guaranty**").

A. Reference is made to the Credit Agreement, dated as of June 10, 2015 (as amended, restated, amended and restated, refinanced, replaced, extended, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), among Holdings, LTF Merger Sub, Inc., a Minnesota corporation and direct subsidiary of Holdings ("**Merger Sub**" or "**Initial Borrower**"), Deutsche Bank AG New York Branch, as Administrative Agent and as Collateral Agent under the Loan Documents, and each Lender and other party from time to time party thereto.

B. Terms used and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement or the Guaranty, as applicable.

C. The Guarantors have entered into the Guaranty in order to induce (x) the Lenders to make Loans to the Borrower and the Issuing Bank to issue Letters of Credit, (y) the Hedge Banks to enter into or maintain Secured Hedge Agreements and (z) the Cash Management Banks to enter into or maintain Secured Cash Management Agreements. Section 4.11 of the Guaranty provides that additional Restricted Subsidiaries or Parent Companies, as applicable, of the Borrower may become Guarantors under the Guaranty by execution and delivery of an instrument in the form of this Guaranty Supplement. The undersigned (the "New Guarantor") is executing this Guaranty Supplement in accordance with the requirements of the Credit Agreement or as directed by the Borrower in its sole discretion.

Accordingly, the Administrative Agent and the New Guarantor agree as follows:

Section 1. In accordance with Section 4.11 of the Guaranty, the New Guarantor by its signature below becomes a Guarantor under the Guaranty with the same force and effect as if originally named therein as a Guarantor and the New Guarantor hereby (a) agrees to all the terms and provisions of the Guaranty applicable to it as a Guarantor thereunder and (b) represents and warrants that the representations and warranties made by the Borrower with respect to it as a Guarantor thereunder are true and correct in all material respects on and as of the date hereof, *provided* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date. Each reference to a "Guarantor" in the Guaranty shall be deemed to include the New Guarantor as if originally named therein as a Guarantor. The Guaranty is hereby incorporated herein by reference.

Section 2. The New Guarantor represents and warrants to the Administrative Agent and the other Secured Parties that this Guaranty Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity and principles of good faith and fair dealing.

Section 3. This Guaranty Supplement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Guaranty Supplement shall become effective when it shall have been executed and delivered by the New Guarantor and thereafter shall be binding upon and inure to the benefit of each Guarantor, the Administrative Agent, the Collateral Agent, the other Secured Parties and their respective permitted successors and assigns, subject to Section 4.04 of the Guaranty. Delivery of an executed counterpart of a signature page of this Guaranty Supplement by facsimile or other electronic imaging (including in .tif or .pdf format) means shall be effective as delivery of a manually executed counterpart of this Guaranty Supplement.

Section 4. Except as expressly supplemented hereby, the Guaranty shall remain in full force and effect, subject to the termination of the Guaranty pursuant to Section 4.10 thereof.

Section 5.

(a) THIS GUARANTY SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

(b) The other terms of Section 4.08 of the Guaranty with respect to submission to jurisdiction, venue, waiver of jury trial and consent to service of process are incorporated herein by reference, *mutatis mutandis*, and the parties hereto, or beneficiaries hereof, agree to such terms.

Section 6. If any provision of this Guaranty Supplement is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Guaranty Supplement shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 7. All communications and notices hereunder shall be in writing and given as provided in Section 4.01 of the Guaranty.

Section 8. The New Guarantor agrees to reimburse the Administrative Agent and the Collateral Agent for its reasonable and documented out-of-pocket expenses in connection with this Guaranty Supplement as provided in Section 4.03(a) of the Guaranty.

Section 9. For purposes of New York General Obligations Law §5-1105, the parties hereto agree that the promise by the New Guarantor contained herein is a Guaranty (as defined in the Credit Agreement) and that (i) the consideration for this Guaranty, which is hereby expressed in writing, is the making of the Loans to the Borrower on the Closing Date and from time to time thereafter, the making of Commitments with respect to the Loans on the Closing Date and from time to time thereafter and the other extensions of credit that constitute Obligations (other than any Excluded Swap Obligation) under the Credit Agreement from time to time outstanding, and (ii) such Loans, Commitments and other extensions of credit have been given and/or performed and would be valid consideration for this Guaranty Supplement but for the time that they were given (i.e., would have been valid consideration for this Guaranty if the New Guarantor had entered into this Guaranty contemporaneously with the initial making of the Loans, Commitments and other extensions of credit on the Closing Date).

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties hereto have caused this Guaranty Supplement to be duly executed as of the date first above written.

Section 3.1 Title, Perfection and Priority.

(a) Each Grantor has valid rights in the Collateral with respect to which it has purported to grant a Security Interest hereunder, free and clear of all Liens (other than Liens permitted under Section 4.1(e) (collectively, "**Permitted Liens**)), except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or as proposed to be conducted or to utilize or enforce such properties for their intended purposes (which rights are in any event, sufficient under Section 9-203 of the UCC), and has full power and authority to grant to the Collateral Agent, for the benefit of the Secured Parties, the Security Interest in such Collateral pursuant hereto. This Agreement creates in favor of the Collateral Agent, for the benefit of the Secured Parties, a valid Security Interest in the Collateral granted by each Grantor. No material consent or approval of, registration or filing with, or any other action by any Governmental Authority is required for the grant of the security interest pursuant to this Agreement, except:

(i) such as have been obtained, taken, given or made and are in full force and effect (except to the extent not required to be obtained, taken, given or made or in full force and effect pursuant to the Collateral and Guarantee Requirement),

(ii) for filings and registrations necessary to perfect Liens created pursuant to the Loan Documents and

(A) Collateral in which a security interest may be perfected by filing a financing statement in the United States (or any political subdivision thereof) pursuant to the UCC, upon the filing of UCC financing statements naming each Grantor as "debtor" and the Collateral Agent as "secured party" and describing the Collateral in the filing office set forth opposite such Grantor's name on Schedule II hereto,

(B) IP Collateral (to the extent such IP Collateral cannot be perfected pursuant to subparagraph (A) above), the filing and recording of fully executed Intellectual Property Security Agreements describing the IP Collateral consisting of U.S. Patents, U.S. Trademarks and U.S. Copyrights in the USPTO or Copyright Office (as applicable) within the time period(s) required pursuant to 35 U.S.C. § 261 or 15 U.S.C. § 1060 or 17 U.S.C. § 205; and

(C) certificated Pledged Collateral, the delivery (and continued possession) of such Pledged Collateral to the Collateral Agent in the State of New York in accordance with this Agreement,

will constitute a perfected (subject to Permitted Liens) security interest, in each case, in such Collateral in favor of the Collateral Agent for the benefit of the Secured Parties. Such Security Interest is prior to all other Liens (other than Permitted Liens).

(c) Notwithstanding anything to the contrary herein, no Grantor is or will be required to:

(i) take any action with respect to any Excluded Asset(s);

(ii) perfect the Security Interest by any means other than those filings and other actions described in (a) clauses (A), (B) and, to the extent required by Section 4.2, (C) of Section 3.1(b)(ii) (including, for the avoidance of doubt, taking any action to perfect the Security Interest in any Letter-of-Credit Rights other than the filing of a UCC financing statement) and (b) with respect to any Commercial Tort Claims constituting Collateral, Section 4.6;

(iii) obtain or deliver landlord waivers, estoppels, collateral access letters or similar documentation in any circumstances;

(iv) perfect the Security Interest through control agreements or otherwise through Control except as, and to the extent, expressly provided for (a) hereunder with respect to any Pledged Collateral or (b) under the Credit Agreement with respect to the Cash Collateral Account; or

(iii) to the best of its knowledge, any Pledged Collateral that represents Indebtedness owed to any Grantor has been duly authorized, authenticated or issued and delivered by the issuer of such Indebtedness, is the legal, valid and binding obligation of such issuer, subject to applicable Debtor Relief Laws and general principles of equity, and such issuer is not in default thereunder.

(b) As of the Closing Date, except for restrictions and limitations imposed or permitted by the Loan Documents or securities laws generally, none of the Pledged Collateral is subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder; *provided*, *however*, that the exercise of rights and remedies with respect to Pledged Collateral constituting Equity Interests of any Subsidiary is and will remain limited by and subject to the requirements of any and all applicable requirements of Law (including rules and regulations of any self-regulatory organization of which such Subsidiary is a member).

Section 3.8 Commercial Tort Claims. As of the Closing Date, no Grantor holds any Commercial Tort Claims having a value in excess of $7,500,000 for which such Grantor has filed a complaint in a court of competent jurisdiction, except as indicated in Schedule III hereto.

Following the occurrence and during the continuance of an Event of Default and after prior written notice to the applicable Grantor, the Collateral Agent (or its non-fiduciary agent or designee) shall at all times have the right to exchange the certificates representing Pledged Collateral for certificates of smaller or larger denominations for any purpose consistent with this Agreement.

(b) Exercise of Rights in Pledged Collateral.

(i) Without in any way limiting the foregoing and subject to clause (ii) below, each Grantor has the right to exercise all voting rights or other rights relating to the Pledged Collateral for all purposes not in conflict with the Loan Documents; *provided*, *however*, that no vote or other right shall be exercised or action taken that would reasonably be expected to have the effect of materially and adversely impairing the rights of the Collateral Agent in respect of the Pledged Collateral (except as expressly permitted under the terms and conditions of the Loan Documents). The Collateral Agent will promptly execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request in writing for the purpose of enabling such Grantor to exercise such voting or other rights, in each case as specified in such request and in form and substance reasonably satisfactory to the Collateral Agent and such Grantor.

(ii) Each Grantor will permit the Collateral Agent (or itsnon-fiduciary agent or designee) at any time after the occurrence and during the continuance of an Event of Default, after prior written notice to the applicable Grantor, to exercise all voting rights or other rights relating to Pledged Collateral, including exchange, subscription or any other rights, privileges, or options pertaining to any Equity Interest or Investment Property constituting Pledged Collateral as if it were the absolute owner thereof; *provided* that, unless otherwise directed by the Required Lenders, the Collateral Agent will have the right at any time after the occurrence and during the continuance of an Event of Default to permit the Grantors to exercise such rights; *provided further* that the exercise of rights and remedies with respect to Pledged Collateral constituting Equity Interests of a Subsidiary is and will remain limited by and subject to the requirements of any and all applicable requirements of Law (including rules and regulations of any self-regulatory organization of which such Subsidiary is a member).

(iii) Each Grantor is entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Loan Documents and applicable law; *provided*, *however*, that any non-cash dividends, interest, principal or other distributions that would constitute Pledged Collateral, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Collateral or received in

exchange for Pledged Collateral or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property, but shall be held in trust for the benefit of the Secured Parties and shall be promptly delivered to the Collateral Agent (or its non-fiduciary agent or designee) in the same form as so received (with any necessary endorsement or instrument of assignment). So long as no Event of Default has occurred and is continuing, the Collateral Agent shall promptly deliver to each Grantor (at the expense of such Grantor) any Pledged Collateral in its possession if requested to be delivered to the issuer thereof in connection with any exchange, redemption or sale of such Pledged Collateral permitted pursuant to the terms of the Credit Agreement.

Section 4.5 Intellectual Property.

(a) Upon the occurrence and during the continuance of an Event of Default, at the request of the Collateral Agent, each Grantor will use commercially reasonable efforts to obtain all consents and approvals necessary or appropriate for the assignment to or for the benefit of the Collateral Agent of any License held by such Grantor in order to enforce the security interests granted hereunder.

(b) Each Grantor shall in its reasonable business judgment notify the Collateral Agent promptly if it knows or reasonably expects that any application or registration relating to any Patent, Trademark or Copyright (now or hereafter existing) included in the Collateral and material to the conduct of such Grantor's business may become abandoned or dedicated to the public, or of any material adverse determination or material adverse development (including the institution of, or any such determination or development in, any proceeding in the USPTO, the Copyright Office or any court) regarding such Grantor's ownership of any such material registered or applied for Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(c) In the event that any Grantor, either directly or through any agent, employee, licensee or designee, files an application for the registration of any material Patent, Trademark or Copyright with the USPTO or the Copyright Office or otherwise becomes the owner of any material Patent, Trademark or Copyright registered or applied for in the USPTO or the Copyright Office, such Grantor will, together with the delivery of a Compliance Certificate with respect to the financial statements delivered pursuant to Section 6.01(1) of the Credit Agreement, provide the Collateral Agent with a report setting forth the information required by Section (II)(B) of the Perfection Certificate (or confirming that there has been no change in such information since the latter of the Closing Date or the last such report), and, upon request of the Collateral Agent, such Grantor shall promptly execute and deliver any and all security agreements or other instruments as the Collateral Agent may reasonably request to evidence the Collateral Agent's security interest in such Patent, Trademark or Copyright, and the General Intangibles of such Grantor relating thereto or represented thereby.

(d) Except to the extent permitted by Section 4.5(f) below, each Grantor shall take all actions necessary or reasonably requested by the Collateral Agent to maintain and pursue each material application, to obtain the relevant registration and to maintain the registration of each of the Patents, Trademarks and Copyrights (now or hereafter existing) material to the conduct of such Grantor's business (including the filing of applications for renewal, affidavits of use, affidavits of non-contestability and, if consistent with good business judgment, to initiate

opposition and interference and cancellation proceedings against third parties), except in cases where (y) the failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, or (z) in the ordinary course of business consistent with past practice, such Grantor reasonably decides to abandon, allow to lapse or expire any Patent, Trademark or Copyright.

(e) In the event any Grantor shall become aware of any infringement, misappropriation, or dilution of any material Patent, Trademark or Copyright owned by such Grantor and included in the Collateral, such Grantor shall, unless it shall reasonably determine that such Patent, Trademark or Copyright is not material to the conduct of its business, promptly notify the Collateral Agent and shall, if consistent with good business judgment, promptly sue for infringement, misappropriation or dilution of such material Patent, Trademark or Copyright and take reasonable steps to recover any and all damages for such infringement, misappropriation or dilution, or shall take such other actions as are appropriate under the circumstances in its reasonable business judgment to protect such Patent, Trademark or Copyright.

(f) Nothing in this Agreement shall prevent any Grantor from disposing of, discontinuing the use or maintenance of, abandoning, failing to pursue or enforce, or otherwise allowing to lapse, terminate or put into the public domain, any of its Collateral constituting Intellectual Property to the extent permitted by the Credit Agreement if such Grantor determines in its reasonable business judgment that such disposition, discontinuance, abandonment or other action (or non-action) is desirable in the conduct of its business.

Section 4.6 Commercial Tort Claims. Each Grantor shall promptly notify the Collateral Agent of any Commercial Tort Claims for which such Grantor has filed complaint(s) in court(s) of competent jurisdiction and, unless the Collateral Agent otherwise consents, such Grantor shall update Schedule III hereof, thereby granting to the Collateral Agent a security interest in such Commercial Tort Claim(s). The requirement in the preceding sentence shall not apply to the extent that the amount of such Commercial Tort Claim does not exceed $7,500,000 held by each Grantor or to the extent such Grantor shall have previously notified the Collateral Agent with respect to any previously held or acquired Commercial Tort Claim.

ARTICLE V

(a) the Collateral Agent may (and at the direction of the Required Lenders, shall) exercise any or all of the following rights and remedies:

(i) those rights and remedies provided in this Agreement, the Credit Agreement or any other Loan Document;

(ii) those rights and remedies available to a secured party under the UCC (whether or not the UCC applies to the affected Collateral) or under any other applicable law (including any law governing the exercise of a bank's right of setoff or bankers' Lien) when a debtor is in default under a security agreement;

(iii) give notice of sole control or any other instruction under any control or similar agreement and take any action provided therein with respect to the applicable Collateral;

(iv) enter the premises of any Grantor where any Collateral is located (with or without judicial process) for a reasonable period of time to, subject to the mandatory requirements of applicable Law, collect, receive, assemble, process, appropriate, sell, lease, assign, grant an option or options to purchase or otherwise dispose of, deliver, or realize upon, the Collateral or any part thereof in one or more parcels at public or private sale or sales (which sales may be adjourned or continued from time to time with or without notice and may take place at such Grantor's premises or elsewhere), for cash, on credit or for future delivery without assumption of any credit risk, and upon such other terms as the Collateral Agent may deem commercially reasonable; *provided* that the Collateral Agent will provide the applicable Grantor with notice thereof prior to or promptly after such occupancy; and

(v) transfer and register in its name or in the name of its nominee the whole or any part of the Pledged Collateral, to exchange certificates or instruments representing or evidencing Pledged Collateral for certificates or instruments of smaller or larger denominations, to exercise the voting and all other rights as a holder with respect thereto, to collect and receive all cash dividends, interest, principal and other distributions made thereon and to otherwise act with respect to the Pledged Collateral as though the Collateral Agent was the outright owner thereof;

provided, *however*, that the exercise of rights and remedies with respect to Pledged Collateral constituting Equity Interests of any Subsidiary is and will remain limited by and subject to the requirements of any and all applicable requirements of Law (including rules and regulations of any self-regulatory organization of which such Subsidiary is a member).

(b) Each Grantor acknowledges and agrees that the compliance by the Collateral Agent, on behalf of the Secured Parties, with any applicable state or federal law requirements in connection with a disposition of the Collateral will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(c) The Collateral Agent shall have the right upon any public sale or sales and, to the extent permitted by law, upon any private sale or sales, to purchase for the benefit of the Collateral Agent and the Secured Parties, the whole or any part of the Collateral so sold, free of any right of equity redemption, which equity redemption each Grantor hereby expressly releases to the extent permitted by applicable Law.

(d) Until the Collateral Agent is able to effect a sale, lease, transfer or other disposition of Collateral, the Collateral Agent shall have the right to hold or use Collateral, or any part thereof, to the extent that it deems appropriate for the purpose of preserving Collateral or the value of the Collateral, or for any other purpose deemed appropriate by the Collateral Agent. The Collateral Agent may, if it so elects, seek the appointment of a receiver or keeper to take possession of Collateral and to enforce any of the Collateral Agent's remedies (for the benefit of the Collateral Agent and Secured Parties) with respect to such appointment without prior notice or hearing as to such appointment.

(e) Notwithstanding the foregoing, neither the Collateral Agent nor the Secured Parties shall be required to (i) make any demand upon, or pursue or exhaust any of their rights or

remedies against, the Grantors, any other obligor, guarantor, pledgor or any other Person with respect to the payment of the Secured Obligations or to pursue or exhaust any of their rights or remedies with respect to any Collateral therefor or any direct or indirect guarantee thereof, (ii) marshal the Collateral or any guarantee of the Secured Obligations or to resort to the Collateral or any such guarantee in any particular order, or (iii) effect a public sale of any Collateral.

(f) Each Grantor recognizes that the Collateral Agent may be unable to effect a public sale of any or all the Pledged Collateral and may be compelled to resort to one or more private sales thereof. Each Grantor also acknowledges that any private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall not be deemed to have been made in a commercially unreasonable manner solely by virtue of such sale being private. The Collateral Agent shall be under no obligation to delay a sale of any of the Pledged Collateral for the period of time necessary to permit any Grantor or the issuer of the Pledged Collateral to register such securities for public sale under the Securities Act or under applicable state securities laws, even if any Grantor and the issuer would agree to do so (it being acknowledged and agreed that no Grantor shall have any obligation hereunder to do so).

Section 5.2 Grantors' Obligations Upon Default. Upon the written request of the Collateral Agent after the occurrence and during the continuance of an Event of Default, each Grantor will:

(a) assemble and make available to the Collateral Agent the Collateral and all books and records relating thereto at any place or places reasonably specified by the Collateral Agent, whether at such Grantor's premises or elsewhere; and

(b) permit the Collateral Agent, by the Collateral Agent's representatives and agents, to enter, occupy and use any premises where all or any part of the Collateral, or the books and records relating thereto, or both, are located, to take possession of all or any part of the Collateral or the books and records relating thereto, or both, to remove all or any part of the Collateral or the books and records relating thereto, or both, and to conduct sales of the Collateral, without any obligation to pay any Grantor for such use and occupancy.

Section 5.3 Grant of Intellectual Property License. For the purpose of enabling the Collateral Agent to exercise the rights and remedies under this Article V upon the occurrence and during the continuance of an Event of Default, at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby (a) grants to the Collateral Agent, for the benefit of the Collateral Agent and the Secured Parties, a nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, license or sublicense any Intellectual Property rights now owned or hereafter acquired by such Grantor, wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof; *provided*, *however*, (i) that such licenses to be granted hereunder with respect to Trademarks shall be subject to the maintenance of quality standards with respect to the goods and services on which such Trademarks are used sufficient to preserve the validity of such Trademarks; (ii) that such licenses granted with regard to trade secrets shall be subject to the requirement that the secret status trade secrets be maintained and reasonable steps are taken to ensure that they are maintained; and (iii) that the Collateral Agent shall have no greater rights than those of any such Grantor under such license or sublicense; and (b) as to the rights of Grantor's themselves, and subject to the rights of any third party at law, in equity, or pursuant to any license agreement entered into by a Grantor, irrevocably agrees that, at any time and from time to time

following the occurrence and during the continuance of an Event of Default, the Collateral Agent may sell or license any Grantor's Inventory directly to any Person, including Persons who have previously purchased any Grantor's Inventory from such Grantor and in connection with any such sale or other enforcement of the Collateral Agent's rights under this Agreement, may (subject to any restrictions contained in applicable third party licenses entered into by a Grantor) sell Inventory which bears any Trademark owned by or licensed to any Grantor and any Inventory that is covered by any intellectual property interest owned by or licensed to such Grantor and the Collateral Agent may finish any work in process and affix any relevant Trademark owned by or licensed to any Grantor and sell such Inventory as provided herein. The use of the license granted pursuant to clause (a) of the preceding sentence by the Collateral Agent may be exercised, at the option of the Collateral Agent, only upon the occurrence and during the continuance of an Event of Default; *provided*, *however*, that any permitted license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon each Grantor notwithstanding any subsequent cure of an Event of Default.

ARTICLE VI

ACCOUNT VERIFICATION; ATTORNEY IN FACT; PROXY

Section 6.1 Account Verification. The Grantors acknowledge that after the occurrence and during the continuance of an Event of Default after at least two Business Days' prior written notice to the relevant Grantor of its intent to do so, the Collateral Agent may in its own name, or in the name of such Grantor, communicate with the Account Debtors of such Grantor to verify with such Persons the existence, amount and terms of, and any other matter reasonably relating to, the Accounts owing by such Account Debtor to such Grantor (including any Instruments, Chattel Paper, payment intangibles and/or other Receivables that are Collateral relating to such Accounts).

Section 6.2 Authorization for Secured Party to Take Certain Action

(a) Each Grantor hereby (i) authorizes the Collateral Agent, at any time and from time to time in the sole discretion of the Collateral Agent (1) to execute on behalf of such Grantor as debtor and to file financing statements necessary or desirable in the Collateral Agent's reasonable discretion to perfect and to maintain the perfection and priority of the Collateral Agent's Security Interest in the Collateral, including to file financing statements permitted under Section 4.1(b) and (2) to file a carbon, photographic or other reproduction of this Agreement or any financing statement with respect to the Collateral as a financing statement and to file any other financing statement or amendment of a financing statement (which would not add new collateral or add a debtor) in such offices as the Collateral Agent in its reasonable discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the Collateral Agent's security interest in the Collateral, including to file financing statements permitted under Section 4.1(b) and (ii) appoints, effective upon the occurrence and during the continuance of an Event of Default, the Collateral Agent as its attorney in fact (1) to discharge past due taxes, assessments, charges, fees or Liens on the Collateral (except for such Liens as are specifically permitted by Section 7.01 of the Credit Agreement), (2) to endorse and collect any cash proceeds of the Collateral and to apply the proceeds of any Collateral received by the Collateral Agent to the Secured Obligations as provided in Section 8.03 of the Credit Agreement, (3) to demand payment or enforce payment of the Receivables in the name of the Collateral Agent or any Grantor and to endorse any and all checks, drafts, and other instruments for the payment of money relating to the Receivables, (4) to sign any Grantor's name on any invoice or bill of lading relating to the Receivables, drafts against any Account Debtor of such Grantor, assignments and verifications of Receivables, (5) to exercise all of any Grantor's rights and remedies with respect to the collection of the Receivables and any other Collateral, (6) to settle,

adjust, compromise, extend or renew the Receivables, (7) to settle, adjust or compromise any legal proceedings brought to collect Receivables, (8) to prepare, file and sign any Grantor's name on a proof of claim in bankruptcy or similar document against any Account Debtor of such Grantor, (9) to prepare, file and sign any Grantor's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with the Receivables, and (10) to use information contained in any data processing, electronic or information systems relating to Collateral; and each Grantor agrees to reimburse the Collateral Agent for any reasonable payment made or any reasonable documented expense incurred by the Collateral Agent in connection with any of the foregoing, in accordance with, and solely to the extent required by, the provisions Section 10.04 of the Credit Agreement; *provided* that, this authorization shall not relieve any Grantor of any of its obligations under this Agreement or under the Credit Agreement.

(b) All acts of said attorney or designee are hereby ratified and approved by the Grantors. The powers conferred on the Collateral Agent, for the benefit of the Collateral Agent and Secured Parties, under this Section 6.2 are solely to protect the Collateral Agent's interests in the Collateral and shall not impose any duty upon the Collateral Agent or any Secured Party to exercise any such powers.

Section 6.3 PROXY. EACH GRANTOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS, EFFECTIVE UPON THE OCCURRENCE AND DURING THE CONTINUANCE OF AN EVENT OF DEFAULT, THE COLLATERAL AGENT AS ITS PROXY AND ATTORNEY-IN-FACT (AS SET FORTH IN SECTION 6.2 ABOVE) WITH RESPECT TO THE PLEDGED COLLATERAL, INCLUDING THE RIGHT TO VOTE SUCH PLEDGED COLLATERAL, WITH FULL POWER OF SUBSTITUTION TO DO SO. IN ADDITION TO THE RIGHT TO VOTE ANY SUCH PLEDGED COLLATERAL, THE APPOINTMENT OF THE COLLATERAL AGENT AS PROXY AND ATTORNEY-IN-FACT SHALL INCLUDE THE RIGHT TO EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES AND REMEDIES TO WHICH A HOLDER OF SUCH PLEDGED COLLATERAL WOULD BE ENTITLED (INCLUDING GIVING OR WITHHOLDING WRITTEN CONSENTS OF SHAREHOLDERS, CALLING SPECIAL MEETINGS OF SHAREHOLDERS AND VOTING AT SUCH MEETINGS). SUCH PROXY SHALL BE EFFECTIVE, AUTOMATICALLY AND WITHOUT THE NECESSITY OF ANY ACTION (INCLUDING ANY TRANSFER OF ANY SUCH PLEDGED COLLATERAL ON THE RECORD BOOKS OF THE ISSUER THEREOF) BY ANY PERSON (INCLUDING THE ISSUER OF SUCH PLEDGED COLLATERAL OR ANY OFFICER OR COLLATERAL AGENT THEREOF), UPON THE OCCURRENCE AND DURING THE CONTINUANCE OF AN EVENT OF DEFAULT.

Section 6.4 NATURE OF APPOINTMENT; LIMITATION OF DUTY. THE APPOINTMENT OF THE COLLATERAL AGENT AS PROXY AND ATTORNEY-IN-FACT IN THIS ARTICLE VI IS COUPLED WITH AN INTEREST AND SHALL BE IRREVOCABLE UNTIL THE DATE ON WHICH THIS AGREEMENT IS TERMINATED IN ACCORDANCE WITH SECTION 7.12. NOTWITHSTANDING ANYTHING CONTAINED HEREIN, NEITHER THE COLLATERAL AGENT, NOR ANY SECURED PARTY, NOR ANY OF THEIR RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, COLLATERAL AGENTS OR REPRESENTATIVES SHALL HAVE ANY DUTY TO EXERCISE ANY RIGHT OR POWER GRANTED HEREUNDER OR OTHERWISE OR TO PRESERVE THE SAME AND SHALL NOT BE LIABLE FOR ANY FAILURE TO DO SO OR FOR ANY DELAY IN DOING SO, EXCEPT TO THE EXTENT SUCH DAMAGES ARE ATTRIBUTABLE TO THEIR OWN GROSS NEGLIGENCE, BAD FAITH OR WILLFUL MISCONDUCT AS FINALLY DETERMINED BY A COURT OF COMPETENT JURISDICTION; PROVIDED THAT, IN NO EVENT SHALL THEY BE LIABLE FOR ANY PUNITIVE, EXEMPLARY, INDIRECT OR CONSEQUENTIAL DAMAGES.

ARTICLE VII

GENERAL PROVISIONS

Section 7.1 Waivers. Each Grantor hereby waives notice of the time and place of any public sale or the time after which any private sale or other disposition of all or any part of the Collateral may be made. To the extent such notice may not be waived under applicable law, any notice made shall be deemed reasonable if sent to the Grantors, addressed as set forth in Article VIII, at least ten days prior to (i) the date of any such public sale or (ii) the time after which any such private sale or other disposition may be made. To the maximum extent permitted by applicable law, each Grantor waives all claims, damages, and demands against the Collateral Agent or any Secured Party arising out of the repossession, retention or sale of the Collateral (after the occurrence and during the continuance of an Event of Default), except such as arise solely out of the gross negligence, bad faith or willful misconduct of the Collateral Agent or such Secured Party as finally determined by a court of competent jurisdiction. To the extent it may lawfully do so, each Grantor absolutely and irrevocably waives and relinquishes the benefit and advantage of, and covenants not to assert against the Collateral Agent or any Secured Party, any valuation, stay, appraisal, extension, moratorium, redemption or similar laws and any and all rights or defenses it may have as a surety now or hereafter existing which, but for this provision, might be applicable to the sale of any Collateral after the occurrence of and during the continuance of an Event of Default, made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Agreement, or otherwise. Except as otherwise specifically provided herein, each Grantor hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Agreement or any Collateral.

Section 7.2 Limitation on Collateral Agent's and Secured Party's Duty with Respect to the Collateral The Collateral Agent shall have no obligation to clean-up or otherwise prepare the Collateral for sale. The Collateral Agent and each Secured Party shall use reasonable care with respect to the Collateral in its possession or under its control. Neither the Collateral Agent, nor any Secured Party shall have any other duty as to any Collateral in its possession or control or in the possession or control of any agent or nominee of the Collateral Agent or such Secured Party, or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. To the extent that applicable law imposes duties on the Collateral Agent to exercise remedies, after the occurrence and during the continuance of an Event of Default, in a commercially reasonable manner, each Grantor acknowledges and agrees that it would be commercially reasonable for the Collateral Agent (i) to fail to incur expenses deemed significant by the Collateral Agent to prepare Collateral for disposition or otherwise to transform raw material or work in process into finished goods or other finished products for disposition, (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (iii) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral, (iv) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (vi) to contact other Persons, whether or not in the same business as a Grantor, for expressions of interest in acquiring all or any portion of such Collateral, (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature, (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (ix) to dispose of assets in wholesale rather than retail markets, (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements at the Grantors' cost to insure the Collateral Agent against

risks of loss, collection or disposition of Collateral or to provide to the Collateral Agent a guaranteed return from the collection or disposition of Collateral, or (xii) to the extent deemed appropriate by the Collateral Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Collateral Agent in the collection or disposition of any of the Collateral. Each Grantor acknowledges that the purpose of this Section 7.2 is to provide non-exhaustive indications of what actions or omissions by the Collateral Agent would be commercially reasonable in the Collateral Agent's exercise of remedies against the Collateral, after the occurrence and during the continuance of an Event of Default, and that other actions or omissions by the Collateral Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 7.2. Without limitation upon the foregoing, nothing contained in this Section 7.2 shall be construed to grant any rights to any Grantor or to impose any duties on the Collateral Agent that would not have been granted or imposed by this Agreement or by applicable law in the absence of this Section 7.2.

Section 7.3 Compromises and Collection of Collateral. Each Grantor and the Collateral Agent recognize that setoffs, counterclaims, defenses and other claims may be asserted by obligors with respect to certain of the Receivables, that certain of the Receivables may be or become uncollectible in whole or in part and that the expense and probability of success in litigating a disputed Receivable may exceed the amount that reasonably may be expected to be recovered with respect to a Receivable. In view of the foregoing, each Grantor agrees that the Collateral Agent may at any time and from time to time, if an Event of Default has occurred and is continuing, compromise with the obligor on any Receivable, accept in full payment of any Receivable such amount as the Collateral Agent in its sole discretion shall determine or abandon any Receivable, and any such action by the Collateral Agent shall be commercially reasonable so long as the Collateral Agent acts in good faith based on information known to it at the time it takes any such action.

Section 7.4 Secured Party Performance of Debtor Obligations. Without having any obligation to do so, following the occurrence and during the continuance of an Event of Default, the Collateral Agent may perform or pay any obligation which any Grantor has agreed to perform or pay under this Agreement and such Grantor shall reimburse the Collateral Agent for any amounts paid by the Collateral Agent pursuant to this Section 7.4 in accordance with Section 10.04 of the Credit Agreement. Each Grantor's obligation to reimburse the Collateral Agent pursuant to the preceding sentence shall be a Secured Obligation payable in accordance with Section 10.04 of the Credit Agreement.

Section 7.5 No Waiver; Amendments; Cumulative Remedies. No failure or delay by the Collateral Agent or any Secured Party in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent and the Secured Parties hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Secured Party therefrom shall in any event be effective unless in writing signed by the Collateral Agent to the extent discretion is given to the Collateral Agent herein or pursuant to any other Loan Documents, or otherwise by the Collateral Agent with the concurrence or at the direction of the Lenders required under Section 10.01 of the Credit Agreement (if any), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

Section 7.6 Limitation by Law; Severability of Provisions. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and limited to the extent necessary so that they shall not render this Agreement invalid, unenforceable or not entitled to be

recorded or registered, in whole or in part. Any provision in this Agreement that is held to be inoperative, unenforceable, or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable, or invalid without affecting the remaining provisions in that jurisdiction or the operation, enforceability, or validity of that provision in any other jurisdiction, and to this end the provisions of this Agreement are declared to be severable.

Section 7.7 Security Interest Absolute. To the extent permitted by Law, all rights of the Collateral Agent hereunder, the Security Interest and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability any Loan Document, any Secured Hedge Agreements, any Cash Management Services, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, any Secured Hedge Agreements, any Cash Management Services, or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) subject only to termination or release of a Grantor's obligations hereunder in accordance with the terms of Section 7.12, but without prejudice to reinstatement rights under Section 2.04 of the Guaranty, any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

Section 7.8 Benefit of Agreement. The terms and provisions of this Agreement shall be binding upon and inure to the benefit of each Grantor, the Collateral Agent and the Secured Parties and their respective successors and permitted assigns (including all Persons who become bound as a debtor to this Agreement), except that no Grantor shall have the right to assign its rights or delegate its obligations under this Agreement or any interest herein, without the prior written consent of the Collateral Agent. No sales of participations, assignments, transfers, or other dispositions of any agreement governing the Secured Obligations or any portion thereof or interest therein shall in any manner impair the Lien granted to the Collateral Agent, for the benefit of the Collateral Agent and the Secured Parties, hereunder.

Section 7.9 Survival of Representations. All representations and warranties of each Grantor contained in this Agreement shall survive the execution and delivery of this Agreement.

Section 7.10 Expenses. Solely to the extent required by Section 10.04 of the Credit Agreement, each Grantor jointly and severally agrees to reimburse the Collateral Agent for any and all reasonable and documented out-of-pocket expenses paid or incurred by the Collateral Agent in connection with the preparation, execution, delivery, administration, collection and enforcement of this Agreement and in the audit, analysis, administration, collection, preservation or sale of the Collateral. Any and all costs and expenses incurred by any Grantor in the performance of actions required pursuant to the terms hereof shall be borne solely by such Grantor.

Section 7.11 Additional Grantors. Pursuant to and in accordance with Section 6.11 of the Credit Agreement, each Grantor shall cause (i) each Material Subsidiary (other than any Excluded Subsidiary) formed or acquired after the date of this Agreement in accordance with the terms of the Credit Agreement and (ii) any Material Subsidiary that was an Excluded Subsidiary but has ceased to be an Excluded Subsidiary, to enter into this Agreement as a Grantor by executing a Joinder. For avoidance of doubt, the Borrower may, in its sole discretion, cause any Restricted Subsidiary that is not required to join this Agreement as a Grantor to execute a Joinder. Upon execution and delivery by the Collateral Agent and such Subsidiary of a Joinder, such Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named a Grantor herein. The execution and delivery of any such instrument

shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder will remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

Section 7.12 Termination or Release.

(a) This Agreement shall continue in effect until, and shall terminate upon, the satisfaction of the Termination Conditions.

(b) A Grantor shall automatically be released from its obligations hereunder and the security interests created hereunder in the Collateral of such Grantor shall be automatically released in the circumstances set forth in Section 9.12 and Section 10.24 of the Credit Agreement, including, with respect to any Subsidiary Guarantor, as a result of any transaction permitted under the Credit Agreement pursuant to which such Subsidiary Guarantor ceases to be a Subsidiary of a Borrower.

(c) Upon any sale, transfer or other disposition by any Grantor of any Collateral that is permitted under Section 4.1(d) to any Person that is not another Grantor, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral as set forth in Section 9.12 or 10.24 of the Credit Agreement, the security interest in such Collateral shall be automatically released.

(d) The security interests granted hereunder on any Collateral, to the extent such Collateral is comprised of property leased to a Grantor, shall be automatically released upon termination or expiration of such lease, pursuant to Section 9.12 or 10.24 of the Credit Agreement.

(e) The security interest in any Collateral shall be automatically released in any circumstance set forth in Section 9.12 or 10.24 of the Credit Agreement or upon any release of the Lien on such Collateral in accordance with Section 9.12 or 10.24 of the Credit Agreement.

(f) In connection with any termination or release pursuant to Section 7.12 (a), (b), (c), (d) or (e), the Collateral Agent shall promptly execute and deliver to any Grantor, at such Grantor's expense, all UCC termination statements and similar documents that such Grantor shall reasonably request to evidence such termination or release and shall perform such other actions reasonably requested by such Grantor to effect such release, including delivery of certificates, securities and instruments. Any execution and delivery of documents pursuant to this Section 7.13 shall be without recourse to or representation or warranty by the Collateral Agent or any Secured Party. Without limiting the provisions of Section 7.10, the Borrower shall reimburse (or cause to be reimbursed) the Collateral Agent in accordance with Section 10.04 of the Credit Agreement for all reasonable and documented out-of-pocket costs and expenses, including the fees, charges and expenses of counsel, incurred by it in connection with any action contemplated by this Section 7.12.

Section 7.13 Entire Agreement. This Agreement, together with the other Loan Documents, embodies the entire agreement and understanding between each Grantor and the Collateral Agent relating to the Collateral and supersedes all prior agreements and understandings, oral or written, between any Grantor and the Collateral Agent relating to the Collateral.

Section 7.14 GOVERNING LAW, ETC.

(a) GOVERNING LAW. THIS AGREEMENT WILL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK (OTHER THAN ANY MANDATORY PROVISIONS OF LAW RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST).

(b) CONSENT TO JURISDICTION. EACH GRANTOR, THE COLLATERAL AGENT AND EACH OTHER SECURED PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. (c) VENUE. EACH GRANTOR, THE COLLATERAL AGENT AND EACH OTHER SECURED PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 7.14. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF

ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.15.

Section 7.16 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 8.1. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 7.17 Indemnity, Subrogation and Subordination.

(a) Each Grantor hereby agrees to indemnify and hold harmless the Collateral Agent, the other Secured Parties, and their respective Related Persons (collectively, the "Indemnitees") against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liability) to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) any actual or threatened claim, litigation, investigation or proceeding relating to this Agreement or to the execution, delivery, enforcement, performance and administration of this Agreement and the other Loan Documents, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the "Indemnified Liabilities"); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent, collateral agent or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of any Grantor or any of their Affiliates (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 7.17 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Grantors shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Grantor have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith

or therewith (whether before or after the Closing Date) (other than, in the case of any Grantor, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to Indemnification pursuant to this Section 7.17). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 7.17 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Grantor, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 7.17 shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 7.17 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 7.17 shall not apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrowers, any Holdings Entity, the Sponsor or any of their Affiliates under this Section 7.17 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

(b) Upon payment by any Grantor of any Secured Obligations, all rights of such Grantor against the Borrower or any other Grantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior satisfaction of the Termination Conditions. If any amount shall be paid to the Borrower or any other Grantor in contravention of the foregoing subordination on account of (i) such subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of the Borrower or any other Grantor, such amount shall be held in trust for the benefit of the Secured Parties and shall promptly be paid to the Collateral Agent to be credited against the payment of the Secured Obligations, whether matured or unmatured, in accordance with the terms of the Credit Agreement and the other Loan Documents. Subject to the foregoing, to the extent that any Grantor (other than the Borrower) shall, under this Agreement or the Credit Agreement as a joint and several obligor, repay any of the Secured Obligations (an "**Accommodation Payment**"), then the Grantor making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Grantors in an amount equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Grantor's Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Grantors. As of any date of determination, the "**Allocable Amount**" of each Grantor shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Grantor hereunder and under the Credit Agreement without (a) rendering such Grantor "insolvent" within the meaning of Section 101 (31) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent Transfer Act ("**UFTA**") or Section 2 of the Uniform Fraudulent Conveyance Act ("**UFCA**"), (b) leaving such Grantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Grantor unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA.

Section 7.18 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 7.19 Mortgages. In the case of a conflict between this Agreement and the Mortgages (if any) with respect to Collateral that is real property (including Fixtures), the Mortgages shall govern. In all other conflicts between this Agreement and the Mortgages, this Agreement shall govern.

(d) Each of the Senior Secured Parties agrees that it will not (and hereby waives any right to) question or contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity, attachment or enforceability of a Lien held by or on behalf of any of the Senior Secured Parties on all or any part of the Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Collateral Agent or any Authorized Representative to enforce this Agreement.

SECTION 2.03. No Interference; Payment Over.

(a) Each Senior Secured Party agrees that (i) it will not (and shall be deemed to have waived any right to) challenge, contest, or question, or support any other Person in challenging, contesting, or questioning, in any proceeding (including any Insolvency or Liquidation Proceeding) the validity or enforceability of any First Lien Obligations of any Series or any First Lien Security Document or the validity, attachment, perfection or priority of any Lien under any First Lien Security Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Applicable Collateral Agent, (iii) except as provided in Section 2.02, it shall have no right to (A) exercise, or direct the Applicable Collateral Agent or any other Senior Secured Party to exercise, any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement) or (B) consent to the exercise by the Applicable Collateral Agent or any other Senior Secured Party of any right, remedy or power with respect to any Shared Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Applicable Collateral Agent or any other Senior Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Applicable Collateral Agent, any Applicable Authorized Representative or any other Senior Secured Party shall be liable for any action taken or omitted to be taken by the Applicable Collateral Agent, such Applicable Authorized Representative or other Senior Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (v) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshalled upon any foreclosure or other disposition of such Collateral and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; *provided* that nothing in this Agreement shall be construed to prevent or impair the rights of the Applicable Collateral Agent or any other Senior Secured Party to enforce this Agreement.

(b) Each Senior Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any First Lien Security Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement, other than this Agreement), at any time prior to the Discharge of each of the First Lien Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other Senior Secured Parties and promptly transfer such Shared Collateral, proceeds or payment, as the case may be, to the Applicable Collateral Agent, to be distributed in accordance with the provisions of Section 2.01.

SECTION 2.04. Automatic Release of Liens.

(a) If at any time the Applicable Collateral Agent forecloses upon or otherwise exercises remedies against any Shared Collateral resulting in a sale or disposition thereof, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the other Collateral Agent for the benefit of each Series of Senior Secured Parties upon such Shared Collateral will automatically be released and discharged as and when, but only to the extent, such Liens of the Applicable Collateral Agent on such Shared Collateral are released and discharged; *provided* that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01.

(b) Each Collateral Agent and Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Collateral Agent or the Borrower to evidence and confirm any release of Shared Collateral provided for in this Section 2.04.

SECTION 2.05. Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.

(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any Insolvency or Liquidation Proceeding, including any proceeding under the Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against the Borrower or any of its Subsidiaries. Without limiting the generality of the foregoing, it is acknowledged and agreed that this Agreement constitutes an agreement within the scope of Section 510(a) of the Bankruptcy Code, including with respect to the provisions of this Article II, and all references to "Grantor" shall include any Grantor as debtor and debtor in possession (and any receiver, trustee, or other estate representative for such Grantor, as the case may be) in any Insolvency or Liquidation Proceeding.

(b) If the Borrower and/or any other Grantor shall become subject to a case (a "Bankruptcy Case") under the Bankruptcy Code and shall, as debtor(s)-in-possession, move for approval of financing ("DIP Financing") to be provided by one or more lenders (the "DIP Lenders") under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law or the use of cash collateral under Section 363 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, each Senior Secured Party (other than any Controlling Secured Party or Authorized Representative of any Controlling Secured Party) agrees that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same ("DIP Financing Liens") or to any use of cash collateral that constitutes Shared Collateral, unless any Controlling Secured Party, or an Authorized Representative of any Controlling Secured Party, shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any Senior Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Shared Collateral granted to secure the First Lien Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the Senior Secured Parties of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-á-vis all the other Senior Secured Parties (other than any Liens of the Senior Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the Senior Secured Parties of each Series are granted Liens on any additional collateral pledged to any Senior Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-á-vis the Senior Secured Parties as set forth in this Agreement, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First Lien Obligations, such amount is applied pursuant to Section 2.01, and (D) if any Senior Secured Parties are granted adequate protection, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01; *provided* that the Senior Secured Parties of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the Senior Secured Parties of such Series or their Authorized Representative that shall not constitute Shared Collateral; and *provided*, *further*, that the Senior Secured Parties receiving adequate protection shall not object to any other Senior Secured Party receiving adequate protection comparable to any adequate protection granted to such Senior Secured Parties in connection with a DIP Financing or use of cash collateral.

SECTION 2.06. Reinstatement. In the event that any of the First Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under the Bankruptcy Code, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such First Lien Obligations shall again have been paid in full in cash.

SECTION 2.07. Insurance. As between the Senior Secured Parties, the Applicable Collateral Agent (and in the case of the Additional First Lien Agent acting in such capacity, acting at the direction of the Applicable Authorized Representative) shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

SECTION 2.08. Refinancings. The First Lien Obligations of any Series may be Refinanced, in whole or in part, or otherwise amended or modified from time to time, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any First Lien Debt Document of such debt being Refinanced) of, any Senior Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; *provided* that the Authorized Representative of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

SECTION 2.09. Applicable Collateral Agent as Gratuitous Bailee for Perfection

(a) The Pledged or Controlled Collateral shall be delivered, or control thereof shall be transferred, to the Applicable Collateral Agent, and the Applicable Collateral Agent agrees to hold (and, pending delivery or transfer of control of the Pledged or Controlled Collateral to the Applicable Collateral Agent, each other Collateral Agent and each Authorized Representative agrees to hold) any Shared Collateral constituting Pledged or Controlled Collateral that is part of the Collateral from time to time in its possession or control (or in the possession or control of any agent or bailee) as gratuitous bailee for the benefit of each other Senior Secured Party and any assignee, or if the Applicable Collateral Agent shall at any time obtain any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, the Applicable Collateral Agent agrees to take such actions with respect to such landlord waiver, bailee's letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the benefit of each other Senior Secured Party and any assignee, in each case, solely for the purpose of perfecting the security interest granted in such Pledged or Controlled Collateral, if any, pursuant to the applicable First Lien Debt Documents, subject to the terms and conditions of this Section 2.09; *provided*, that at any time the Administrative Agent ceases to be the Applicable Collateral Agent, the Administrative Agent, at the request of the Additional First Lien Agent, shall promptly deliver all Pledged or Controlled Collateral to the Additional First Lien Agent, in its capacity as the successor Applicable Collateral Agent, together with any necessary endorsements (or otherwise allow the Additional First Lien Agent to obtain control of such Pledged or Controlled Collateral). The Borrower shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Collateral Agent for loss or damage suffered by such Collateral Agent as a result of such transfer except for loss or damage suffered by such Collateral Agent as a result of the willful misconduct, gross negligence, bad faith or material breach of this Agreement by such Collateral Agent or any affiliate, director, officer, employee, agent or attorney-in-fact of such Collateral Agent as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(b) In the event that any Senior Secured Party other than the Applicable Collateral Agent receives any Pledged or Controlled Collateral, then such Senior Secured Party shall promptly deliver, or transfer control of, such Pledged or Controlled Collateral (including any Proceeds therefrom), together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, to the Applicable Collateral Agent.

(c) In the event that the Applicable Collateral Agent (or any agent or bailee thereof) has Lien filings against Intellectual Property (as defined in the Credit Agreement Security Agreement) that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, the Applicable Collateral Agent, agrees to hold such Liens as sub-agent and gratuitous bailee for the benefit of each other Senior Secured Party and any assignee, in each case, solely for the purpose of perfecting the security interest granted in such Pledged or Controlled Collateral, if any, pursuant to the applicable First Lien Debt Documents, subject to the terms and conditions of this Section 2.09.

(d) The duties and responsibilities of each Collateral Agent under this Section 2.09 shall be limited solely to holding any Pledged or Controlled Collateral as gratuitous bailee for the benefit of each other Senior Secured Party for purposes of perfecting the Lien held by such Senior Secured Parties thereon.

(e) In furtherance of the foregoing, each Grantor hereby grants a security interest in the Shared Collateral to the Applicable Collateral Agent that controls Shared Collateral for the benefit of all Senior Secured Parties which have been granted a Lien on the Shared Collateral controlled by such Collateral Agent.

SECTION 2.10. Amendments to First Lien Security Documents.

(a) Without the prior written consent of the Administrative Agent, the Additional First Lien Agent, on behalf of itself and each other Additional Senior Secured Party, agrees that no Additional First Lien Security Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Additional First Lien Security Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(b) Without the prior written consent of the Additional First Lien Agent, in its capacity as a Collateral Agent, the Administrative Agent agrees that no Credit Agreement Security Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Credit Agreement Security Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(c) In making determinations required by this Section 2.10, each Collateral Agent may conclusively rely on an officer's certificate of the Borrower.

ARTICLE III

Existence and Amounts of Liens and Obligations

SECTION 3.01. Determinations with Respect to Amounts of Liens and Obligations. Whenever a Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First Lien Obligations of any Series, or the Shared Collateral subject to any Lien securing the First Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative or Collateral Agent and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; *provided*, *however*, that if an Authorized Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Borrower. Each Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Senior Secured Party or any other Person as a result of such determination.

ARTICLE IV

The Applicable Collateral Agent

SECTION 4.01. Authority.

(a) Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on any Applicable Collateral Agent to any Non-Controlling Secured Party or give any Non-Controlling Secured Party the right to direct any Applicable Collateral Agent, except that each Applicable Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with Section 2.01.

(b) In furtherance of the foregoing, each Non-Controlling Secured Party acknowledges and agrees that the Applicable Collateral Agent shall be entitled, for the benefit of the Senior Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the First Lien Debt Documents, as applicable, pursuant to which the Applicable Collateral Agent is the Collateral Agent for such Shared Collateral, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled as a result of the First Lien Obligations held by such Non-Controlling Secured Parties. Without limiting the foregoing,

each Non-Controlling Secured Party agrees that none of the Applicable Collateral Agent, the Applicable Authorized Representative or any other Senior Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the First Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any First Lien Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the Senior Secured Parties waives any claim it may now or hereafter have against any Collateral Agent or the Authorized Representative of any other Series of First Lien Obligations or any other Senior Secured Party of any other Series arising out of (i) any actions which any Collateral Agent, Authorized Representative or any Senior Secured Party takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First Lien Obligations from any account debtor, guarantor or any other party) in accordance with the First Lien Debt Documents or any other agreement related thereto or to the collection of the First Lien Obligations or the valuation, use, protection or release of any security for the First Lien Obligations, (ii) any election by any Applicable Authorized Representative or any holders of First Lien Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, by the Borrower or any of their Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Applicable Collateral Agent shall not accept any Shared Collateral in full or partial satisfaction of any First Lien Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of First Lien Obligations for which such Collateral constitutes Shared Collateral.

SECTION 5.02. Waivers; Amendment; Joinder Agreements.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by Section 5.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and each Collateral Agent (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Borrower's consent or which increases the obligations or reduces the rights of, imposes additional duties on, or otherwise adversely affects the Borrower or any Grantor, with the consent of the Borrower).

(c) Notwithstanding the foregoing, without the consent of any Senior Secured Party, any Authorized Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.13 and upon such execution and delivery, such Authorized Representative and the Additional Senior Secured Parties and Additional First Lien Obligations of the Series for which such Authorized Representative is acting shall be subject to the terms hereof.

(d) Notwithstanding the foregoing, without the consent of any other Authorized Representative or Senior Secured Party, the Collateral Agents may, and at the request of the Borrower shall, effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional First Lien Obligations or any Refinancing of First Lien Obligations in compliance with the Credit Agreement and the other First Lien Debt Documents; provided, that the Collateral Agents may condition their execution and delivery of any such amendment or modification on receipt of an officer's certificate from the Borrower certifying that such incurrence or Refinancing is permitted by the then extant First Lien Debt Documents.

SECTION 5.03. Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, as well as the other Senior Secured Parties, all of which are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04. Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually executed counterpart hereof.

SECTION 5.06. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 5.08. Submission to Jurisdiction Waivers; Consent to Service of Process. Each Collateral Agent and each Authorized Representative, on behalf of itself and the Senior Secured Parties of the Series for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the First Lien Debt Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York located in the Borough of Manhattan, the courts of the United States for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address set forth in Section 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Senior Secured Party) to effect service of process in any other manner permitted by law; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.09. WAIVER OF JURY TRIAL. EACH PARTY (ON BEHALF OF ITSELF, ANY PERSON CLAIMING BY, ON BEHALF, OR THROUGH SUCH PARTY, OR ANY PERSON ON WHOSE BEHALF SUCH PARTY IS ACTING) HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 5.10. Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the First Lien Debt Documents or any of the other First Lien Debt Documents, the provisions of this Agreement shall control.

SECTION 5.12. Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Senior Secured Parties in relation to one another. None of the Borrower, any other Grantor or any creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement (*provided* that nothing in this Agreement (other than Section 2.04, 2.05, 2.08, 2.09 or Article V) is intended to or will amend, waive or otherwise modify the provisions of the Credit Agreement or any Additional First Lien Documents), and none of the Borrower or any other Grantor may rely on the terms hereof (other than Sections 2.04, 2.05, 2.08, 2.09, 2.10 and Article V). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the First Lien Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 5.13. Additional Senior Debt. To the extent, but only to the extent, permitted by the provisions of the then extant First Lien Debt Documents, the Borrower may incur additional indebtedness after the date hereof that is permitted by the then extant First Lien Debt Documents to be incurred and secured on an equal and ratable basis as the Liens securing the First Lien Obligations (such indebtedness referred to as "Additional Senior Class Debt"). Any such Additional Senior Class Debt may be secured by a Lien and may be Guaranteed by the Grantors on a senior basis, in each case under and pursuant to the Additional First Lien Documents relating thereto, if and subject to the condition that the Authorized Representative of any such Additional Senior Class Debt (each an "Additional Senior Class Debt Representative"), acting on behalf of the holders of such Additional Senior Class Debt (such Authorized Representative and holders in respect of any Additional Senior Class Debt being referred to as the "Additional Senior Class Debt Parties"), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for an Additional Senior Class Debt Representative to become a party to this Agreement,

(i) such Additional Senior Class Debt Representative, each Collateral Agent, the Applicable Authorized Representative and each Grantor shall have executed and delivered an instrument substantially in the form of Annex II (with such changes as may be reasonably approved by such Collateral Agent, the Additional Senior Class Debt Representative and the Borrower) pursuant to which such Additional Senior Class Debt Representative becomes an Authorized Representative hereunder, and the Additional Senior Class Debt in respect of which such Additional Senior Class Debt Representative is the Authorized Representative and the related Additional Senior Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have (x) delivered to each Collateral Agent true and complete copies of each of the Additional First Lien Documents relating to such Additional Senior Class Debt, certified as being true and correct by a Responsible Officer of the Borrower, and (y) identified in a certificate of an authorized officer the obligations to be designated as Additional First Lien Obligations and the initial aggregate principal amount or face amount thereof;

(iii) all filings, recordations and/or amendments or supplements to the First Lien Debt Documents necessary or desirable in the reasonable judgment of the Additional First Lien Agent as a Collateral Agent to confirm and perfect the Liens securing the relevant obligations relating to such Additional Senior Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordations shall have been taken in the reasonable judgment of the Additional First Lien Agent), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments shall have been taken in the reasonable judgment of the Additional First Lien Agent); and

(iv) the Additional First Lien Documents, as applicable, relating to such Additional Senior Class Debt shall provide, in a manner reasonably satisfactory to each Collateral Agent, that each Additional Senior Class Debt Party with respect to such Additional Senior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Senior Class Debt.

Each Authorized Representative acknowledges and agrees that upon execution and delivery of a Joinder Agreement substantially in the form of Annex II by an Additional Senior Class Debt Representative and each Grantor in accordance with this Section 5.13, the Additional First Lien Agent will continue to act in its capacity as Additional First Lien Agent in respect of the then existing Authorized Representatives (other than the Administrative Agent) and such additional Authorized Representative.

SECTION 5.14. Agent Capacities. Except as expressly provided herein or in the Credit Agreement Security Documents, [Deutsche Bank AG New York Branch] is acting in the capacity of Administrative Agent. Except as expressly provided herein or in the Additional First Lien Security Documents, [ ] is acting in the capacity of Additional First Lien Agent solely for the Additional Senior Secured Parties. Except as expressly set forth herein, neither the Administrative Agent nor the Additional First Lien Agent shall have any duties or obligations in respect of any of the Collateral, all of such duties and obligations, if any, being subject to and governed by the applicable First Lien Debt Documents.

SECTION 5.15. Integration. This Agreement together with the other First Lien Debt Documents represents the agreement of each of the Grantors and the Senior Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Administrative Agent or any other Senior Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other First Lien Debt Documents.

[GRANTORS]

A. Capitalized terms used herein but not otherwise defined herein shall have the meanings assigned to such terms in the Equal Priority Intercreditor Agreement.

B. As a condition to the ability of the Borrower to incur Additional First Lien Obligations and to secure such Additional Senior Class Debt with the liens and security interests created by the Additional First Lien Security Documents, the Additional Senior Class Debt Representative in respect of such Additional Senior Class Debt is required to become an Authorized Representative, and such Additional Senior Class Debt and the Additional Senior Class Debt Parties in respect thereof are required to become subject to and bound by the Equal Priority Intercreditor Agreement. Section 5.13 of the Equal Priority Intercreditor Agreement provides that such Additional Senior Class Debt Representative may become an Authorized Representative, and such Additional Senior Class Debt and such Additional Senior Class Debt Parties may become subject to and bound by the Equal Priority Intercreditor Agreement, upon the execution and delivery by the Senior Debt Class Representative of an instrument in the form of this Joinder Agreement and the satisfaction of the other conditions set forth in Section 5.13 of the Equal Priority Intercreditor Agreement. The undersigned Additional Senior Class Debt Representative (the "New Representative") is executing this Joinder Agreement in accordance with the requirements of the Equal Priority Intercreditor Agreement and the First Lien Debt Documents.

Accordingly, each Collateral Agent, the Applicable Authorized Representative and the New Representative agree as follows:

SECTION 1. (b) Notwithstanding the date, time, method, manner or order of filing or recordation of any document or instrument or grant, attachment or perfection of any Liens granted to any Second Priority Representative or any Second Priority Debt Parties on the Second Priority Collateral (or any actual or alleged defect in any of the foregoing) and notwithstanding any provision of the UCC, any applicable law or any Second Priority Debt Document or any defect or deficiencies in the Liens or any other circumstance whatsoever (including any non-perfection of any Lien to secure any Second Priority Debt Obligations) but, in each case, subject to Section 1.03, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, hereby agrees that any Lien on Second Priority Collateral securing any Second Priority Debt Obligations now or hereafter held by or on behalf of any Second Priority Representative, any other Second Priority Debt Parties or any other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be equal in priority in all respects with any Lien on Second Priority Collateral securing any Second Priority Debt Obligations now or hereafter held by or on behalf of any Second Priority Representative, any Second Priority Debt Parties or any Second Priority Representative or other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise.

SECTION 2.02. Nature of Senior Lender Claims. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges that (a) a portion of the Senior Obligations is revolving in nature and that the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and prepaid or repaid and subsequently reborrowed, (b) the terms of the Senior Debt Documents and the Senior Obligations may be amended, supplemented or otherwise modified, and the Senior Obligations, or a portion thereof, may be Refinanced from time to time and (c) the aggregate amount of the Senior Obligations may be increased, in each case, without notice to or consent by the Second Priority Representatives or the Second Priority Debt Parties and without affecting the provisions hereof,

except as otherwise expressly set forth herein. The Lien priorities provided for in Section 2.01 shall not be altered or otherwise affected by any amendment, supplement or other modification, or any Refinancing, of either the Senior Obligations or the Second Priority Debt Obligations, or any portion thereof. As between the Borrower and the other Grantors and the Second Priority Debt Parties, the foregoing provisions will not limit or otherwise affect the obligations of the Borrower and the Grantors contained in any Second Priority Debt Document with respect to the incurrence of Additional Senior Debt Obligations.

SECTION 2.03. Prohibition on Contesting Liens. (a) Each of the Second Priority Representatives, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), (i) the validity, extent, perfection, priority or enforceability of any Lien securing any Senior Obligations held (or purported to be held) by or on behalf of any Senior Representative or any of the other Senior Secured Parties or any other agent or trustee therefor in any Senior Collateral, (ii) the relative rights and duties of the holders of the Senior Obligations and the Second Priority Debt Obligations granted and/or established in this Agreement or any other Collateral Document with respect to such Liens or (iii) the validity, extent, perfection, priority or enforceability of any Lien securing any Second Priority Debt Obligations held (or purported to be held) by or on behalf of any Second Priority Representative or any of the other Second Priority Debt Parties or any other agent or trustee therefor in any Second Priority Collateral and (b) each Senior Representative, for itself and on behalf of each Senior Secured Party under its Senior Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), (i) the validity, extent, perfection, priority or enforceability of any Lien securing any Second Priority Debt Obligations held (or purported to be held) by or on behalf of any Second Priority Representative or any of the Second Priority Debt Parties or any agent or trustee therefor in any Second Priority Collateral or (ii) the relative rights and duties of the holders of the Senior Obligations and the Second Priority Debt Obligations granted and/or established in this Agreement or any other Collateral Document with respect to such Liens. Notwithstanding the foregoing, no provision in this Agreement shall be construed to prevent or impair the rights of any Senior Representative to enforce this Agreement (including the priority of the Liens securing the Senior Obligations as provided in Section 2.01) or any of the Senior Debt Documents.

SECTION 2.04. No New Liens. The parties hereto agree that, so long as the Discharge of Senior Obligations has not occurred, (a) none of the Grantors shall grant or permit any additional Liens on any asset or property of any Grantor to secure any Second Priority Debt Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset or property of such Grantor to secure the Senior Obligations, and (b) if any Second Priority Representative or any Second Priority Debt Party shall hold any Lien on any assets or property of any Grantor securing any Second Priority Debt Obligations that are not also subject to the first-priority Liens securing all Senior Obligations under the Senior Collateral Documents, such Second Priority Representative or Second Priority Debt Party (i) shall notify the Designated Senior Representative promptly upon becoming aware thereof and, unless such Grantor shall promptly grant a similar Lien on such assets or property to each Senior Representative as security for the Senior Obligations, shall assign such Lien to each Senior Representative as security for all Senior Obligations for the benefit of the Senior Secured Parties (but may retain a junior lien on such assets or property subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to each Senior Representative, shall be deemed to hold and have held such Lien for the benefit of each Senior Representative and the other Senior Secured Parties as security for the Senior Obligations. To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to the Designated Senior Representative and/or the Senior Secured Parties, each Second Priority Representative, on behalf of the applicable Second Priority Debt Parties, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.04 shall be subject to Section 4.02.

SECTION 2.05. Perfection of Liens. Except for the limited agreements of the Senior Representatives pursuant to Section 5.05 hereof, none of the Senior Representatives or the Senior Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Shared Collateral for the benefit of the Second Priority Representatives or the Second Priority Debt Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Secured Parties and the Second Priority Debt Parties and among the Second Priority Debt Parties and shall not impose on the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives, the Second Priority Debt Parties or

any agent or trustee therefor any obligations in respect of the disposition of Proceeds of any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

SECTION 2.06. Certain Cash Collateral. Notwithstanding anything in this Agreement or any other Senior Debt Documents or Second Priority Debt Documents to the contrary, Collateral consisting of cash and cash equivalents pledged to secure Senior Obligations consisting of reimbursement obligations in respect of Letters of Credit or otherwise held by the Initial Senior Agent pursuant to Section 2.03, 2.04 or 2.17 of the Credit Agreement (or any equivalent successor provision) shall be applied as specified in the Credit Agreement and will not constitute Shared Collateral.

ARTICLE III

Enforcement

SECTION 3.01. Exercise of Remedies.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Borrower or any other Grantor, (i) neither any Second Priority Representative nor any Second Priority Debt Party will (x) exercise or seek to exercise any rights or remedies (including setoff or recoupment) with respect to any Shared Collateral in respect of any Second Priority Debt Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other Senior Collateral by any Senior Representative or any Senior Secured Party in respect of the Senior Obligations, the exercise of any right by any Senior Representative or any Senior Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which any Senior Representative or any Senior Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the Senior Debt Documents or otherwise in respect of the Senior Collateral or the Senior Obligations, or (z) object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Obligations and (ii) except as otherwise provided herein, the Senior Representatives and the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff, recoupment and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral without any consultation with or the consent of any Second Priority Representative or any Second Priority Debt Party; provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Borrower or any other Grantor, any Second Priority Representative may file a claim, proof of claim, or statement of interest with respect to the Second Priority Debt Obligations under its Second Priority Debt Facility, (B) any Second Priority Representative may take any action (not adverse to the prior Liens on the Shared Collateral securing the Senior Obligations or the rights of the Senior Representatives or the Senior Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) any Second Priority Representative and the Second Priority Debt Parties may exercise their rights and remedies as unsecured creditors, as provided in Section 5.04, and (D) from and after the Second Priority Enforcement Date, the Major Second Priority Representative may exercise or seek to exercise any rights or remedies with respect to any Shared Collateral in respect of any Second Priority Debt Obligations, or institute any action or proceeding with respect to such rights or remedies; provided, that any such action taken pursuant to any of such clauses (A) through (D) hereof must in each case be in accordance and otherwise consistent with the terms of this Agreement. In exercising rights and remedies with respect to the Senior Collateral, the Senior Representatives and the Senior Secured Parties may enforce the provisions of the Senior Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Obligations has not occurred, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will not, in the context of its role as secured creditor, take or receive any Shared Collateral or any Proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Shared Collateral in respect of Second Priority Debt Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Obligations has occurred, except as expressly provided in the proviso in clause (ii) of Section 3.01(a), the sole right of the Second Priority Representatives and the Second Priority Debt Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Second Priority Debt Obligations pursuant to the Second Priority Debt Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Senior Obligations has occurred.

(c) Subject to the proviso in clause (ii) of Section 3.01(a), (i) each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that neither such Second Priority Representative nor any such Second Priority Debt Party will take any action that would hinder any exercise of remedies undertaken by any Senior Representative or any Senior Secured Party with respect to the Shared Collateral under the Senior Debt Documents, including any sale, lease, exchange, transfer or other disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives any and all rights it or any such Second Priority Debt Party may have as a junior lien creditor or otherwise to object to the manner in which the Senior Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of any Senior Representative or any other Senior Secured Party is adverse to the interests of the Second Priority Debt Parties.

(d) Each Second Priority Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Second Priority Debt Document shall be deemed to restrict in any way the rights and remedies of the Senior Representatives or the Senior Secured Parties with respect to the Senior Collateral as set forth in this Agreement and the Senior Debt Documents.

(e) Until the Discharge of Senior Obligations, the Designated Senior Representative shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Obligations, the Second Priority Instructing Group and the Designated Second Priority Representative shall have the exclusive right to exercise any right or remedy with respect to the Collateral, and the Second Priority Instructing Group and Designated Second Priority Representative shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Second Priority Debt Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Second Priority Representatives, or for the taking of any other action authorized by the Second Priority Collateral Documents; provided, however, that nothing in this Section shall impair the right of any Second Priority Representative or other agent or trustee acting on behalf of the Second Priority Debt Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Second Priority Debt Parties or the Second Priority Debt Obligations.

SECTION 3.02. Cooperation. Subject to the proviso in clause (ii) of Section 3.01(a), each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Senior Representatives upon the request of the Designated Senior Representative) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Second Priority Debt Documents or otherwise in respect of the Second Priority Debt Obligations.

SECTION 3.03. Actions upon Breach. Should any Second Priority Representative or any Second Priority Debt Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with

respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, any Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Borrower or any other Grantor) may obtain relief against such Second Priority Representative or such Second Priority Debt Party by injunction, specific performance or other appropriate equitable relief. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, hereby (i) agrees that the Senior Secured Parties' damages from the actions of the Second Priority Representatives or any Second Priority Debt Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Borrower, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (ii) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any Senior Representative or any other Senior Secured Party.

ARTICLE IV

Payments

SECTION 4.01. Application of Proceeds. After an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, the Shared Collateral or Proceeds thereof received in connection with the sale or other disposition of, or collection on, such Shared Collateral upon the exercise of remedies shall be applied by the Senior Representatives to the Senior Obligations in such order as specified in the relevant Senior Debt Documents (including the Equal Priority Intercreditor Agreement) until the Discharge of Senior Obligations has occurred. Upon the Discharge of Senior Obligations, the Designated Senior Representative shall deliver promptly to the Designated Second Priority Representative any Shared Collateral or Proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Second Priority Representative to the Second Priority Debt Obligations as follows: (a) first, to the payment of all amounts owing to each Second Priority Representative (each in its capacity as such) pursuant to the terms of any Second Priority Debt Documents, (b) second, subject to Section 1.03, to the payment in full of the Second Priority Debt Obligations under each Second Priority Debt Facility on a ratable basis, with such payments to be applied to the Second Priority Debt Obligations under a Second Priority Debt Facility in accordance with the terms of the relevant Second Priority Debt Documents and (c) third, after (i) payment in full of all Second Priority Debt Obligations and (ii) the termination or expiration of all commitments to lend under any Second Priority Debt Documents, to the Borrower and the other Grantors or their successors or assigns, as their interests may appear, or to whomsoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct. Notwithstanding the foregoing, with respect to any Second Priority Collateral for which a third party (other than a Second Priority Debt Party) has a lien or security interest that is junior in priority to the security interest of any Second Priority Debt Facility but senior (as determined by appropriate legal proceedings in the case of any dispute) to the security interest of any other Second Priority Debt Facility (such third party, an "Intervening Creditor"), the value of any Second Priority Collateral or any Proceeds allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Second Priority Collateral or Proceeds to be distributed in respect of the Second Priority Debt Facility with respect to which such Impairment exists.

SECTION 4.02. Payments Over.

(a) Unless and until the Discharge of Senior Obligations has occurred, any Shared Collateral or Proceeds thereof received by any Second Priority Representative or any Second Priority Debt Party in connection with the exercise of any right or remedy (including setoff or recoupment) relating to the Shared Collateral in contravention of this Agreement or otherwise shall be segregated and held in trust for the benefit of and forthwith paid over to the Designated Senior Representative for the benefit of the Senior Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The Designated Senior Representative is hereby authorized to make any such endorsements as agent for each of the Second Priority Representatives and any such Second Priority Debt Party. This authorization is coupled with an interest and is irrevocable.

(b) After the Discharge of Senior Obligations, any Second Priority Collateral or Proceeds thereof received by any Second Priority Representative or any Second Priority Debt Party relating to the Second Priority Collateral shall be segregated and held in trust for the benefit of and forthwith paid over to the Designated Second Priority Representative for the benefit of the Second Priority Debt Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The Designated Second Priority Representative is hereby authorized to make any such endorsements as agent for each of the Second Priority Representatives and any such Second Priority Debt Party. This authorization is coupled with an interest and is irrevocable.

ARTICLE V

Other Agreements

SECTION 5.01. Releases.

(a) Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that, in the event of a sale, transfer or other disposition of any specified item of Shared Collateral (including all or substantially all of the equity interests of any subsidiary of the Borrower), the Liens granted to the Second Priority Representatives and the Second Priority Debt Parties upon such Shared Collateral to secure Second Priority Debt Obligations shall terminate and be released, automatically and without any further action, concurrently with the termination and release of all Liens granted upon such Shared Collateral to secure Senior Obligations. Upon delivery to a Second Priority Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Second Priority Debt Parties and the Second Priority Representatives) and any necessary or proper instruments of termination or release prepared by the Borrower or any other Grantor, such Second Priority Representative will promptly execute, deliver or acknowledge, at the Borrower's or the other Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Second Priority Representative, for itself and on behalf of the Second Priority Debt Parties under its Second Priority Debt Facility, to release the Liens on the Second Priority Collateral as set forth in the relevant Second Priority Debt Documents.

(b) Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby irrevocably constitutes and appoints the Designated Senior Representative and any officer or agent of the Designated Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Second Priority Representative or such Second Priority Debt Party or in the Designated Senior Representative's own name, from time to time in the Designated Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby consents to the application, whether prior to or after an event of default under any Senior Debt Document, of proceeds of Shared Collateral to the repayment of Senior Obligations pursuant to the Senior Debt Documents, provided that nothing in this Section 5.01(c) shall be construed to prevent or impair the rights of the Second Priority Representatives or the Second Priority Debt Parties to receive proceeds in connection with the Second Priority Debt Obligations not otherwise in contravention of this Agreement.

(d) Notwithstanding anything to the contrary in any Second Priority Collateral Document, in the event the terms of a Senior Collateral Document and a Second Priority Collateral Document each require any Grantor (i) to make payment in respect of any item of Shared Collateral to, (ii) to deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) to register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights

thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waivers or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both the Designated Senior Representative and any Second Priority Representative or Second Priority Debt Party, such Grantor may, until the applicable Discharge of Senior Obligations has occurred, comply with such requirement under the Second Priority Collateral Document or Senior Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Designated Senior Representative.

SECTION 5.02. Insurance and Condemnation Awards. Unless and until the Discharge of Senior Obligations has occurred, the Designated Senior Representative and, after the Discharge of Senior Obligations has occurred, the Designated Second Priority Representative, shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Debt Documents or Second Priority Debt Documents, as applicable, (a) to be named as additional insured and loss payee under any insurance policies maintained from time to time by any Grantor with respect to any Shared Collateral, (b) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (c) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of Senior Obligations has occurred, all proceeds of any such policy and any such award received by the Designated Senior Representative or Designated Second Priority Representative, if in respect of the Shared Collateral, shall be paid (i) first, prior to the occurrence of the Discharge of Senior Obligations, to the Designated Senior Representative for the benefit of Senior Secured Parties pursuant to the terms of the Senior Debt Documents, (ii) second, after the occurrence of the Discharge of Senior Obligations, to the Designated Second Priority Representative for the benefit of the Second Priority Debt Parties to be applied pursuant to Section 4.01 and (iii) third, if no Second Priority Debt Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Second Priority Representative or any Second Priority Debt Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Designated Senior Representative (or after the Discharge of Senior Obligations, the Designated Second Priority Representative) to receive such amounts in accordance with the terms of Section 4.02.

SECTION 5.03. Amendments to Senior Debt Documents and Second Priority Collateral Documents

(a) Each of the Senior Debt Documents may be amended, restated, amended and restated, replaced, renewed, extended, supplemented and/or otherwise modified from time to time in accordance with their terms and the Senior Debt Documents may be replaced or Refinanced, in each case without the consent of any Second Priority Representative or any other Second Priority Debt Parties; provided, however, that the holders of such Refinancing debt (to the extent such Refinancing debt constitutes Senior Obligations) bind themselves in writing to the terms of this Agreement; provided further that no amendment, restatement, replacement, renewal, extension, supplement or modification of the Senior Debt Documents shall result in the principal amount of Senior Obligations exceeding the Maximum Senior Lien Amount.

(b) Except to the extent not prohibited by any Senior Debt Document, no Second Priority Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Priority Collateral Document, would be prohibited by or conflict with any of the terms of this Agreement. The Borrower agrees to deliver to the Designated Senior Representative copies of (i) any amendments, supplements or other modifications to the Second Priority Collateral Documents and (ii) any new Second Priority Collateral Documents promptly after effectiveness thereof. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that each Second Priority Collateral Document under its Second Priority Debt Facility

shall include the following language (or language to similar effect reasonably approved by the Designated Senior Representative):

"Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Second Priority Representative pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the Senior Secured Parties (as defined in the Junior Lien Intercreditor Agreement referred to below), including liens and security interests granted to [Deutsche Bank AG New York Branch], as administrative agent and collateral agent (in such capacities, the "Initial Senior Agent"), pursuant to or in connection with the Credit Agreement, dated as of June 10, 2015 (as amended, restated, amended and restated, extended, supplemented, Refinanced and/or otherwise modified from time to time), among LTF Intermediate Holdings, Inc., a Delaware corporation ("Holdings"), Life Time Fitness, Inc., a Minnesota Corporation and successor in interest to LTF Merger Sub, Inc. ("Borrower"), each lender from time to time party thereto and the Initial Senior Agent, and (ii) the exercise of any right or remedy by the Second Priority Representative hereunder is subject to the limitations and provisions of the Junior Lien Intercreditor Agreement dated as of [ ] [ ], 20[ ] (as amended, restated, amended and restated, extended, supplemented and/or otherwise modified from time to time, the "Junior Lien Intercreditor Agreement"), among the Initial Senior Agent, the Initial Second Priority Representative, Holdings, the Borrower and its subsidiaries party from time to time thereto and each additional Representative party from time to time thereto. In the event of any conflict between the terms of the Junior Lien Intercreditor Agreement and the terms of this Agreement, the terms of the Junior Lien Intercreditor Agreement shall govern."

(c) In the event that each applicable Senior Representative and/or the Senior Secured Parties enter into any amendment, waiver or consent in respect of any of the Senior Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the Senior Representatives, the Senior Secured Parties, the Borrower or any other Grantor thereunder (including the release of any Liens in Senior Collateral) in a manner that is applicable to all Senior Facilities, then such amendment, waiver or consent shall apply automatically to any comparable provision of each comparable Second Priority Collateral Document without the consent of any Second Priority Representative or any Second Priority Debt Party and without any action by any Second Priority Representative, any Second Priority Debt Party, the Borrower or any other Grantor; provided, however, that written notice of such amendment, waiver or consent shall have been given to each Second Priority Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

SECTION 5.04. Rights as Unsecured Creditors. Notwithstanding anything to the contrary in this Agreement, the Second Priority Representatives and the Second Priority Debt Parties may exercise rights and remedies as unsecured creditors against the Borrower and any other Grantor in accordance with the terms of the Second Priority Debt Documents and applicable law so long as such rights and remedies do not violate (or are not otherwise prohibited by) any express provision of this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second Priority Representative or any Second Priority Debt Party of the required payments of principal, premium, interest, fees and other amounts due under the Second Priority Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Second Priority Representative or any Second Priority Debt Party of rights or remedies as a secured creditor in respect of Shared Collateral. In the event any Second Priority Representative or any Second Priority Debt Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Priority Debt Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Senior Representatives or the Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Until the Discharge of Senior Obligations, the Designated Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which

such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Person (such Shared Collateral being referred to herein as the "Pledged or Controlled Collateral"), or if it shall at any time obtain any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, the Designated Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee's letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Second Priority Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Second Priority Collateral Documents and subject to the terms and conditions of this Section 5.05.

(b) After the Discharge of Senior Obligations, the Designated Second Priority Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Second Priority Debt Obligations on any Pledged or Controlled Collateral that is in fact in the possession or under the control of such Second Priority Representative, or of agents or bailees of such Person, or if it shall at any time obtain any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, the Designated Second Priority Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee's letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Second Priority Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Second Priority Collateral Documents and subject to the terms and conditions of this Section 5.05.

(c) In the event that any Secured Party receives any Pledged or Controlled Collateral, then such Secured Party shall promptly deliver such Collateral or Proceeds, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, to: (i) until the Discharge of Senior Obligations, the Designated Senior Representative and (ii) thereafter, the Designated Second Priority Representative.

(d) In the event that any Senior Representative (or its agents or bailees), or after the Discharge of Senior Obligations, the Designated Second Priority Representative, has Lien filings against Intellectual Property (as defined in the Security Agreement) that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, the Designated Senior Representative, or after the Discharge of Senior Obligations, the Designated Second Priority Representative, agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Second Priority Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Second Priority Collateral Documents, subject to the terms and conditions of this Section 5.05.

(e) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, the Senior Representatives and the Senior Secured Parties shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Debt Documents as if the Liens under the Second Priority Collateral Documents did not exist. The rights of the Second Priority Representatives and the Second Priority Debt Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(f) The Senior Representatives and the Senior Secured Parties shall have no obligation whatsoever to the Second Priority Representatives or any Second Priority Debt Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of the Designated Senior Representative (and after the Discharge of Senior Obligations, the Designated Second Priority Representative) under this Section 5.05 shall be limited solely to holding or controlling the Pledged or Controlled Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Second Priority Representative for purposes of perfecting the Lien held by such Second Priority Representative.

(g) The Designated Senior Representative (and after the Discharge of Senior Obligations, the Designated Second Priority Representative) shall not have by reason of the Second Priority Collateral Documents or

this Agreement, or any other document, a fiduciary relationship in respect of any Second Priority Representative or any Second Priority Debt Party, and each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives and releases the Designated Senior Representative (and after the Discharge of Senior Obligations, the Designated Second Priority Representative) from all claims and liabilities arising pursuant to the Designated Senior Representative's role (and after the Discharge of Senior Obligations, the Designated Second Priority Representative's role) under this Section 5.05 as a sub-agent and gratuitous bailee with respect to the Pledged or Controlled Collateral.

(h) Upon the Discharge of Senior Obligations, the Designated Senior Representative shall, at the Grantors' sole cost and expense, (i) (A) deliver to the Designated Second Priority Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by the Designated Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Second Priority Representative is entitled to approve any awards granted in such proceeding. The Borrower and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify the Designated Senior Representative for loss or damage suffered by the Designated Senior Representative as a result of such transfer, except for loss or damage suffered by any such Person as a result of the willful misconduct, gross negligence, bad faith of, or material breach of this Agreement by, such Person or any affiliate, director, officer, employee, agent or attorney-in-fact of such Person as determined by a final,non-appealable judgment of a court of competent jurisdiction. The Senior Representatives have no obligations to follow instructions from any Second Priority Representative or any other Second Priority Debt Party in contravention of this Agreement.

(i) None of the Senior Representatives nor any of the other Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Borrower or any other Grantor to any Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations is Deemed Not to Have Occurred If, at any time concurrently with or after the Discharge of Senior Obligations has occurred, the Borrower or any Subsidiaries enter into any Refinancing of Senior Obligations or otherwise incur any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then such Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the agent, representative or trustee for the holders of such Senior Obligations shall be a Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Senior Representative), each Second Priority Representative (including the Designated Second Priority Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Borrower), including amendments or supplements to this Agreement, as the Borrower or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to such Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Second Priority Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it

rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new Senior Representative is entitled to approve any awards granted in such proceeding.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. Financing Issues. Until the Discharge of Senior Obligations has occurred, if the Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and any Senior Representative or any Senior Secured Party shall desire to consent (or does not object) to the sale, use or lease of cash or other collateral that constitutes Shared Collateral or to consent (or does not object) to the Borrower's or any other Grantor's obtaining financing under Section 363 or Section 364 of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law to be secured by the Shared Collateral ("DIP Financing") then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will raise no (a) objection to and will not otherwise contest or oppose (or join with or support any other party opposing, objecting to or contesting) such sale, use or lease of such cash or other collateral or such DIP Financing and, except to the extent permitted by the proviso in clause (ii) of Section 3.01(a) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing any Senior Obligations are subordinated or pari passu with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Second Priority Debt Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens granted to the Senior Secured Parties, and (z) to any "carve-out" for professional and United States Trustee fees agreed to by the Senior Representatives, (b) objection to and will not otherwise contest or oppose (or join with or support any other party opposing, objecting to or contesting) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations made by any Senior Representative or any other Senior Secured Party, (c) objection to and will not otherwise contest or oppose (or join with or support any other party opposing, objecting to or contesting) any exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale in foreclosure of Senior Collateral or otherwise pursuant to Section 363(k) of Title 11 of the United States Code, (d) objection to and will not otherwise contest or oppose (or join with or support any other party opposing, objecting to or contesting) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (e) objection to and will not otherwise contest or oppose (or join with or support any other party opposing, objecting to or contesting) any order relating to a sale or other disposition of assets of any Grantor for or to which any Senior Representative has consented or not objected that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Second Priority Debt Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Second Priority Debt Obligations pursuant to this Agreement, provided that the applicable Second Priority Debt Parties may assert any objection to a sale or disposition that could be asserted by an unsecured creditor in any Insolvency or Liquidation Proceedings; without limiting the foregoing, each Second Priority Representative, for itself and on behalf of the applicable Second Priority Debt Parties, agrees that it may not raise any objections based on rights afforded by Sections 363(e) and (f) of Title 11 of the United States Code to secured creditors (or any comparable provisions of any other Bankruptcy Law) with respect to the Liens granted to such person in respect of such assets. In addition the Second Priority Debt Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition in accordance with Section 363(k) of Title 11 of the United States Code (or similar provision under any applicable Bankruptcy Law) so long as any such credit bid provides for the payment in full in cash of the Senior Obligations. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that notice received two Business Days prior to the entry of an order approving such usage of cash or other collateral or approving such DIP Financing shall be adequate notice.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its

Second Priority Debt Facility, agrees that none of them shall (i) seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the Designated Senior Representative, or (ii) object to, contest, or support any other Person objecting to or contesting, any motion, relief, action, or proceeding by any Senior Representative or any other Senior Secured Parties seeking relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of any Shared Collateral.

SECTION 6.03. Adequate Protection. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that none of them shall object to, contest or support any other Person objecting to or contesting, (a) any request by any Senior Representative or any Senior Secured Parties for adequate protection in any form, (b) any objection by any Senior Representative or any Senior Secured Parties to any motion, relief, action or proceeding based on any Senior Representative's or Senior Secured Party's claiming a lack of adequate protection or (c) the allowance and payment of interest, fees, expenses or other amounts of any Senior Representative or any other Senior Secured Party under Section 506(b) or 506(c) of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law or as adequate protection. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral and/or a superpriority administrative claim in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law and the Senior Representatives and the other Senior Secured Parties do not object to the adequate protection being provided to the Senior Secured Parties, then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, may seek or request adequate protection in the form of a Lien on such additional or replacement collateral and/or a superpriority administrative claim (as applicable), which Lien and/or superpriority administrative claim is subordinated to the Liens securing, and claims with respect to, all Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing, and claims with respect to, the Second Priority Debt Obligations are so subordinated to the Liens securing Senior Obligations under this Agreement and (ii) in the event any Second Priority Representatives, for themselves and on behalf of the Second Priority Debt Parties under their Second Priority Debt Facilities, seek or request adequate protection and such adequate protection is granted (in each instance, to the extent such grant is otherwise permissible under the terms and conditions of this Agreement) in the form a Lien on additional or replacement collateral and/or a superpriority administrative claim (as applicable), then such Second Priority Representatives, for themselves and on behalf of each Second Priority Debt Party under their Second Priority Debt Facilities, agree that each Senior Representative shall also be granted a senior Lien on such additional or replacement collateral as security for the Senior Obligations and any such DIP Financing provided thereby and/or a superpriority administrative claim (as applicable), and that any Lien on such additional or replacement collateral securing the Second Priority Debt Obligations and/or superpriority administrative claim (as applicable) shall be subordinated to the Liens on such collateral securing, and claims with respect to, the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing, and claims with respect to, the Second Priority Debt Obligations are so subordinated to such Liens securing and claims with respect to Senior Obligations under this Agreement. Without limiting the generality of the foregoing, to the extent that the Senior Secured Parties are granted adequate protection in the form of payments in the amount of current post-petition fees, expenses, and/or other cash payments, then the Second Priority Representative and the Second Priority Debt Parties shall not be prohibited from seeking and accepting adequate protection in the form of payments in the amount of current incurred fees and expenses and/or other cash payments (as applicable), subject to the right of the Senior Secured Parties to object to the reasonableness of the amounts of fees and expenses or other cash payments so sought by the Second Priority Debt Parties.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Borrower or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be fraudulent or preferential in any respect or for any other reason (any such amount, a "Recovery"), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall be entitled to the benefits of this Agreement until a

Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Second Priority Collateral Documents constitute separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Second Priority Debt Obligations are fundamentally different from the Senior Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that any claims of the Senior Secured Parties and the Second Priority Debt Parties in respect of the Shared Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Debt Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding under applicable Bankruptcy Law) before any distribution from the Shared Collateral is made in respect of the Second Priority Debt Obligations, with each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them from the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Debt Parties.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit any Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Priority Debt Party, including the seeking by any Second Priority Debt Party of adequate protection or the asserting by any Second Priority Debt Party of any of its rights and remedies under the Second Priority Debt Documents or otherwise.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Second Priority Representative or any Second Priority Debt Party has or acquires rights under Section 363 or Section 364 of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, or such Second Priority Debt Party, agrees not to assert any such rights without the prior written

consent of each Senior Representative, provided that if requested by any Senior Representative, such Second Priority Representative shall timely exercise such rights in the manner requested by the Senior Representatives (acting unanimously), including any rights to payments in respect of such rights.

SECTION 6.09. Section 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of Title 11 of the United States Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral.

SECTION 6.10. Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the Senior Obligations and the Second Priority Debt Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Second Priority Debt Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

SECTION 6.11. Post-Petition Interest.

(a) None of the Second Priority Representative or any other Second Priority Debt Party shall oppose or seek to challenge any claim by the Senior Representative or any other Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of Senior Obligations consisting of post-petition interest under Section 506(b) of Title 11 of the United States Code or otherwise.

(b) None of the Senior Representative or any other Senior Secured Party shall oppose or seek to challenge any claim by the Second Priority Representative or any other Second Priority Debt Party for allowance in any Insolvency or Liquidation Proceeding of Second Priority Debt Obligations consisting of post-petition interest under Section 506(b) of Title 11 of the United States Code or otherwise, to the extent of the value of the Lien of the Second Priority Representative on behalf of the Second Priority Debt Parties on the Shared Collateral (after taking into account the Senior Obligations).

SECTION 6.12. Section 1111(b) Claims. Each Second Priority Representative, on behalf of itself and each other Second Priority Debt Party under its Second Priority Debt Facility, hereby waives any claim such Second Priority Representative and such Second Priority Debt Party may now or hereafter have against any Senior Representative or any other Senior Secured Parties arising out of any election by such Senior Representative or such other Senior Secured Parties (or any of their respective agents), in any Insolvency or Liquidation Proceeding of the application of Section 1111(b) of Title 11 of the United States Code thereby with respect to the Shared Collateral.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Second Priority Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to the Borrower or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges that it and such Second Priority Debt Parties have, independently and without reliance on any Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Second Priority Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decisions in taking or not taking any action under the Second Priority Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges and agrees that neither any Senior Representative nor any other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Second Priority Representatives and the Second Priority Debt Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither any Senior Representative nor any other Senior Secured Party shall have any duty to any Second Priority Representative or Second Priority Debt Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with the Borrower or any other Subsidiary (including the Second Priority Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the Senior Obligations, the Second Priority Debt Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Debt Document or any Second Priority Debt Document;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Second Priority Debt Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Senior Credit Agreement or any other Senior Debt Document or of the terms of any Second Priority Debt Document;

(c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Second Priority Debt Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Borrower or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Borrower or any other Grantor in respect of the Senior Obligations (other than the Discharge of Senior Obligations subject to Sections 5.06 and 6.04) or (ii) any Second Priority Representative or other Second Priority Debt Party in respect of this Agreement.

ARTICLE VIII

Miscellaneous

SECTION 8.01. Conflicts. Subject to Section 8.18, in the event of any conflict between the provisions of this Agreement and the provisions of any Senior Debt Document or any Second Priority Debt Document, the provisions of this Agreement shall govern. Notwithstanding the foregoing, the relative rights and obligations of the Senior Representatives and the Senior Secured Parties (as amongst themselves) with respect to

any Senior Collateral shall be governed by the terms of the Equal Priority Intercreditor Agreement and in the event of any conflict between the Equal Priority Intercreditor Agreement and this Agreement, the provisions of the Equal Priority Intercreditor Agreement shall control, subject to Section 8.23 hereto.

SECTION 8.02. Continuing Nature of this Agreement; Severability. Subject to Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Second Priority Representatives or any Second Priority Debt Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrower or any Subsidiary constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by Section 8.03(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) This Agreement may be amended in writing signed by each Representative (in each case, acting in accordance with the documents governing the applicable Debt Facility); provided that any such amendment, supplement or waiver which by the terms of this Agreement requires the Borrower's consent or which increases the obligations or reduces the rights of, imposes additional duties on, or otherwise adversely affects the Borrower or any Grantor, shall require the consent of the Borrower. Any such amendment, supplement or waiver shall be in writing and shall be binding upon the Senior Secured Parties and the Second Priority Debt Parties and their respective successors and assigns.

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.09, and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Second Priority Debt Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

SECTION 8.04. Information Concerning the Financial Condition of the Borrower and the Subsidiaries. The Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrower and the Subsidiaries and all endorsers or guarantors of the Senior Obligations or the Second Priority Debt Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Second Priority Debt Obligations. The Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any Senior Representative, any Senior Secured Party, any Second Priority Representative or any Second Priority Debt Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties shall not make or be deemed to have made,

any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 8.05. Subrogation. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 8.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 8.07. Additional Grantors. The Borrower agrees that, if any Subsidiary shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by the Designated Second Priority Representative and the Designated Senior Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 8.08. Dealings with Grantors. Upon any application or demand by the Borrower or any Grantor to any Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), at the request of such Representative, the Borrower or such Grantor, as appropriate, shall furnish to such Representative a certificate of an authorized officer (an "Officer's Certificate") stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of a certificate or opinion is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no such additional certificate or opinion need be furnished.

SECTION 8.09. Additional Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the then existing Senior Debt Documents and the Second Priority Debt Documents, the Borrower may incur or issue and sell one or more series or classes of Second Priority Debt and one or more series or classes of Additional Senior Debt. Any such additional class or series of Second Priority Debt (the "Second Priority Class Debt") may be secured by a second priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the relevant Second Priority Collateral Documents for such Second Priority Class Debt, if and subject to the condition that the Representative of any such Second Priority Class Debt (each, a "Second Priority Class Debt Representative"), acting on behalf of the holders of such Second Priority Class Debt (such Representative and holders in respect of any Second Priority Class Debt being referred to as the "Second Priority Class Debt Parties"), becomes a party to this Agreement by satisfying conditions (i) through (iii), as applicable, of the immediately succeeding paragraph. Any such additional class or series of Senior Facilities (the "Senior Class Debt"; and the Senior Class Debt and Second Priority Class Debt, collectively, the "Class Debt") may be secured by a senior Lien on Shared Collateral, in each case under and pursuant to the Senior Collateral Documents, if and subject to the condition that the Representative of any such Senior Class Debt (each, a "Senior Class Debt Representative"; and the Senior Class Debt Representatives and Second Priority Class Debt Representatives, collectively, the "Class Debt Representatives"), acting on behalf of the holders of such Senior Class Debt (such Representative and holders in

respect of any such Senior Class Debt being referred to as the "Senior Class Debt Parties; and the Senior Class Debt Parties and Second Priority Class Debt Parties, collectively, the "Class Debt Parties"), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iii), as applicable, of the immediately succeeding paragraph.

In order for a Class Debt Representative to become a party to this Agreement:

Unless otherwise indicated, all capitalized terms used herein and not otherwise defined shall have the respective meanings provided such terms in the Credit Agreement referred to below (as amended by this Third Amendment).

W I T N E S S E T H:

WHEREAS, the Borrower, Holdings, the Lenders from time to time party thereto and the Administrative Agent are parties to a Credit Agreement, dated as of June 10, 2015 (as amended by that certain Technical Amendment No. 1, dated as of July 21, 2015, by and between the Borrower and the Administrative agent and that certain Technical Amendment. No. 2, dated as of September 14, 2015, by and between the Borrower and the Administrative Agent, the "**Credit Agreement**");

WHEREAS, on the date hereof, there are outstanding Term Loans under the Credit Agreement (for purposes of this Third Amendment, herein called the "**Existing Term Loans**") in an aggregate principal amount of $1,240,625,000;

WHEREAS, in accordance with the provisions of Sections 2.14 and 10.01 of the Credit Agreement, the Borrower, Holdings, the Administrative Agent and the New Term Loan Lenders wish to amend the Credit Agreement to enable the Borrower to, among other things, incur Incremental Term Loans (the "**New Term Loans**") in an aggregate amount of $100,000,000, so that, after giving effect to the New Term Loans, the total aggregate amount of the Term Facility on the Third Amendment Effective Date (as defined below) is $1,340,625,000; and

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed as follows:

SECTION 1. Amendments to Credit Agreement.

(a) New Term Loans.

(i) Subject to the satisfaction (or waiver) of the conditions set forth in Section 2 hereof and in reliance upon the representations and warranties set forth in Section 4 hereof, the New Term Loan Lenders severally, but not jointly, hereby agree to make the New Term Loans to the Borrower on the Third Amendment Effective Date (as defined below) in the aggregate principal amount of such New Term Loan Lender's New Term Loan Commitment (as defined below). The New Term Loans being made pursuant to this Third Amendment shall constitute Term Loans as defined in the Credit Agreement and shall be added to, and thereafter constitute a part of, the same Class of Term Loans as the Existing Term Loans for all purposes under the Credit Agreement and the other Loan Documents (including without limitation ranking *pari passu* in right of payment and of security with the Existing Term Loans and maturing on the same date that the Existing Term Loans mature). The New Term Loans are intended to be treated as

being fungible with the Existing Term Loans for U.S. federal income tax purposes and will trade under the same CUSIP number as the Existing Term Loans. The New Term Loans will (x) amortize at the same rate of amortization as the Existing Term Loans, resulting in the New Term Loans having a Weighted Average Life to Maturity not less than the Existing Term Loans and (y) otherwise be on the exact same terms applicable to the Existing Term Loans.

(ii) The Administrative Agent has prepared a schedule attached hereto as Annex I (the "**New Term Loan Commitment Schedule**") which sets forth the allocated commitments received by it (collectively, the "**New Term Loan Commitments**") from the New Term Loan Lenders. The Administrative Agent has notified each New Term Loan Lender of its allocated New Term Loan Commitment, and each Lender that holds a New Term Loan Commitment is a signatory to this Third Amendment.

(iii) The Borrower and each New Term Loan Lender agree that the New Term Loans will be issued at a price equal to 99.00% of the aggregate principal amount thereof.

(iv) The Borrower hereby acknowledges that all of the New Term Loans are being incurred in reliance on the Ratio Amount under Section 2.14 of the Credit Agreement.

(b) Interest; Interest Periods. The Applicable Rate for the New Term Loans shall be the same as the Applicable Rate that applies to the Existing Term Loans of the same Type. All Interest Periods applicable to Existing Term Loans shall continue in effect after the Third Amendment Effective Date. The New Term Loans shall be initially incurred pursuant to a single Borrowing of Eurodollar Rate Loans, with such Borrowing to be subject to (x) Interest Periods which commence on the Third Amendment Effective Date and end on the last day of the Interest Periods applicable to the Existing Term Loans and (y) the Eurodollar Rate applicable to the Existing Term Loans. The New Term Loans of each Lender shall be allocated ratably to such Interest Periods (based upon the relative principal amounts of Borrowings of the Existing Term Loans subject to such Interest Periods immediately prior to the Third Amendment Effective Date), with the effect being that the New Term Loans that are funded in cash on the Third Amendment Effective Date shall be ratably allocated to the various Interest Periods as described above. The Administrative Agent shall record the New Term Loans in the Register, and the principal amounts and stated interest of the New Term Loans owing to the New Term Loan Lenders and their subsequent permitted assignees. From and after the Third Amendment Effective Date to the first Interest Payment Date to occur after the Third Amendment Effective Date, the Administrative Agent shall make all payments in respect of interest on the New Term Loans to the New Term Loan Lenders for amounts which have accrued on the New Term Loans from the Third Amendment Effective Date to but excluding such Interest Payment Date (and to the extent any New Term Loan Lender assigns all or any portion of the New Term Loans during such period, such payment shall be made in accordance with Section 2 on Annex 1 to the applicable Assignment and Assumption).

(c) Use of Proceeds. The Borrower will use the proceeds of the New Term Loans on the Third Amendment Effective Date to (i) pay fees and expenses in connection with the preparation and negotiation of this Third Amendment and the funding of the New Term Loans, (ii) to prepay Revolving Loans and (iii) for working capital or other general corporate purposes not prohibited by the Loan Documents.

(d) Additional Credit Agreement Amendments. Subject to the satisfaction (or waiver) of the conditions set forth in Section 2 hereof and upon the making of the New Term Loans, the Credit Agreement is hereby amended as follows:

(i) Section 2.07(1) of the Credit Agreement is hereby amended by amending and restating such Section in its entirety as follows:

"(1) The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders as follows:

(a) on the last Business Day of each March, June, September and December an aggregate principal amount equal to the amount corresponding to such fiscal quarter in the table below (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05):

In connection with any Incremental Term Loans that constitute part of the same Class as the Closing Date Term Loans, the Borrower and the Administrative Agent shall be permitted to adjust the rate of prepayment in respect of such Class such that the Term Lenders holding Closing Date Term Loans comprising part of such Class continue to receive a payment that is not less than the same dollar amount that such Term Lenders would have received absent the incurrence of such Incremental Term Loans."

SECTION 2. Conditions of Effectiveness of this Third Amendment. This Third Amendment shall become effective and the New Term Loan Lenders shall disburse the New Term Loan to be made by it pursuant to Section 1(a) on the date (the "**Third Amendment Effective Date**") when the following conditions shall have been satisfied (or waived):

(a) the Administrative Agent (or its counsel) shall have received from the Borrower, Holdings, the Administrative Agent and each New Term Loan Lender counterparts of this Third Amendment signed on behalf of such parties (including by way of facsimile or other electronic transmission);

(f) there shall have been delivered to the Administrative Agent (A) certificates of good standing from the secretary of state of the state of organization of each Loan Party (to the extent such concept exists in such jurisdiction), customary certificates of resolutions or other action, incumbency certificates, (B) a certificate of a Responsible Officer of the Borrower (which may be contained in the same certificate as the certificate delivered pursuant to the preceding clause (e)), certifying that since the Third Amendment Effective Date, except as attached to such certificate, there have been no changes to the Organizational Documents of the Loan Parties and/or attaching copies of any such Organizational Documents that have changed since the Third Amendment Effective Date and (C) a solvency certificate from a Responsible Officer of the Borrower (after giving effect to the New Term Loans) substantially in the form attached to the Credit Agreement as Exhibit I; and

Each Guarantor hereby confirms that it consents to the terms of this Third Amendment, including, without limitation, the extension of additional credit to the Borrower in the form of the New

Term Loans in an aggregate principal amount of $100,000,000, which is in addition to the obligations owed by the Loan Parties under the Credit Agreement immediately prior to the Third Amendment Effective Date and which constitutes "Guaranteed Obligations" of such Guarantor under the Guaranty as amended by this Third Amendment. SECTION 5. Reaffirmation of Security Agreement.

(a) Each Loan Party hereby acknowledges that it has reviewed and consents to the terms and conditions of this Third Amendment and the transactions contemplated hereby, including, without limitation, the extension of credit in the form of the New Term Loans in an aggregate principal amount of $100,000,000. In addition, each Loan Party reaffirms the security interests granted by such Loan Party under the terms and conditions of the Security Agreement to secure the Obligations and agrees that such security interests remain in full force and effect and are hereby ratified, reaffirmed and confirmed. (b) Each Loan Party acknowledges and agrees that each of the Loan Documents to which it is a party or otherwise bound shall continue in full force and effect and that all of its obligations thereunder shall be valid and enforceable and shall not be impaired or limited by the execution or effectiveness of this Third Amendment.

SECTION 6. Reference to and Effect on the Credit Agreement and the Loan Documents.

(c) The Credit Agreement and each of the other Loan Documents, as specifically amended by this Third Amendment, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Fifth Amendment Effective Date; provided that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; provided further that any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on and as of the Fifth Amendment Effective Date or such earlier date; and

(b) no Default or Event of Default exists as of the Fifth Amendment Effective Date, or would result from the making of the New 2017 Refinancing Term Loans or the application of the proceeds therefrom.

SECTION 4. Reaffirmation of Guaranty. Each Guarantor reaffirms its guarantee of the Guaranteed Obligations (as defined in the Guaranty) under the terms and conditions of the Guaranty and agrees that such guarantee remains in full force and effect and is hereby ratified, reaffirmed and confirmed. Each Guarantor hereby confirms that it consents to the terms of this Fifth Amendment, including, without limitation, the refinancing in full of the Existing Term Loans under the Credit Agreement in the form of New 2017 Refinancing Term Loans and which constitute "Guaranteed Obligations" of such Guarantor under the Guaranty as amended by this Fifth Amendment. Each Guarantor hereby (i) confirms that each Loan Document to which it is a party or is otherwise bound will continue to guarantee, to the fullest extent possible in accordance with the Loan Documents, the payment and performance of the Guaranteed Obligations, including without limitation the payment and performance of all such applicable Guaranteed Obligations that are joint and several obligations of each Guarantor now or hereafter existing; (ii) acknowledges and agrees that its Guaranty and each of the Loan Documents to which it is a party or otherwise bound shall continue in full force and effect and that all of its obligations thereunder shall be valid and enforceable and shall not be impaired or limited by the execution or effectiveness of the Fifth Amendment; and (iii) acknowledges, agrees and warrants for the benefit of the Administrative Agent and each Secured Party that there are no rights of set-off or counterclaim, nor any defenses of any kind, whether legal, equitable or otherwise, that would enable such Guarantor to avoid or delay timely performance of its obligations under the Loan Documents (except to the extent such obligations constitute Excluded Swap Obligations (as defined in the Guaranty) with respect to such Guarantor).

SECTION 5. Reaffirmation of Security Agreement.

(a) Each Loan Party hereby acknowledges that it has reviewed and consents to the terms and conditions of this Fifth Amendment and the transactions contemplated hereby, including, without limitation, the refinancing in full of the Existing Term Loans under the Credit Agreement in the form of New 2017 Refinancing Term Loans. In addition, each Loan Party reaffirms the security interests granted by such Loan Party under the terms and conditions of the Security Agreement to secure the Obligations and agrees that such security interests remain in full force and effect and are hereby ratified, reaffirmed and confirmed. Each Loan Party hereby confirms that the security interests granted by such Loan Party under the terms and conditions of the Security Agreement secure the New 2017 Refinancing Term Loans as part of the Obligations. Each Loan Party hereby (i) confirms that each Loan Document to which it is a party or is otherwise bound and all Collateral (as defined in the Security Agreement) encumbered thereby will continue to guarantee or secure, as the case may be, to the fullest extent possible in accordance with the Loan Documents, the payment and performance of the Obligations, as the case may be, including, without limitation, the payment and performance of all such applicable Obligations that are joint and several obligations of each Loan Party now or hereafter existing, (ii) confirms its respective grant to the Collateral Agent for the benefit of the Secured Parties of the security interest in and continuing Lien on all of such Loan Party's right, title and interest in, to and under all Collateral (as defined in the Security Agreement), whether now owned or existing or hereafter acquired or arising and wherever located, as collateral security for the prompt and complete payment and performance in full when due, whether at

stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, of all applicable Obligations (including all such Obligations as amended, reaffirmed and/or increased pursuant to this Fifth Amendment), subject to the terms contained in the applicable Loan Documents, and (iii) confirms its respective guarantees, pledges, grants of security interests and other obligations, as applicable, under and subject to the terms of each of the Loan Documents to which it is a party.

(b) Each Loan Party acknowledges and agrees that each of the Loan Documents to which it is a party or otherwise bound shall continue in full force and effect and that all of its obligations thereunder shall be valid and enforceable and shall not be impaired or limited by the execution or effectiveness of this Fifth Amendment.

SECTION 6. Reference to and Effect on the Credit Agreement and the Loan Documents.

(a) This Fifth Amendment shall constitute both a Refinancing Amendment and a Loan Document under the Credit Agreement.

(b) On and after the Fifth Amendment Effective Date, (i) each reference in the Credit Agreement to "this Agreement," "hereunder," "hereof" or words of like import referring to the Credit Agreement shall mean and be a reference to the Credit Agreement, as amended by this Fifth Amendment, (ii) each New 2017 Refinancing Term Loan Lender shall constitute a "Lender" under (and as defined in) the Credit Agreement, (iii) the New 2017 Refinancing Term Loan Commitments shall constitute "Refinancing Commitments" and "Commitments" under (and as defined in) the Credit Agreement, (iv) the New 2017 Refinancing Term Loans shall constitute "Closing Date Term Loans" under (and as defined in) the Credit Agreement and (v) the Fifth Amendment Effective Date shall constitute the "Amendment No. 5 Effective Date" under (and as defined in) the Credit Agreement.

(c) The Credit Agreement and each of the other Loan Documents, as specifically amended by this Fifth Amendment, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. Without limiting the generality of the foregoing, the Collateral Documents and all of the Collateral described therein do and shall continue to secure the payment of all Obligations of the Loan Parties under the Loan Documents, in each case, as amended by this Fifth Amendment.

(d) The execution, delivery and effectiveness of this Fifth Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

(e) Notwithstanding anything in the Credit Agreement to the contrary, the New 2017 Refinancing Term Loans shall be funded as Eurodollar Rate Loans with an initial Interest Period ending on November 30, 2017.

(f) Each Converting Lender that executes and delivers a Refinancing Lender Consent electing the "Consent and Cashless Roll Option" shall be deemed to agree, upon the effectiveness of this Fifth Amendment on the Fifth Amendment Effective Date that (i) all (or such lesser amount as the Administrative Agent may allocate to such Lender) of its Existing Term Loans shall constitute New 2017 Refinancing Term Loans under the Credit Agreement (each such New 2017 Refinancing Term Loan, to such extent, a "**Cashless Converting Loan**") and (ii) it waives any right to receive its share of the prepayment of Existing Term Loans referred to in Section 2(h), solely to the extent of such Cashless Converting Loans.

(g) Each existing Term Lender that executes and delivers a Refinancing Lender Consent electing the "Consent and Assignment Option" shall be repaid in full (or such lesser amount as the Administrative Agent may allocate to such Term Lender) on the Fifth Amendment Effective Date, including for all accrued and unpaid interest, fees, expenses and other compensation owed to such Term Lender and due and payable by the Borrower pursuant to the Credit Agreement and this Fifth Amendment. Each such Term Lender agrees that it shall be deemed to have executed an Assignment and Assumption pursuant to Section 10.07 of the Credit Agreement on the Fifth Amendment Effective Date and to have purchased a principal amount of New 2017 Refinancing Term Loans in an amount equal to the principal amount of such repayment (or such lesser amount as the Administrative Agent may allocate to such Term Lender).

(h) This Fifth Amendment may not be amended, modified or waived except pursuant to a writing signed by each of the parties hereto.

SECTION 7. Governing Law. THIS FIFTH AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 8. Counterparts. This Fifth Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Fifth Amendment by telecopy or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Fifth Amendment.

SECTION 9. Electronic Execution. The words "execution," "signed," "signature," and words of like import in this Fifth Amendment or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(d) the Administrative Agent shall have received a certificate executed by a Responsible Officer of the Borrower certifying compliance with the requirements of the preceding clause (c);

(e) there shall have been delivered to the Administrative Agent (A) certificates of good standing from the secretary of state of the state of organization of each Loan Party (to the extent such concept exists in such jurisdiction), customary certificates of resolutions or other action, and incumbency certificates, (B) a certificate of a Responsible Officer of the Borrower (which may be contained in the same certificate as the certificate delivered pursuant to the preceding clause (e)), certifying that since the Amendment No. 5 Effective Date, except as attached to such certificate, there have been no changes to the Organizational Documents of the Loan Parties and/or attaching copies of any such Organizational Documents that have changed since the Amendment No. 5 Effective Date and (C) a solvency certificate from a Responsible Officer of the Borrower (after giving effect to the establishment of the 2017 Extending Revolving Commitments and the borrowing of the 2017 Extending Revolving Loans) substantially in the form attached to the Credit Agreement as Exhibit I; and

(f) the Administrative Agent shall have received an opinion from (i) Latham & Watkins LLP, special New York counsel to the Loan Parties and (ii) Faegre Baker Daniels LLP, special Minnesota counsel to the Loan Parties, in each case in form and substance reasonably satisfactory to the Administrative Agent and addressed to the Administrative Agent and the 2017 Extending Revolving Lenders.

SECTION 3. Representations and Warranties. To induce the Administrative Agent, the Issuing Bank, the Swing Line Lender and the 2017 Extending Revolving Lenders party hereto to enter into this Sixth Amendment, each of the Borrower and Holdings represents and warrants to the Administrative Agent, the Issuing Bank, the Swing Line Lender and the 2017 Extending Revolving Lenders party hereto on and as of the Sixth Amendment Effective Date:

(a) all of the representations and warranties of each Loan Party contained in the Credit Agreement and the other Loan Documents are true and correct in all material respects on and as of the Sixth Amendment Effective Date; provided that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; provided further that any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on and as of the Sixth Amendment Effective Date or such earlier date; and

(b) no Default or Event of Default exists as of the Sixth Amendment Effective Date, or would result from the establishment of the 2017 Extending Revolving Commitments, the conversion of the Existing Extended Revolving Loans into the 2017 Extending Revolving Loans or the application of the proceeds therefrom.

SECTION 4. Reaffirmation of Guaranty. Each Guarantor reaffirms its guarantee of the Guaranteed Obligations (as defined in the Guaranty) under the terms and conditions of the Guaranty and agrees that such guarantee remains in full force and effect and is hereby ratified, reaffirmed and confirmed. Each Guarantor hereby confirms that it consents to the terms of this Sixth Amendment, including, without limitation, the extension in whole or in part of the Existing Revolving Loans under the Credit Agreement in the form of 2017 Extending Revolving Loans and which constitute "Guaranteed Obligations" of such Guarantor under the Guaranty as amended by this Sixth Amendment. Each Guarantor hereby (i) confirms that each Loan Document to which it is a party or is otherwise bound will continue to guarantee, to the fullest extent possible in accordance with the Loan Documents, the payment and performance of the Guaranteed Obligations, including without limitation the payment and performance of all such applicable Guaranteed Obligations that are joint and several obligations of each Guarantor now or hereafter existing; (ii) acknowledges and agrees that its Guaranty and each of the Loan Documents to which it is a party or otherwise bound shall continue in full force and effect and that all of its obligations thereunder shall be valid and enforceable and shall not be impaired or limited by the execution or effectiveness of the Sixth Amendment; and (iii) acknowledges, agrees and warrants for the benefit of the Administrative Agent and each Secured Party that there are no rights of set-off or counterclaim, nor any defenses of any kind, whether legal, equitable or otherwise, that would enable such Guarantor to avoid or delay timely performance of its obligations under the Loan Documents (except to the extent such obligations constitute Excluded Swap Obligations (as defined in the Guaranty) with respect to such Guarantor).

SECTION 5. Reaffirmation of Security Agreement.

(a) Each Loan Party hereby acknowledges that it has reviewed and consents to the terms and conditions of this Sixth Amendment and the transactions contemplated hereby, including, without

limitation, the extension in whole or in part of the Existing Revolving Loans under the Credit Agreement in the form of 2017 Extending Revolving Loans. In addition, each Loan Party reaffirms the security interests granted by such Loan Party under the terms and conditions of the Security Agreement to secure the Obligations and agrees that such security interests remain in full force and effect and are hereby ratified, reaffirmed and confirmed. Each Loan Party hereby confirms that the security interests granted by such Loan Party under the terms and conditions of the Security Agreement secure the 2017 Extending Revolving Loans as part of the Obligations. Each Loan Party hereby (i) confirms that each Loan Document to which it is a party or is otherwise bound and all Collateral (as defined in the Security Agreement) encumbered thereby will continue to guarantee or secure, as the case may be, to the fullest extent possible in accordance with the Loan Documents, the payment and performance of the Obligations, as the case may be, including, without limitation, the payment and performance of all such applicable Obligations that are joint and several obligations of each Loan Party now or hereafter existing, (ii) confirms its respective grant to the Collateral Agent for the benefit of the Secured Parties of the security interest in and continuing Lien on all of such Loan Party's right, title and interest in, to and under all Collateral (as defined in the Security Agreement), whether now owned or existing or hereafter acquired or arising and wherever located, as collateral security for the prompt and complete payment and performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, of all applicable Obligations (including all such Obligations as amended, reaffirmed and/or increased pursuant to this Sixth Amendment), subject to the terms contained in the applicable Loan Documents, and (iii) confirms its respective guarantees, pledges, grants of security interests and other obligations, as applicable, under and subject to the terms of each of the Loan Documents to which it is a party.

(b) Each Loan Party acknowledges and agrees that each of the Loan Documents to which it is a party or otherwise bound shall continue in full force and effect and that all of its obligations thereunder shall be valid and enforceable and shall not be impaired or limited by the execution or effectiveness of this Sixth Amendment.

SECTION 6. Reference to and Effect on the Credit Agreement and the Loan Documents.

(a) This Sixth Amendment shall constitute both an Extension Amendment and a Loan Document under the Credit Agreement.

(b) On and after the Sixth Amendment Effective Date, (i) each reference in the Credit Agreement to "this Agreement," "hereunder," "hereof" or words of like import referring to the Credit Agreement shall mean and be a reference to the Credit Agreement, as amended by this Sixth Amendment, (ii) each 2017 Extending Revolving Lender shall constitute a "Lender" under (and as defined in) the Credit Agreement after giving effect to this Sixth Amendment, (iii) the 2017 Extending Revolving Commitments shall constitute "Extended Revolving Commitments", "Commitments", "Revolving Commitments" and "2017 Initial Revolving Commitments" under (and as defined in) the Credit Agreement, (iv) the 2017 Extending Revolving Loans shall constitute "Loans", "Revolving Loans", "Extended Revolving Loans" and "2017 Initial Revolving Loans" under (and as defined in) the Credit Agreement after giving effect to this Sixth Amendment and (v) the Sixth Amendment Effective Date shall constitute the "Amendment No. 6 Effective Date" under (and as defined in) the Credit Agreement.

(c) The Credit Agreement and each of the other Loan Documents, as specifically amended by this Sixth Amendment, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. Without limiting the generality of the foregoing, the Collateral Documents and all of the Collateral described therein do and shall continue to secure the payment of all Obligations of the Loan Parties under the Loan Documents, in each case, as amended by this Sixth Amendment.

(d) The execution, delivery and effectiveness of this Sixth Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

(e) This Sixth Amendment may not be amended, modified or waived except pursuant to a writing signed by each of the parties hereto.

SECTION 7. Governing Law. THIS SIXTH AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 8. Counterparts. This Sixth Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Sixth Amendment by telecopy or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Sixth Amendment.

SECTION 9. Electronic Execution. The words "execution," "signed," "signature," and words of like import in this Sixth Amendment or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 10. Assignment of Revolving Commitments. The parties hereto acknowledge that pursuant to terms and conditions and for good and valuable consideration, in each case, separately agreed among the relevant parties, certain Revolving Lenders have agreed to assign and assume Revolving Commitments such that after giving effect to such assignments and assumptions (the "Sixth Amendment Effective Date Assignments"), the Revolving Commitment of each Revolving Lender shall be equal to the amount set forth opposite the name of such Revolving Lender under the applicable column on Schedule 2.01 to the Credit Agreement (after giving effect to this Amendment). Notwithstanding the terms of Section 10.07 of the Credit Agreement, the parties hereto hereby agree that, immediately upon the effectiveness of this Amendment on the Sixth Amendment Effective Date, each of the Sixth Amendment Effective Date Assignments shall be effective and the Revolving Commitment of each Revolving Lender shall be equal to the amount set forth opposite the name of such Revolving Lender under the applicable column on Schedule 2.01 to the Credit Agreement without any further action by any party. The Borrower, the Administrative Agent and the Issuing Bank hereby consent to each Sixth Amendment Effective Date Assignment and the Administrative Agent is hereby instructed to record such assignments in the Register.
